lows: "Mineral oils and motor spirit, except lubricating oils."

Nos. 30 to 37 of the new Russian list are exactly identical with the additional list of absolute contraband in the King's Proclamation of March 11th, 1915.

With the slight exceptions mentioned below, the Russian conditional contraband list, as now revised, is exactly identical with the list in Schedule II of the King's Proclamation of December 23rd, 1914, and with the supplementary list of conditional contraband in the King's Proclamation of March 11th, 1915, including the explanation as to the meaning of "foodstuffs" and "feeding-stuffs for animals." The exceptions are:—

No. 8 of the Russian list is thus worded: "Fuel, other than mineral oils, benzine, and other liquid fuel for internal combustion engines"; whereas No. 8 of the English list in the King's Proclamation of December 23rd, 1914, is worded: "Fuel, other than mineral oils. Lubricants."

No. 12 (Hides of all kinds, &c.) in the conditional contraband list in the King's Proclamation of December 23rd, 1914, is not given in the Russian conditional contraband list at all, as now revised, possibly because these articles (hides, skins and leather) are in the King's Proclamation of March 11th, 1915, placed in the absolute contraband list, and are so placed in the Russian list, now revised.

NOTICE TO MARINERS.

No. 536 of the year 1915.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Lyme Regis to Bardsey island; Plymouth sound and Hamoaze—Regulations respecting small craft.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following orders have been made, and are to be complied with until further Notice by all yachts, small steam,

motor, sailing and pulling boats and vessels, including pleasure craft of all descriptions, within the undermentioned limits:—

I.—PLYMOUTH SOUND AND HAMOAZE.

(a) PLYMOUTH SOUND:

A limited number of Moorings for Yachts may be laid in the following places and nowhere else:

Off West Hoe, on application to King's Harbour, Sound; in the Cattewater, above Turnchapel, on application to the Harbour Master of Cattewater.

Yachts, &c., and Pleasure Boats may cruise in the waters of the Sound as laid down in the Public Traffic Regulations with the following exception:

No Yacht, &c., or Pleasure Boat may proceed to the westward of a line joining the east end of Drake's Island and the west side of the entrance to Millbay Docks, nor may they proceed more than two miles outside the breakwater.

All persons going afloat in charge of Yachts or Boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the Notices that have been published from time to time in the Public Press defining prohibited areas.

Special notice is drawn to the following points in the Regulations:

No Yacht or Boat may be under way after dark; there can, therefore, be no traffic after dark between Yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East Channel, no craft is to approach anywhere near the East Channel buoys, as such action would be likely to draw the fire of the forts.

All excursion steamer traffic is prohibited in the Sound.

Note.

Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer Base harbour, must obtain permission to leave here for that purpose.

(b) HAMOAZE:

1. Within the limits in the Harbour of Hamoaze mentioned in paragraph 4 below, all small craft, motor boats, steamboats, pulling boats, punts, &c., are to be moored in one of the following areas, viz.:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an approved position), where they will remain under police supervision, and only be allowed out on the production of a permit. (See paragraph 4 below.)

2. With the exception of steam ferry boats, which have obtained special permits, no craft of any description is to be under way during the hours of official night, *i.e.*, between the sunset gun and daylight gun

fired from H.M.S. *Impregnable*. Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

3. During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

4. All traffic is prohibited in the waters of the Harbour of Hamoaze within the following limits, viz.:—Between lines joining Skinham and Warren points in the Tamar river, and the boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook Lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, *i.e.*, outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose from the Superintendent of Dockyard Police, such permit to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owing craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits. No permits will be granted for use of pleasure craft within the limits defined.

5. With the undermentioned exception at (i), the following areas are prohibited to all craft of every description:

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, South of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

(i) With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, at the direction of the King's Harbour Master of Hamoaze.

6. No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

7. The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

8. No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of excursion steamers from the King's Harbour Master of Hamoaze.

Special Warning to Boatmen and those who Hire out Yachts or Boats.

Great care must be taken that Yachts and Boats are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending Yacht or Boat.

II.—LYME REGIS TO BARDSEY ISLAND.

(a) WESTERN LIMIT OF LYME REGIS ON THE EAST TO START POINT ON THE WEST:

1. The owners of all such boats or vessels (except fishing craft specially provided for under paragraph 5 below) are to supply lists of all their boats and vessels which they may place afloat, and they must obtain pleasure craft permits for them from a Divisional Coast Watching Officer through the Station Officer of the nearest Coast-guard Station.
