Whereas the Urban District Councils for the Urban Districts of Wath-upon-Dearne, Bolton-upon-Dearne, and Thurnscoe have made application to the Local Government Board for the issue of a Provisional Order under Sections 297 and 303 of the Public Health Act, 1875, to partially repeal, alter, or amend the said Wath and Bolton Gas Board Act, 1908, so as—

(1) To alter the constitution of the Wath and Bolton Gas Board (hereinafter called the Gas Board) so as to include the Thurnscoe Urban District Council (hereinafter called the Thurnscoe Council) as a constituent authority of the Gas Board; to alter the name, and to increase the number of members of the Gas Board by the inclusion therein of representatives of the Thurnscoe Council; to provide for a part of any deficiency in the annual revenue of the Gas Board being borne by the Thurnscoe Council; and generally to make such amendments in or alterations of the said local Act as may be consequent upon or expedient in connection with the inclusion of the Thurnscoe Council as a constituent authority of the Gas Board.

(2) To authorise the Gas Board to use for the manufacture and storage of gas and residual products certain lands belonging to the Gas Board and containing about one and a half acres, and situate in the parish of Wath-upon-Dearne, bounded on the west in part by Station Road and in other part by other lands of the Gas Board, on the south in part by lands belonging to the Gas Board, and in the remaining part by a road belonging to the Sheffield and South Yorkshire Navigation Company, on the east by property belonging or reputed to belong to Mr. W. H. Gawtress, and on the north by the Brook Dyke.

(3) To empower the Gas Board to pay the costs, charges and expenses of obtaining the intended Provisional Order and otherwise, and to require the Thurnscoe Council to bear one half the costs, charges and expenses

attributable to the inclusion of that Council as a constituent authority of the Gas Board.

(4) To repeal section 51 (Power to refuse supply to persons in debt for other premises) of the said local Act, and to substitute therefor a provision empowering the Gas Board to refuse to supply gas to any person whose payments for the supply of gas or meter rent are for the time being in arrear, whether such payments be due to the Gas Board in respect of a supply to the premises in respect of which such supply is demanded or other premises.

(5) For the several purposes of the application or for purposes connected with, incidental to, or consequent on those purposes to make any such alteration or amendment of the said local Act, or of any other local Act, or of any Act confirming a Provisional Order made in pursuance of any of the Sanitary Acts or of the Public Health Act, 1875, in force in the said Urban Districts of Wath-upon-Dearne, Bolton-upon-Dearne, and Thurnscoe, as may be necessary or desirable;

**ADMIRALTY NOTICE TO MARINERS.**

No. 1273 of the year 1915.

**SCOTLAND, EAST COAST AND ORKNEY ISLANDS.**

*Pilotage and Traffic Regulations.*

*Former Notice.*—No. 1016 of 1915; hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

Pilotage is compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations and will be conducted into and out of port in groups.

(1) **FIRTH OF FORTH.**—All incoming merchant vessels are only permitted to enter the Firth of Forth when they have sufficient daylight to enable them to reach Inchkeith before the close of "official day," which is notified in the Public Traffic Regulations for the Firth of Forth.

Vessels must pass between the Isle of May and Anstruther Wester, thence they must steer a course so as to pass two miles south of Elie Ness, and thence direct for Kinghorn Ness.

Vessels are warned that, after having entered the Firth of Forth, they must on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn Ness, until in the longitude of 3° West, when course may be shaped for the centre of North Channel.

On approaching Inchkeith, the pilot vessel in the North Channel is to be closed and a pilot embarked.

Merchant vessels approaching the Firth of Forth from the southward are permitted to keep close to the shore until Barns Ness is reached, when course should be shaped for the Isle of May, so as to pass between the Isle of May and Anstruther Wester.

No merchant or fishing vessel is permitted to enter the Firth of Forth between the Isle of May and the south shore of the Forth.

Merchant vessels approaching the Firth of Forth during the hours of darkness are to maintain a steady course and speed, and are to so arrange their speed that they shall not reach the Isle of May before daylight and thus will avoid having to reduce speed or stop in the vicinity of the Isle of May, where they may render themselves liable to be fired upon by shore batteries or patrol vessels.

No merchant or fishing vessel is permitted to be at an anchorage, during the hours of "official night," between Inchkeith and a line drawn from Barns Ness to North Carr rock (which line is to be considered the eastern limit of the Firth of Forth), unless directed to anchor by the orders of patrol vessels.

The above orders apply to vessels proceeding to any port in the Firth of Forth, whether to the eastward of Inchkeith or not.

Outward bound vessels must steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., thence shape course to pass 2 miles south of Elie Ness and between Anstruther Wester and the Isle of May.

(2) MORAY FIRTH. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

It is dangerous for any vessel to be under way to the south-westward of a line joining Findhorn and Tarbet Ness without a pilot.

No vessels of any description other than H.M. Ships and Auxiliaries are to be under weigh between sunset and sunrise in the waters contained between a line drawn from Tarbet Ness to Findhorn, and a line drawn from Fort George to Chanonry point.

(3) SCAPA FLOW. All entrances are dangerous and entry is absolutely prohibited to any of them except as provided in succeeding paragraphs.

Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow. Vessels ordered to Kirkwall should proceed direct to that port.

The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

Vessels are not permitted to enter Hoxa or Hoy Sounds by night.

Passage through Cantick sound is entirely prohibited.

*Note.*—This Notice is a repetition of Notice No. 1016 of 1915, with amendments to section (3).

*Caution.*

This Admiralty Notice to Mariners is issued under the provisions of the Defence of the Realm (Consolidation) Regulations, 1914, and failure to comply strictly with the directions contained in it will constitute an offence against those Regulations.

Any person found guilty of such an offence is liable to severe penalties both of imprisonment and fine.

Any person aiding or abetting the commission of such an offence is himself guilty of an offence against the Regulations.

Attention is also drawn to the fact that any infringement of the directions contained in this Admiralty Notice to Mariners is liable to result in the detention of the ship or vessel.

2. Neutral vessels are also prohibited from entering the Caledonian canal at Fort William.

*Caution.*
