DEVONSHIRE (EPIZOOTIC ABORTION) ORDER OF 1912.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1911, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Limitation of Scope of Order.

1. This Order shall not apply to a premature calving resulting from accident or some other definite cause other than epizootic abortion.

Notice of Premature Calving and Isolation pending Inquiry.

2.—(1.) Every person having in his possession or under his charge a cow which has calved prematurely shall with all practical speed give notice of the fact to a constable of the police force for the police area in which the cow is.

(2.) The constable receiving such notice shall forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

(3) The cow and its calf (if any) shall be kept separate by the owner or person in charge thereof from any bull or cow (other than a calf)

pending the inquiry by the Local Authority as to the existence of epizootic abortion.

(4.) The membranes, discharges and other matter liable to cause infection, and the calf, if born dead, shall be destroyed by the owner or person in charge of the cow as soon as possible by burning or burial in lime, but not until such samples as are required for the purpose of the prescribed veterinary inquiry have been taken by the officer employed by the Local Authority to carry out such inquiry. Such matter shall, as far as practicable, be removed from contact with cows by the owner or person in charge of the cow.

Inquiry by Local Authority as to existence of Epizootic Abortion.

3.—(1.) The Local Authority on receiving information of a premature calving shall forthwith cause inquiry to be instituted, with the assistance and advice of a Veterinary Inspector or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector, to ascertain whether it was caused by epizootic abortion.

(2.) The owner and occupier of any premises on which there is a cow which has calved prematurely shall give all reasonable facilities for the inquiry by the Local Authority under this Article.

Isolation of Diseased Animals by Notice served by Inspector of Local Authority.

4.—(1.) The Local Authority, unless satisfied by an inquiry under the preceding Article that the premature calving was not caused by epizootic abortion, shall forthwith cause a Notice (in the Form set forth in the Schedule to this Order or to the like effect) to be served by an Inspector of the Local Authority on the owner or person in charge of the cow affected requiring that the cow and its calf (if any) be detained on or in a field, yard, shed, or other place specified in the Notice, and after the service of such Notice it shall not be lawful for any person, until the expiration of three calendar months from the date of the calving, or the previous withdrawal of the Notice by an Inspector of the Local Authority—

- (i.) to move the cow or its calf, or permit either to stray, from or out of such field, yard, shed, or other place, except as hereinafter provided;
- (ii.) to permit the cow or its calf to come in contact with any bull or cow (other than a calf); or
- (iii.) to remove from or out of such field, yard, shed, or other place any dung, fodder, litter, or other thing that has been in contact with the cow, without the written permission of an Inspector of the Local Authority.

(2.) The owner or person in charge of the cow or calf shall from time to time, as often as occasion may require, or as an Inspector of the Local Authority may direct, cleanse and disinfect such internal and external parts of the cow as have been in contact with infectious membranes, discharges or other matter, and also cleanse and disinfect the calf.

(3.) An Inspector of the Local Authority, if satisfied that the movement of a cow or its calf to which a Notice applies to some other place of detention is expedient for purposes of isolation or other necessary purpose, may by Licence authorise such movement, and

the cow or its calf may thereupon be so moved, subject to the directions of the Inspector, by the nearest available route and without unnecessary delay, to such place of detention, and thereupon the Notice shall have effect as if such place of detention were therein specified.

(4.) A cow or its calf detained under a Notice under this Order may be moved from or out of the place of detention specified in the Notice to a slaughterhouse, if accompanied by a Movement Licence authorising such movement granted by an Inspector of the Local Authority of the District in which the premises are situate from which the cow or calf is to be moved. On arrival at the slaughterhouse the cow or calf shall be there detained until it is slaughtered.

(5.) Every Licence granted under this Article shall be delivered up at, or sent by post to, the nearest police station in the same District by the person in charge of the cow or calf at the time of completing the movement authorised by the Licence.

(6.) An Inspector shall with all practicable speed send copies of any Notice or Licence issued by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District. Where the place of destination is in another District the Inspector shall also send a copy of the Licence to the Local Authority of that District.

(7.) A calf placed with a cow shall, for the purpose of this Article, be treated as its calf.

Provision in case of Second Case of Premature Calving.

5. Where a premature calving of a cow takes place on any farm or premises on which there is a cow which has aborted from epizootic abortion within three calendar months, the Local Authority may cause a Notice in respect of the subsequent premature calving to be served under the preceding Article without the necessity of the veterinary inquiry hereinbefore prescribed, unless at or immediately after their receipt of the information of premature calving they are furnished by the owner or person in charge of the cow with a veterinary certificate to the effect that the premature calving was not caused by epizootic abortion.

Cleansing, Disinfection and other Precautions.

6. The occupier of any premises on which there is a cow required by this Order to be kept separate from other animals shall take such steps as may be necessary to prevent its dung or urine coming in contact with any other cow, and shall from time to time, as occasion may require, or as an Inspector of the Local Authority may direct, cleanse and disinfect the part of the premises used for the cow in manner following:—

- (i.) The part of the premises shall be thoroughly soaked or drenched with a four per cent. (minimum) solution of carbolic acid (containing not less than ninety-five per cent. of actual carbolic acid); then
- (ii.) The part of the premises shall, if the nature thereof so permit, be scraped and, where necessary, swept, and the scrapings and sweepings and all dung, sawdust, litter, and other matter shall be effectually removed therefrom; then
- (iii.) The part of the premises shall be thoroughly washed or scrubbed or scoured

with water, and then be thoroughly coated or washed with—

(a) a one per cent. (minimum) solution of chloride of lime containing not less than thirty per cent. of available chlorine; or

(b) a four per cent. (minimum) solution of carbolic acid (containing not less than ninety-five per cent. of actual carbolic acid), followed by a thorough sprinkling with limewash; or

(c) a disinfectant equal in disinfective efficiency to the above-mentioned solution of carbolic acid, followed by a thorough sprinkling with limewash.

(iv.) In the case of a field, yard, or other place which is not capable of being so cleansed and disinfected, it shall be sufficient if such field, yard, or place be cleansed and disinfected as far as practicable, and to the satisfaction of an Inspector of the Local Authority.

(2.) The scrapings and sweepings, and the dung, sawdust, litter, and other matter removed under this Article shall forthwith be burnt or well mixed with quicklime and be effectually removed from contact with cows.

Granting of Movement Licences.

7. A Movement Licence granted under this Order shall not be available if granted by the owner of the cow or calf to be moved, or by his agent, or by the consignee of the cow or calf, or by the occupier of the farm or premises or slaughterhouse from or to which the cow or calf is to be moved, or by any individual member of an Executive Committee or Sub-Committee of a Local Authority.

Withdrawal of Notices of Isolation.

8. A Notice of Isolation may be withdrawn by a Notice to that effect signed by an Inspector of the Local Authority acting under the direction of the Local Authority, served on the owner or person in charge of the cow.

Extension of certain Sections of Diseases of Animals Act, 1894.

9. Epizootic abortion of cows shall be a disease for the purposes of this Order and of the following sections of the Act of 1894 (namely):

Section forty-three (*Police*);
