tend to lit ncoles-lan, of his Cro he furings Madvid, Jan. 20.

THE King of Spain has referred to reinforce his Army in Catalonia with 8000 Foot and 5000 Horfe, and to that end new Levies are making in the feveral Proinces of this Kingdom. Orders have been fint to Calizfor fitting out the Spanith Armada with all the diligence p fible. The Gen-use Ships that were lately fized in that Port on account of the French Effects they had on board, a minus still under Arrest; and this first that a Millim of pieces of Eight has been already taken out of them, which its believed, will be Confiscated to the Kings Uls.

cut of them, which its believed, will be Confiscated to the Kings Ulfa.

Tarin, Jan. 23. General Caprara returned hither the last Week from Milm, having concerted with the Governor of that Dutchy, divers Matters relating to the preparations to be made for the next Campagne. An Envoy arrived here from the King of Spain, who had on Sunday last his publick Audien e of our Duke. The German Troop quartered in Montferrar have so posted themselves as to block up the Garison of Cifal, and some of their Prinses have made Excursions, and taken several Privates under the Cannon of that place. The Recruiting of our Troops goes on with good Success.

Turin, Jan. 30. The Duke of Savoy is gone to view the Garison and Forestinations of Com. The Count de Brunt, Comm stay General of the Emperors Forces in Italy, arrived here this Week from Vienna, having brought with him a considerable Sum of Money for the payment of the solid Troops; who expect a great Reintercement against the Spring, and among other Regiments which the Emperor designs to send hither for that purpose, there will be two of Hungarian Hustirs, consisting of secon men each.

Vinite, Fibruary 5. The Senate is treating with several Officers about a Levy of 3000 Germans for the Service of this Republick. The great Convoy designed for the Levant lies now ready waiting only for a fair Wind.

Copenhagen, Febr. 6. The Letters from Normay of the 11th past advise, That de Bart was still at Fleckeron with a Squadron of 7 Men of War. Is stid, that a Reform is going to be made in the King of Denmark's Troops, to wit, of 6 men out of every Company.

Vinna, Jan. 30. The new Levies that are making in the Heredisco.

of 6 men out of every Company.

Viama, Jan. 30. The new Levies that are making in the Heredicary Countries to recruit the Emperors Forces, will be compleated in a fhort time; The Imperial Chamber of Finances his given out Money to the respective Officers for remounting the Cavalry; Some Perfons are maining with to furnish Horses for the Train of Artillery which they are as home ready by the end of March; and which they are to have ready by the end of March; and great quantities of Provitions are ordered to be bought up to fil our Magnities in Hangary. The defigu against up to fil our Magnites in Hangary. The defigu against Gula goes on; General Heafter, who is to Command the Troops defigued for this Expedition, was to be the 25th of this month on the Frontiers. The Enemy are very quiet in their Winter-quarters; but our Advices from Tackey continue to speak of the great Preparations they are making to the next Campagne. General Schoning, who has been some time a Prisoner at Brin in Moravia, was brought hither this Week, and is kept under a Guard at a private House: It's believed he will shortly obtain his likety.

Dety. Vinna, Feb. 6. The States of Bohemia, Silefia, and Meravia, have almost compleated their Quoru's of the Requires that are to be raifed in the Hereditary Countries; and all things are preparing here for an early Campagne. Yesterday Died here the Count de Couingseke Vice-Chancour; and it's believed, that the Gount de Windufgrate will be named by the Emperor to succeed him in that Office. A great amonthy of Corn is ordered to be bought will be named by the Emperor to succeed him in that Office. A great quantity of Corn is ordered to be bought up it Bahemia, which will be sent to the Upp. Robine for the use of the Troops empty yed on that inde. The frost is broke, which 'tis feared will distribute the intensect of the Order of St. Louis: His fourney to Compargne is fixed of the Order of St. Louis: His fourney to Compargne is fixed of the Order of St. Louis: His fourney to Compargne is fixed of the Order of St. Louis: His fourney to Compargne is fixed of the order of St. Louis: His fourney to Compargne is fixed of the Order of St. Louis: His fourney to Compargne is fix

viding here and at other places for the Confederate Forces. They write from Alface, that the French find great Stores of Ammunition to Philipsburg, and their other Frontier Garifone: And that the City of Strasbourg is obliged to raife a new Regiment of Horse for the Service of the

General of this Country under our Elector, traving received advice feveral days ago, that the Gologne Regiment of this Country under our Elector, traving received advice feveral days ago, that the Gologne Regiment of the States advice several days ago, that the Cologne Regiment of Hosse, which lately entred into the Service of the States General, had mutined in their murch between Nimegaen and Boldue, and that most of the Propers had Deferred, and were dispersed, he has published friest Orders for the apprehending such of them as shall be found within the Dominions of his Electoral Highness of Cologne; And we are told that the Elector Palarine has given the ike Orders within his Territories. We hear from Loge, That the Chapter was to meet the 22d instant, to fix the day for their proceeding to the Election of a new Bishop in the piace of John Louis d'Elderen, Bishop and Prince of Loge, who died insidenly on the first of this month, in the Ling, who died inidenly on the first of this month, in the 77 h year of his Age.

Himburg, Febr. 9. Here happened the last Week a new

Himburg, Febr. 9. Here happened the last Week a new and great diffurbance, accasioned by the irreconcileable Animolity, which has continued for fome time between the two Parties of Neyers and Idorbius, which went to far, that some Persons were killed, and others wounded; and the Mazistrates, to prevent faither Michiels, were obliged rocall the Miritiro their Arms; but the Party of Meyers owing much the stronger, the Tunust was at last appealed by the Refolution of the Senate, to binish Horbius, his Wife and Children, out of this City.

Paris, Febr. 5. Upon the News of the Death of the 3ishop of Liege, a great Conference was held at this Court; and it was resolved, that the Cardinal de Bouillou should forthwich repair thither to assist the new Election

Simp of Lieg, a glad. Court; and it was recloved, that the Cardinal de Bouillow Court; and it was recloved, that the Cardinal de Bouillow Court; and it was recloved, that the Cardinal de Bouillow Court; and it was recloved, that the new Election as great Provott of the Cathedral Church of St. Lambers. Yelterday the French King made a Promotion of Knights of the new Order of St. Lenis, being 51 in number, where of 46 arc Officers of the Marine, and 5 of the Gallies. The fame day was Published an Order of the Archbishop of Paris, requiring publick Prayers of 40 hours to be made for obtaining a Peace.

Paris, Febr. 8. The Misery still continues, or rather encreases daily in all parts of this Kingdom; Some Vessels with Corn are arrived at Dunkirks, and other of our Ports, but the Supply they bring is very inconsiderable, considering the great and general scarcity the People suffer under; And we hear, that divers of the Corn Ships expected from the North are cast away. The Farmers General have complained of the great Loses they have suffained since the War, and have obtained a Desaulkation of

stained fince the War, and have obtained a Defaulkation of

stained fince the War, and have obtained a Defaulkation of several Millions.

Paris, Feb. 12. The Deke de Longueville, who retired divers years ago to a Convent in Normanty, having refigned his Title and Estate to his younger Brother who waskilled in 1672, died there on the 4th of this month. The French King has declared that he will go to Competigue, to take a Review of the Troops of the Houshold, and has set the 15th of the next month for his departure; In going thicker the Court will stay two days at Chantelle, and 25 many in coming back, and the whole Journey will be of about 20 days. The Cardinal de Boussen parted from hence yesterday on his Journey to Hay, from whence he intends to send to Liege to desire a Passport for his safe going thicker to assist at the Election of a new Bishop; and in case it be resused, he whi protest against the said Election. faid Election.

Paris, Febr. 15. The French King has likewife made a Pronotion of 292 Officers of his Land Forces to be Knights of the Order of St. Lands: His Journey to Comparine is fixed for the area of the area.

discover and Apprehend the Murderers.

Brussels, Febr. 10. The French have lately made a little motion rowards the Marse, and reinforced the Garisons of Hay and Namur; Four hundred menare sent to Leeuwe to reinforce the Spanish Garison there. The person that committed the late barbarous Murder is discovered and

ſ•.7. d.

There arrived lately in Zialand a Broff Is. F.b . 14. Recruit of 450 Spiniards, who are fince come to Antwerp; and more are daily expected to Recruit the Spanish and Italian Regiments in the fervice of these Countries. They Recruit of 450 Spaniards, who are lince come to Mathem 1, and more a.c. daily expedied to Recruit the Spanish and Italian Regiments in the service of these Countries. They write from Machiner, that an Order was come thisher from the Duke of Molfrin Plain to have 6 Regiments of Foot, and all the Hase of that Garison, in a readinals to march upon the first command. We hear from Mons, that a Magazine of 24,0000 Trusses of Hay was burnt thereabout 15 days ago. On Friday last, the person who alone committed the horrid murder before-mentioned, in order to theal a sum of morey he know was in the House, having confossed the F.St, was executed in the great Markite-place of this City; first his Breats were torn with red hat Pierbers, then his right hand was cut off, and after that he was brund upon a Wheel, where his ever Lugs, and Thicks were booke. Eve.

Brussell, Rehr. 17. The Marcschal de Bouffers, who is still at Liste, hastens all he can the proparations that are making by the French for the next Campage, and cause great Stores of Provision and Forage to be laid up for the Cavalry which is very quickly to leave their Winter Opinates. We are told that the Pretenders to the Bishoppiek of Luge, are the Elector of Cologne, the Great Matter of the Fouronick Order, already Coadjuror of Monster, the Prince of Saxe Zeath, who letely took Orders at Reme, and is now at France, the Prince of Hessellow. Monster the Bishop of Bresses, the Buronic Reme of the Caroons, and the Cardinal of Realthon: The Orders Treip published here against turnishing the French with Conneare very strictly executed.

Hague, Febr. 9. The Stars have sent Orders to Monster from natures with that Chapter upon the death of their Bishop. A new Envoy isarrived here from Pertugal.

Hague, Febr. 12. Moniteur Lenche, Envoy Extraordinary from Dimnark, had on Wednesday last a Conserned with the Deputies of the States, and received their Answer in Writing about the Ships lately fropt in the Sonad. The States of Holdand are separated till the toth of March.

The States of Houand are separated till the 10th of March. The Stares-General are fending another Deputation to the

States of Fineland.

Hague, Fibruary 16. The States have resolved to make Repril Is for the Dutch Ships arrested in the Sound;

make Repril 1: for the Dutch Ships arrested in the Sound; and in pursuance thereof, between 30 and 40 Danish Ships were on Friday last fixed at Amsterdam, and Guards put on brand them. Yesterday died here the Heer Van Engleburg Great Baylist of Bolduc. The Duke of Holstein-Ploen i: expected here the laster end of this week.

Hague, Fibr. 19. N. S. The Stares have given the Place of Great Baylist of Bolduc to the Baron Van Heckeren, their Envoy at the Court of Sueden. Monsieur Hop, Monsieur Beine, and Monsieur Domberg, are gone to Friseland, as Diputies from the Stares-General, intending to be there at the Meeting of the States of that Province on Friday next. Friday next.

Dublin, February 7. The Elizabeth and Anne of Bristol, of about 300 Tun and 18 Guns, which was lately taken by two French Privareers out of Kilmare River; And retaken on the 24th of the last month by Their Majesties! Ship the Monk, about 50 Leagues Westward of Scilly, being afterwards teparared from the faid Frigat in bad Weather, put into this Harbour on Friday laft, where the still continues. By Letters from Kinfale of the 2d instant, we have an account, That the day before came into that Port, the Ostridge of London, Captain Descon Commander, bound home from the Birbadees; This Ship was on the 22d of De-Letters from Kinsule of the 2d instant, we have an account, That the day before came into that Port, the Ostridge of London, Captain Descon Commander, bound home from the Birbadees; This Ship was on the 22d of December, about 100 Leagues S. W. from Cape Clear, taken by a French Privateer of 40 Cines. Cleer, taken by a French Privateer of 40 Guns, who took out all her Men except the Mafter and Boatswain, and put 13 men, with his first Lieutenant, on board her; but the Winds proving contrary, so that they could not reach any

day the Earl of Athlone arrived here from Holland. On the third intention the Night, was committed here a most horrible Munther in a line Tavern or Beer House, where the Master of the House, his Wife, and a persons more were found dead in the morning; the brought into great Distrets, the French gave up Gates of the Town have been kept that ever since, in order to discover and Apprehend the Munderett. fter to carry her to the first Port he could make, and he brought her into Kinsale, where the is fecured. We have Advice likewife, That the Beefton of London, Captain Scavel Commander, of 300 Tun and 28 Guns, laden with Sugar, Indigo, Sc. from Jamaica, came on the 29th past into Costeloe Bay., about 10 miles from Galway; The Tyger of London, who was in her

Company, Foundred at Sea.
