

single phase two-wire alternating current system, and known as the Mordey-Fricker Alternating Current Single-phase Two-wire Energy Meter, A.C.E. Type.

Provided that the meter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered 13th August, 1912, and H. 10839, and be in accordance with the pattern meter No. 9644 deposited at the Board of Trade on the 30th June, 1911, by or on behalf of the Mordey-Fricker Electricity Meter Company Limited, 82, Victoria Street, Westminster, S.W., and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

Signed by order of the Board of Trade, this 15th day of August, 1912.

T. H. W. PELHAM,
Assistant Secretary Board of Trade.

*Board of Trade (Harbour Department),
London, 15th August, 1912.*

H. 10856.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of a Despatch, dated the 3rd August, from His Majesty's Chargé d'Affaires at Constantinople, stating that at a meeting, which was held on the 1st August, the Constantinople Board of Health decided to permit ships arriving at the Dardanelles from India or the Far East to perform the disinfection to which they are liable by means of their own disinfecting stove, under the supervision of the sanitary medical officer. This permission is subject to the three following conditions: that there are no passengers on board, that the ship possesses a disinfecting stove, and that the ship is in a good sanitary state.

*Board of Trade (Harbour Department),
London, 15th August, 1912.*

H. 10857.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of the following Telegram, dated the 13th August, from His Majesty's Minister at Tehran:—Medical inspection imposed on arrivals from Astrakhan removed.

*Board of Trade (Harbour Department),
London, 15th August, 1912.*

H. 10935.

The Board of Trade have received, through the Secretary of State for Foreign Affairs, a copy of the following Telegram, dated the 14th August, from His Majesty's Ambassador at Paris:—Minister for Foreign Affairs informs me that Minister of Interior considers Zanzibar territory to be infected by cholera.

SHORES OR BANKS OF ROARING WATER BAY AT KILSARLAGHT, NEAR SKIBBEREEN.

REMOVAL OF MATERIALS PROHIBITED.

Whereas the Board of Trade, acting in pursuance of the Harbours Act, 1814, as amended by the Harbours Transfer Act, 1862, find it necessary for the protection of the Port of Skibbereen to prohibit the taking or removing of any shingle or ballast from the shores or banks of Roaring Water Bay, adjacent to the Townland of Kilsarlaght—*i.e.*, between a point situate about 200 yards south of the Point known as Reenmurrish, and a point situate about 480 yards to the south of Reenmurrish, being within the said port:

Now the Board of Trade do hereby by this Order prohibit the taking or removing of any shingle or ballast from the shores or banks of Roaring Water Bay between the points above mentioned.

H. Llewellyn Smith,
Secretary to the Board of Trade.

Dated the 14th day of August, 1912.

NOTE.—Any person removing shingle or ballast in contravention of this notice is liable, on conviction, to a penalty not exceeding £10.

Admiralty, 13th August, 1912.
