Johns, a trooper of the Police Force of the Northern Territory. On the morning of the day in question the Wilton River—which was found to be in full flood—had to be crossed, and Johns, who was on horseback, and was holding in his hand the neck chain by which Neighbour was secured, set the prisoner to swim in front of him whilst he followed. The horse got into difficulties in mid-stream, and before the trooper could clear himself he was kicked in the face by the animal and carried off by the current. 1. These bye-laws shall come into operation on the expiration of one calendar month from

the date when the same shall have been confirmed in the manner prescribed by law; and on that day the existing bye-laws made by the London and India Docks Company and the Surrey Commercial Dock Company and the Millwall Dock Company, shall be repealed and cease to have any force.

Draft of Water of Vessels.

3. No vessel shall be brought into any dock, basin, lock, cut or entrance under the control of the Authority until the draft of water of such vessel shall have been stated to the dockmaster and his permission to enter any such dock, basin, lock, cut or entrance is obtained.

Any person in charge of a vessel who shall give false draught of water, shall (in addition to compensation for damage occasioned thereby) be liable to a penalty of $\pounds 5$.

And if the master or other person for the time being in charge of any vessel shall authorize or knowingly permit any such breach as last aforesaid to be committed, every such master or other person shall be liable to a penalty of £5.

4. Before any vessel, barge, lighter or craft shall enter into any dock, basin, lock or cut, the master or person in charge thereof shall cause her sails to be lowered or furled; and if the master or person in charge shall navigate the same under sail into or in any dock, basin, lock or cut without permission from the dockmaster, he shall for every such offence be liable to a penalty of £5.
