twenty-two, and had not attained the age of
twenty-four on the first day of August of
the year in which the Examination is held.

It is proposed to substitute the following,
that is to say:—

2. No person will be deemed qualified who
shall not satisfy the Civil Service Commis-
sioners:—

(1) That he is a natural-born subject of
His Majesty.

(2) That he had attained the age of
twenty-two, and had not attained the age of
twenty-four on the first day of August of the
year in which the Examination is held; or
that he is in a position to claim such a con-
cession under the provisions of the Appendix
to these Regulations as will render him
eligible.

It is proposed also to add the following Appendix to the Regulations:—

1. Any person who has joined since the 4th August, 1914, or may join during the present war, the Army or Navy or Royal Marines, or has rendered or may render during the same period actual military service in the Special Reserve or Territorial Force, Royal Naval Reserve or Royal Naval Volunteer Reserve, may, if eligible in point of age under the Regulations as they now stand for admission to the examination or competition held in 1915, 1916, or 1917 (but over age in 1916, 1917, or 1918 respectively), deduct from his actual age at the time of the examination or competition held in 1916, 1917, or 1918, as the case may be:—

(a) The actual period of such service, if it has not exceeded three months.

(b) One year, if the actual period of service has exceeded three months.

No candidate will be allowed to deduct more than one year from his actual age.

2. The same concession may also be granted to those who have been employed during the same period in connection with the armed forces of the Crown at home or abroad giving their whole time and under obligation to serve for the duration of the war or until their discharge, or for any period not terminable at their own option, provided that their employment be not on ordinary commercial terms, such as that of Assistant Paymasters, Clerks, Artisans, and the like.

3. The grant of the concession described in paragraph (2) will be at the discretion of the Civil Service Commissioners, whose decision in each case will be final. Candidates who contemplate applying for an age deduction under (2) will do well to apply to the Civil Service Commission for a ruling on their case.

4. Candidates to be eligible for the concessions in (1) or (2) must furnish an official certificate of the period and satisfactory character of their service, and, if any doubt arise whether the service of any candidate is of the kind contemplated, the Secretary of State for India in Council reserves to the Civil Service Commissioners the right to decide the case upon its merits.

It is intended that the new Regulation and Appendix should apply to candidates at the Open Competitive Examinations of 1916, 1917 and 1918.

Copies of the foregoing new rules may be obtained from the Secretary, Judicial and Public Department, India Office, London, S.W.
