Colonial Office,
28th December, 1914.

Board of Trade, 7, Whitehall Gardens,
London, S.W., 23rd December, 1914.

For the purposes of the Electric Lighting Acts, 1882 to 1909, and all Provisional Orders and Licences made and issued thereunder, the Board of Trade approve of the construction and pattern of the meter (hereinafter described) for the measurement of electrical energy when supplied on the constant pressure two-wire single-phase alternating current system, and known as the E.A.C. Induction Motor Meter Type H.T.

Provided that the meter be constructed as described in the specification and drawings deposited at the Board of Trade, and dated and numbered 15th December, 1914, and H.16976, and be in accordance with the pattern meter No. 50,718 deposited at the Board of Trade on the 2nd March, 1914, by or on behalf of the Electrical Apparatus Company Limited, Vauxhall Works, London, S.W., and sealed by the Board of Trade.

The Board of Trade further approve of the means provided for fixing meters of this description, and for connecting them with the service lines as described in the specification and drawings above referred to.

Signed by order of the Board of Trade this 23rd day of December, 1914.

Garnham Roper,
An Assistant Secretary to the Board of Trade.
