PART I.

LANDING REGULATIONS.

*Regulation of Landing of Irish Animals in Great Britain.*

1.—(1.) Cattle, sheep, goats or swine brought from Ireland shall not be landed in Great Britain unless—

(a) the animals have been put on board at a port specified in the First Schedule to this Order; and

(b) the landing is at a Landing Place defined by Order of the Board as a Landing Place for Irish animals.

(2.) The animals shall be landed in such manner and at such times as the Superintendent of the Landing Place shall direct.

(3.) When landed they shall be under the supervision and control of an Inspector of the Board; and, until his arrival, they shall be under the supervision and control of the Superintendent of the Landing Place.

*Restrictions on Use of Landing Places.*

2. Subject to the provisions of the Order defining a Landing Place for Irish animals, no cattle, sheep, goats or swine other than such as are landed under this Order shall be landed at or be moved into the Landing Place.

*Examination of Animals.*

3.—(1.) Each cargo of animals landed at a Landing Place under this Order shall on landing be driven to a reception lair or reception lairs approved by an Inspector of the Board for reception of the cargo, and the animals shall be there detained until their movement from the Landing Place is permitted by an Inspector of the Board, which permission shall not be granted unless and until the whole cargo has been examined by a Veterinary Inspector of the Board, and until the expiration of twelve hours after the landing of the last animal of the cargo.

(2.) If two or more cargoes or parts of cargoes are permitted to be in a reception lair at the same time, they shall for the purposes of this Order be treated as one cargo.

(3.) Until permission has been given for the removal of an animal from the Landing Place it shall not be allowed to come in con-

(4.) The occupier of a Landing Place shall afford such assistance to the Veterinary Inspector as he may require to enable him to examine the animals.

*Removal of Animals from Landing Place.*

4. All animals landed at a Landing Place shall, subject to permission being given under this Order, be removed by the owner or person in charge thereof from the Landing Place forthwith if such removal is directed by the Superintendent of the Landing Place, and if an animal is not so removed by the owner or person in charge thereof, the occupier of the Landing Place, or the Superintendent thereof acting on behalf of the occupier, shall have power to remove the animal from the Landing Place, and to recover from the owner of the animal at the time of default the costs of and incidental to the removal.

*Special Provisions Applicable to Landing of Swine.*

8. Nothing in this Order shall be deemed to authorise landing in Great Britain of swine brought from Ireland otherwise than in accordance with the Swine-Fever (Movement from Ireland) Orders of 1904 and 1906, but such landing, and the movement of the swine out of the Landing Place, shall be subject to the regulations imposed by this Order.

(2.) Where a certificate has been so made the following Rules shall apply to the Landing Place until the Board by Order otherwise direct:—

Rule 1. Animals shall not be landed at, or moved into or out of, the Landing Place except with, and subject to the conditions imposed by, a Licence of an Inspector of the Board.

Rule 2. Sheep moved with a licence under this Article shall be moved by the nearest available route and without avoidable delay to the slaughterhouse specified in the licence authorising the movement and not elsewhere, and shall be there detained until they are slaughtered.

Rule 3. During the movement the sheep shall not be allowed to come in contact with sheep which are not being moved with a licence under this Article.

Rule 4. Every licence under this Article shall forthwith after completion of the movement be delivered up at, or sent by post to, the nearest police station of the District by the person in charge of the sheep at the time of completing the movement.

Rule 5. A copy of the licence shall be sent by the Inspector granting the same to the Local Authority of the District in which the place of destination is situate.

(2.) Where under any Order relating to sheep-scab, or any regulation made thereunder, sheep are required to be dipped under prescribed conditions, the dipping of any sheep under this Article shall, for the purposes of such Order or regulation, be treated as a dipping of the sheep under the prescribed conditions.

*Provision where Sheep-scab is found on Examination before Shipment.*

12.—(1.) Where in the opinion of a Veterinary Inspector of the Department of Agriculture and Technical Instruction for Ireland an animal intended for conveyance to Great Britain is affected with or suspected of sheep-scab, it shall be unlawful to land the animal in Great Britain, and the provisions of this Order relating to animals which have been exposed to infection by contact with an animal affected with, or suspected of, sheep-scab in a Landing Place shall apply to sheep which have been exposed to infection by contact with the diseased or suspected animal intended for conveyance to Great Britain.

(2.) For the purposes of this Article a certificate by an Inspector of the said Department that an animal is affected with, or suspected of, sheep-scab, or that an animal has been exposed to infection by contact with an animal so affected or suspected, shall be conclusive evidence of those facts.

*Procedure in Case of Anthrax.*

13.—(1.) If a Veterinary Inspector of the Board is of opinion that an animal in a Landing Place is affected with, or suspected of, anthrax he shall so inform the Local Authority and the Medical Officer of Health of the Sanitary District.

14. A cow which has calved during the voyage from Ireland or in the Landing Place or port of landing shall not be moved from the Landing Place until such movement is permitted by an Inspector of the Board, which permission shall in no case be granted until the Inspector is satisfied that twenty-four hours have expired since the time of calving.

*Exemption of Landing Places from certain Provisions in Orders of the Board.*

15.—(1.) A Landing Place shall not be declared to be an Infected Place under any Order of the Board, and any provision in any such Order which relates to Infected Places shall not apply to a Landing Place.
