TREATMENT OF GOODS DISCHARGED FROM GERMAN VESSELS REQUISITIONED BY THE ITALIAN GOVERNMENT.

His Majesty's Secretary of State for Foreign Affairs has received, through H.M. Ambassador at Rome, the following Memorandum from the Italian Government on the subject of goods discharged from German steamers which have been requisitioned by them:—

TRANSLATION.

In order to regulate in a definite and uniform manner the treatment to be accorded to goods discharged from German steamers requisitioned in the ports of the Kingdom and Colonies, the following rules have been laid down:—

a. The State Departments concerned will within as short a delay as possible proceed to requisition all such goods as can be utilised.

b. Goods originally belonging to subjects of neutral States may, subject to the observance of the rules laid down under heading (e), be

freely imported and re-exported abroad; in the latter case subject always to the existing regulations governing the exportation and transit of goods included in the lists of absolute and conditional contraband.

c. As regards non-requisitioned goods of German ownership, the Customs may, subject to the observance of the formalities and precautions indicated under (e) allow unlimited re-exportation abroad, or importation into the Kingdom, of such of these goods as may be shown by production of reliable documents to have been acquired and paid for by subjects of allied States before February 10, 1916.

As regards goods of German ownership claimed by subjects of neutral States, the Customs authorities may only allow the re-exportation of such of these goods as may be shown by production of reliable documents to have been acquired and paid for before March 1, 1915, and subject to the proviso that for such of these goods as are included in our lists of absolute and conditional contraband it is necessary to have the further assurance on the part of the Governments of the countries to which they are destined that they will not be re-exported in any way or form.

d. For goods of German ownership which have not been acquired and paid for by Italians or by subjects of allied States prior to February 10, 1916, or by subjects of neutral States prior to March 1, 1915, no permission can be granted for importation or re-exportation abroad (*i.e.*, to allied or neutral countries) unless the price which the acts of sale show the goods to have fetched, and which the Customs authorities must themselves examine and verify, is first deposited at the Customs. The sum paid will be deposited by the Customs authorities with the Caisse de Deposits and Loans till the end of the war.

Re-exportation to neutral countries of goods from requisitioned German steamers must moreover be subordinated to the observance of the rules and precautions which in general govern exportation and transit of goods to the countries themselves.

e. The Customs authorities will in no circumstances permit the release of the goods in question for importation into the Kingdom or re-exportation abroad, unless the original bills of lading, duly endorsed, and the proper orders of release, signed by the legal representatives of the shipping companies concerned, or, in their absence, by persons whom the Swiss Consul shall have indicated as authorised to execute the operations of liquidating the goods on behalf of the above-mentioned companies have been first presented, and the *nulla osta* of the naval and military authorities in so far as the requisitioning of the goods is concerned has been obtained.

Moreover, before consigning the goods the Customs authorities must satisfy themselves that any expenses incurred by the naval authorities in connection with the goods have been refunded to them.

If in verifying the cases it is found that goods are other than those indicated in the *nulla osta* of the naval and military authorities, the Customs authorities will not allow the operations to proceed unless a fresh *nulla osta* of the above-mentioned authorities is produced.

f. As regards unclaimed goods, the Customs authorities, within a fixed time limit to be fixed by the Ministries of Foreign Affairs and

Marine, shall arrange, in agreement with the Captains of the Ports, for their sale as abandoned goods by public auction, all private negotiations being excluded in every case.

The net proceeds of such sale shall be deposited with the Caisse de Deposits and Loans, in the manner prescribed under c.

Perishable goods or goods which constitute a danger to public health or the safety of the ports may be sold at any moment, whoever the owners may be, after their condition and value have been established, and the net proceeds will be deposited in the manner and under the conditions above laid down.

g. The duty fixed in the existing general tariff will be levied on German goods which are allowed to be imported.

The Ministry for Foreign Affairs will notify the Swiss Legation, as protecting German interests in Italy, of the discharge of cargoes from each of the requisitioned vessels. Thirty days from the day of such discharge will be granted as period within which goods which cannot be requisitioned may be withdrawn. This time-limit may be lengthened, or also reduced, if the exigencies of the port concerned, of commerce, or of public welfare, demand.

ADMIRALTY NOTICE TO MARINERS.

No. 504 of the year 1916.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Portland Bill to Bardsey Island—Traffic Regulations.

Former Notice.—No. 343 of 1916; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

I.—REGULATIONS RESPECTING SMALL CRAFT.

GENERAL REGULATIONS.

The following Regulations are to be complied with until further notice by all small steam, motor, sailing and pulling boats and vessels, including pleasure craft of all descriptions (but excluding bona-fide fishing craft which are specially provided for under Section II. of this Notice), from Portland Bill on the east to Bardsey Island on the west.

2. *Permits.*—The owners of all such boats or vessels are to supply lists of all their boats and vessels which they may place afloat, and must obtain for each boat or vessel a permit from the Divisional Coast Watching Officer through the Station Officer of the nearest Coastguard Station. No boat or vessel is permitted to be used without a permit.

Amateur boat owners, or amateurs hiring boats for specified periods, must similarly obtain permits, and will be regarded, for the period of the permit and for the purpose of these Regulations, as the owners.

Permits may be withdrawn at any time at the discretion of the officer by whom they were issued. They must always be carried while under way, and may be regarded as being issued for the boat or vessel and not for the person using the boat or vessel, the owner being held responsible at all times for any infringement of the regulations contained in this

Notice. A distinguishing number or letter, corresponding with that on the permit, must be painted on each bow of the boat or vessel.

3. Navigational Directions.—Boats or vessels subject to this Notice are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog, they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

It must be further understood that no special protection can be afforded them.

SPECIAL REGULATIONS.

4. Small Rowing or Sailing Boats may be let out on hire to parties for whom the owners are prepared to be responsible, and while so hired shall be strictly subject to these Regulations. Great care must therefore be taken that they are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, among other penalties, lead to the detention of the offending boat.

5. Power-driven Boats not exceeding 24-feet in length or a carrying capacity of 12 passengers may be let out on hire on the same conditions as small rowing and sailing boats, but with the further restriction that, while so hired, they shall in no circumstances be under way outside the port, creek or river to which they belong.

6. Excursion Traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers and by written permission of the Commander-in-Chief, Plymouth, which may be obtained through the District Coast Watching Officer. Such permission will only be given subject to compliance with the regulations in paragraph (3) (a) above, and provided that:—

(a) The entire trip is within the harbour,
(b) One person is responsible for the party, and

(c) The permission is applicable only to the trip specified.

7. Regular Ferry Boats may obtain special permission from the District Coast Watching Officer to run up to a specified hour according to circumstances.

8. Yachts and Pleasure Craft may obtain permission from the Commander-in-Chief, Plymouth, through the District Coast Watching Officer to proceed from their fitting-out port to their summer base port.

9. Special Local Regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

10. Oil, Motor-Spirit, Petrol, or other goods may not be shipped on board craft of any description, whether coasting or foreign, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs officials in

accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding 4 gallons.

II.—REGULATIONS WITH REGARD TO FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats from Portland Bill on the east to Bardsey island on the west (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer, are allowed to be at sea day and night, except as stated below in paragraph 3.

3. (i) *By Day and Night* the laying of nets or of crab or any other pots, trawling, fishing or anchoring is forbidden on the south-east coast of Devon from Sharkham point to the Mewstone, and thence to Skerries bell-buoy, within an area bounded—

On the North: By a straight line five miles in length, in a direction 85° (*S. 79° E. Mag.*) from Sharkham point.

On the South: By a straight line six miles in length, in a direction 111° (*S. 53° E. Mag.*) from Skerries bell-buoy.

On the East: By a straight line joining the eastern extremities of the north and south boundaries.

(ii) *By Night* no fishing vessel is allowed to fish or to be—

(a) Within the above area.

(b) On the south-east coast of Devon to the westward of a line drawn from the Skerries bell-buoy to a point two miles 85° (*S. 79° E. Mag.*) from Start point.

(c) Within ten miles of the entrance to any defended port (see paragraph 4).

4. Special local regulations are in force in certain defended ports and areas, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

5. A new issue of fishing permits will be made throughout the South-Western Area, and fishing skippers will be required to exchange their old permits for permits of the new issue on or before 1st June, 1916.

6. The fishing permit, made out to the skipper actually in charge, and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any officer or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat, or of a skipper taking charge of a boat not specified on his permit, a new permit must be obtained, or the necessary alterations made on the old permit. No alterations to permits will be recognised unless signed and dated by the Permit Issuer.

7. Oil, motor-spirit, petrol, or other goods may not be shipped on board fishing craft of any description, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding four gallons.

Variation.—16° W.

Notes.

1. Fishing vessels are only to include bona-fide professional fishing craft, manned by bona-fide fishermen. Doubtful cases for fishing permits are to be referred to the nearest Divisional Coast Watching Officer.

2. Amateurs and pleasure craft out fishing are to be regarded as coming under section I. of this notice, and must comply with the Regulations contained therein.

3. Fishing vessels, having a fishing permit and desiring to carry passengers, *i.e.*, persons other than their bona-fide crew, must obtain separate permits in accordance with section I. of this notice, and when such passengers are on board, the vessels will become strictly subject to the regulations therein laid down. In the event of non-compliance, both permits may be withdrawn by the Divisional Coast Watching Officer or Fishery Officer concerned.

4. Fishery Officer means an officer of the Board of Agriculture and Fisheries, or of the Local Sea Fisheries Committee within whose district the fishing port in question lies, or other person duly appointed to issue fishing permits.

5. Permits may be withdrawn, suspended or endorsed at the discretion of the Divisional Coast Watching Officer, or of a Fishery Officer.

6. Availability of permits.—South-Western Area fishing permits are available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area should, in order to avoid delay, notify their arrival and departure to the Local Fishery Officer or Permit Issuer.

7. Visiting boats from ports outside the South-Western Area must, before fishing in this area, obtain from the local Permit Issuer a South-Western Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the Local Fishery Officer,

otherwise they will be detained in port until their credentials have been verified. In all cases visiting boats must give up their South-Western Area fishing permits on leaving the South-Western Area.

8. Charts of the restricted areas off the Devon coast can be seen by Fishermen at the Harbour Master's office, Brixham, the Fish Inspector's office, Plymouth Barbican, and the Fishery Collector's Office, Newlyn Harbour.

9. Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the Local Fishery Officer, or to the Inspector of Fisheries attached to the area.

Although it is only laid down that no craft may leave or enter by the East Channel, no craft is to approach anywhere near the East Channel buoys, as such action would be likely to draw the fire of the forts.

All excursion steamer traffic is prohibited in the Sound.

Note.

Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer Base harbour, must obtain permission to leave for that purpose.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits. No permits will be granted for use of pleasure craft within the limits defined.

Special Warning to Boatmen and those who Hire out Yachts or Boats.

Great care must be taken that yachts and boats are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending yacht or boat.

1. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise or to or from the Channel islands and not carrying passengers) whilst bound from, and whilst navigating in the waters from, the Downs Pilot Station to Gravesend or *vice versa*, must be conducted by Pilots licensed by the London Trinity House.

2. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise or to or from the Channel islands and not carrying passengers) whilst bound from, and whilst navigating in the waters from, Gravesend to Great Yarmouth or *vice versa*, must be conducted by Pilots licensed by the London Trinity House.
