ORDER OF THE BOARD OF
AGRICULTURE AND FISHERIES.

(DATED 9TH APRIL 1915.)

SHEEP-DIPPING (WEST RIDING AND
PEAK DISTRICT) ORDER OF 1915.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1914, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Application of Order.

1.—(1.) This Order applies to the Area described in the First Schedule hereto (hereinafter referred to as "the Dipping Area").

(2.) Where any farm or holding is situate partly within and partly outside the Dipping Area the provisions of this Order shall, notwithstanding anything contained in any other Order of the Board, apply to the farm or holding, and the sheep thereon, as if the whole farm or holding were in the Area.

(3.) While this Order remains in operation, the Dipping Area described in the First Schedule hereto shall cease to form part of any Dipping Areas to which the provisions of any other Orders of the Board relating to the general dipping of sheep apply, and accordingly such Orders shall not apply to any portion of the Dipping Area described in the First Schedule hereto or to the sheep therein so long as they remain in the Dipping Area to which this Order applies.

Mode of Dipping Prescribed.

2. Where under this Order it is provided that sheep are to be dipped, they shall be dipped by a thorough immersion in a sheep-dip approved by the Board for sheep-scab, or purporting to be so approved.

PART I.

GENERAL DIPPING.

*Double Dipping during period from 1st
September to 30th September.*

3.—(1.) All sheep in the Dipping Area during the prescribed dipping period shall, subject to the next following Article, be caused by the owner or person in charge thereof to be dipped within the Dipping Area twice during that period, with an interval of not less than seven and not more than fourteen days between the dippings. The prescribed dipping period shall commence in each year on the first day of September and terminate on the thirtieth day of September.

(2.) All sheep after having been dipped shall during the remainder of the prescribed dipping period be kept isolated, as far as practicable, from sheep which have not been so dipped.

Exemptions from General Dipping.

4.—(1.) The provisions of this Order requiring the dipping of all sheep during the prescribed dipping period shall not apply to—

(i.) Sheep moved by railway through the Dipping Area;

(ii.) Sheep slaughtered in the Dipping Area, or moved out of the Dipping Area under and in accordance with the provisions of Part II of this Order, before the expiration of the prescribed dipping period; or

(iii.) Sheep for which an exemption from the general dipping has been obtained from the Local Authority of the District in which the sheep are, which exemption shall be granted only for sheep which since the first day of July in the current year shall have been dipped in the presence, and to the satisfaction, of an Inspector of a Local Authority twice on separate dates with an interval of not less than seven and not more than fourteen days between the dippings, and have since the second dipping been kept separate as far as practicable from sheep not so dipped. The sheep thus exempted shall until the first day of October be kept separate as far as practicable from sheep which have not been dipped in the manner prescribed by Article 3 of this Order. Every exemption shall be signed by the Clerk of the Local Authority and shall be subject to any conditions specified in the exemption. A copy of every exemption shall be sent to the Board.

(2.) In the case of sheep which, in the opinion of the Local Authority of the District where they are kept, it is impracticable or inexpedient to dip in accordance with the requirements of this Order, on account of any special circumstances, the prescribed dipping period may be extended by the Local Authority to the twenty-first day of October. In such case the sheep shall not, until they have been so dipped, be moved out of the Dipping Area or be allowed to come in contact with sheep which have been so dipped.

*Notice to Local Authority of Time and Place
of intended Dippings, and Returns of
Dippings.*

5.—(1.) For the purpose of enabling the Local Authority to be represented at the dipping whenever they think such a course desirable, the owner or person in charge of any sheep required to be dipped under Article 3 or Article 4 (2) shall give such written notice of his intention to dip his sheep as is hereinafter provided:—

(i.) The notice shall be delivered, or sent by post, to such person as the Local Authority of the District may appoint to receive such notices in respect of sheep in their District.

(ii.) The notice shall be sent or delivered at such time as to be received by the appointed person three clear days, at least, before the intended time of dipping, unless a shorter notice is authorised by the Local Authority.

(iii.) The notice shall state the time and place of each intended dipping, and the approximate number of sheep intended to be dipped.

(2.) If from any cause the dipping of the sheep on the date specified in a notice becomes

impracticable, no further notice shall be required if the sheep are dipped as soon after such date as is practicable.

(3.) A return in the Form A set forth in the Second Schedule hereto, or to the like effect, shall be sent immediately after each dipping by the owner or person in charge of the sheep dipped to the person appointed to receive such returns by the Local Authority of the District in which the sheep are dipped, except in any case in which an Inspector or other officer of the Local Authority is present at the dipping.

Declaration after Dipping Period.

6.—(1.) The occupier of a farm or holding in the Dipping Area on which sheep are kept shall personally, or by his agent authorised in writing for this purpose, on or after the first day of October, but not later than the fifteenth day of October, send a declaration as to the dipping of the sheep in the Form B set forth in the Second Schedule hereto, or to the like effect, to the person appointed to receive such declarations by the Local Authority of the District in which the farm or holding is situate.

(2.) In any case where the prescribed dipping period is extended the declaration shall be so sent not later than fourteen days after the expiration of the extension.

(2.) Sheep moved under this Article to a slaughter-house shall after their arrival thereat be there detained until they are slaughtered.

(b) upon production to him of an exemption from the general dipping granted under Article 4 of this Order and relating to the sheep for which the licence is applied for.

(2.) A licence under this Article shall only be granted where, in the opinion of the Inspector granting it, compliance with the provisions of Articles 8 or 9 is impracticable or inexpedient.

A certificate shall also be so retained unless it refers to more sheep than are proposed to be moved, in which case a note shall be made thereon and initialled by the Inspector who grants the licence, stating the number of the sheep for which the licence is granted. Restriction on Movement of Sheep not Dipped as Required by Order.

14.—(1.) Where any sheep shall not have been dipped as required by this Order an Inspector of the Local Authority may, without prejudice to any proceedings for the offence, serve the owner or person in charge of the sheep, and the owner or person in charge of any sheep then in contact with the undipped sheep, with a notice, in the Form (D) set forth in the Second Schedule hereto, or to the like effect, requiring the dipping of the sheep described in the notice, and prohibiting their movement from the farm, holding, or other place where they are at the time the notice is served (except with a licence granted by an Inspector of the Local Authority of the District) until all the sheep shall have been dipped, after the service of the notice, in the presence and to the satisfaction of an Inspector of the Local Authority, or have been slaughtered, and thereupon it shall be unlawful for the owner or person in charge of the sheep to move the sheep, or permit the sheep to be moved, in contravention of the notice.

(2.) The dipping required may, if the Inspector considers it desirable, be a double dipping on separate dates, with an interval of not less than seven and not more than fourteen days between the two dates.

Power for Local Authority to regulate time and place of Dipping in particular cases.

15. The Local Authority of any District in the Dipping Area may in any case where they think such procedure desirable for the purposes of securing the dipping required by this Order serve a notice on the owner or person in charge of any sheep requiring that the sheep shall be dipped at such time and place as is stated in the notice and to the satisfaction of an Inspector of the Local Authority, and the sheep shall thereupon be dipped in accordance with the requirements of such notice. The notice may be in the Form E set forth in the Second Schedule hereto, or to the like effect.

General Provisions as to Movement.

16. Sheep, while being moved under this Order, shall be kept as far as practicable separate from all other sheep, and, if moved with a licence, shall be moved by the nearest available route and without unnecessary delay to the place of destination specified in the licence, and not elsewhere.

17. For the purposes of this Order, sheep shall not be deemed to be moved out of the Dipping Area—

(iii.) where they are moved through the Area under and in accordance with any Order of the Board or any licence issued thereunder.

Production of Licences; Names and Addresses.

(5.) If any person, with a view unlawfully to evade or defeat the operation of this Order, by clipping, or washing, or in any other manner, takes out, effaces, or obliterates, or attempts to take out, efface, or obliterate any mark painted or stamped on any sheep, as required by this Order, the person doing the same, and the person causing, directing, or permitting the same to be done, and the owner of the sheep, and the person for the time being in charge thereof, shall, each according to and in respect of his own acts and defaults, be deemed guilty of an offence against the Act of 1894.

NOTICE TO MARINERS.

[No. 292 of the year 1915.]

UNITED KINGDOM.

Pilotage stations established at certain Ports on account of defensive Minefields.

Former Notice.—No. 154 of 1915; hereby cancelled.

With reference to the extension of the system of Mine defence, notice is hereby given that Pilotage is now compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and that it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations and will be conducted into and out of port in groups.

(1) **FIRTH OF FORTH.** All incoming vessels are only permitted to enter the Firth of Forth during daylight hours; they are to pass between the Isle of May and Anstruther Wester, thence they must steer a direct course for Kinghorn Ness. On approaching Inchkeith, the Pilot vessel in the North channel is to be closed, and a pilot embarked.

Vessels are warned that they should on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn Ness, until in the longitude of 3° W., when course may be shaped for the centre of North channel.

Outward bound vessels should steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., then shape course to pass between Anstruther Wester and the Isle of May.

The above orders apply to vessels proceeding to *any* port in the Firth of Forth, whether to the eastward of Inchkeith or not.

(2) **MORAY FIRTH.** All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

It is dangerous for any vessel to be under way to the south-westward of a line joining Findhorn and Tarbetness without a pilot.

(3) **SCAPA FLOW.** All entrances are dangerous and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

Examination services have been established in the entrances to Hoxa and Hoy sounds, vessels wishing to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

The only vessels permitted to enter Hoy sound from the westward are those bound for Stromness: vessels cannot enter Scapa Flow from Stromness.

Vessels are not permitted to enter Hoxa or Hoy sounds by night.

Passage through Cantick sound is entirely prohibited.

Note.

This Notice is a repetition of Notice No. 154 of 1915, with additions to paragraph (3).
