NOTICE TO IMPORTERS AND
EXPORTERS.

1. The attention of importers and exporters is directed to the provisions of His Majesty's Proclamation, dated the 9th September, relating to Trading with the Enemy. By paragraph 5 (7) of this Proclamation all persons resident, carrying on business, or being in His Majesty's Dominions are warned "not directly or indirectly to supply to or for the use or benefit of, or obtain from an enemy country or an enemy any goods, wares, or merchandise; nor directly or indirectly to supply to or for the use or benefit of, or obtain from any person any goods, wares, or merchandise, for or by way of transmission to or from an enemy country or an enemy; nor directly or indirectly to trade in or carry any goods, wares, or merchandise destined for or coming from an enemy country or an enemy."

It is further provided by paragraph 3 that the expression "enemy" in the Proclamation means "any person or body of persons of whatever nationality resident or carrying on business in the enemy country, but does not include persons of enemy nationality who are neither resident nor carrying on business in the enemy country. In the case of incorporated bodies, enemy character attaches only to those incorporated in an enemy country."

2. With a view to preventing breaches of this Proclamation it is hereby notified that the Commissioners of His Majesty's Customs and Excise have been authorized by His Majesty's Government to require Certificates of Origin or Declarations of Ultimate Destination respectively to be presented in respect of all goods, wares, or merchandise imported into or exported from the United Kingdom in trade with any foreign port in Europe or on the Mediterranean or Black Seas with the exception of those of Russia, Belgium, France, Spain and Portugal.

3. Declarations of Ultimate Destination will consequently be required until further notice in respect of all exports, without regard to value of consignments, to all the foreign ports referred to above.

4. For the present, however (except in regard to sugar), Certificates of Origin will not be required in respect of imports of foodstuffs or in respect of any imports from ports other than those specified in Schedule I. below, or in respect of individual consignments not exceeding £100 in value. The Certificates and Declarations referred to must be in the form prescribed by the Schedules II. and III. hereto.

5. Any goods, wares or merchandise imported from the above-mentioned foreign ports, except as provided in paragraph 4, unaccompanied by Certificates of Origin will be detained by the Commissioners of Customs and Excise until the requisite certificates are produced. The Commissioners are, however,

authorized in such cases, and at their discretion, to allow delivery of the goods on the security of a deposit or of a bond to the amount of three times the value of the goods with a view to the production of the necessary certificates within a prescribed period, provided that they see no reason for suspecting that the goods emanate from an enemy country.

6. Goods, wares, or merchandise sought to be exported to any foreign ports in Europe or on the Mediterranean or Black Seas, with the exception of those of Russia, Belgium, France, Spain and Portugal, will not be allowed to be shipped until Declarations of Ultimate Destination in the form prescribed have been lodged with the proper Customs authority.

7. The following goods will be exempt from these requirements:—

(a) Goods imported or exported under licence;

(b) Goods shipped for the United Kingdom on or before the 19th October;

(c) Goods in respect of which Customs export entries have been accepted before the publication of this notice.

NOTICE TO MARINERS.

No. 1626 of the year 1914.

NORTH SEA.

Caution with regard to Min d areas.

In confirmation of the Public Notice, which has already been issued to the Press, the following information is now promulgated.

Caution.—H.M. Government have authorised a mine-laying policy in certain areas, and a system of mine-fields has been established and is being developed upon a considerable scale.

It is dangerous henceforth for ships to cross the area between the parallels of 51° 15' and 51° 40' North latitude and the meridians of 1° 35' and 3° 00' East longitude.

The Southern limit of the area in the North Sea in which mines have been laid by the enemy is, so far as is known at present, the fifty second parallel of North latitude.

Remarks.—Although these limits are assigned to the danger areas, it must not be supposed that navigation is necessarily safe in any part of the southern waters of the North Sea.

Authority.—Lords Commissioners of the Admiralty.

By Command of their Lordships,

J. F. PARRY,

Hydrographer.

Hydrographic Department,
Admiralty, London.
