*To be Printed as Indorsement on Licence.*

The movement of animals under this Licence is subject to any Order of the Board of Agriculture and Fisheries, and also to any Regulation made by a Local Authority for prohibiting or regulating the movement of animals.

This Licence does not authorise movement of an animal which is affected with Foot-and-Mouth disease or which has during the preceding twenty-eight days been in any way exposed to the infection of such disease or movement into or out of a Foot-and-Mouth Disease Infected Place, or movement of an animal the movement of which is prohibited by a notice of an Inspector of the Local Authority or of the Board of Agriculture and Fisheries given under any Order of the Board.

Animals while being moved under this Licence must be accompanied by the Licence and must, so far as is practicable, be kept separate from all animals which are not being so moved. They must be moved by the nearest available route and without unnecessary delay to the place of destination specified in the Licence, and where the place of destination is a slaughter-house or bacon factory they must be there detained until they are slaughtered.

Unless the Licence is an Occupation Licence, the Licence must forthwith after completion of the movement be delivered up to an officer of the Local Authority or be delivered up at, or sent by post to, the nearest Police Station in the same District by the person in charge of the animals at the time of completing the movement.

This Licence is not available if it is granted by the owner of the animals to be moved, or by his agent, or by the consignee of the animals, or by the occupier of the farm or premises or slaughter-house from or to which the animals are to be moved, or by any individual member of an Executive Committee or Sub-Committee of a Local Authority.
