076

Civil Service Commission,

June 18, 1912.

The Civil Service Commissioners hereby give notice that the following Regulations have been approved by the Lords Commissioners of His Majesty's Treasury, viz.:—

REGULATIONS RESPECTING BOY CLERKS REGIS-
TERED FOR TEMPORARY EMPLOYMENT IN
PUBLIC DEPARTMENTS.

1. Two Registers of Boy Clerks for temporary employment in Public Departments will be kept by the Civil Service Commissioners.

2. These Registers will contain the names of boys who, being either natural-born or naturalised British subjects, are certified by the Civil Service Commissioners to be of good health and character, and duly qualified under the following Regulations (3 and 4). One Register will contain the names of boys for service in London, Edinburgh, and provincial towns of England, Scotland, and Wales. The other will contain the names of boys for service in Dublin and provincial towns in Ireland.

3. The limits of age are 15 to 16. If an Examination begins in one of the first three months of any year Candidates must be of the prescribed age on the first of January in that year. If an Examination begins in April or May of any year, Candidates must be of the prescribed age on the first of April in that year. If an Examination begins in June, July, or August of any year, Candidates must be of the prescribed age on the first of June in that year. If an Examination begins in one of the last four months of any year Candidates must be

of the prescribed age on the first of September in that year.

4. The subjects for Examination are:—

1. Handwriting and Orthography.
2. Arithmetic, including vulgar and decimal fractions.
3. English Composition.
4. Copying Manuscript.

And any three of the following, except that not more than two languages may be taken:—

5. Geography.
6. English History.
7. Latin.
8. French.
9. German.
10. Mathematics.
11. Elementary Science.

No Candidate will be regarded as qualified who fails to obtain such an aggregate number of marks as may indicate in the judgment of the Civil Service Commissioners a competent amount of general proficiency.

5. Open Competitive Examinations for the purpose of testing the qualifications of Candidates in the above-mentioned subjects will be held by the Civil Service Commissioners from time to time as may be necessary, and a certain number, regulated by the probable demand from the Public Departments, of those who show sufficient proficiency will be placed upon the Registers kept by the Commissioners, and will be available for employment as their services are required. The Competitions for the Irish service will, as a rule, be held at the same time as the Competitions for service in Great Britain, and the list of successful Candidates for Ireland will be separate from that of the successful Candidates for service in Great Britain. Candidates can enter for both Competitions, when they are held simultaneously, paying only one fee. If successful in both they will be entered on the Register for Great Britain only, or on that for Ireland only, or on both Registers according to their choice.

6. The fee payable for attending an Examination will be 5s.

7. Boy Clerks placed on these Registers will be summoned for employment in any of the Public Departments as they are wanted. When not wanted, they will have no claim to employment. Refusing to serve when called upon, except for reasons satisfactory to the Civil Service Commissioners, they will be removed from the Registers. The order in which they may be employed, the Departments to which they may be assigned, and their retention generally on the Registers, will be determined by the Civil Service Commissioners; but they will be subject to the orders of the Departments in which they are serving during the time of their actual employment, and will be liable to dismissal from them by the authorities thereof, without notice, for inefficiency or misconduct.

Boy Clerks resigning, or procuring their own discharges from Departments, except for sufficient reasons proved to the satisfaction of the Civil Service Commissioners, will be removed from the Registers.

Their assignment for service will, as a general rule, be according to their order of merit in the Examination; but exceptions to this general rule may be made when the engagement offered is very short, or for other sufficient reasons.

8. Boy Clerks will usually be engaged and paid by the week of 39 hours, viz.:—7 hours a day on Mondays, Tuesdays, Wednesdays, Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed.

In any case of absence without pay a Boy Clerk's increment shall be postponed one day for every day of such absence,—absence without pay equally with the interval between two successive engagements not being reckoned as service for any purpose contemplated by the Regulations.

Boy Clerks may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; and at the rate of 5d. per hour thereafter. Any who may be engaged by the week and who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the hourly rate for the overtime attendance in excess of the normal attendance for such day. But in no case must overtime attendance exceed 6 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

9. No service in the capacity of Boy Clerk will confer any claim to superannuation or compensation allowance; and Boy Clerks will not be retained, as such, after they shall have reached the age of 18*; subject to the following provisos:—(1) Boy Clerks who have had no opportunity of entering a Competition for Assistant Clerkships after reaching the age of 17½ may be retained until the next Competition takes place and, provided they enter the Competition, until the announcement of the result and for not more than one month afterwards. (2) Boy Clerks who reach the age of 18 after entering a Competition for Assistant Clerkships may be retained until the announcement of the result and for not more than one month afterwards. (3) A Boy Clerk who has been declared successful in a Competition for Assistant Clerkships may be retained as a Boy Clerk until he is assigned to a vacant post as Assistant Clerk, unless he be rejected by the Civil Service Commissioners as not duly qualified in respect of age, health, or character for the permanent situation.

10. If a public holiday, on which the office is closed, fall within the period of a Boy Clerk's engagement, he may be paid in respect of it as for a working day. Boy Clerks may, with the consent of the Department in which they are serving, or if not at the time serving, with the consent of the Civil Service Commissioners, be allowed holidays, with full pay in the proportion of 12 days a year. No Boy Clerk shall be allowed to take more than 12 days' leave under these conditions between the 1st day of January and the 31st day of December.

Holiday pay can only be allowed for holidays actually taken, not for days on which the Boy Clerk is drawing pay in respect of employment in any capacity in the Public Service.

11. Boy Clerks who may fall ill while serving in any Department, and whose illness may be

* Boy Clerks who have entered the service on the results of the competition of September 22, 1908, or any previous competition, may be, as hitherto, retained on the Register up to the age of twenty.

attested by medical certificate to the satisfaction of the authorities of such Department, may be allowed sick-leave, receiving three-fourths of the rate of pay for the official day; provided that no Boy Clerk shall be paid for sick-leave for more than 24 days within any one year, exclusive of public holidays, except in cases of severe illness, when sick-leave, at the three-fourths rate of pay, may be allowed for a further period, not exceeding 12 days, making a total of not more than 36 days in all in any one calendar year.

12. Except in conformity with Regulations 10, 11, 14, and 15, Boy Clerks will only receive pay for the hours, or parts of hours, during which they actually attend.

13. Persons who have entered upon or completed a course of education or training for the occupation of teacher, on account of which grants are payable from the Exchequer, are not eligible for employment as Boy Clerks until the consent of the Board of Education in England, the Committee of Council on Education for Scotland, or the Commissioners of National Education, Ireland, as the case may be, given in conformity with rules sanctioned by the Lords of the Treasury, has been notified to the Civil Service Commissioners.

14. If any case of infectious disease should occur in the house where a Boy Clerk is living, he must immediately report the fact to the officer under whom he is employed, and must, if required, at once discontinue his attendance. In cases of such enforced absence from his employment, it is in the discretion of the Head of the Department in which he has been serving to allow the Boy Clerk full pay at the usual rate for the period for which it is medically certified that his attendance at the office would be likely to be dangerous to his colleagues.

15. Any person acting in contravention of these bye-laws shall, for every such act, be liable to a penalty not exceeding £5, and shall, on the direction of the court, forfeit any net, engine, device, apparatus or fish, found in his possession or control. Every such penalty shall be recoverable, enforced and applied according to the provisions of the Thames Conservancy Act, 1894, and the Port of London Act, 1908.

Illegal Instruments.

29. If any net, engine, apparatus or device, the use of which is prohibited by these bye-laws, or if any fish, during the time at which the capture of the same is prohibited, or of a size less than that permitted to be taken by these bye-laws, is found in the possession or under the control of any person on the river, or on the shore thereof, or on any lands adjoining to or near the river, such person shall be deemed guilty of an offence against these bye-laws unless he prove to the satisfaction of the court before which he is tried that the same was legally in his possession or under his control. And if any such net, engine, apparatus, device or fish has been lawfully seized the court may, either before or after such trial, order the same to be destroyed, but without prejudice to the infliction of a penalty on, or any other remedy against, the person charged.
