The KING has been pleased to approve of the Albert Medal of the Second Class being conferred upon Mr. Arthur Hanson, of Burroughs Wellcome and Company, in recognition of his gallantry in saving life in the Yangtze Gorges on the 13th November, 1911.

On the day in question a number of house-boats containing foreign refugees from Szechuan were proceeding down the Yangtze River, and in one of the gorges encountered a strong wind blowing against the current, with a result that several boats were caught in a dangerous whirlpool. With one exception the boats were brought out of the whirlpool by the strenuous efforts of those on board, but the remaining boat, which contained several women and children, was left drifting in the whirlpool in a perilous position, her rudder having been broken off. At great personal risk Mr. Hanson, who was on shore some considerable distance away, swam out with a rope tied round him, and succeeded in attaching this to the boat, which by this means was safely pulled to land.

NATIONAL INSURANCE.

NATIONAL HEALTH INSURANCE.

The National Health Insurance (Further Payments to Approved Societies) Order, 1912, dated November 15, 1912, made by the Insurance Commissioners under Section 78 of the National Insurance Act, 1911.

Whereas by section 54 of the National Insurance Act, 1911 (in this Order called "the Act"), it is amongst other things provided that the sums required to meet expenditure properly incurred by Approved Societies for the purposes of the benefits administered by them and the administration of those benefits shall be paid out of the National Health Insurance Fund (in this Order referred to as "the Fund"):

And whereas by section 78 of the Act it is amongst other things provided that if any difficulty arises in bringing Part I of the Act into operation the Insurance Commissioners with the consent of the Treasury may by Order make any appointment and do anything which appears to them necessary or expedient for bringing Part I of the Act into operation, and any such Order may modify the provisions of the Act so far as may appear necessary or expedient for carrying the Order into effect:

And whereas it is necessary in order to bring Part I of the Act into operation that payments should be made out of the Fund to meet expenditure properly incurred by Approved Societies for the purposes of administration during the period of currency of the first contribution cards issued for the purposes of the Act (in this Order referred to as "the said period") and during the current quarter.

And whereas up to the date of this Order it has not been possible, and will not for some time to come be possible, to carry to the credit of the various Approved Societies in the Fund the sums which ought to be carried to the credit of those Societies in respect of each of the said periods:

And whereas the Regulations to be made under section 56 of the Act providing for the crediting of sums to Approved Societies are not yet in force:

And whereas it is apprehended that by reason of the premises payments cannot lawfully be made out of the Fund for the purpose aforesaid unless this Order is made, and a difficulty has thereby arisen within the meaning of the said section 78:

Now, therefore, the Insurance Commissioners in pursuance of the powers conferred on them by the Act and of all other powers enabling them in that behalf, with the consent of the Treasury, hereby order as follows:—

1. At any time after the date of this Order there may be paid out of the Fund to any Approved Society such sums as the Insurance Commissioners may in any case direct for the purpose of meeting expenditure incurred by the Society during the said period and during the current quarter for the purposes of administration not exceeding, in the case of a Society which has given security to the Commissioners pursuant to the provisions of section 26 of the Act, two shillings and threepence and in the case of a Society which has not so given security one shilling and tenpence for each person certified by the proper officers of the Society to have been a member of the Society for the purposes of Part I of the Act on the 13th day of October, 1912.

Provided that—

(a) any sums paid to an Approved Society out of the Fund under the National Health Insurance (Payments to Societies and Committees) Order, 1912, shall be deemed to have been paid under this Order and shall be taken into account accordingly in estimating the amounts payable to the Society under this Order; and

(b) the total amount paid to an Approved Society under this Order shall not exceed the net amount which, in the opinion of the Commissioners, having regard to the amount of contributions previously paid by or in respect of members of the Society, ought to be carried to the credit of the Society in the Fund.

2. Any payments made to a Society in pursuance of this Order shall, so far as they are payments which could properly have been made out of the Fund under section 54 of the Act if made in the prescribed manner and if money had been credited in the Fund to that Society, be deemed to have been duly made in pursuance of the provisions of section 54 of the Act.

3. This Order may be cited as the National

Health Insurance (Further Payments to Approved Societies) Order, 1912.

Given under the Seal of Office of the aforesaid Insurance Commissioners this 15th day of November, in the year one thousand nine hundred and twelve.
