At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of "The Ecclesiastical Commission Act, 1868," duly prepared and laid before His Majesty in Council a scheme, bearing date the twentieth day of June, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of 'The Ecclesiastical Commission Act, 1868,' section three, have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the Dean and Chapter of the Cathedral Church of Lichfield.

"Whereas under and by virtue of an Order in Council of Her late Majesty Queen Victoria, bearing date the twenty-seventh day of June, one thousand eight hundred and seventy-six, and duly published in the London Gazette of the seventh day of the following month as varied by an Order in Council of His late Majesty King Edward the Seventh bearing date the twenty-ninth day of January one thousand nine hundred and four and duly

published in the London Gazette of the second day of the following month there is now payable by us to the Dean and Chapter of Lichfield an annual sum of five thousand four hundred and seventy-three pounds until the said Dean and Chapter shall have been put into possession in fee simple of real estates sufficient to secure to them a clear annual income therefrom after deducting rates, taxes, the cost of agency, and other outgoings amounting to five thousand four hundred and seventy-three pounds.

"And whereas the said Dean and Chapter have not yet been so put into possession of such real estates in substitution for the said annual sum of five thousand four hundred and seventy-three pounds but the said annual sum continues payable by us under the provisions of the said Orders in Council.

"And whereas there are situate in Gaia Lane Lichfield certain premises known respectively as Rose Cottage, Number 19 Gaia Lane, and Number 18 Gaia Lane, lately purchased by us overlooking the garden attached to the Deanery of the said Cathedral Church the episcopal residence adjacent thereto and also certain dwelling-houses in the Close belonging to the said Dean and Chapter which said premises are shown upon the tracings marked A and B annexed hereto and are coloured red and green thereon.

"And whereas it is desirable that the pre-

mises aforesaid should be in the ownership of the said Dean and Chapter and they have applied to us and we have agreed to transfer to them our interest therein in consideration of the reduction by the sum of thirty-one pounds nineteen shillings and eight pence of the annual sum of five thousand four hundred and seventy-three pounds aforesaid.

"And whereas the terms of such transfer are in our opinion fair and reasonable.

"Now therefore we humbly recommend and propose with the consent of the Dean and Chapter of the Cathedral Church of Lichfield and with the consent of the Honourable and Right Reverend Augustus Bishop of Lichfield as Visitor of the said Dean and Chapter testified by their having hereunto affixed their respective corporate seals that upon and from the publication in the London Gazette of an Order of Your Majesty in Council ratifying this scheme and without any further conveyance or act in the law the premises coloured red and green upon the said tracings annexed hereto with their appurtenances shall subject always to the liabilities and charges if any to which the said property may now be specifically liable be transferred to the said Dean and Chapter in the manner contemplated by the said Act and that they shall be entitled to the rents profits and proceeds of the property known as Rose Cottage and Number 19 Gaia Lane, Lichfield, as from the sixteenth day of May in the year one thousand nine hundred and eleven and to the rents profits and proceeds of Number 18 Gaia Lane as from the twenty-fifth day of March in the year one thousand nine hundred and twelve and that in consideration of such transfer as aforesaid the payment of the said annual sum of five thousand four hundred and seventy-three pounds shall be reduced by the sum of twenty-two pounds eleven shillings and eight pence as from the said sixteenth day of May in the year one thousand nine hundred and eleven and by the further sum of nine pounds and eight shillings as from the said twenty-fifth day of March one thousand nine hundred and twelve.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid in conformity with the provisions of the said Act or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of Lichfield.

At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the sixth and seventh years of

Her late Majesty Queen Victoria, chapter thirty-seven, sections six and eight, duly prepared and laid before His Majesty in Council a scheme bearing date the fourth day of July, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, sections six and eight, have prepared and now humbly lay before Your Majesty in Council the following scheme for authorizing the sale and disposal of certain property formerly belonging to the Prebend of Brampton, in the cathedral church of Lincoln, and now vested in us.

"Whereas under an Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, and of another Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and by virtue of an Order of Her said late Majesty in Council, made under the provisions of the said Acts, and bearing date the fifteenth day of April, in the year one thousand eight hundred and forty-eight, and duly published in the London Gazette on the fifth day of the following month, all lands, tithes, and other hereditaments whatsoever (except any right of patronage) then belonging to the said Prebend became absolutely vested in us, for the purposes and subject to the provisions applicable to other hereditaments vested in us.

"And whereas the said lands, tithes, and hereditaments are now in our possession, and are not subject to any outstanding lease or grant; but some portions thereof, on account of their character or situation, are unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed.

"And whereas with a view to the advantageous appropriation of the said lands, tithes, and hereditaments so in our possession as aforesaid, or of the proceeds thereof, for the ultimate improvement of our common fund, it is expedient that the said lands, tithes, and hereditaments, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands, tithes, and hereditaments, or in any part or parts thereof, in such manner as shall appear to us advisable.

"Now, therefore, we humbly recommend and propose, that we may be authorized and empowered, by instrument or instruments in writing, duly executed according to law from time to time, to sell or dispose of, and duly to convey, according to the provisions of the said Act of the sixth and seventh years of Her said late Majesty's reign, all or any of the said lands, tithes, and hereditaments heretofore belonging to the said Prebend, and so in our possession as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise, as he or they shall direct or appoint, and for such consideration as shall, upon due calculation and inquiry, appear to us to be just and reasonable; it being our intention to invest the proceeds of such sale, from

time to time, as occasion may arise, in the purchase of other lands, tithes, rent-charges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the proceeds in some Government or Parliamentary Stock or other public securities in England.

"And we further recommend and propose, that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of Lincoln.

*Almeric FitzRoy.*

At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her said late Majesty, chapter sixty-three, duly prepared and laid before His Majesty in Council a scheme bearing date the fourth day of July, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, and of the Act of the thirty-seventh and thirty-eighth years of Her said late Majesty, chapter sixty-three, have prepared and now humbly lay before Your Majesty in Council the following scheme with respect to the rural deanery of Christchurch and the rural deanery of Ringwood, both in the archdeaconry of Winchester and in the diocese of Winchester.

"Whereas the said rural deanery of Ringwood was formed out of the said rural deanery

of Christchurch by an Order of His late Majesty King Edward the Seventh in Council bearing date the twenty-sixth day of September, in the year one thousand nine hundred and eight, and published in the London Gazette on the sixth day of the following month.

"And whereas it has been represented to us by the Right Reverend Edward Stuart, Bishop of Winchester, that the separation of the said rural deanery of Ringwood from the said rural deanery of Christchurch has been found inconvenient in practice and that a reunion of the said rural deaneries of Christchurch and Ringwood is desirable and should be carried into effect, and we are of opinion that the same may properly be carried into effect.

"Now therefore, with the consent of the said Edward Stuart, Bishop of Winchester (in testimony whereof he has set his hand and episcopal seal to this scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that as from the day on which any Order of Your Majesty in Council ratifying this scheme shall be published in the London Gazette and without any assurance in the law other than such duly gazetted Order, the said rural deaneries of Christchurch and Ringwood shall be reunited to form one rural deanery within the said archdeaconry of Winchester and that such rural deanery shall be called 'The Rural Deanery of Christchurch.'

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other matter or thing with respect to the matters aforesaid or any of them by virtue of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Winchester.

*Almeric FitzRoy.*

At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixteenth and seventeenth years of Her late Majesty Queen Victoria, chapter fifty, and of the Act of the twenty-third and twenty-fourth years of Her said late Majesty, chapter one hundred and twenty-four, duly prepared and laid before His Majesty in

Council a scheme, bearing date the twenty-third day of May, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

“ We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixteenth and seventeenth years of Her late Majesty Queen Victoria, chapter fifty, and of the Act of the twenty-third and twenty-fourth years of Her said late Majesty, chapter one hundred and twenty-four, have prepared and now humbly lay before Your Majesty in Council the following scheme for effecting an exchange of the patronage of the benefice (being a rectory) of Sudborough, situate in the county of Northampton and in the diocese of Peterborough, for the patronage of the benefice (being a vicarage) of Brigstock cum Stanion, situate in the county and diocese aforesaid.

“ Whereas the advowson or perpetual right of patronage of and presentation to the said benefice of Sudborough is vested in the Honourable and Right Reverend Edward Carr, now Bishop of Peterborough, in right of his said bishoprick.

“ And whereas the advowson or perpetual right of patronage of and presentation to the said benefice of Brigstock cum Stanion, under or by virtue of an indenture of settlement dated the twentieth day of November one thousand eight hundred and ninety-three and made between the Honourable William Waldegrave Palmer commonly called Viscount Wolmer and Frederick George Hilton Price of the first part, the Right Honourable Henry De Vere Baron Barnard (hereinafter referred to as the said Lord Barnard) of the second part and the Honourable William Lyonel Vane Edmund Charles Tennyson d'Eyncourt and Frederick William Fane (therein called the Trustees) of the third part, now stands limited free from incumbrances to the use of the said Lord Barnard for life without impeachment for waste with divers remainders over and by the said indenture the Trustees and the survivors and survivor of them or other the Trustees or Trustee for the time being thereof were declared to be the Trustees thereof for the purposes of the Settled Land Acts 1882 to 1890.

“ And whereas by an indenture dated the sixteenth day of February one thousand nine hundred and made between the said Lord Barnard of the first part, the said William Lyonel Vane of the second part and the said Edmund Charles Tennyson d'Eyncourt and Frederick William Fane (hereinafter called the said Trustees) of the third part the said William Lyonel Vane retired and was discharged from the trusts of the said Settlement and the said Trustees are now the present Trustees thereof for the purposes of the Settled Land Acts.

“ And whereas the said Edward Carr, Bishop of Peterborough, and the said Lord

Barnard and the said Trustees have respectively signified to us their desire that the patronage of the said two benefices of Sudborough and Brigstock cum Stanion may be rearranged by way of exchange in the manner which is hereinafter recommended and proposed.

“ And whereas we have made due inquiry and calculation as to the circumstances and relative value of the said two benefices and of the patronage thereof respectively and we do hereby certify to Your Majesty in Council that the circumstances and present values of the said two benefices are as set forth in the schedule hereunto annexed.

“ Now therefore, with the consent of the said Edward Carr, Bishop of Peterborough, acting as such Bishop (in testimony whereof to this scheme he has affixed his hand and his episcopal seal) and with the consent of the said Lord Barnard and of the said Trustees (in testimony whereof they have respectively signed and sealed this scheme) we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this scheme and without any conveyance or assurance in the law other than such duly gazetted Order the whole advowson or perpetual right of patronage of and presentation to the said benefice of Sudborough shall be transferred from the said Edward Carr, Bishop of Peterborough, and from his successors in the same bishoprick and shall become and be absolutely vested in the said Lord Barnard and his successors in title to such uses and upon such of the trusts and with under and subject to such of the powers provisoes and conditions as under or by virtue of the said indenture of the twentieth day of November one thousand eight hundred and ninety-three were immediately before the date of this scheme subsisting or capable of taking effect in over or in respect of the said advowson of Brigstock cum Stanion and that in exchange for the same the whole advowson or perpetual right of patronage of and presentation to the said benefice of Brigstock cum Stanion shall upon and from the same date be transferred from the said Lord Barnard and his successors in title and shall become and be absolutely vested in and shall and may from time to time and at all times be exercised by the said Edward Carr, Bishop of Peterborough, and his successors in the same bishoprick for ever freed and absolutely discharged from the trusts and provisions of the said Settlement.

“ And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of either of them or of any other Act of Parliament.

“ The SCHEDULE to which the foregoing Scheme has reference.

Name and Quality of the Benefice to be given in exchange by the Bishop of Peterborough.	County.	Diocese.	Population.	Income.	Residence.

And whereas the said scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said scheme and to order and direct that the same and every part thereof shall be effectual in law immediately from and

At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as "The Ecclesiastical Leasing Acts," duly prepared and laid before His Majesty in Council a scheme bearing date the twentieth day of June, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifth and sixth years of Her late Majesty Queen Victoria, chapter one hundred and eight, and of the Act of the twenty-first and twenty-second years of Her said late Majesty, chapter fifty-seven, which Acts are known as 'The Ecclesiastical Leasing Acts,' have prepared and now humbly lay before Your Majesty in Council the following scheme relating to the vicarage of the parish of Lewisham, in the county of Kent and diocese of Southwark.

"Whereas the annual value of the benefice of Lewisham, that is to say, of the vicarage of the parish of Lewisham aforesaid (hereinafter called the said benefice), has been improved by means of certain leases and sales of the glebe lands of the said benefice, which leases and sales were carried out under the authority of the said Acts by former vicars or Incumbents and by the present vicar or Incumbent of the said benefice of Lewisham, and such improved annual income is enjoyed by the said vicar or Incumbent, subject to the provisions contained in the said Acts with respect to making a certain portion of the improved value arising to the said benefice from the said leases and sales payable to us for the benefit of our common fund to be applied as in the said Acts mentioned.

"And whereas after the appropriation hereinafter recommended to us, the said Ecclesias-

tical Commissioners, for the benefit of our common fund of the whole of the lands, tenements and hereditaments hereinafter described, and after the deduction of the first fruits and tenths hereinafter mentioned, the average annual income of the said benefice will not be left at a less sum than six hundred pounds.

"Now therefore, we, the said Ecclesiastical Commissioners, humbly recommend and propose that all those the lands, tenements and hereditaments described in the Schedule hereunder written, subject to all leases, tenancies, or agreements affecting the same and with the benefits of the rents thereby reserved and the covenants and conditions therein contained, shall be transferred to us, the said Ecclesiastical Commissioners, and shall become and be absolutely vested in us for the benefit of our common fund to be applied as in the said Acts mentioned, and that in the event of the said benefice of Lewisham being avoided by the present vicar or Incumbent thereof by retirement under the provisions of the Incumbents' Resignation Acts and a pension under those Acts being awarded to him, the said transfer shall take effect upon the cessation of such pension; and in the event of the said benefice of Lewisham being avoided by the present Incumbent without the grant of any pension to him under the said Resignation Acts, then the said transfer shall take effect upon such avoidance: Provided always that the whole of the first fruits and tenths now payable to the Governors of Queen Anne's Bounty in respect of the said benefice of Lewisham shall continue to be payable by the vicar or Incumbent of the said benefice.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them; in accordance with the provisions of the said Acts, or of either of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"All those messuages, lands, tenements and hereditaments, with the yards, gardens, and appurtenances to the same belonging, situate in the parish of Lewisham, in the county of Kent, mentioned in the table hereunder written

*Almeric FitzRoy.*

At the Court at *Buckingham Palace*, the 19th day of *July*, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the fifty-ninth year of His late Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her late Majesty Queen Victoria, chapter forty-nine; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five, duly prepared and laid before His Majesty in Council a representation, bearing date the fourth day of July, in the year one thousand nine hundred and twelve, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the fifty-ninth year of His late Majesty King George the Third, chapter one hundred and thirty-four; of the Act of the second and third years of Her late Majesty Queen Victoria, chapter forty-nine; and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter fifty-five, have prepared, and now humbly lay before Your Majesty in Council, the following representation as to the assignment of a district chapelry to the consecrated church of the Ascension, South Twerton, situate in the parish of Twerton, in the county of Somerset and in the diocese of Bath and Wells.

“Whereas it appears to us to be expedient that a district chapelry should be assigned to the said church of the Ascension, South Twerton, situate as aforesaid.

“Now therefore, with the consent of the Right Reverend George Wyndham Bishop of Bath and Wells, (testified by his having signed and sealed this representation), we, the said Ecclesiastical Commissioners, humbly represent, that it would, in our opinion, be expedient that all that part of the said parish of Twerton, which is described in the schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the map or plan hereunto annexed,

should be assigned as a district chapelry to the said church of the Ascension, South Twerton, situate as aforesaid, and that the same should be named ‘The District Chapelry of the Ascension, South Twerton.’

“And with the like consent of the said George Wyndham, Bishop of Bath and Wells (testified as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at the said Church of the Ascension, South Twerton, situate as aforesaid, and that the fees to be received in respect of the publication of such banns and of the solemnization or performance of the said offices should be paid and belong to the minister of the same church for the time being: Provided always, that, so long as the Reverend Henry Langston Maynard, Clerk in Holy Orders, the present vicar or Incumbent of the vicarage of the said parish of Twerton, shall continue to be such vicar or Incumbent, all the fees which may be received in respect of such publication, solemnization, or performance at the said Church of the Ascension, South Twerton, situate as aforesaid, shall be paid over by the minister thereof to the said Henry Langston Maynard, and provided also that nothing herein contained shall be construed as expressing any intention on the part of us the said Commissioners to concur in or approve the taking of any fee for the performance of the said office of baptism or for the registration thereof.

**W**HEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 15th day of July, 1912, in the words following, viz.:—

"Whereas by section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an officer, seaman, or marine therein,

shall be paid in such manner and subject to such restrictions, conditions, and provisions as are from time to time directed by Order in Council:

"And whereas, in order to meet the requirements of Your Majesty's Fleet, it is desirable that further provision should be made for the advancement of Warrant Officers and Petty Officers so as to enable them to attain the rank of Lieutenant at an earlier age than is possible under existing regulations:

"And whereas we are further of opinion that, in cases where Commissioned Warrant rank exists, such rank should be attained by all deserving Warrant Officers after not more than fifteen years' service as Warrant Officer, instead of after varying periods as at present:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following arrangements:—

(1) A selection to be made of Warrant Officers and Petty Officers who are considered likely to prove suitable for commissioned rank, Petty Officers so selected being given the rank of Acting Warrant Officer and granted the usual Uniform allowance of £25.

(2) After undergoing such courses of instruction as may be laid down from time to time the selected candidates to be given the rank of Acting Mate, with pay, &c., as shown in the annexed schedule.

(3) After such further instruction as may be considered necessary and on passing a qualifying examination, Acting Mates to be confirmed as Mates and granted a Uniform allowance of £50.

(4) After serving at sea for such period and fulfilling such conditions as may be prescribed, Mates to be eligible for promotion to the rank of Lieutenant, and if so promoted to be granted a further gratuity of £50 for Uniform and outfit.

(5) On promotion, such Lieutenants to be governed in all respects by the regulations in force for the Lieutenants of Your Majesty's Fleet who have been entered as Cadets.

(6) All deserving Warrant Officers belonging to classes in which Commissioned Warrant rank is attainable to be advanced to Commissioned Warrant rank after 15 years' service as Warrant Officer as from the first day of April 1912, always provided that this regulation shall not be applicable to those classes of Warrant Officers who can attain Commissioned Warrant rank under existing regulations after less than 15 years' service until the normal period of service before promotion to Commissioned Warrant rank extends to 15 years, and further, that power be reserved to the Admiralty to advance Warrant Officers to Commissioned Warrant rank after less than 15 years for War or distinguished service, Officers so advanced to remain supernumerary under the conditions laid down in Order in Council of the 29th February 1908.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

#### "SCHEDULE.

##### "PAY, &C., OF MATES.

(1) Pay on promotion to Acting Mate, 8s. a day, inclusive of any specialist allowance.

- (2) Messing allowance, 2s. a day.  
 (3) *Pensions*.—Pension to be £50, if owing to any exceptional circumstances a Mate is not promoted to the rank of Lieutenant.  
 (4) *Number*.—The number of Mates not to exceed 100.  
 (5) In all other respects (extra pay, Lodging, Provision and Subsistence Allowances, Widows' pensions and compassionate allowances for children) Mates to be subject to the regulations for Commissioned Warrant Officers."

His Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

"And whereas we consider it desirable to increase the pay of men entered for Combined Service in the Royal Navy and Royal Fleet Reserve under the provisions of Section 4 of the Naval Forces Act, 1903:

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1855, it was, amongst other things, enacted that it should be lawful for His Majesty, by

and with the advice of His Privy Council, from time to time to postpone the time appointed by any Order in Council for the discontinuance of burials, or otherwise to vary any Order in Council made under any of the Acts recited in the said Act, or under the said Act (whether the time thereby appointed for the discontinuance of burials thereunder, or other operation of such Order, should or should not have arrived), as to His Majesty, with such advice as aforesaid, might seem fit:

And whereas an Order in Council dated the 3rd day of October, 1911, has been made directing the discontinuance of burials with certain exceptions in the Parish Churchyard of Saint Giles, Holme, in the County of Huntingdon, after the 31st day of December, 1911:

And whereas by an Order in Council of the 17th day of January, 1912, the time appointed for the discontinuance of burials in the said Parish Churchyard was postponed to the 31st day of March, 1912:

And whereas by an Order in Council of the 28th day of March, 1912, the time appointed for the discontinuance of burials in the said Parish Churchyard was further postponed to the 30th day of June, 1912:

And whereas it seems fit to His Majesty, by and with the advice of His Privy Council, that the time appointed for the discontinuance of burials in the said Parish Churchyard should be further postponed:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, as it is hereby ordered, that the time appointed for the discontinuance of burials in the Parish Churchyard of Saint Giles, Holme, in the County of Huntingdon, be postponed to the 30th day of September, 1912.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by the Burial Act, 1853, as amended by the Burial Act, 1900, it is provided that, in case it appears to His Majesty in Council, upon the representation of the Local Government Board, that, for the protection of the public health, the opening of any new burial ground in any city or town, or within any other limits, save with the previous approval of the Local Government Board, should be prohibited, or that burials in any city or town, or within any other limits, or in any burial grounds or places of burial, should be wholly discontinued, or should be discontinued subject to any exception or qualification, it shall be lawful for His Majesty, by and with the advice of His Privy Council, to order that no new burial ground shall be opened in such city or town, or within such limits, without such previous approval, or (as the case may require) that, after a time mentioned in the Order, burials in such city or town, or within such limits, or in such burial grounds or places of burial, shall be discontinued wholly, or subject to any exceptions or qualifications mentioned in such Order, and so from time to time

as circumstances may require: Provided always that notice of such representation, and of the time when it shall please His Majesty to order the same to be taken into consideration by the Privy Council, shall be published in the London Gazette, and shall be affixed on the doors of the churches or chapels of, or on some other conspicuous places within, the parishes affected by such representation, one month before such representation is so considered: Provided also that no such representation shall be made in relation to the burial ground of any parish until ten days' previous notice of the intention to make such representation shall have been given to the Incumbent and the vestry clerk or churchwardens of such parish:

And whereas the Local Government Board, after giving to the Incumbent and the churchwardens of the parish of Steeple Bumpstead, in the county of Essex, ten days' previous notice of their intention in that behalf, have made a representation to His Majesty in Council that, for the protection of the public health, the opening of any new burial ground in the civil parish of Steeple Bumpstead aforesaid, save with the previous approval of the Local Government Board, should be prohibited, and that burials should be discontinued in the said parish as hereinafter directed:

And whereas His Majesty was pleased, by His Order in Council of the 14th day of May last, to give notice of such representation, and to order that the same should be taken into consideration by a Committee of the Privy Council, on the 24th day of June last, and such Order has been published in the London Gazette and copies thereof have been affixed, as required by the said Act:

Now, therefore, His Majesty, by and with the advice of His Privy Council, is pleased to order, as it is hereby ordered, that no new burial ground shall be opened in the said civil parish save with the previous approval of the Local Government Board, and that burials in the said parish shall be discontinued as follows, viz.:—

**STEEPLE BUMPSTEAD.**—Forthwith and entirely in the Parish Church of Saint Mary, Steeple Bumpstead, in the county of Essex; and in the churchyard, except as follows:—

*Whitehall, July 24, 1912.*

The following Address was presented to The King, on Their Majesties' arrival at Grimsby, on Monday the 22nd instant, for the purpose of opening the new Dock at Immingham:—

#### GRIMSBY CORPORATION.

To Their Most Gracious Majesties the King and Queen:—

We, the Mayor, Aldermen, and Burgesses of the County Borough of Grimsby, desire humbly to express our delight at the oppor-

tunity of welcoming Your Most Gracious Majesty and Your Royal Consort the Queen for the performance of that most interesting ceremony the opening of the Immingham Dock, which we consider as an adjunct to the Grimsby Docks, and for which costly and extensive undertaking we acknowledge our indebtedness to the Great Central Railway Company, who are not only thus remedying the defects of the dock accommodation at the Port of Grimsby, now so inadequate for its rapidly increasing trade and commerce, but also in some measure providing a safe base for the use of Your Majesty's ships.

We pride ourselves on the numerous Royal visits with which this Borough has been favoured, but, without referring to those of remote periods in history, there are some amongst us who recollect with much pleasure the visit to Grimsby of the Prince Consort to lay the foundation stone of the Royal Dock, and of subsequent visits of Queen Victoria, King Edward the Seventh, when Prince of Wales, accompanied by Queen Alexandra, then the Princess of Wales, and the Duke and Duchess of Connaught. And we are now proud to add that of Your Most Gracious Majesties King George the Fifth and Queen Mary, which will create a pleasing and enduring memory. And we, who are Your Majesty's most humble devoted and loyal subjects, sincerely wish you and the Queen, His Royal Highness the Prince of Wales, and all members of Your Royal Family, long life and every desirable blessing.

To which Address His Majesty was pleased to return the following gracious Answer—

I thank you most sincerely on behalf of the Queen and Myself for the loyal and dutiful Address of Welcome from the Mayor, Aldermen, and Burgesses of the County Borough of Grimsby.

It gives Us great pleasure to visit your town on the occasion of the opening of the Immingham Dock, and to see in this new and important undertaking evidence of the increasing trade brought to your port. England owes a great deal to those who have devoted their energies to the development of her commercial resources, and you are to be congratulated on the success which is attending your efforts to promote the progress and prosperity of Grimsby.

No one can forget the fame of Grimsby as one of the greatest centres of the fishing industry in this country. The hundreds of trawlers that come to your harbour bear witness to the remarkable growth of the industry. We share your pride in the activities of those who carry on this trade and in the skill and endurance of your brave fishermen.

We are glad to continue the personal visits which have linked your Borough to Our Royal House, and in thanking you for your good wishes, We can assure you that We shall look back with the most pleasant recollections to Our visit and to the ceremony of to-day.

On Their Majesties arrival at the new Dock the following Addresses were presented:—

**GREAT CENTRAL RAILWAY  
COMPANY.**

To Their Most Excellent Majesties King George V and Queen Mary.

*May it please Your Majesties,*

We, the Chairman and Directors of the Great Central Railway Company, beg leave to approach Your Majesties with devoted loyalty and attachment, and to express our sincere gratitude for the distinguished honour Your Majesties confer upon us by graciously condescending to visit us for the purpose of opening the new dock at Immingham, commenced some six years ago, which will, we anticipate, prove a powerful stimulus to the general trade of this part of Your Kingdom, and materially advance the commercial prosperity of Your Majesties' Realm.

We recall with pride that the foundation stone of the Company's Royal Dock, Grimsby, was laid by His Royal Highness Prince Albert, in 1849, and when five years later the dock was formally opened, Her Most Gracious Majesty Queen Victoria, of illustrious memory, accompanied by the Prince Consort, the Prince of Wales, and other members of the Royal Family, honoured the Railway Company and the inhabitants of the ancient Borough of Grimsby with a visit of inspection.

In 1879, Your Majesty's late lamented and universally revered father, King Edward VII., and Queen Alexandra—as the Prince and Princess of Wales—opened the Alexandra and Union Docks, on which occasion the Prince also unveiled the Statue of Prince Albert, presented by the late Sir Edward Watkin, a former chairman of the Company.

The enterprise with which Your Majesties have so graciously deigned to be identified on the present occasion is believed to be the finest and best-equipped dock on the East Coast of England, and among its many advantages may be cited the unique geographical position it possesses, being accessible to the largest vessels at all states of the tide.

It is confidently hoped that the new undertaking, so auspiciously inaugurated, will prosper without injury to the trade of other docks, and will provide a much-needed outlet for the progressive commercial and industrial centres it is ambitious to serve.

We humbly beg permission to tender to Your Most Gracious Majesties the expression of our warmest thanks for Your Royal Presence, and we fervently pray that You may be long spared in health, and that Your Majesties' Reign be ever glorious, and one of increasing happiness and prosperity, inseparable from the loyalty and love of all Your People.

To which Address His Majesty was pleased to return the following gracious Answer:—

The Queen and I thank you most heartily for the loyal and dutiful Address which you have tendered on behalf of the Great Central Railway Company, and We assure you that it is with great pleasure that We are present to-day on an occasion of such good omen for the welfare of this district.

I congratulate you most warmly on the wise foresight and steady industry which, by converting a waste site to the uses of commerce, have provided this magnificent addition to your series of docks. It is an achievement not only great in itself, but certain to exercise a potent influence on the future progress of trade and on the wealth and happiness of the whole district which is served by the Port of Grimsby.

You remind Us in your Address of the ceremonies in connection with the inauguration and opening of your Royal Dock when Queen Victoria and Prince Albert visited Grimsby some sixty years ago, and later of the opening of the Alexandra and Union Docks by My beloved Father and Mother in 1879. The memory of these earlier ceremonies makes Us the happier to witness to-day the development and extension of these undertakings, and to associate Ourselves with the furtherance of your excellent work.

I look forward with every assurance to an era of ever-increasing prosperity for this important part of My Kingdom, and I offer My heartiest good wishes to all who are and will be connected with the Immingham Dock.

**LINDSEY COUNTY COUNCIL.**

To Their Most Gracious Majesties the King and Queen.

*May it please Your Majesties,*

We, the Chairman, Aldermen, and Councillors of the Council of the County of the Parts of Lindsey, Lincolnshire, desire to express to Your Majesties our loyal appreciation of the honour conferred upon us by Your Majesties coming to open the new dock at Immingham within the Parts of Lindsey, and the very great pleasure which we derive from the fact that we are able to join in offering to Your Majesties on Your visit to the Parts of Lindsey our most sincere and respectful welcome.

We most gratefully look upon this visit as evidence of the constant desire of Your Majesties to further in every possible way the progress and expansion of the trade and commerce of this country, feeling as we do that the prosperity of the County of Lincoln, and particularly of the Parts of Lindsey, will be greatly increased by the opening of this new dock.

We realise to the full that Your Majesties, in thus evidencing Your desire to keep in close and intimate touch with, and promote the welfare of your subjects, are following in the footsteps of His late lamented Majesty King Edward VII. of beloved memory, whose visits to the County of Lincoln, both as King and as Prince of Wales, we recall with unfeigned gratification and pleasure.

We dutifully thank Your Majesties for the honour bestowed by Your visit, and earnestly pray that for many years to come Your Majesties may be spared to continue Your wise and beneficent rule over Your subjects, and witness the prosperity of Your mighty Empire ever increasing. And may Your Majesties always possess, as You now do, the deeply-felt respect, esteem, and love of the people of the Parts of

Lindsey and of the rest of the County of Lincoln, in common with all of Your other loyal and devoted subjects.

To which Address His Majesty was pleased to return the following gracious Answer:—

The Queen and I have received with great pleasure the loyal and dutiful Address which you have presented on behalf of the Chairman, Aldermen, and Councillors of the County of the Parts of Lindsey.

The occasion of My visit to your County is one which is of much interest to Me. The country's prosperity will increase as its facilities for commerce are extended; and I am happy to support by My presence an undertaking which has this end in view. Lincolnshire has long been famous for the excellence of its agriculture, and now its manufacturing and engineering industries have made a great advance as new railroads have brought you into closer touch with the commercial world. I do not doubt that increased communications with regions beyond the seas will lead to the further development of the resources of the County and to the increase of its wealth and prosperity.

We are grateful to you for your good wishes, and you may be assured that I shall take no less interest than did My beloved Father in all that belongs to your welfare.

#### GREAT GRIMSBY RURAL DISTRICT COUNCIL.

To Their Majesties the King and Queen.

We, the Great Grimsby Rural District Council, humbly beg to approach Your Majesty to tender our hearty welcome to Your Majesty, and to Your Royal Consort, the Queen, for the interest you have taken in coming into our District to perform the ceremony of the opening of the Immingham Dock, situated on the frontage of the noble River Humber, which comprises so many advantages and capabilities for the trade and commerce of the nation. It is the source of immense gratification to the Council that Your Majesty's first gracious act in Lincolnshire, after Your accession to the Throne of this Realm, should be in these parts, and within the area of the Grimsby Rural District Council. We feel our indebtedness to the Great Central Railway Company for providing so magnificent a dock on the East coast of England, and we highly appreciate the honour Your Majesty is conferring upon us, as well as upon the Great Central Railway Company, and the country at large, by Your Majesty and Your Royal Consort condescending to come amongst us to perform the interesting ceremony, which will be a lasting and historic memory. We sincerely hope that this day's proceedings may tend to the development of these parts, and the prosperity of Your Majesty's subjects, both here and in all parts of the world.

Assuring You of our loyalty to Your Majesty's person and throne, we truly wish

Your Majesty, and Your Royal Consort, and Your Royal Family, long life and happiness.

To which Address His Majesty was pleased to return the following gracious Answer:—

It gives great pleasure to the Queen and Myself to receive the Address of Welcome which you offer to Us on behalf of the Great Grimsby Rural District Council on the occasion of Our visit to open the Immingham Dock.

You who live near a great centre of seagoing trade must feel a special interest in the development of its facilities for commerce, and I share your hope that the opening of the dock will promote the prosperity of your district. I am sure that this will prove a notable day in your annals.

I thank you very heartily for your good wishes to the Queen and Myself.
