WHEREAS by Section 737 of the "Merchant Shipping Act, 1894," it is provided that where, under that Act, anything is authorized to be done by, to, or before, a British Consular Officer, and in any place outside His Majesty's Dominions in which His Majesty has jurisdiction there is no such Officer, such thing may be done in that place by, to, or before, such Officer as His Majesty in Council may direct:

At the Court at *Buckingham Palace*, the 27th day of *January*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the 11th day of October, 1912, and expressed to be made in pursuance of the "Merchant Shipping Act, 1894," and of the "Mersey Channels Act, 1897," His Majesty, on the application of the Mersey Docks and Harbour Board, being the Harbour Trust or Body Corporate owning or exercising jurisdiction upon the waters of the River Mersey and the Sea Channels or approaches thereto, was pleased to make certain Rules, set forth in the Schedule to such Order, concerning the Lights or Signals to be carried, and concerning the steps for avoiding collision to be taken, by vessels navigating the River Mersey and the Sea Channels or approaches to the River Mersey between the Rock Lighthouse and the furthest point seawards to which such Channels or approaches respectively are, for the time being, buoyed on both sides:

And whereas the said Mersey Docks and Harbour Board have applied to His Majesty in Council to make, and have submitted for approval, certain new Rules concerning Lights or Signals to be carried, and the steps for avoiding collision to be taken, by vessels navigating the River Mersey and the Sea Channels or approaches thereto within certain specified limits, to be substituted for, and in lieu of, the Rules set forth in the Schedule to the said recited Order in Council of the 11th day of October, 1912, and in such new Rules there are embodied, subject to certain exceptions and additions therein mentioned, the "Regulations for preventing Collisions at Sea," made in pursuance of the "Merchant Shipping Act, 1894," and which may from time to time be in force:

And whereas the provisions of Section 1 of the "Rules Publication Act, 1893," have been complied with:

And whereas the new Rules so submitted as aforesaid appear to be reasonable and proper:

Now, therefore, His Majesty, by virtue of the powers in Him vested by the "Merchant Shipping Act, 1894," and by the "Mersey Channels Act, 1897," and of any other powers Him thereunto enabling, and by and with the advice of His Privy Council, is pleased to declare that the said Order in Council of the 11th day of October, 1912, shall, as from the 28th day of February, 1916, be revoked, and His Majesty is further pleased to make the Rules set forth in the Schedule hereto, and to direct that the same shall continue in operation as from the said 28th day of February, 1916.

Almeric FitzRoy.

SCHEDULE.

RULES concerning the **LIGHTS** or **SIGNALS** to be carried, and concerning the steps for avoiding **COLLISION** to be taken, by **VESSELS** navigating the **RIVER MERSEY** and the **Sea Channels** or approaches thereto, between the **Rock Lighthouse** and the furthest point seawards to which such **Sea Channels** or approaches respectively are for the time being buoyed on both sides.

1. Every vessel, of whatever description, used in navigation, when in any part of the

River Mersey, or in the Sea Channels or approaches thereto as above defined, shall, on and after the 28th day of February, 1916, observe and obey the "Regulations for preventing Collisions at Sea" made in pursuance of the "Merchant Shipping Act, 1894," hereinafter called "the General Regulations," which may from time to time be in force, with the exceptions and additions mentioned in the following Rules.

2.—(a) A vessel when lying at any Stage shall carry the lights prescribed by Articles 2 and 5 of the General Regulations and Rule 5 hereof.

(b) A tug, tender, lighter, or barge, when (except as provided for such vessels respectively by Rules 3 and 4 hereof, and Article 15 (e) of the General Regulations) attached to another vessel shall not carry any of the lights or give any of the signals prescribed by these Rules or by the General Regulations.

3. A vessel being towed shall, in addition to the lights prescribed by Article 5 of the General Regulations, carry the white light at her stern prescribed by Rule 5 hereof, and if such vessel is a steam vessel with steam up she shall, although being towed, also carry the masthead light prescribed by Article 2 (a), and may carry the additional light allowed by Article 2 (e) of the General Regulations.

4.—(a) A steam vessel when towing another vessel or vessels or when attached for the purpose of towing or manœuvring such vessel or vessels, shall carry the compulsory lights prescribed by Article 3 of the General Regulations, and such steam vessel when towing or attached as aforesaid to a vessel of 450 feet or upwards in length shall carry the additional bright white light prescribed by the said Article 3.

(b) Further, a steam vessel when towing or attached as aforesaid shall carry abaft the funnel or after-mast a small white light fixed and carried in a lantern so constructed, fitted and screened that it shall throw an unbroken light over an arc of the horizon of 12 points of the compass, viz., for 6 points from right aft on each side of the vessel, and such steam vessel if less than 160 feet in length shall not carry the stern light prescribed by Rule 5 hereof, but if she is 160 feet or upwards in length she may carry such stern light.

The length of a vessel shall be deemed to be the length appearing in her Certificate of Registry.

5. In lieu of Article 10 of the General Regulations, a vessel under way shall carry at her stern a white light. The light shall be fixed and carried in a lantern so constructed, fitted and screened that it shall throw an unbroken light over an arc of the horizon of 12 points of the compass, viz., for 6 points from right aft on each side of the vessel, so as to be visible at a distance of at least a mile. Such light shall be carried as nearly as practicable on the same level as the side lights.

Provided that a vessel within Article 7 of the General Regulations (viz. Steam Vessels of less than 40, and vessels under oars or sails of less than 20, tons gross tonnage respectively, and rowing boats), shall not be obliged to carry the light prescribed by this Rule, but if they do not carry such light they shall, when being overtaken by another vessel, show from the stern a white light or a flare up light as required by Article 10 of the General Regulations.

6. In lieu of Article 11 of the General Regulations, a vessel, when at anchor, shall carry in the forward part of the vessel, a White Light, in a lantern so constructed as to show a clear, uniform and unbroken light visible all round the horizon at a distance of at least a mile; and at or near the stern of the vessel another such light. Provided that a vessel within Article 7 of the General Regulations (viz. Steam Vessels of less than 40, and vessels under oars or sails of less than 20, tons gross tonnage respectively, and rowing boats) when at anchor shall not be obliged to carry the lights prescribed by this Rule, but if they do not carry them each of such vessels shall carry in a place where it can best be seen, and at a height above the gunwale of not less than 9 feet, a white light in a lantern so constructed as to show a clear, uniform and unbroken light visible all round the horizon at a distance of at least a mile.

7. A steam vessel, when at anchor, shall, between sunrise and sunset, carry in the forward part of the vessel, a black ball not less than 2 feet in diameter, and at or near the stern of the vessel, another such ball. The forward ball shall be carried at a height so as to be clear of the superstructure or other erections other than the funnel on the vessel but in no case less than 20 feet above the hull, and the stern or after ball shall not be less than 15 feet lower than the forward ball. Provided that in the case of a steam vessel within Article 7 of the General Regulations, one such black ball only may be carried at a height above the gunwale of not less than 9 feet.

8. A vessel, having on board any explosive, except ships' ammunition, shall, when at anchor, carry a Red Light, in a globular lantern not less than 10 inches in diameter, 6 feet above the forward White Light prescribed by Rule 6 hereof.

Provided that a vessel entitled to carry and carrying the White Light prescribed by the proviso to Rule 6, shall carry the Red Light above described, not less than 3 feet above such White Light.

9. A vessel of 350 feet or upwards in length when at anchor shall, during fog, mist, falling snow or heavy rain storms, whether by day or night,

(1) ring in the forward part of the vessel the Bell prescribed by Article 15 (d) of the General Regulations.

(2) sound at or near the stern of such vessel a loud-toned Gong or a loud-toned Triangle or other loud-toned article that cannot be mistaken for a Bell, Whistle, Siren or Foghorn.

The Bell shall be rung, and the Gong, Triangle, or other article sounded, respectively, for a period of about 5 seconds at intervals of not more than one minute.

The length of a vessel shall be deemed to be the length appearing in her certificate of registry.

10. A vessel must not come into

(i) any of the buoyed channels,
(ii) the main (i.e. the Queen's and Crosby) channel from a side channel,

(iii) a side channel from the main channel,

at such a time and in such a manner as to hamper traffic passing up and down such channel (*see* Articles 27 and 29 of the General Regulations).

11. Every Steam Vessel under way shall, when it is safe and practicable, keep to that side of the fairway or mid-channel which lies on the starboard side of such vessel.

13. A Watch Vessel shall carry in all weathers:—

(a) Between Sunset and Sunrise—

Four Green Lights in globular lanterns not less than 10 inches in diameter, and so constructed as to show a clear, uniform and unbroken light visible all round the horizon, at a distance of at least a mile, the four lights to be carried as follows:—Two in a vertical line, one over the other, not less than 6 feet apart, at each end of a cross yard on the foremast, with a horizontal distance between the lights at either end of the cross yard not exceeding 25 feet. The height of the two lower lights not to exceed 20 feet above the hull of the Watch Vessel.

(b) Between Sunrise and Sunset—

Four Green Balls in the positions ordered with regard to the lights aforementioned.

14. A Watch Vessel during fog, mist, falling snow or heavy rainstorms, whether by day or night, shall ring a deep-toned bell as follows:—Three strokes in succession, to be repeated three times in a period of about fifteen seconds in each minute, to be followed by an interval of about forty-five seconds silence.

DREDGERS.

15. The word "Dredger" shall mean any Vessel fitted with plant or apparatus for dredging or excavating or fitted with plant or apparatus for eroding or dispersing sand and other material.

16. A Dredger, when at work or in position for working, shall carry the following Lights and Signals, viz.:—

(i)—(a) *Forward*.—In the forward part of the Dredger, at a height of not less than 20, and not exceeding 40, feet above the hull, a White light, in a lantern so constructed as to show a clear, uniform and unbroken light visible all round the horizon at a distance of at least a mile.

(b) *Amidships*.—Three such White Lights placed in triangular form not less than 8 feet apart, the base of the triangle to be at least 10 feet higher than the forward Light, and to be also higher than and clear of the framework, funnels, or any other erections upon the Dredger.

(c) *Aft*.—One such White Light, at or near the stern of the Dredger, and at such a height that it shall be not less than 15 feet lower than the forward Light.

Amidships.—Three red balls of not less than 2 feet in diameter placed in triangular form not less than 8 feet apart, the base of the triangle to be higher than and clear of the framework, funnels, or any other erections upon the Dredger.

17. The Lights and Signals required to be carried by Rule 13 are to be taken by other vessels as signals that the vessel showing them is not under command, and cannot therefore get out of the way.

18. A Dredger, when not at work nor in position for working, shall carry the ordinary Lights and Signals required to be carried by vessels for avoiding collisions, as provided by these Rules and by the Rules and Regulations now and from time to time in force under the "Merchant Shipping Act, 1894," and the "Mersey Channels Act, 1897."

In conformity with the provisions of the Statute 56 and 57 Victoria, cap. 66, notice is hereby given that the Secretary of State for India in Council proposes, with the advice and assistance of the Civil Service Commissioners, at the expiration of forty days from the date of this Gazette, to make rules as shown below in pursuance of the powers conferred upon him by Section 1 of the Indian Civil Service (Temporary Provisions) Act, 1915 (5 and 6 George V, c. 87).

DRAFT OF PROPOSED RULES UNDER THE INDIAN CIVIL SERVICE (TEMPORARY PROVISIONS) ACT, 1915.

1. In 1916 the Secretary of State in Council will take into consideration the case of Indian candidates who competed for admission to the Indian Civil Service in the open competitive examinations of 1915 and 1916. In each succeeding year during which the Indian Civil Service (Temporary Provisions) Act, 1915, is in force, the Secretary of State in Council will take into consideration the case of Indian candidates who competed for admission to the Indian Civil Service in the Open Competitive Examination of the year.

2. If it be found that the number of Indians admitted as Selected Candidates for the Indian Civil Service on the results of the said examinations is less than the average number of Indians annually so admitted during the 10 years ending 1914, the Secretary of State in Council will make good the deficiency by nominating for admission to the Indian Civil Service one or more of the other Indian candidates whose names appear on the results list of the Civil Service Commission, selecting the same in the order of their priority on the said list. Provided that no candidate will be so nominated unless—

(1) The aggregate marks obtained by him in the Open Competitive Examination are

such as in the opinion of the Civil Service Commissioners might in the decennial period above mentioned have secured for him admission to the Indian Civil Service and

(2) He is certified by the Civil Service Commissioners to have in other respects the qualifications which the Regulations for the Open Competitive Examination require of Selected Candidates for the Civil Service of India.

3. If in any year there are not sufficient Indian candidates qualified as aforesaid to bring the number admitted to the Indian Civil Service in the year by open competition and by nomination under these rules up to the average of the 10 years ending 1914, the Secretary of State in Council may in a subsequent year make good the deficiency from the results list of that year, but no candidate shall be appointed under these rules who does not possess the qualifications set forth in (1) and (2) of the last preceding rule.

4. A candidate nominated under these rules shall be deemed to be a Selected Candidate for the Civil Service of India, and shall be subject to the regulations and rules made under Section 32 of the Government of India Act, 1858, and Section 97 of the Government of India Act, 1915, for the probation and training of Selected Candidates of the year.
