SECTION 2.—The weekly rates set out in this Notice are based on a week of 54 hours, and are subject to a proportionate deduction or increase according as the number of hours spent by the worker in the factory or workshop in any week is less or more than 54.

Such certificate shall be produced to an Officer of Police before the animals can be landed, and shall be delivered up to the Superintendent of the Government Lairs on the removal of the animals to the Lairs.

(c) any fittings, pens, hurdles, or utensils used for or about any such animal unless they have been scraped and then thoroughly washed or scrubbed or scoured with water, and subsequently disinfected, and unless the permission of the Chief Constable has been obtained.

11. The Principal Officer of Customs and Excise in this Island, or any Officer of Police, may seize and detain any carcase, dung, fittings, pens, hurdles, or utensils landed in contravention of this Order, and he shall forthwith report the facts to the Government Office with a view to the destruction or disposal of such carcase, dung, fittings, pens, hurdles, or utensils.
