TRADE BOARDS ACT, 1909.

Order of the Board of Trade under Section 5 (2).

Whereas by section 4 of the Trade Boards Act, 1909, it is, amongst other things, provided as follows:—

(1.) Trade Boards shall, subject to the provisions of this section, fix minimum rates of wages for timework for their trades (in this Act referred to as minimum time-rates), and may also fix general minimum rates of wages for piecework for their trades (in this Act referred to as general minimum piece-rates), and those rates of wages (whether time or piece-rates) may be fixed so as to apply universally to the trade, or so as to apply to any special process in the work of the trade or to any special class of workers in the trade, or to any special area.

If a Trade Board report to the Board of Trade that it is impracticable in any case to fix a minimum time-rate in accordance with this section, the Board of Trade may so far as respects that case relieve the Trade Board of their duty.

(2.) Before fixing any minimum time-rate or general minimum piece-rate, the Trade Board shall give notice of the rate which they propose to fix and consider any objections to the rate which may be lodged with them within three months.

(3.) The Trade Board shall give notice of any minimum time-rate or general minimum piece-rate fixed by them.

And whereas by section 5 of the said Act it is amongst other things provided:

(1.) Until a minimum time-rate or general minimum piece-rate fixed by a Trade Board has been made obligatory by order of the Board of Trade under this section, the operation of the rate shall be limited as in this Act provided.

(2.) Upon the expiration of six months from the date on which a Trade Board have given notice of any minimum time-rate or general minimum piece-rate fixed by them, the Board of Trade shall make an order (in this Act referred to as an obligatory order) making that minimum rate obligatory in cases in which it is applicable on all persons employing labour and on all persons employed, unless they are of opinion that the circumstances are such as to make it premature or otherwise undesirable to make an obligatory order, and in that case they shall make an order suspending the obligatory operation of the rate (in this Act referred to as an order of suspension).

And whereas on the 14th day of March, 1912, the Trade Board established under the said Act for that branch of the Lace Trade which is engaged in Machine-made Lace and Net Finishing, other than the finishing of the product of Plain Net machines, gave notice that they had fixed general minimum piece-rates for the Finishing of Machine-made Lace and Net which are the product of Warp machines, for the processes more specifically set forth in the notice thereof, and the rates fixed are set out in the Schedule hereto:

And whereas the said rates have been in limited operation since the 14th day of March, 1912:

Now therefore the Board of Trade, in pursuance of the powers in them vested, as before recited, do by this order make the said General Minimum Piece-rates fixed by the said Trade Board and set out in the said Schedule hereto, obligatory in cases in which they are applicable on all persons employing labour and on all persons employed in the said trade.

Dated this 16th day of September, 1912.
