[^0]Board of Agriculture and Fisheries，
3，St．James＇s Square，London，S．W．
23rd September， 1911.

[^0]:    ＊Section 8 of the Corn Returns Act，1882，provides that where returns of purchases of British Corn are made to the local inspector of Corn Returns in any other measure than the imperial bushel or by weight or by a weighed measure that officer shall convert such returns into the imperial bushel， and in the case of weight or weighed measure the conversion is to be made at the rate of sixty imperial pounds for every bushel of wheat，fifty imperial pounds for every bushel of barley，and thirty－nine imperial pounds for every bushel of oats．

    R．H．REW．
