BY THE KING.

A PROCLAMATION

PROHIBITING TRADING WITH CERTAIN PERSONS, OR BODIES OF PERSONS, OF ENEMY NATIONALITY OR ENEMY ASSOCIATIONS.

GEORGE R.I.

WHEREAS by the Trading with the Enemy (Extension of Powers) Act, 1915, it is enacted that We may by Our Royal Proclamation prohibit all persons or bodies of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom from trading with any persons or bodies of persons even though not resident or carrying on business in enemy territory or in territory in the occupation of the enemy (other than persons or bodies of persons, incorporated or unincorporated, residing or carrying on business solely within Our Dominions) wherever by reason of the

enemy nationality or enemy association of such persons or bodies of persons, incorporated or unincorporated, it appears to Us expedient so to do.

And whereas it appears to Us expedient to prohibit all persons or bodies of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom from trading with any of the persons or bodies of persons mentioned in the list hereunder written, by reason of the enemy nationality or enemy association of such last-mentioned persons or bodies of persons:

Now, therefore, We have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation declaring and it is hereby declared as follows:—

1. All persons or bodies of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom are hereby prohibited from trading with any of the persons or bodies of persons mentioned in the list hereunder written, which list, with such variations therein or additions thereto as may be made by any Order made by the Lords of the Council on the recommendation of a Secretary of State under the power in that behalf given by Section 1, sub-section (2) of the Trading with the Enemy (Extension of Powers) Act, 1915, shall be called, and is hereinafter referred to as, the "Statutory List."

2. For the purposes of this Proclamation a person shall be deemed to have traded with a

person or body of persons mentioned in the Statutory List if he enters into any transaction or does any act with, to, on behalf of, or for the benefit of, any such person or body of persons which if entered into or done with, to, on behalf of, or for the benefit of, an enemy would be trading with the enemy, and accordingly Our Proclamation relating to Trading with the Enemy, of the ninth day of September, nineteen hundred and fourteen, as amended by any subsequent Proclamation, shall apply with respect to the persons or bodies of persons mentioned in the Statutory List as if for references in such Proclamations to enemies there were substituted references to the persons and bodies of persons mentioned in the Statutory List, and for references to the dates of the said Proclamations, and the outbreak of war, there were substituted references to the date of this Proclamation or in respect of any person or body of persons hereafter added to the Statutory List the date of the Order adding him or them to the Statutory List.

3. The provisions of the Trading with the Enemy Acts, 1914 to 1916, and of the Customs (War Powers) Acts, 1915 and 1916, and all other enactments relating to Trading with the Enemy, shall, subject to such exceptions and adaptations as are prescribed by Order in Council of even date herewith or as may be prescribed by any Order in Council hereafter to be issued, apply in respect of the persons and bodies of persons mentioned in the Statutory List, as if for references in such enactments to trading with the enemy there were substituted references to trading with the persons and bodies of persons mentioned in the Statutory List, and for references to enemies there were substituted references to the persons and bodies of persons mentioned in the Statutory List, and for references to offences under the Trading with the Enemy Acts, 1914 to 1916, or any of those Acts, there were substituted references to offences under the Trading with the Enemy (Extension of Powers) Act, 1915.

4. Nothing in this Proclamation shall be taken to prohibit:—

(a) Any person or body of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom who is engaged in any neutral country in the business of insurance from carrying on such business with or through the agency of any of the persons or bodies of persons mentioned in the Statutory List;

(b) Any person or body of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom who is engaged in working any Railway or other service of Public Utility in any neutral country under any Charter, Grant, or Concession made by the Government of, or by any Provincial or Municipal Authority in, any such country from trading with any of the persons or bodies of persons mentioned in the Statutory List, so far only as is necessary to enable the person or body of persons engaged in working such Railway or other service of Public Utility to comply with or fulfil the obligations or conditions of the Charter, Grant, or Concession under which the working of the Railway or other service of Public Utility is carried on; or

(c) Any person or body of persons, incorporated or unincorporated, resident, carrying on business, or being in the United Kingdom from entering into any transaction or doing any act which shall be permitted by Our Licence or by any Licence given on Our behalf by a Secretary of State or by any person authorized in that behalf by a Secretary of State whether such Licence be specially granted to an individual or be announced as applying to classes of persons.

5. This Proclamation shall be called "The Trading with the Enemy (Neutral Countries) Proclamation, 1916."

The KING's Most Excellent Majesty in Council.

**W**HEREAS by the Aliens Restriction Act, 1914, power is conferred upon His Majesty in time of war or imminent national danger or great emergency by Order in Council to impose restrictions on aliens, and to make such provisions as may be necessary or expedient for carrying such restrictions into effect:

And whereas a state of war at present exists between Great Britain and the following Powers, that is to say, Germany, Austria-Hungary, Turkey, and Bulgaria:

(3) A Secretary of State may by order, after consulting the Admiralty and the Army Council, add any port to the list of approved ports, or remove any port from that list, and prescribe or alter the limits of any approved port; and this Order shall thereupon have effect accordingly.

#### *Aliens entering the United Kingdom.*

2.—(1) An alien shall not land in the United Kingdom at a prohibited port:

Provided that—

(a) where a Secretary of State is satisfied that an alien friend has arrived at a prohibited port in ignorance of the provisions of this Order or in any other circumstances entitling him to special consideration, and may safely be permitted to land, he may grant him permission accordingly; and

(b) subject to the provisions of this Order the foregoing prohibition shall not, unless in any particular case an aliens officer so directs, apply to an alien friend who is the master or a member of the crew of a vessel arriving at a prohibited port, if whilst he is on shore he complies with such requirements (if any) as may be imposed upon him or upon masters and seamen generally by an aliens officer at the port;

and any alien friend who lands in accordance with this proviso, and, if conditionally disembarked, who complies with the conditions, shall not be liable to any penalty for landing at the port in question.

3. An alien enemy shall not land in the United Kingdom at an approved port without the permission of a Secretary of State.

4. An alien arriving at an approved port may, if a Secretary of State so directs, or if an aliens officer at the port is satisfied that he cannot safely be permitted to land in the United Kingdom, be treated as though the port were a prohibited port.

5. An alien landing in contravention of this Order, and an alien arriving at any port in circumstances in which he is prohibited from landing, may, until dealt with under this Order, be detained in such manner as a Secretary of State may direct, and whilst so detained shall be deemed to be in legal custody.

(d) any carrier or homing pigeons;

(e) any motor car, motor cycle, or aircraft; or

(f) any cipher code or other means of conducting secret correspondence;

and where an alien lands with any such articles in his possession he shall forfeit the articles and shall be deemed to have imported them in contravention of the provisions of the Customs Consolidation Act, 1876, as though the articles

in question were contained in the table of prohibitions and restrictions set out in section forty-two of that Act:

Provided that where an aliens officer considers that an alien friend arriving at any port may safely be permitted to land with any such articles as aforesaid in his possession, he may permit him to land accordingly, and the foregoing provisions of this Article shall not apply.

7. An alien conditionally disembarked under the directions of an aliens officer for the purpose of inquiry or examination shall not for the purposes of this Order be deemed to have landed so long as the conditions are complied with.

*Aliens leaving the United Kingdom.*

8. An alien shall not, except in pursuance of an order of deportation under this Order, embark in the United Kingdom at a prohibited port:

Provided that—

(b) subject to the provisions of this Order the foregoing prohibition shall not, unless in any particular case an aliens officer so directs, apply to an alien friend who is the master or a member of the crew of a vessel leaving a prohibited port;

and any alien friend who embarks in accordance with this proviso shall not be liable to any penalty for embarking in the United Kingdom at the port in question.

9. Where an alien enemy is about to leave any port on board a vessel on which he has arrived at the port he may for the purposes of this Order, if a Secretary of State so directs or if it appears necessary to an aliens officer in the interests of public safety, be treated as though he had embarked at that port in contravention of this Order, but shall not be subject to any fine or imprisonment for so embarking.

10. An alien enemy shall not, except in pursuance of an order of deportation under this Order, embark in the United Kingdom at an approved port, unless provided with a permit issued by a Secretary of State:

Provided that an alien enemy about to embark in the United Kingdom at an approved port, even when provided with such permit as aforesaid, may, if a Secretary of State so directs, or if in the opinion of an aliens officer he cannot safely be permitted to embark, be treated as though the port were a prohibited port.

11. An alien embarking or about to embark in the United Kingdom in contravention of this Order may, until dealt with under this Order, be detained in such manner as a Secretary of State may direct, and whilst so detained shall be deemed to be in legal custody.

12.—(1) A Secretary of State may order the deportation of any alien, and any alien with respect to whom such an order is made shall forthwith leave and thereafter remain out of the United Kingdom.

(2) Where an alien is ordered to be deported under this Order, he may, until he can, in the opinion of the Secretary of State, be con-

veniently conveyed to and placed on board a ship about to leave the United Kingdom, and whilst being conveyed to the ship, and whilst on board the ship until the ship finally leaves the United Kingdom, be detained in such manner as the Secretary of State directs, and, whilst so detained, shall be deemed to be in legal custody.

*Special Provisions as to Masters and Seamen.*

12A.—(1) An alien, being the master or a member of the crew of a vessel arriving at any port to which this Article is applied by order of a Secretary of State, shall not land at that port unless he has in his possession a passport issued to him not more than two years previously by or on behalf of the Government of the country of which he is a subject or a citizen, or some other document satisfactorily establishing his nationality or identity, to which passport or document there must be attached a photograph of the alien to whom it relates.

(2) Where an alien is under the provisions of this Article prohibited from landing at any port, an aliens officer at that port may nevertheless grant him temporary permission to land for such purposes and subject to such conditions as a Secretary of State may from time to time prescribe, either generally or as respects any particular port or vessel.

13.—(1) The master of every vessel, whether British or foreign, arriving at or leaving a port in the United Kingdom shall, immediately on the arrival of the vessel at that port, or, as the case may be, not more than twenty-four hours before leaving that port, furnish to an aliens officer at that port, with respect to all persons on board the vessel, or intending to embark on the vessel, such particulars in such manner as a Secretary of State may direct, and shall otherwise take all reasonable steps in his power for securing the enforcement of this Order.

(2) The master of a vessel arriving at or leaving any port shall not permit any persons to land or to embark without the sanction of an aliens officer at the port.

(3) Where a person lands or embarks at any port in contravention of this Order, the master of the vessel from which he lands or on which he embarks shall, unless he proves the contrary, be deemed to have aided and abetted the offence.

14. The master of a ship about to call at any port shall, if so required by a Secretary of State or an aliens officer, receive an alien and his dependants, if any, on board his ship and afford him or them a passage to that port, and proper accommodation and maintenance during the passage, and, if the ship is the same or belongs to the same owners as the ship in which the alien arrived in the United Kingdom, shall, if so required as aforesaid, afford such passage, accommodation, and maintenance free of charge.

*Aliens Officers.*

15.—(1) The following persons, that is to say—

(a) any immigration officers appointed under the Aliens Act, 1905; and

(b) any persons appointed for the purpose by a Secretary of State;

shall be aliens officers for the purposes of this Order at the various ports in the United King-

dom, and shall in the exercise of their powers act under general or special instructions from a Secretary of State, and, subject to such instructions, shall have power to enter on board any vessel, and to detain and examine all persons arriving at or leaving any port in the United Kingdom, and to require the production of any documents by such persons, and generally to take such steps as are sanctioned by this Order or as may be necessary for giving effect to this Order.

*Exceptions.*

16. This Part of the Order shall not apply—

- (a) to prisoners of war; or
- (b) to children appearing to an aliens officer to be under the age of fourteen.

**PART II.**

**RESTRICTIONS ON ALIENS IN THE UNITED KINGDOM.**

*Power of Secretary of State as to Residence of Alien Enemies.*

17. A Secretary of State may by order require any alien enemy to reside or continue to reside or cease to reside in any place or district specified in the order, and the alien shall comply with the order.

*Prohibited Areas.*

18.—(1) An alien enemy shall not enter, or reside or continue to reside either temporarily or permanently in, a prohibited area unless provided with a permit issued by the registration officer of the district, subject to the general or special instructions of a Secretary of State.

(2) The areas specified in the Second Schedule to this Order shall be prohibited areas for the purposes of this Order:

Provided that a Secretary of State may by order, after consulting the Admiralty and the Army Council, add any area to the list of prohibited areas in the said Schedule, or remove any area or part of an area from that list; and this Order shall thereupon have effect accordingly.

18a. A Belgian refugee shall not come to reside either temporarily or permanently in any prohibited area unless provided with a permit issued by the registration officer of the district, subject to the general or special instructions of a Secretary of State.

18b.—(1) As from the thirteenth day of March, nineteen hundred and sixteen, an alien shall not, without the special permission of the registration officer, enter, or be in any prohibited area unless he has in his possession an identity book obtained in pursuance of this Order and duly filled in and attested:

Provided that—

(a) where an alien was on the thirteenth day of March, nineteen hundred and sixteen, resident and duly registered in a prohibited area, this provision shall not apply to him in respect of that area so long as he continues to reside therein; and

(b) a Secretary of State may exempt from the provisions of this Article any class of aliens, where he is satisfied that satisfactory means are provided for their identification, other than the possession of an identity book; and

(c) an alien coming from any place out of the United Kingdom and landing in the United Kingdom without an identity book may, subject to the provisions of this Order, be allowed to proceed to his destination in the United Kingdom if the passport or other document with which he is required to be furnished on landing in the United Kingdom contains, or if he supplies, such of the particulars required to be contained in an identity book as may be required by an aliens officer; but any such alien shall proceed directly to his destination, and on arriving there shall, within twenty-four hours, comply with all the provisions of this Order which are applicable to him; and

(d) this Article shall not apply to an alien who enters or is in a prohibited area for the sole purpose of immediate embarkation at a port therein; and

(e) this Article shall not apply to an alien who appears to be under the age of eighteen and is in the care of some other person who is over that age.

If any alien when so required by any officer or by any soldier or sailor engaged on sentry patrol or other similar duty, or by any aliens officer or police constable, fails to produce his identity book at any time when he is required to be in possession of the same under this Article, he may, without prejudice to any other penalty, be detained pending the making of inquiries as to his identity, and while so detained shall be deemed to be in legal custody.

(2) Subject to the special or general instructions of a Secretary of State, any alien who has after the thirteenth day of March, nineteen hundred and sixteen, entered a prohibited area in which he was not resident on that date may be ordered by the registration officer for that area to leave the area forthwith, and not to enter that area subsequently without his special permission, and the alien shall comply with the order.

(3) Where any such special permission of a registration officer as aforesaid has been granted subject to any conditions, and the person to whom it is granted fails to comply with any such condition, he shall be deemed to be guilty of a contravention of this Order.

18c.—(1) The provisions contained in the Third Schedule to this Order shall have effect with respect to identity books.

(2) If any person uses for the purposes of this Order an identity book relating to any person other than himself, or, in filling in or attesting the particulars in an identity book, or for the purpose of obtaining an identity book, whether for himself or any other person, makes any false statement or false representation, he shall be deemed to have acted in contravention of this Order.

*Registration in General.*

19.—(1) An alien, wherever resident, shall comply with the following requirements as to registration:—

(a) he shall as soon as may be furnish to the registration officer of the registration district in which he is resident particulars as to the matters set out in the First Part of the Fourth Schedule to this Order;

(b) he shall, if he is about to change his residence, furnish to the registration officer of the registration district in which he is

then resident particulars as to the date on which his residence is to be changed, and as to his intended place of residence, and on effecting any change of residence from one registration district to another he shall also forthwith report his arrival in the registration district into which he moves to the registration officer of that district;

(c) he shall furnish to the registration officer of the registration district in which he is resident particulars of any circumstance affecting in any manner the accuracy of the particulars previously furnished by him for the purpose of registration within forty-eight hours after the circumstance has occurred.

(2) Where an alien is lodging with or living as a member of the household of any other person, it shall be the duty of that person either himself to furnish with respect to the alien the particulars aforesaid, or to give notice of the presence of the alien in his household to the registration officer.

(3) Where an alien has a household he shall furnish the particulars as aforesaid not only as respects himself, but as respects every alien who is living as a member of his household.

(4) A Secretary of State may by order direct that in any area specified in the order this Article shall not apply in respect of that area to alien friends resident in the area on the fourteenth day of February, nineteen hundred and sixteen.

(5) This Article shall not apply in the case of Belgian refugees, but Belgian refugees shall be subject to the special provisions as to the registration of Belgian refugees set out in Articles 20a to 20d of this Order.

19A. Where a vessel remains for twenty-four hours or more at any port to which this Article is applied by order of a Secretary of State, an alien being the master or a member of the crew of the vessel, shall for the purposes of Article 19 of this Order be deemed to be residing in the area in which the port is situate, and shall accordingly comply with the requirements of that Article as to registration; and where the alien is a member of the crew, the master of the vessel shall, as soon as may be, give notice of his presence on board the vessel to the registration officer.

20.—(1) Subject to the special provisions of Article 20d of this Order as to the registration officer for the registration of Belgian refugees, the chief officer of police of the police district shall be the registration officer, and the police district shall be the registration district, for the purposes of this Order:

Provided that where a prohibited area includes the whole or part of more than one police district, arrangements may be made by a Secretary of State for constituting that prohibited area a single registration district, and for the appointment of a registration officer for that district.

(2) A registration officer shall—

(a) keep for his registration district a register for the purposes of this Order;

(b) register therein all aliens resident in his district who furnish particulars for the purpose, by entering these particulars on the register;

(c) enter on the register all other particulars furnished in accordance with this

Order with respect to any alien so registered; and

(d) if a registered alien ceases to be resident in his district, record the fact in the register.

(3) The obligation of a registration officer to enter particulars upon the register shall not be affected by the fact that the particulars may not have been furnished within the time required by this Order, without prejudice, however, to the liability of an alien to a penalty for not furnishing the particulars within the required time.

(4) Every alien shall furnish to the registration officer, in addition to any such particulars as aforesaid, any information which may reasonably be required for the purpose of registering the alien, or maintaining the correctness of the particulars entered on the register.

20A. (1) It shall be the duty of the keeper of every hotel, inn, boarding-house, and lodging-house, to keep a register of all persons over the age of fourteen years staying at the hotel, inn, boarding-house, or lodging-house, who are aliens.

The keeper of every such hotel, inn, boarding-house, or lodging-house shall, as soon as may be after any such person comes to stay at the hotel, inn, boarding-house, or lodging-house, ascertain, and enter in the register kept for the purpose, his name and nationality, together with the date of his arrival; and on the departure of any such person, he shall, as soon as may be, enter the date of departure and destination on departure of that person in the register, and he shall also ascertain and enter in the register from time to time such other particulars as may be prescribed by a Secretary of State, and if the keeper of an hotel, inn, boarding-house, or lodging-house fails to comply with any of the foregoing provisions of this Article, or if he makes any entry in any such register which he knows or could by the exercise of reasonable diligence have ascertained to be false, he shall be deemed to be guilty of a contravention of this Order.

(2) The keeper of every hotel, inn, boarding-house, or lodging-house shall also, if directions for the purpose are issued by a Secretary of State, make to the registration officer of the registration district in which the hotel, inn, boarding-house, or lodging-house is situate, such returns as to the persons staying at the hotel, inn, boarding-house, or lodging-house, at such times or intervals and in such form as may be specified in such directions, and if he fails to do so, or makes any false return, he shall be deemed to be guilty of a contravention of this Order.

(3) It shall be the duty—

(a) of the keeper of every hotel, inn, boarding-house, and lodging-house, with a view to ascertaining whether any person staying at the hotel, inn, boarding-house, or lodging-house is or is not an alien, to require every person (whether an alien or not) who stays at the hotel, inn, boarding-house, or lodging-house to furnish to him, in such form as may be prescribed by a Secretary of State, a signed statement as to the particulars contained in that form; and

(b) of every person (whether an alien or not) to furnish the said particulars and such a signed statement as aforesaid when so required.

If the keeper of any hotel, inn, boarding-house or lodging-house fails to require any person staying at the hotel, inn, boarding-house or lodging-house to furnish such information as aforesaid, he shall be deemed to be guilty of a contravention of this Order; and if any person staying at the hotel, inn, boarding-house or lodging-house fails to give any information when so required, or gives any false information, he shall be deemed to be guilty of a contravention of this Order.

(4) Every register kept under this Article, and all particulars furnished under this Article, shall at all reasonable hours be open for inspection by any officer of police or by any person authorised by a Secretary of State.

(5) In the application of this Article to hostels or other boarding-houses in which Belgian refugees are lodged, the manager or secretary, or any other person charged with the management of the hostel or boarding house shall, whether he receives payment or not, be deemed to be the keeper thereof.

#### *Registration of Belgian Refugees.*

20b. The Registrar General shall keep a central register of all Belgian refugees in the United Kingdom, and shall enter therein all particulars with respect to Belgian refugees which are, under this Order, either furnished to him as registration officer of the metropolitan police district or furnished to other registration officers and communicated to him by them.

20c.—(1) A Belgian refugee shall, wherever resident, comply with the following requirements as to registration:—

(a) He shall, as soon as may be, furnish to the registration officer of the registration district in which he is resident particulars as to the matters set out in the Second Part of the Fourth Schedule to this Order;

(b) he shall, if he is about to change his residence, furnish to the registration officer of the registration district in which he is then resident particulars as to the date on which his residence is to be changed, and as to his intended place of residence, and on effecting any change of residence from one registration district to another he shall also forthwith report his arrival in the registration district into which he moves to the registration officer of that district.

(2) Where a Belgian refugee is lodging with or living as a member of the household of any other person, it shall be the duty of that person to take steps to secure compliance with the terms of this Order in respect of that refugee.

(3) Where a Belgian refugee has before the twenty-eighth day of November, nineteen hundred and fourteen, furnished particulars in accordance with Article 19 of the Aliens Restriction (Consolidation) Order, 1914, or has before that date been registered with the Registrar General, it shall not be necessary for him to furnish particulars again in pursuance of this Order, provided that he complies or has complied with paragraph (b) of subsection (1) of this Article.

20d. The registration officer for the registration of Belgian refugees in the metropolitan police district and in the City of London shall be the Registrar General, and elsewhere shall be the same as under the foregoing provisions of this Order, that is to say, the chief officer of police:

Provided that the Secretary of State, or in Scotland the Secretary for Scotland, may, in special circumstances and subject to such conditions as he may think fit, substitute any other person or body of persons for the chief officer of police as the registration officer for Belgian refugees in any registration area.

#### *General Restrictions.*

21. An alien enemy shall not travel more than five miles from his registered place of residence unless furnished with a permit from the registration officer of the registration district in which that place of residence is situate, which permit shall not cover a period exceeding twenty-four hours from the date of its issue and shall be returned to the registration officer at the end of the period for which it was issued:

Provided that—

(a) any such permit may, if the registration officer in view of any special circumstances so decides, cover a period exceeding twenty-four hours, but not exceeding four days, from the date of its issue, subject, however, to the condition that the holder thereof shall on each day during the currency of the permit report himself to the registration officer of the district in which he then is, and subject also to any other conditions which may be prescribed by the registration officer granting the permit; and

(b) where any such permit is granted to any person with a view to his leaving one registration district and going to reside in another, the permit may, at the end of the period for which it was issued, be delivered to the registration officer of the new district instead of being returned to the registration officer by whom it was granted; and

(c) in the case of an alien enemy having a bona fide place of business more than five miles from his registered place of residence the registration officer may, if he thinks fit, grant a permit enabling him to travel to or from his place of business, which shall be renewable from time to time as and when the registration officer so directs.

22.—(1) An alien enemy shall not, except with the written permission of the registration officer of the district in which he resides, be in possession of—

(f) any cipher code or other means of conducting secret correspondence;

(g) any telephone installation;

(h) any camera or other photographic apparatus;

(i) any military or naval map, chart, or handbook.

(2) If a justice of the peace is satisfied by information on oath that there is reasonable ground for suspecting any contravention of the

foregoing provision, he may grant a search warrant authorising any constable named therein to enter at any time any premises or place named in the warrant, if necessary by force, and to search the premises or place and every person found therein, and to seize any article which is being kept in the premises or place in contravention of this Article.

Where it appears to a superintendent or inspector of police, or any police officer of higher rank, that the case is one of great emergency, and that in the interests of the State immediate action is necessary, he may by a written order under his hand give to any constable the like authority as may be given by the warrant of a justice under this Article.

23.—(1) The circulation among alien enemies of any newspaper wholly or mainly in the language of a State, or any part of a State, at war with His Majesty, is prohibited, unless the permission in writing of a Secretary of State has been first obtained, and such conditions as may be prescribed by a Secretary of State are complied with.

(2) Any person publishing or distributing any newspaper for circulation in contravention of this Order shall be deemed to have acted in contravention of this Order, and where a Secretary of State is satisfied that any newspaper has been, or is about to be, published for circulation in contravention of this Order, he may authorise such persons as he thinks fit to enter, if needs be by force, any premises, and to seize any copies of the newspaper found thereon, and also any type or other plant used or capable of being used for printing or production of the newspaper, and to deal with any articles so seized in such manner as a Secretary of State may direct.

24.—(1) An alien enemy shall not carry on or engage in any banking business except with the permission in writing of a Secretary of State, and to such extent and subject to such conditions and supervision as a Secretary of State may direct, and an alien enemy who is or has been carrying on or engaged in banking business shall not, except with the like permission, part with any money or securities in the bank where he is or has been carrying on or engaged in business, and shall, if so required, deposit any such money or securities in such custody as a Secretary of State may direct.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS it is enacted by the Suspensory Act, 1914, that notwithstanding anything in the Government of Ireland Act, 1914, no steps shall be taken to put that Act into operation until the expiration of twelve months from the date of the passing of that Act, or, if at the expiration of those twelve months the present War has not ended, until such later date (not being later than the end of the present War) as may be fixed by His Majesty by Order in Council; and that the provisions of that Act shall have effect accordingly:

B 2

At the Court at *Buckingham Palace*, the 29th day of *February*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, of the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, of the Act of the 13th and 14th years of Her said late Majesty, Chapter 94, of the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, of the Act of the 33rd and 34th years of Her said late Majesty, Chapter 39, and of the Act of the 48th and 49th years of Her said late Majesty, Chapter 55, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 27th day of January, in the year 1916, in the words and figures following, that is to say:—

We, the Ecclesiastical Commissioners for England, acting in pursuance of the Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, of the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, of the Act of the 13th and 14th years of Her said late Majesty, Chapter 94, of the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, of the Act of the 33rd and 34th years of Her said late Majesty, Chapter 39, and of the Act of the 48th and 49th years of Her said late Majesty, Chapter 55, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for disannexing from the Archdeaconry of Furness, in the Diocese of Carlisle, the Benefice (being a Vicarage) of Saint George, Barrow, in the County of Lancaster, and in the said Diocese of Carlisle, now annexed to the said Archdeaconry, for providing an endowment for the said Archdeaconry of Furness, and for effecting a transfer of the Patronage of the said Benefice of Saint George, Barrow:

"Whereas by the authority of an Order of Her said late Majesty in Council, bearing date the 19th day of May, in the year 1884, and published in the London Gazette on the 27th day of the same month, the Archdeaconry of Furness was constituted, in the said Diocese of Carlisle, and the said Benefice of Saint George, Barrow, was annexed and united to the said Archdeaconry, and the income of the Archdeacon of the said Archdeaconry of Furness is derived partly from the endowments and emoluments of the said Benefice of Saint George, Barrow, and partly from procurations, synodals, visitation fees, and induction fees, or some or one of these sources, and it appears to us to be undesirable that the said Benefice of Saint George, Barrow, should continue to be annexed to the said Archdeaconry of Furness, and that fees derived from any of the above-mentioned sources should continue to be received by the Archdeacon of the said Archdeaconry:

"And whereas by the authority of the said Order in Council the sum of £5,000 0s. 0d. Perpetual 4 per cent. Debenture Stock of the Furness Railway Company provided for the endowment of the said Benefice of Saint George, Barrow, will, on the disannexation of the said Benefice from the said Archdeaconry

of Furness, be repayable to the Representatives of the late Most Noble William, Duke of Devonshire, and of the late Most Noble Walter Francis, Duke of Buccleuch and Queensberry :

“ And whereas the Most Noble Victor Christian William, Duke of Devonshire, and the Most Noble John Charles, Duke of Buccleuch and Queensberry, as the Representatives of the said late William, Duke of Devonshire, and the said late Walter Francis, Duke of Buccleuch and Queensberry, are desirous that the said sum of £5,000 Os. 0d. Perpetual 4 per cent. Debenture Stock of the Furness Railway Company should continue to be held by us, the said Commissioners, and that part of such Stock, namely, a sum of £3,250 Os. 0d., should be applied to the endowment of the said Benefice of Saint George, Barrow, and to the augmentation of the Income of the Incumbent thereof, and that the remainder of such Stock, namely, a sum of £1,750 Os. 0d., should be applied to the endowment of the said Archdeaconry of Furness, and to the provision of an Income for the Archdeacon thereof :

“ And whereas the payment of the yearly sum of £130 Os. 0d. hereinafter recommended and proposed to be made by us, the said Ecclesiastical Commissioners, to the said Archdeacon, will, after the disannexing of the said Benefice of Saint George, Barrow, from the said Archdeaconry of Furness, and after the discontinuance of the collection of the said fees, be required in order to provide for the said Archdeacon an annual Income of £200 Os. 0d. :

“ And whereas the said Archdeaconry of Furness is now full, the Venerable Henry Pownall Malins Lafone, Clerk in Holy Orders, being the present Archdeacon :

“ And whereas the whole right of Patronage of the said Benefice of Saint George, Barrow, which, before the annexation of such Benefice to the Archdeaconry of Furness, was vested in the said William, Duke of Devonshire, Henry William Schneider, and Sir James Ramsden, Knight, their Heirs and Assigns, was, by the said Order in Council, transferred to the Bishop of Carlisle for the time being, but upon the disannexation of the said Benefice from the said Archdeaconry will revert to the Patrons to whom it belonged before such annexation in the manner contemplated by the 56th Section of the firstly hereinbefore-mentioned Act :

“ And whereas it appears to us to be expedient that upon the disannexation of the said Benefice of Saint George, Barrow, from the said Archdeaconry of Furness, the whole right of Patronage of the said Benefice of Saint George, Barrow, should be vested in the Bishop of Carlisle for the time being :

“ And whereas Frederic James Ramsden, of Abbots Wood, Furness Abbey, one of Your Majesty's Justices of the Peace, as the legal Representative of the last survivor of the said William, Duke of Devonshire, Henry William Schneider, and James Ramsden, is desirous that the whole right of Patronage of the said Benefice of Saint George, Barrow, so soon as the same shall revert to him by the disannexation of such Benefice from the said Archdeaconry of Furness, should be transferred to the Bishop of Carlisle as hereinbefore-mentioned, and as hereinafter recommended and proposed, and in token of such desire he, the said Frederic James Ramsden, has executed this Scheme as hereinafter-mentioned :

“ And whereas the Right Reverend John William, now Bishop of Carlisle, is willing to accept such transfer, and in token of such his willingness, and also in token that the arrangements hereinafter recommended and proposed have that consent of the Bishop of the Diocese which by the hereinbefore-recited Acts, or by some or one of them, is made necessary, he, the said John William, Bishop of Carlisle, has executed this Scheme as hereinafter-mentioned :

“ And whereas it has been made to appear to us that the arrangements hereinafter recommended and proposed will tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the Right of Patronage so to be transferred arises or exists, that is to say, in the New Parish of Saint George, Barrow :

“ Now, therefore, with the consents of the said Victor Christian William, Duke of Devonshire, the said John Charles, Duke of Buccleuch and Queensberry, and the said Frederic James Ramsden, (in testimony whereof they have signed and sealed this Scheme), and with the consent of the said John William, Bishop of Carlisle, (in testimony whereof he has signed this Scheme, and sealed it with his Episcopal Seal), we, the said Ecclesiastical Commissioners, humbly recommend and propose that, as from the day of the date of the next avoidance of the said Archdeaconry of Furness, the said Benefice of Saint George, Barrow, shall be wholly disannexed and disunited from the said Archdeaconry of Furness, and shall be a separate Benefice with Cure of Souls.

“ And we further recommend and propose that, as from the date of the said disannexation, we, the said Ecclesiastical Commissioners, be authorized to hold the sum of £5,000 Os. 0d. Perpetual 4 per cent. Debenture Stock of the Furness Railway Company hereinbefore-mentioned, and to apply part of such Stock, namely a sum of £3,250 Os. 0d., to the endowment of the said Benefice of Saint George, Barrow, and to the augmentation of the Income of the Incumbent thereof, and the remainder of such Stock, namely a sum of £1,750 Os. 0d., to the endowment of the said Archdeaconry of Furness, and to the provision of an Income for the Archdeacon thereof.

“ And we further recommend and propose that we, the said Ecclesiastical Commissioners, be authorized to pay, by half-yearly payments on the 1st day of January and the 1st day of July in every year, out of the Common Fund created by the said Act of the 3rd and 4th years of Her late Majesty Queen Victoria, Chapter 113, to the Archdeacon for the time being of the said Archdeaconry of Furness, the yearly sum of £130 Os. 0d., (being the sum which together with the annual dividends in respect of the said sum of £1,750 Os. 0d. Stock is required to provide an income of £200 Os. 0d. per annum for the said Archdeacon), the payment so first becoming due being an apportioned part only of the said sum of £130 Os. 0d. in respect of the period between the date of the next avoidance of the said Archdeaconry and the first half-yearly day of payment next ensuing ; provided always, that every payment in respect of the said yearly sum of £130 Os. 0d. shall be made by us only after we shall have been satisfied that the Archdeacon who applies for the same has during the previous 12 calendar months complied with the conditions as to residence which, for the time being, are re-

quired by law, and that he has not collected procurations, synodals, visitation fees, or induction fees, during the same period.

"And we further recommend and propose that whenever any Archdeacon who may be entitled to receive the said yearly sum of £130 0s. 0d. and the said dividends in respect of the said sum of £1,750 0s. 0d. Stock shall resign, or otherwise avoid his Archdeaconry, such yearly sum and such dividends shall be apportionable between such Archdeacon or his Representative (as the case may be) and the Archdeacon who shall next be collated to the same Archdeaconry.

"And we further recommend and propose that, as from the day on which the said Benefice of Saint George, Barrow, shall be disannexed from the said Archdeaconry of Furness, and without any conveyance or assurance in the law other than any duly gazetted Order of Your Majesty in Council ratifying this Scheme, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Saint George, Barrow, so reverting to the said Frederic James Ramsden as aforesaid, shall be transferred from him, and shall thereupon become and be absolutely vested in, and shall and may from time to time be fully and freely exercised by, the said John William, Bishop of Carlisle, and by his Successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Carlisle.

*Almeric FitzRoy.*

At the Court at *Buckingham Palace*, the 29th day of *February*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1916, in the words following, viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, and other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions, as are from time to time directed by Order in Council:

"And whereas under existing Regulations the Pensions to Widows and Children of Officers of Your Majesty's Naval and Marine

Forces are awarded on three scales differing according to the circumstances under which the Officers' deaths occurred:

"And whereas we are of opinion that it is desirable that the conditions governing the award of Pensions should be modified:

"And whereas we are of opinion that the Scales of Pensions and Compassionate Allowances authorized for the Widows and Children of Commissioned Officers, Commissioned Warrant Officers, and Warrant Officers, of Your Majesty's Royal Navy, and of other Officers of corresponding Rank in Your Majesty's Royal Navy and Royal Marines, are, in certain cases, too low, having regard to the increased rates recently approved for Petty Officers and Men of Your Majesty's Royal Navy:

"And whereas we are of opinion that the provision made for Officers' Children in the form of Compassionate Allowances and Gratuities requires, in cases of pecuniary need, to be supplemented by the grant of Educational Allowances:

"We therefore beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to sanction

the revised Regulations shown in the accompanying Schedule, these Regulations to apply to all cases arising out of the present War, and, in respect of such cases, to be in substitution, save as hereinafter provided, for the Regulations hitherto in force; provided always that awards in cases which have already arisen shall not be re-assessed from an earlier date than the 1st March, 1915.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in these proposals.

#### " SCHEDULE.

" 1. In cases arising out of the present War, including those of Marine Officers employed on board H.M. ships, the classification governing the award of the different Scales of Pensions and Allowances to be as follows:—

##### CLASS I. (HIGHEST SCALE).

Officers killed in action, or dying from wounds received in action, whether afloat or ashore, or whose deaths result from destruction of ship, or who suffer death by drowning or other violent death due directly and wholly to War Service.

##### CLASS II. (INTERMEDIATE SCALE).

Officers who die of disease due to exposure or exertion on Service, or from injuries received in and by Service, so far as not covered by Class I.

##### CLASS III. (LOWEST SCALE).

Officers who die of disease, injury, or accident, not coming under Classes I. or II.

" 2. The rates of Pension for Widows of Lieutenants and Sub-Lieutenants in the Royal Navy, and other Officers of corresponding Rank in the Royal Navy, and Royal Marines, to be raised to the following amounts:—

Class I., £100 a year.

Class II., £75 a year.

Class III., £50 a year.

" 3. The additional Gratuity payable in Class I. cases to continue to be paid at the existing rates.

" 4. In the cases of Officers coming under Class III. who die during the present War without completing the minimum period of service necessary to qualify their Widows for the award of Pensions, Gratuities of not less than one year's, and not more than three years', pay to be awarded at the discretion of the Admiralty, and to be paid in each case either in a lump sum, or in instalments, as the Admiralty may consider desirable.

" 5. The rates of Compassionate Allowances for the Children of Commissioned Officers of all ranks up to and including that of Captain in the Royal Navy or similar relative Rank, to be as follows:—

Class I., £24.

Class II., £20.

Class III., £16.

" 6. The rates for the Children of Flag Officers and Officers of similar relative Rank to be as follows:—

Class I., £30.

Class II., £25.

Class III., £20.

" 7. In cases of pecuniary need, Educational Allowances of £35 a year for boys and £25 a year for girls to be awarded, at the discretion of the Admiralty, to the Children of Commissioned Officers who die during the War, or are disabled through War Service, these Allowances to be payable ordinarily between the ages of 13 and 18, but to be extended, if thought desirable, until the age of 21, on the recommendation of a competent Education Authority, where the education is being continued at Secondary Schools, Technical Schools, or the Universities.

" 8. In view of the revision in the rates of Compassionate Allowances and the institution of Educational Allowances, the existing provision for the grant of double Compassionate Allowances to motherless Children to be abolished, subject to the proviso that the Guardian of any Child, who considers the provisions of existing Regulations more beneficial to such Child, may, at the time the award is made, elect that the Child should receive the benefit of existing Regulations, and that such option once exercised shall be final.

" 9. The following revised Regulations, provided they be more beneficial than existing Regulations, to be adopted in cases arising out of the present War for the award of Pensions and Allowances to the Widows and Children of Commissioned Warrant Officers, and Warrant Officers:—

(a) Killed in the performance of Naval or Military Duty.

(b) Dying of wounds or injuries received in the performance of such Duty within seven years after the receipt of the wound or injury.

(c) Dying of disease medically certified to have been contracted, or to have developed, while on Active Service, within seven years of their removal from Duty on account of such disease.

Widow's Pension to be £50 a year in the case of Commissioned Warrant Officers, and £45 a year in the case of Warrant Officers.

Compassionate Allowances on a scale of £8 to £14 to be awarded to the Children of Commissioned Warrant Officers, and Warrant Officers, and the Admiralty to have discretion to continue the Allowances beyond the age of 18 in the case of boys on production of satisfactory evidence that the continuance of the Allowance is needed for the purpose of enabling the boy to complete his education.

" 10. The present provision that the aggregate amount of the Allowances to the Family of any Officer shall not exceed:—

(a) In ordinary cases, the amount of the half-pay of his Rank and Seniority at the time of his death, and

(b) In cases where the Officer's death is attributable to the Service, the sum of £100 more than the amount of the half-pay of his Rank and Seniority at the time of his death,

to be waived, as also the provision that persons who are in receipt of £30 a year from other sources, or whose mothers have been refused Pensions on account of private income, shall be considered ineligible for Compassionate Allowances in ordinary circumstances.

" 11. On the death of an Officer who leaves no Widow or legitimate Child, under conditions such as entitle an Officer's Widow to Pension at the highest or the intermediate rate, the

Admiralty to have power to grant Allowances as under:—

#### MOTHER.

The Mother may be granted an annual Allowance provided that:—

(a) The Mother is a Widow, or her husband is totally incapacitated by age or infirmity, or he had permanently deserted her and ceased to support her;

(b) She was largely dependent for support upon the deceased Officer; and

(c) She is in distressed circumstances, and is not in receipt of Pension as an Officer's Widow or of any other charitable provision of any kind from the public.

The amount of the Allowance shall be determined in each case by the Admiralty with regard to the Mother's pecuniary circumstances. It shall not in any case exceed the Pension which would have been awarded to the Officer's Widow had he left one, or the annual value of the support afforded by the Officer. It shall cease in the event of the recipient remarrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her, and shall not in any case be transferable.

#### FATHER.

The Father may, subject to the same conditions so far as they are applicable, receive an Allowance similar to that granted to a Mother, provided he is a Widower and totally incapacitated by age or infirmity.

#### SISTERS.

The Sister or Sisters jointly may be granted an allowance provided that:—

(a) The Officer did not leave a Mother;

(b) The Sister or Sisters be an orphan or orphans unmarried;

(c) They were largely dependent on the deceased Officer;

(d) The surviving Brothers, if any, are unable through youth, or bodily or mental infirmity, to give them support;

(e) They are in distressed circumstances, and are not in receipt of any other charitable provision of any kind from the public.

The amount of the Allowance shall be determined in each case by the Admiralty with regard to the pecuniary circumstances of the Sister or Sisters.

Not more than £50 a year shall be granted to any one Sister, and the total shall not in any case exceed the Pension which would have been awarded to the Officer's Widow had he left one, or the annual value of the support afforded by the Officer.

Except in special cases where the Officer's Sister is shown to be unfitted by age or infirmity to earn her living, an Allowance will not be granted if she is over 21 years of age, nor be continued beyond that age. It shall also cease in the event of the recipient marrying or attaining to pecuniary circumstances which, in the opinion of the Admiralty, disqualify her.

The Mother or Sisters of a deceased Officer may, however, be granted, if more advantageous to them than the allowances herein specified, the benefits of the formerly existing Regulations."

His Majesty, having taken the said Memorial

into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

#### PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 18th day of February, 1916, in the words following, viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being or having been an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions, as are from time to time directed by Order in Council:

"And whereas by Your Majesty's Order in Council, bearing date the 8th day of August, 1911, it is provided that the total number of Chief Gunners, Chief Boatswains, Chief Signal Boatswains, and Commissioned Telegraphists (other than those borne as supernumerary under Order in Council of the 29th day of February, 1908) shall not exceed eight per cent. of the combined number of Commissioned Warrant Officers and Warrant Officers of these Branches:

"And whereas this provision is modified by Your Majesty's Order in Council of the 19th day of July, 1912, under which Warrant Officers belonging to Classes in which Commissioned Warrant Rank is attainable may be advanced to Commissioned Warrant Rank after 15 years' service as Warrant Officer:

"And whereas it is necessary to regulate the number of Commissioned Telegraphists pending the application of the latter arrangement to the Telegraphist Branch:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to authorize us to promote Warrant Telegraphists to Commissioned Warrant Rank in such numbers as shall not exceed eight per cent. of the total number of Commissioned Telegraphists and Warrant Telegraphists combined, until the normal period of service as Warrant Telegraphist reaches 15 years, when the provisions of the Order in Council of the 19th day of July, 1912, will become applicable.

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

**PRESENT,**

The KING's Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 18th day of February, 1916, in the words following, viz.:—

"Whereas by the Naval Prize Act, 1864, it is enacted that if Your Majesty is pleased in relation to any War to declare by Proclamation or Order in Council Your intention to grant Prize Bounty to the Officers and Crews of Your Majesty's Ships of War, then such of the Officers and Crews of Your Majesty's Ships of War as are actually present at the taking or destroying of any armed Ship of any of Your Majesty's enemies shall be entitled to have distributed among them as Prize Bounty a sum calculated at the rate of Five Pounds (£5) for each person on board the enemy's Ship at the beginning of the engagement, and that the amount of the Prize Bounty decreed as in the Act provided shall be paid by the Commissioners of Your Majesty's Treasury, out of money provided by Parliament, in such manner as any Order in Council may from time to time direct:

"And whereas Your Majesty, by Order in Council dated the 2nd day of March, 1915, declared Your intention in relation to the present War to grant Prize Bounty to the Officers and Crews of Your Majesty's Ships of War, and directed that Prize Bounty as ascertained should be paid by the said Commissioners of Your Majesty's Treasury into the account of Your Majesty's Paymaster-General at the Bank of England for distribution under our direction among the Officers and Crews of Your Majesty's Ships of War entitled thereto in the shares in that behalf to be specified thereafter by Your Order in Council:

"And whereas by the Naval Agency and Distribution Act, 1864, it is provided that money distributable among the Officers and Crews of any of Your Majesty's Ships of War in respect of (*inter alia*) any capture, recapture, or destruction of any ship, goods, or thing in time of War or Hostilities, so far as full provision respecting the distribution thereof is not made by or under any Act of Parliament other than that Act, shall be distributed under our direction in the shares in that behalf specified in any Royal Proclamation or Order in Council:

"We now therefore beg leave humbly to submit that Your Majesty may be graciously pleased, by Your Order in Council, to authorize the distribution under our direction of all money decreed as Prize Bounty among the Officers and Crews of Your Majesty's Ships of War entitled thereto in the shares below mentioned:—

"1. The Flag Officer or Officers to have one-thirtieth part of the net amount distributable according to the following conditions and modifications:—

"When there is but one Flag Officer he shall have the entire one-thirtieth part; when two Flag Officers shall be sharing together the Chief shall have two-thirds and the other Flag Officer shall have the remaining one-third of the one-thirtieth part; and when there shall be more than two Flag Officers the Chief shall

have half of the said one-thirtieth part and the remaining half shall be equally divided among the Junior Flag Officers.

"Commodores of the First Class including Captains of the Fleet to share as Flag Officers.

"Every Commodore having a Captain under him may be esteemed a Flag Officer whether he is Commanding-in-Chief or serving under Command.

"No Flag Officer shall share in the distribution unless he was in fact on board one of Your Majesty's Ships or Vessels of War actually present at the taking or destroying of the armed enemy Ship in question.

"2. Any Officer on board any of Your Majesty's Ships or Vessels of War actually present at the taking or destroying of any armed Ship of Your Majesty's enemies who shall have more Commissions than one shall be entitled only to share according to the share allotted to him by the above-mentioned distribution in respect to his superior Commission or Office.

"3. Every Chief of the Staff not of Flag Rank shall share as Captain in Command or Captain not in Command as the case may be.

"4. The Officer or Officers actually in Command of Your Majesty's Ships and Commanders serving as Executive Officers in Ships commanded by Captains may divide one-tenth part of the remainder, or, if there is no Flag Officer to share, one-tenth part of the whole amount distributable in the following proportions:—

"Where the Officer is in Command of a Ship singly entitled to an award, and has not a Commander as Executive Officer under him, he shall take the whole one-tenth part.

"Where Commanding Officers of various Ranks, and Commanders serving as Executive Officers as aforesaid share jointly, the one-tenth part shall be so divided into parts as to provide for each Captain Commanding receiving six parts, each Commander Commanding or Commander serving as Executive Officer under a Captain, three parts, and each Lieutenant-Commander, Lieutenant, or other Officer, actually commanding, two parts.

"5. After provision shall thus have been made for the Flag share (if any), and for the Commanding Officer or Officers and others as above specified, the remainder of the net amount distributable shall be distributed in Classes, so that each Officer man and boy composing the rest of the complements of Your Majesty's Ships and Vessels of War, and actually present on board at such taking or destroying, and every person present and assisting shall receive shares or a share according to his Class, as set forth in the following scale, the relative ranks mentioned being those laid down in the Regulations and Instructions for the Government of Your Majesty's Naval Service, the Instructions for the Government of the Coast-guard Service, and the Regulations for the Government of the various classes of the Reserves, or, if not so laid down, as determined by the Lords Commissioners of the Admiralty.
