Board of Agriculture and Fisheries,
17th August, 1915.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 18TH AUGUST 1915.)

MAINTENANCE OF LIVE STOCK ORDER OF 1915.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Maintenance of Live Stock Act, 1915, and for the purpose of maintaining a sufficient stock of cattle and swine, do hereby order as follows:—

Restriction of Slaughter of Animals In-calf or In-pig.

1. An animal which is visibly or obviously in-calf or in-pig shall not be slaughtered, or be

caused or permitted by its owner to be slaughtered.

Restriction of Slaughter of Calves.

2.—(1) After the thirtieth day of September, nineteen hundred and fifteen, until the Board shall by Order otherwise provide, and subject to the provisions of this Article, a calf, as defined by clause (5) of this Article, shall not be slaughtered, or be caused or permitted by the owner thereof to be slaughtered. From the commencement of this Order until the said date this provision shall apply only to calves under the age of eight weeks.

(2) This Article shall not apply to the slaughter of a calf of a cow of any of the following dairy breeds, that is to say:—Channel Island, Ayrshire, Kerry and Dexter breeds.

(3) This Article shall also not apply to the slaughter of a calf which has been offered for sale by public auction at any market or saleyard in England, Wales or Scotland, without reserve or subject to a reserve price of thirty shillings or less, and for which no bid exceeding thirty shillings has been made on such occasion; but this provision shall have effect only—

(a) if the calf so offered for sale is before movement from the market or saleyard marked by, or under the direction of, the auctioneer in the manner prescribed by this Article; and

(b) if such mark is on the calf at the time of slaughter.

(4) The prescribed mark for the purposes of this Article shall be a broad arrow branded, in hot pitch or a mixture of hot pitch and tar, on the back of the calf midway between the hips, the shaft and two barbs of the arrow to be a quarter of an inch in width, and the length of the shaft and of the barbs (outside measurement) to be two and a half inches.

(5) For the purposes of this Article the expression "calf" means, except where otherwise expressly stated, a bovine animal in which the first permanent molar or grinder tooth is not cut and visible.

Exceptions from Restrictions.

3. The restrictions of slaughter imposed by the preceding Articles of this Order shall not apply to—

(a) slaughter of an animal under the powers conferred by the Diseases of Animals Acts, 1894 to 1914, or any Order made thereunder; or

(b) slaughter of an animal necessary or desirable on account of accidental injury to the animal or its illness; or

(c) slaughter of an animal if in the opinion of the Board of Agriculture and Fisheries the slaughter is desirable for any exceptional reason or purpose, and the slaughter is authorised by a licence granted by that Board or an officer of that Board.

Local Authorities authorised to execute and enforce Order.

4.—(1) The local authority for the purposes of the Diseases of Animals Acts, 1894 to 1914, and the executive committee (if any) for those
