22. (A) From and after the commencement of this Scheme the Council of the borough of Buxton shall be the Local Education Authority for the purposes of Part III of the Education Act, 1902, and the Scheme for the establishment of an Education Committee made by the Buxton Urban District Council, as hereinbefore recited, on the                    day of 1914, under section 17 of the said Act, shall have effect as if for reference in that Scheme to the Urban District Council were substituted references to the Council of the borough.

(B) All public elementary schools situate in the borough and provided by the County Council of the county of Derby, and all other lands so situate and vested in the County Council for purposes of Part III of the Education Act, 1902, with the furniture, fittings, books, and apparatus of the schools and schoolhouses, and such of the furniture, fittings, books, and apparatus of non-provided schools as belong to the County Council shall in each case, from and after the commencement of this Scheme, be transferred to and vested in the Council of the borough as the Local Education Authority for the borough for all the estate and interest therein of the said County Council as the Local Education Authority, and all contracts, debts, and liabilities which at the commencement of this Scheme are existing or are owing by or attached to the said County Council in respect exclusively of the said public elementary schools, or lands, furniture, fittings, books, or apparatus, or of any other public elementary school in the said borough, or with respect to the officers, teachers, and servants of any public elementary schools in the borough shall from and after the commencement of this Scheme enure to and be carried into effect by the Council of the borough as the Local Education Authority.

(C) The liability for the repayment of so much of any loan raised exclusively in respect of any public elementary school or of any lands, furniture, fittings, books, or apparatus transferred to and vested in the Council of the borough by virtue of this Scheme as is owing at the commencement thereof, and the liability for the payment of the interest on such part of any such loan shall, on the commencement of this Scheme be transferred and attached to the Council of the Borough as the Local Education Authority, and shall be charged on the Borough Fund and the Borough Rate of the said borough, and each such loan shall be repaid by the Council of the borough within the period (if any) for which the loan was originally sanctioned, or within which the loan is otherwise required to be repaid or is made repayable.

(D) Any bye-laws made under the Education Acts, 1870 to 1911, in force in the borough immediately before the commencement of this Scheme shall from and after that day apply until revoked or altered by the Council of the borough.

(E) All managers of public elementary schools within the borough who were appointed by the County Council of the county of Derby shall at the commencement of this Scheme vacate office.

(F) Paragraph 22 of the Second Schedule to the Education Act, 1902, shall apply and

have effect with respect to any adjustment which for the purposes of the Education Acts, 1870 to 1911, is required by reason of anything in or done in pursuance of any provisions of this Scheme.

23. All mortgages, stock, charges, loans, and debts of the Buxton and Fairfield Urban District Councils shall be the mortgages, stock, charges, loans and debts of the Corporation, and all mortgages of and charges upon the undertakings, rates, and property of the said Urban District Councils respectively shall be mortgages of and charges upon the same undertakings, district fund, general district rate, and property of the Corporation.

24. All arrears or any general district rates and other rates and payments, which on the commencement of this Scheme are due or are owing to the Buxton and Fairfield Urban District Councils or either of them in respect of hereditaments beyond the borough, may be collected, levied, and recovered by the Corporation.

25. If at any time the district fund and general district rate of the borough are insufficient to provide the sums required for interest or repayment of principal on or in respect of any money borrowed wholly or partly on the security of the district fund or general district rate of the Urban District Council of Fairfield, then (but not otherwise) notwithstanding anything in this Scheme, the rights of the creditors against the part of the said urban district excluded from the borough shall be deemed to be subsisting, and the Rural District Council of Chapel-en-le-Frith shall, if required by one-third in value of the creditors, or by an Order of any competent Court, levy, or cause to be levied, in or upon the part of the said urban district excluded from the borough, such portion of the said moneys, then due and unpaid, as bears the same proportion to the whole of the said moneys, then due and unpaid, as the then rateable value for sanitary purposes of the property in such excluded part bears to the sum of such rateable value together with the rateable value for sanitary purposes of the property in the part of the said urban district included within the borough, and the said Rural District Council shall levy and cause to be levied from or in the said excluded part the said portion of the said moneys by the same means and in the same manner as nearly as may be as contributions for special expenses are levied under the Public Health Act, 1875. Any sum or sums paid by the said Rural District Council under this clause shall and may be recovered by the said Rural District Council as a debt due to the said Rural District Council from the Corporation, and any sum or sums so repaid by the Corporation shall be treated as contributions for special expenses, or shall be made applicable in such other way as the Rural District Council with the consent of the Local Government Board may determine.

26. An equitable adjustment shall be made as regards the property (if any) and the debts and liabilities of the township or parish of Fairfield, as existing before the date of the Charter, as between the respective parts thereof dealt with by the Charter and this Scheme, and also as regards the property (if any) and the debts and liabilities of the Fairfield Urban District Council, as between or in respect of

the parts thereof included in the borough, and transferred to the rural district of Chapel-en-le-Frith respectively. Any such adjustment may be made by and between the Councils or Authorities concerned by agreement, or failing agreement, shall be settled by arbitration in the manner provided by Section 68 of the Local Government Act, 1894, as if the adjustment were under and for the purposes of that Act, and the provisions of that section as far as applicable, with the necessary modifications, shall apply with respect to the objects and purposes of the adjustment, and the borrowing and application of capital moneys and otherwise as may be found convenient, provided that as regards any sum payable by the Rural District Council of Chapel-en-le-Frith the sum shall be charged on the parish of Green Fairfield as if it were in respect of special expenses incurred on account of that parish under the provisions of the Public Health Act, 1875.

27. Notwithstanding the exclusion from the borough of the portion of Fairfield District by this Scheme constituted a separate parish or township, the Corporation may supply gas within the whole of the limits defined or referred to in the Buxton Gas Act, 1870, as amended by the Chapel Whaley and District Gas Act, 1911, under and subject to the terms and provisions of those Acts respectively.

28. Notwithstanding the incorporation of the borough and the provisions of this Scheme all rates, assessments, orders, apportionments, notices, compositions, charges, mortgages, contracts, leases, conveyances, deeds, documents, acts, matters, and things made, entered into, given or done before the commencement of this Scheme by, to, or with reference to the Buxton and Fairfield Urban District Councils, or either of them, shall be as good and valid and effectual to all intents and purposes whatsoever for, against, and with reference to the Corporation instead of the said Urban District Councils respectively, and may be proceeded on and enforced in the same manner in all respects as if the Corporation instead of such Council had been party or privy to the same, and been named or referred to therein.

29. In case any officer of the Urban District Council of Buxton or the Urban District Council of Fairfield or the said County Council, in respect of elementary education in either of the districts included in the borough, who shall have been employed by such Council for a period of not less than five years, shall not be employed by the Council of the borough nor offered by the last-mentioned Council a position in their employ of a similar character and of an equal value to that formerly held by him, he shall be entitled to be paid by way of compensation for the loss of his position out of the funds of or under the control of the Corporation, acting by the Council as the Sanitary Authority or Education Authority (as the case may be) for the said borough, and the amount to be paid in each case shall be determined in accordance with the provisions of Section 120 of the Local Government Act, 1888, and Sub-sections (1) to (7) inclusive of that section shall apply as if they formed part of this Scheme with the substitution of the words "Borough Council" for "County Council" and "this Scheme" for "this Act," and with such other modifications as are necessary to make them applicable thereto:

Provided nevertheless that if any officer be so employed by the said Corporation and discharged by them (otherwise than for misconduct) within four years of the commencement of this Scheme, he shall be entitled to compensation in the same manner as if he had not been employed by the said Corporation:

Provided also that the term "officer" shall include only persons employed by the said urban district councils respectively, whose salaries or emoluments are payable at intervals of not less than one month and no other persons.

The provisions of this clause shall apply to a teacher employed in any public elementary school at the commencement of this Scheme within either of the aforesaid districts as if he were an officer employed by the county council, provided that in the case of a teacher employed in a non-provided school the provisions hereinbefore contained shall only apply if such teacher be discharged by the Corporation or by the direction or with the consent of the Corporation (otherwise than for misconduct) within four years of the commencement of this Scheme.

30. The accounts of the Buxton and Fairfield Urban District Councils and their officers shall be made up to the date of the commencement of this Scheme, and shall be (as soon as conveniently may be) audited by the district auditor in like manner and subject to the like powers, duties, provisions and right of appeal as if the Charter had not been granted, and the provisions of sections 247 and 250 of the Public Health Act, 1875, as amended by the District Auditors Act, 1879, and any regulations duly issued by the Local Government Board with respect to the audit of accounts of local boards or urban district councils and of their officers shall apply to such audit, and the provisions of this Scheme with respect to the district council shall be construed so as to admit of such exceptions as may be necessary to enable such audit to be duly made, but such exceptions shall be strictly limited in time, extent, character and operation to the purposes of such audit. Any money certified to be due from any person by the district auditor at such audit shall be paid by such person to the treasurer of the borough.

The KING has been pleased, by Warrant under His Majesty's Royal Sign Manual, bearing date the 26th instant, to appoint Frederick Temple Barrington-Ward, Esq., Barrister-at-Law, to be Recorder of the Borough of Hythe, in the room of Beaumont Morice, Esq., Barrister-at-Law, resigned.

*Whitehall, June 30, 1914.*

The KING was pleased, on Monday, the 29th June, at St. James's Palace, to present to Hugh Adamson the Albert Medal of the Second Class, conferred upon him by His Majesty for gallantry in endeavouring to save life, as detailed below:—

On the afternoon of the 3rd December last the manager of the Banbridge Gasworks, County Down, was engaged in examining a gas exhauster which had become choked, when a loud explosion occurred, blowing out the window of the engine-house. Hugh Adamson, who is a labourer employed at the Gasworks, had just left the engine-house on a message for the manager, and was thrown down by the force of the explosion. On getting up he saw the exhauster house in flames, and, hearing the manager's call for help, burst open the door, which had jammed. He found the manager enveloped in flames, but managed to drag him outside and then collapsed. On recovering Adamson succeeded in turning the gas into another gasometer, thereby saving the premises from being blown up, though the engine-house was actually destroyed. Adamson was severely burned, and the manager succumbed to his injuries a few days later.

*Whitehall, July 1, 1914.*

#### FACTORY AND WORKSHOP ACT, 1901.

Notice is hereby given, pursuant to section 1 of the Rules Publication Act, 1893, that the Secretary of State for the Home Department proposes, at the expiration of 40 days from the date of this Notice, to make an Order under section 116 of the Factory and Workshop Act, 1901, requiring particulars of work and rates of wages to be given to all persons paid by the piece who are employed in factories and workshops in which the manufacture of articles of metal (not being machinery) is carried on, or who are employed in that class of work as out-workers.

The Order, which will consolidate and supersede the existing Orders relating to the making of Pens (12th July, 1900), the making of Locks, Latches and Keys (14th July, 1902), the making of Chains, Anchors, and Cart Gear (14th July, 1902), the making of Iron Safes (29th April, 1911), and the making of Files (23rd December, 1911), is drawn so as to apply to the same classes of work (other than the manufacture of machinery) as are covered by the definition of "metal works" in paragraph (13) of the Sixth Schedule to the Act, with the inclusion, however, of workshops as well as of factories; but it will not apply to any of the other works (e.g., Blast Furnaces, Copper

Mills, Iron Mills, or Foundries) defined in the other paragraphs of that Schedule; nor will it apply to any work to which the Order of the 23rd September, 1907, relating to the Mixing, Casting, or Manufacture of Brass or Articles of Brass and the Electro Depositing of Brass applies.

Copies of the draft of the proposed Order can be obtained on application to the Chief Inspector of Factories, Home Office, London, S.W.
