TUESDAY, 25 NOVEMBER, 1913.

At the Court at Windsor Castle, the 22nd day of November, 1913.

PRESENT,

The KING's Most Excellent Majesty in Council.

THIS day the Honourable Sir Joshua Strange Williams, Senior Puisne Judge of the Supreme Court of New Zealand, was, by His Majesty's command, appointed a Member of His Majesty's Most Honourable Privy Council.

Almeric FitzRoy.

At the Court at Windsor Castle, the 22nd day of November, 1913.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (Session 2), chapter twenty-six, duly prepared and laid before His Majesty in Council a Scheme, bearing date the sixteenth day of October, in the year one thousand nine hundred and thirteen, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for

England, in pursuance of the Act of the sixth and seventh years of His late Majesty King William the Fourth, chapter seventy-seven, and of the Act of the fifth year of Her late Majesty Queen Victoria (Session 2), chapter twenty-six, have prepared and now humbly lay before Your Majesty in Council the following Scheme for authorizing certain improvements at the episcopal residence belonging to the See of Bath and Wells, which is situate at Wells, in the county of Somerset.

"Whereas the Right Reverend George Wyndham, now Bishop of the Diocese of Bath and Wells, is desirous that certain improvements should be made at the said episcopal residence at Wells for the preservation of the Ancient Banqueting Hall (a ruin) annexed to the said episcopal residence, and has submitted to us the particulars of such proposed improvements, and we have signified our general approval of the same.

"And whereas the said Bishop is also desirous, and it appears to us to be expedient, that towards the cost of effecting the said proposed improvements a sum not exceeding two hundred pounds (being a sum which, with certain moneys already borrowed upon the same security under the authority of the Statutes hereinbefore mentioned, does not exceed two years' income of the See) should be provided by borrowing the same by way of further mortgage upon the security of all and

every part of the lands, tenements and hereditaments, endowments or emoluments which now belong or may hereafter belong to the Bishoprick of Bath and Wells.

"Now, therefore, with the consent of the said George Wyndham, Bishop of the said Diocese of Bath and Wells (testified by his having affixed his signature and episcopal seal to this Scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that the said Bishop be authorized to borrow from the Governors of the Bounty of Queen Anne, and that the said Governors be empowered to lend, under the provisions of the above-mentioned Acts, a further sum not exceeding two hundred pounds, and that as a security for the same the said Bishop do mortgage all and every part of the lands, tenements and hereditaments, and endowments or emoluments which now belong or may hereafter belong to his said See, to the said Governors by deed for the term of twenty-five years, or until the said sum of two hundred pounds, or such lesser sum as may be advanced, with the interest for the same as hereinafter mentioned, and all costs and charges which may attend the recovery thereof, shall be fully paid and satisfied, and that such principal sum shall be repaid with interest in manner following, that is to say, during and in respect of the first period of twelve months of the said term computed from the day of the date of the mortgage no part of the said principal sum shall be repayable, but the said Bishop or his successors shall yearly, at the end of the second period of twelve months so computed, and at the end of every such-like period of twelve months thereafter, pay to the said Governors, their successors or assigns one-twentieth part of the said principal sum of two hundred pounds, or of such lesser sum as may be advanced until the whole thereof shall be repaid, and shall also at the end of the first and each succeeding period of twelve months computed as aforesaid pay interest at the rate of four pounds per cent. per annum on the said principal, or on so much thereof as shall from time to time remain unpaid. And that if and when it shall happen that either the principal or the interest directed to be paid as hereinbefore mentioned shall be in arrear and unpaid for the space of forty days after the same shall have become due, it shall and may be lawful for the said Governors, their successors and assigns to recover the same and the costs and charges attending the recovery thereof by distress and sale in the like manner as rents may be recovered by landlords or lessors from their tenants by the laws in force at the time of such distress and sale, and that such mortgage deed shall be in the form and to the effect to be approved by us, the said Ecclesiastical Commissioners, and shall bind as well the said George Wyndham, now Bishop of the said Diocese of Bath and Wells, as every succeeding Bishop of the same diocese until the principal money and interest, costs and charges shall have been paid off and discharged.

"And we further recommend and propose that the said sum of two hundred pounds, or such lesser sum as may be advanced, shall be paid to us, the said Ecclesiastical Commissioners, and that the receipt of our Joint Treasurers for the time being endorsed on the said mortgage deed shall be a good and sufficient discharge of the said Governors and their

successors for the same, who shall not be bound or required to see to the application thereof, and that upon the receipt of the said sum of two hundred pounds, or such lesser sum as may be advanced, the whole or any part or parts thereof shall be applied by us at such time or times, and in such manner as shall appear to us to be expedient towards effecting the said proposed improvements at the episcopal residence aforesaid.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them in conformity with the provisions of the herein-named Acts or of either of them or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Bath and Wells.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the thirty-third and thirty-fourth years of Her late Majesty Queen Victoria, chapter thirty-nine, and of the Acts therein mentioned, that is to say, the Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, the Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her said late Majesty, chapter one hundred and fourteen, duly prepared and laid before His Majesty in Council a Scheme bearing date the sixteenth day of October, in the year one thousand nine hundred and thirteen, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the thirty-third and thirty-fourth years of Her late Majesty Queen Victoria, chapter thirty-nine, and of the Acts therein mentioned, that is to say, the Act of the third and fourth years of Her said late Majesty, chapter one hundred and thirteen, the Act of the fourth and fifth years of Her said late Majesty, chapter thirty-nine, and the Act of the thirty-first and thirty-second years of Her said late Majesty, chapter one hundred and fourteen, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the advowson or perpetual right of patronage of and presentation to the church and cure (hereinafter called "the said benefice") of Teddington, in the county of Middlesex and in the diocese of London.

"And whereas the said Frederic Henry, Bishop of Ely, is willing to accept such transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the diocese which by the Acts in the hereinbefore-mentioned Act recited or by some or one of them is made necessary, he, the said Frederic Henry, Bishop of Ely, has executed this Scheme as herein-after mentioned.

"And whereas the transfer of the patronage of the said benefice of Winwick, which is hereinbefore mentioned and hereinafter recommended and proposed will, in our opinion, tend to make better provision for the cure of souls in the parish or district in or in respect of which the right of patronage or advowson so recommended and proposed to be transferred as aforesaid arises or exists, that is to say, in the parish of Winwick.

"Now therefore, with the consent of the said Earl of Dalkeith, being the person whose consent as patron is required by the provisions of the hereinbefore-mentioned Acts and of the Act of the first and second years of Her said late Majesty, chapter one hundred and six (in testimony of which consent he has signed and sealed this Scheme), and with the consent of the said Frederic Henry, Bishop of Ely (in testimony whereof he has signed this Scheme and sealed the same with his episcopal seal).

"We, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole advowson or perpetual right of patronage of and presentation

to the said benefice of Winwick, shall be transferred to the said Frederic Henry, Bishop of Ely, and his successors in the same bishoprick, and shall thereupon and thenceforth become and be absolutely vested in and shall and may from time to time be exercised by the said Frederic Henry, Bishop of Ely, and his successors in the same bishoprick for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Ely.

Almeric FitzRoy.

At the Court at Windsor Castle, the 22nd day of November, 1913.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, duly prepared and laid before His Majesty in Council a Scheme, bearing date the sixteenth day of October, in the year one thousand nine hundred and thirteen, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the third and fourth years of Her late Majesty Queen Victoria, chapter one hundred and thirteen, of the Act of the sixth and seventh years of Her said late Majesty, chapter thirty-seven, and of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, have prepared and now humbly lay before Your Majesty in Council the following Scheme for constituting a separate district for spiritual purposes to be taken partly out of the parish of Penshaw, partly out of the new parish (sometime district chapelry) of Saint Matthew, Newbottle, and partly out of the new parish (sometime district chapelry) of Herrington, all within the original limits of the parish of Houghton le Spring, in the county of Durham and in the diocese of Durham.

"Whereas we are satisfied that the said parish of Penshaw, the said new parish of Saint Matthew, Newbottle, and the said new

parish of Herrington, are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said parish of Penshaw, of the said new parish of Saint Matthew, Newbottle, and of the said new parish of Herrington, which are herein-after mentioned and described, should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas certain hereditaments and premises situate within the said parish of Houghton le Spring have become vested in us under the provisions of and for the purposes of the herein mentioned Acts or of some or one of them, and we have in respect of such hereditaments and premises agreed to make and pay out of the common fund created by the firstly herein mentioned Act a grant of one hundred and fifty pounds per annum to the minister of the said proposed separate district so soon as a minister shall have been duly licensed in accordance with the provisions of the secondly herein mentioned Act and to his successors.

"And whereas the said grant of the said yearly sum of one hundred and fifty pounds will, after the publication in the London Gazette of an Order of Your Majesty in Council ratifying this Scheme, be made and secured by an Instrument to be executed by us, the said Ecclesiastical Commissioners, under our common seal in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Her said late Majesty, chapter one hundred and eleven.

"Now therefore with the consent of the Right Reverend Handley Carr Glyn, Bishop of Durham (in testimony whereof he has signed and sealed this Scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that all those portions of the said parish of Penshaw, of the said new parish of Saint Matthew, Newbottle, and of the said new parish of Herrington, which are described in the Schedule hereunder written, all which portions, together with the boundaries thereof are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme as aforesaid become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint Oswald, Shiny Row.'

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference:—

"The District of Saint Oswald, Shiny Row, comprising:—

"I. All that portion of the parish of Penshaw, in the county of Durham and in the

diocese of Durham, which is bounded upon the west and upon the south-west by the new parish of Burnmoor, in the said county and diocese, upon the south-east partly by the new parish (sometime district chapelry) of Saint Matthew, Newbottle, and partly by the new parish (sometime district chapelry) of Herrington, both in the said county and diocese, and upon the remaining sides, that is to say, upon the north-east and upon the north-west by an imaginary line commencing upon the boundary which divides the said new parish of Herrington from the said parish of Penshaw at the centre of the bridge which carries the footpath known as Maiden's Walk and leading from Market Crescent to Chester Road across Herrington Burn, and extending thence north-westward along the middle of such footpath for a distance of twenty-seven chains or thereabouts to its junction with Chester Road, and extending thence south-westward and in a straight line for a distance of thirty-six chains or thereabouts to the point where the road leading past the eastern side of the grounds attached to Painshaw House is joined by the road leading from Carr Row, and extending thence south-westward along the middle of the last mentioned road for a distance of twelve chains or thereabouts to its junction with the road leading from Painshaw Low House to Chester Road, and extending thence in a straight line due west (thereby passing to the north of Carr Row) for a distance of nine chains and a half or thereabouts to the boundary which divides the said parish of Penshaw from the said new parish of Burnmoor.

"II. Also all that portion of the said new parish of Saint Matthew, Newbottle, which is bounded upon the north-west by the said parish of Penshaw, upon the north by the said new parish of Herrington, and upon the remaining sides, that is to say, upon the south-east, upon the south, and upon the south-west, by an imaginary line commencing at the point where the boundary which divides the said new parish of Herrington from the said new parish of Saint Matthew, Newbottle, crosses the middle of the Philadelphia Branch Line of the Lambton Railway, and extending thence south-westward along the middle of the said branch line of railway for a distance of seventeen chains and a half or thereabouts to the centre of the level crossing where such branch line of railway crosses the road leading from Newbottle to Shiny Row, and extending thence north-westward along the middle of such road for a distance of ten chains and a half or thereabouts to its junction with the road leading to Bunker Hill, and extending thence south-westward along the middle of the last mentioned road for a distance of thirteen chains and three-quarters or thereabouts to its junction with the road leading from Bunker Hill to the footpath which follows the western side of Herrington Burn, and extending thence north-westward along the middle of the last mentioned roadway for a distance of nine chains or thereabouts to the centre of the foot bridge across Herrington Burn, upon the boundary which divides the said new parish of Saint Matthew, Newbottle, from the said parish of Penshaw.

"III. And also all that portion of the said new parish of Herrington which is bounded upon the north-west by the said parish of Penshaw, upon the south-west by the said new

parish of Saint Matthew, Newbottle, and upon the remaining sides, that is to say, upon the east and upon the north-east, by an imaginary line commencing at the point where the boundary which divides the said new parish of Saint Matthew, Newbottle, from the said new parish of Herrington, crosses the middle of the road running between the houses in Travers Street, and the backs of the houses on the eastern side of Surrey Street, and extending thence north-westward along the middle of such road for a distance of seven chains and a half or thereabouts to its junction with the road leading past the southern side of the playground attached to the West Herrington Council School, and extending thence westward along the middle of such road for a distance of two chains or thereabouts to its junction with Surrey Street, and extending thence north-westward along the middle of Surrey Street for a distance of two chains and a half or thereabouts to its junction with the road leading from Shiney Row to West Herrington, and extending thence north-eastward along the middle of the last-mentioned road for a distance of four chains or thereabouts to its junction with the road running between Market Crescent and South Burn Terrace, and extending thence north-westward along the middle of such road and along a straight line in continuation thereof for a distance of four chains and a half or thereabouts to the middle of Herrington Burn, upon the boundary which divides the said new parish of Herrington from the said parish of Penshaw."

And whereas drafts of the said Scheme have, in accordance with the provisions of the secondly hereinbefore mentioned Act, been transmitted to the patrons and to the Incumbents of the cures out of which it is intended that the district recommended in such Scheme to be constituted shall be taken, and such patrons and Incumbents have respectively signified their assent to such Scheme:

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts. And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said diocese of Durham.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, and of the Act of the twenty-ninth and thirtieth years of Her said late Majesty, chapter eighty-six, duly

prepared and laid before His Majesty in Council, a Scheme, bearing date the sixteenth day of October, in the year one thousand nine hundred and thirteen, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the sixth and seventh years of Her late Majesty Queen Victoria, chapter thirty-seven, of the Act of the nineteenth and twentieth years of Her said late Majesty, chapter one hundred and four, and of the Act of the twenty-ninth and thirtieth years of Her said late Majesty, chapter eighty-six, have prepared and now humbly lay before Your Majesty in Council the following Scheme for constituting a separate district for spiritual purposes to be taken partly out of the new parish (sometime district chapelry) of Saint Alban, Rochdale, partly out of the new parish (sometime district) of All Souls, Castleton, and partly out of the new parish (sometime district chapelry) of Saint Martin, Castleton Moor, all within the original limits of the parish of Rochdale, in the county of Lancaster and in the diocese of Manchester.

"Whereas we are satisfied that the said new parish of Saint Alban, Rochdale, the said new parish of All Souls, Castleton, and the said new parish of Saint Martin, Castleton Moor, are cures wherein or in parts whereof the provision for public worship and for pastoral superintendence is insufficient for the spiritual wants of the inhabitants thereof, and it has been made to appear to us that it would promote the interests of religion that the particular portions of the said new parish of Saint Alban, Rochdale, of the said new parish of All Souls, Castleton, and of the said new parish of Saint Martin, Castleton Moor, which are hereinafter mentioned and described, should be constituted a separate district in the manner which is hereinafter set forth.

"And whereas there is not at present within the limits of the said proposed separate district any consecrated church or chapel in use for the purposes of Divine worship.

"And whereas certain glebe lands, messuages, tenements, and hereditaments sometime belonging to the vicarage of the said parish of Rochdale, have become vested in us under the provisions of and for the purposes of the lastly hereinbefore mentioned Act.

"And whereas the district hereinafter recommended to be constituted will be permanently endowed under the provisions contained in the twelfth section of the said lastly mentioned Act with an annual sum of one hundred and fifty pounds, and such endowment will, after the publication in the London Gazette of an Order of Your Majesty in Council ratifying this Scheme, be secured by an Instrument to be executed by us, the said Ecclesiastical Commissioners, under our common seal, in accordance with the provisions of the Act of the twenty-ninth and thirtieth years of Her said late Majesty, chapter one hundred and eleven.

"And whereas, by a deed of conveyance, dated the eighteenth day of April, in the year one thousand nine hundred and ten, a plot of land situate within the said proposed separate district was conveyed to us as the site for a permanent church for such district, and there has been contributed and paid to the credit of our account at the Bank of England a sum of two thousand pounds sterling towards the cost of erecting such permanent church.

"And whereas the said plot of land has

been conveyed, and the said sum of two thousand pounds has been contributed and paid as aforesaid upon the understanding and condition that (such arrangement appearing to us to be expedient) the whole right of patronage of the said proposed district, and, when such district shall have become a new parish, then of the said new parish, and the nomination of the Minister or Incumbent thereof, should be assigned in the manner which is hereinafter set forth.

"And whereas the donor of the said plot of land as the site for the permanent church for the said proposed district and the contributors of the said sum of two thousand pounds towards the cost of erecting such permanent church have nominated to us, the Bishop for the time being of the said diocese of Manchester as the person to whom they desire that the whole right of patronage of the said proposed district or new parish should be assigned.

"Now, therefore, with the consent of the Right Reverend Edmund Arbuthnott, Bishop of Manchester (in testimony whereof he has signed and sealed this Scheme), we, the said Ecclesiastical Commissioners, humbly recommend and propose that all those portions of the said new parish of Saint Alban, Rochdale, of the said new parish of All Souls, Castleton, and of the said new parish of Saint Martin, Castleton Moor, which are described in the Schedule hereunder written, all which portions, together with the boundaries thereof, are delineated and set forth on the map or plan hereunto annexed, shall, upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme as aforesaid become and be constituted a separate district for spiritual purposes, and that the same shall be named 'The District of Saint Aidan, Sudden, Rochdale.'

"And we further recommend and propose that the whole right of patronage of the said district so recommended to be constituted, and when such district shall have become a new parish as aforesaid then of the said new parish, and the nomination of the Minister or Incumbent thereof, shall, without any assurance in the law other than this Scheme, and any duly gazetted Order of Your Majesty in Council ratifying the same, and upon and from the day of the date of the publication of such Order in the London Gazette as aforesaid, be assigned to and be absolutely vested in, and shall and may be exercised by the said Edmund Arbuthnott, Bishop of the said diocese of Manchester, and his successors for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid or any of them in accordance with the provisions of the said Acts or of any of them or of any other Act of Parliament.

"The SCHEDULE to which the foregoing Scheme has reference.

"The district of Saint Aidan, Sudden, Rochdale, comprising:—

At the Court at *Windsor Castle*, the 22nd day of *November*, 1913.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by section 30 of the Municipal Corporations Act, 1882, as amended by section 2 of the Municipal Corporations Act, 1893, it is (amongst other things) provided that, if a majority of the whole Council of a borough agree to petition, and the Council thereupon petition The King for the division of the borough into wards, it shall be lawful for His Majesty, from time to time, by Order in Council, to fix the number of wards into which the borough shall be divided, and that the borough shall be divided into that number of Wards, and that where an Order in Council has been so made the Secretary of State shall appoint a Commissioner to prepare a scheme for determining the boundaries of the wards and apportioning the Councillors among them.

And whereas a majority of the whole Council of the borough of Conway in the county of Carnarvon did, on the 1st day of May, 1912, agree to petition and the Council of the said borough thereupon petitioned His Majesty for the division of the said borough into wards.

And whereas His Majesty was pleased by His Order in Council of the 17th day of March,

1913, to fix the number of wards into which the borough of Conway should be divided and to order and direct that the said borough should thenceforth be divided into four wards.

And whereas on the 8th day of April, 1913, the Right Honourable Reginald McKenna, one of His Majesty's Principal Secretaries of State, did appoint Thomas Evans Morris, Esquire, Barrister-at-Law, a Commissioner, to prepare a scheme for determining the boundaries of such wards and for apportioning the Councillors of the said borough among such wards.

And whereas the said Commissioner has accordingly prepared the following scheme, dated the 14th day of October, 1913, which said scheme was published in the London Gazette of the 17th day of October, 1913:—

BOROUGH OF CONWAY.

I, Thomas Evans Morris, in pursuance of the powers given me by virtue of the appointment under the said Act, do hereby determine as hereinafter mentioned the boundaries of the said four wards into which the said borough is divided, which wards are hereinafter named and numbered as follows, that is to say:—

2. MARL WARD.
3. ABER CONWY WARD.
4. CASTLE WARD.

And where, in the following descriptions of

the ward boundaries (so far as such descriptions do not refer to the borough boundary) a street, road or railway is given as the boundary of a ward, the boundary is to be taken as the centre of such street, road or railway, and where any street or road is described as joining another street or road, the point of junction is to be taken as the point at which lines drawn along the centres of the two streets or roads and continued would intersect each other.

And where a river or stream is given as the boundary of a ward, the boundary (except where it refers to the borough boundary) is to be taken as the *medium filum* of such river or stream.

And where reference is made to the borough boundary, the already determined boundary line of the borough is meant.

And in the event of any discrepancy between the map and the description, the Ordnance Survey Map (2nd edition, 1901) shall prevail.

At the Court at Windsor Castle, the 22nd day of November, 1913.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order made by the late King's Most Excellent Majesty in Council, on the 19th March, 1908, His Majesty was pleased to order (amongst other things), that, where any property belonging to or held for the benefit of a unit of Volunteers or Yeomanry mentioned in the first column of the Schedule to that Order was vested in or held by any Trustees other than the Commanding Officer of such unit, those Trustees should, until otherwise directed by Order in Council under section 29 of the Territorial and Reserve Forces Act, 1907, be appointed in regard to the property so vested in or held by them to be special Trustees, to

the exclusion of the Association, and should continue to hold such property in trust for the corresponding unit of the Territorial Force in like manner in all respects as they previously held it for the unit of the Volunteers or Yeomanry, and that the corresponding unit should, notwithstanding any trust, limitation, or condition affecting any such property, continue entitled to the benefit thereof in like manner as the unit was entitled thereto before it became a unit of the Territorial Force.

And whereas by virtue of the above-recited provisions of the said Order in Council the Trustees named in the first column of the Schedule to this Order hold the property described and set opposite to their names in the second column of that Schedule in trust for the unit of the Territorial Force mentioned in the third column of that Schedule for the purposes and subject to the limitations mentioned in the deed referred to in the fourth column of that Schedule, and it is expedient that such property should be transferred from those Trustees to the County Association mentioned in the fifth column of that Schedule.

Now, therefore, His Majesty, by and with the advice of His Privy Council, doth order, and it is hereby ordered, that as from the date of this Order the said property shall be by virtue of this Order transferred from the said Trustees to and vested in the said County Association subject to any charges thereon and to any liabilities in or towards the discharge of which the said property is properly applicable, and shall be held by that Association in like manner in all respects as it was held by the said Trustees for the benefit of the said unit of the Territorial Force or for such other purposes as the Association with the consent of the said unit (to be ascertained in manner prescribed by regulations of the Army Council) shall direct but so that the interest of any beneficiary other than the said unit or the unit of the Volunteers or Yeomanry with which it corresponds shall not without the consent of such beneficiary be affected.
