## TRADE BOARDS ACT, 1909.

## TAILORING TRADE BOARD.

(GREAT BRITAIN.)

Proposal to vary certain minimum rates of wages for female workers in certain branches of the tailoring trade in Great Britain which are engaged in making garments to be worn by male persons.

In accordance with Regulations made under Section 18 of the above Act by the Board of Trade, and dated the 27th of April, 1910, the Trade Board established under the above Act for certain branches of the tailoring trade in Great Britain which are engaged in making garments to be worn by male persons, as defined in the Regulations made by the Board of Trade and dated the 10th January, 1914,

Hereby give notice, as required by Section 4 of the above Act, that the Trade Board propose to vary the minimum rates at present fixed and made obligatory under Orders of the Board of Trade dated the 20th February, 1913, and the 20th January, 1916, in respect of the following class of workers, that is to say :—

Female workers employed in cutting, trimming, and fitting-up.

In respect of such class of workers the Trade Board propose to vary the minimum rates now payable under their notices dated the 19th August, 1912, and the 19th July, 1915, so that in lieu of such rates the minimum rates payable shall be as follows :—

For female workers when employed under 19 years of age, 4d. per hour.

For female workers when employed at 19 and under 20 years of age, 5½d. per hour.

For female workers when employed at 20 years of age and over, 6d. per hour.

Provided that in the event of any female worker being employed for the first time at such work at or over the age of nineteen years the rate to be paid during the first two months

of her employment shall be at 1d. per hour less than the rate appropriate to her age as set out above.

For the purpose of this notice and the proposed variation the terms: Cutting, Trimming and Fitting-up shall include the following processes, that is to say :—

Marking in or marking up,  
Laying up or folding cloth or linings or other materials,  
Cutting,  
Dividing,  
Fitting-up,

and any other processes usually carried on in and connected with the cutting, trimming and fitting-up branch of the trade.

The Trade Board will consider any objections to the above proposal to vary which may be lodged with them within three months from 3rd May, 1916. Such objections should be in writing and signed by the person making the same (adding his or her full name and address) and should be sent to the Secretary of the Tailoring Trade Board (Great Britain), 5, Chancery-lane, London, W.C.

It is desirable that the objections should state precisely, and so far as possible with reasons, what is objected to.

2nd May, 1916.

MAXIMUM PRICES.

NOTICE.

The question of the prices of the materials used and produced in the Iron and Steel Industries has been under the consideration of the Minister of Munitions for some time past; and, after consultation with the representatives of the principal trade Associations, the following maximum prices for the various products have been fixed until the 30th June, 1916, and thereafter until further notice.

The Makers may sell for delivery after the 30th June, 1916, on the understanding that the fixed maximum prices ruling on the 1st day of any month during the period of the Contract will apply to all deliveries made during that month.

These maximum prices are based upon the abnormal costs and conditions now prevailing, and must not be assumed to be indicative of any differences in relative values which may have obtained in the several districts before the War and may obtain again after the War.

This intimation must not be taken to authorise any sale or purchase or other dealing prohibited under the Defence of the Realm Regulations.
