At the Court at *Buckingham Palace*, the
23rd day of *May*, 1916.

PRESENT,

The KING's Most Excellent Majesty.

Lord President.

Earl of Desart.

Lord Steward.

Sir Frederick Ponsonby.

WHEREAS by the Medical Act, 1886, it is provided (amongst other things) that His Majesty may, from time to time, by Order in Council, declare that the Second Part of the said Act shall be deemed, on and after a day to be named in such Order, to apply to any British Possession which, in the opinion of His Majesty, affords to the Registered Medical Practitioners of the United Kingdom such privileges of practising in the said British Possession as to His Majesty may seem just; and that from and after the day named in such Order in Council such British Possession shall be deemed to be a British Possession to which the said Act applies, within the meaning of the said Second Part thereof, but that until such Order in Council has been made in respect of any British Possession the said Second Part

of the said Act shall not be deemed to apply to any such Possession:

And whereas by the Medical Act (1886) Amendment Act, 1905, it is provided that for the purposes of the Medical Act, 1886, where any part of a British Possession is under a Central and also under a Local Legislature, His Majesty may, if He thinks fit, by Order in Council, declare that the part which is under the Local Legislature shall be deemed a separate British Possession:

And whereas the Province of Manitoba, in the Dominion of Canada, is under a Central and also under a Local Legislature:

And whereas the said Province of Manitoba affords, in His Majesty's opinion, to the Registered Medical Practitioners of the United Kingdom such privileges of practising in the said Province as to His Majesty seem just:

Now, therefore, His Majesty doth hereby, by and with the advice of His Privy Council, order and declare that the Province of Manitoba, in the Dominion of Canada, shall be deemed a separate British Possession, and that the Second Part of the Medical Act, 1886, shall be deemed, as from the date of this Order, to apply to the said Province of Manitoba.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 23rd day of *May*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS on the 20th day of January, 1914, an International Convention for the Safety of Life at Sea, and for purposes incidental thereto, was duly entered into by His Majesty and the other Signatory Powers more especially referred to and set out in the said Convention:

And whereas a Statute 4 & 5 Geo. V., c. 50, intituled "An Act to make such amendments of the Law relating to Merchant Shipping as are necessary or expedient to give effect to an International Convention for the Safety of Life at Sea" (being the Convention above referred to), was passed on the 10th day of August, 1914, the short title of which is "The Merchant Shipping (Convention) Act, 1914":

And whereas by Section 29, Sub-section 5, of the said Act, it was provided as follows:—

"This Act shall come into operation on the 1st day of July, 1915:

"Provided that His Majesty may, by Order in Council, from time to time postpone the coming into operation of this Act for such period not exceeding on any occasion of postponement one year as may be specified in the Order":

And whereas by Order in Council dated the 2nd day of June, 1915, His Majesty did postpone the coming into operation of the said Act until the 1st day of January, 1916:

And whereas by Order in Council dated the 30th day of November, 1915, His Majesty did further postpone the coming into operation of the said Act until the 1st day of July, 1916:

And whereas His Majesty deems it expedient, owing to a state of war, that the provisions of the Merchant Shipping (Convention) Act, 1914, should be further postponed:

Now, therefore, His Majesty, by and with the advice of His Privy Council, in pursuance of the powers vested in Him by the above-recited provision, and of all other powers Him thereunto enabling, doth order, and it is hereby ordered, that the provisions of the Merchant Shipping (Convention) Act, 1914, shall be postponed from coming into operation until the 1st day of January, 1917.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 23rd day of *May*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 59th year of His late Majesty King George the Third, Chapter 134, of the Act of the 2nd and 3rd years of Her late Majesty Queen Victoria, Chapter 49, and of the Act of the 19th and 20th years of Her said late Majesty, Chapter 55, duly prepared, and laid before His Majesty in Council, a Representation, bearing date the 4th day of May, in the year 1916, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for

England, in pursuance of the Act of the 59th year of His late Majesty King George the Third, Chapter 134, of the Act of the 2nd and 3rd years of Her late Majesty Queen Victoria, Chapter 49, and of the Act of the 19th and 20th years of Her said late Majesty, Chapter 55, have prepared, and now humbly lay before Your Majesty in Council, the following Representation as to the assignment of a District Chapelry to the Consecrated Church of the Good Shepherd, Tatham Fells, situate in the Parish of Tatham, in the County of Lancaster, and in the Diocese of Manchester:

"Whereas it appears to us to be expedient that a District Chapelry should be assigned to the said Church of the Good Shepherd, Tatham Fells, situate as aforesaid:

"Now, therefore, with the consent of the Right Reverend Edmund Arbuthnott, Bishop of Manchester, (testified by his having signed and sealed this Representation), we, the said Ecclesiastical Commissioners, humbly represent that it would, in our opinion, be expedient that all that part of the said Parish of Tatham, which is described in the Schedule hereunder written, all which part, together with the boundaries thereof, is delineated and set forth on the Map or Plan hereunto annexed, should be assigned as a District Chapelry to the said Church of the Good Shepherd, Tatham Fells, situate as aforesaid, and that the same should be named 'The District Chapelry of Tatham Fells.'

"And with the like consent of the said Edmund Arbuthnott, Bishop of Manchester, (testified as aforesaid), we, the said Ecclesiastical Commissioners, further represent, that it appears to us to be expedient that banns of matrimony should be published, and that marriages, baptisms, churchings, and burials should be solemnized or performed at the said Church of the Good Shepherd, Tatham Fells, situate as aforesaid, and that the fees to be received in respect of the publication of such banns, and of the solemnization or performance of the said offices, should be paid and belong to the Minister of the same Church for the time being: Provided always, that nothing herein contained shall be construed as expressing any intention on the part of us, the said Commissioners, to concur in or approve the taking of any fee for the performance of the said office of baptism, or for the registration thereof.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal Consideration, and to make such Order with respect thereto as to Your Majesty, in Your Royal Wisdom, shall seem meet.

"The SCHEDULE to which the foregoing Representation has reference.

"The District Chapelry of Tatham Fells, being:—

"All that part of the Parish of Tatham, in the County of Lancaster, and in the Diocese of Manchester, which is bounded upon the west and upon the south-west by the New Parish of the Trinity, Wray, in the said County and Diocese, upon the south-east by the New Parish of Saint James, Dale Head, upon the East by the Parish of Clapham, upon the north-east partly by the New Parish of Saint Margaret, Bentham, and partly by the Parish of Bentham, all in the County of York, and in the Diocese of Ripon, and upon the remaining

side, that is to say, upon the north-west, by an imaginary line commencing upon the boundary which divides the said Parish of Bentham from the said Parish of Tatham, and the said County of York from the said County of Lancaster, at the centre of Eskew Bridge which carries the road connecting Eskew Lane with Long Lane across the stream known as Eskew Beck, and extending thence south-westward along the middle of Long Lane for a distance of 60 chains or thereabouts to its junction with the road leading to Lowgill, and extending thence first south-eastward, and then southward, along the middle of the last-mentioned road for a distance of 21 chains or thereabouts to its junction with Furnaceford Road, and extending thence first south-westward, and then in various directions, along the middle of Furnaceford Road for a distance of 40 chains or thereabouts to the centre of Furnaceford Bridge which carries the road connecting Furnaceford Road with Park House Lane across the River Hindburn, and extending thence westward along the middle of Park House Lane for a distance of 2½ chains or thereabouts to the point where it is crossed by the boundary which divides the said Parish of Tatham from the said New Parish of the Trinity, Wray."

And whereas the said Representation has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Representation, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Manchester.

EXCHEQUER BONDS.

Per Acts 29 Vict. c. 25; 52 Vict. c. 6; and 5 & 6 Geo. V. c. 55.

Bearing Interest from the date of purchase at £5 per cent. per annum, payable half-yearly on the 5th April and the 5th October.

Repayable at Par on:—

1. 5th October, 1919.
2. 5th October, 1921.

Price of Issue fixed by H.M. Treasury at £100 per Cent.

The Governor and Company of the Bank of England are authorized by the Lords Commissioners of His Majesty's Treasury to receive on the 2nd June, 1916, and thereafter until further notice, applications for Exchequer Bonds as above.

The Principal and Interest of the Bonds are chargeable on the Consolidated Fund of the United Kingdom.

The Bonds will be issued in denominations of £100, £200, £500, £1,000 and £5,000, and will bear interest at £5 per cent. per annum, payable half-yearly by coupon, the first coupon on each Bond representing interest from the date upon which payment for the Bond is made until the next succeeding day on which a half-yearly payment of interest is due.

In the event of future loans (other than issues made abroad or issues of Exchequer Bonds, Treasury Bills, or similar short-dated securities) being raised by His Majesty's Government for the purpose of carrying on the War, Bonds of this issue will be accepted, together with all undue Coupons, as the equivalent of cash to the amount of their face value for the purpose of subscription to any such loan. Interest accrued to the date of the surrender of a Bond will be paid in cash.

Bonds of this issue, and the Interest payable from time to time in respect thereof, will be exempt from all British taxation, present or future, if it is shown in the manner directed by the Treasury that they are in the beneficial ownership of a person who is neither domiciled, nor ordinarily resident, in the United Kingdom of Great Britain and Ireland. Where a Bond belongs to such a holder, the relative Coupons will be paid without deduction for Income Tax, or other taxes, if accompanied by a declaration of ownership in such form as may be required by the Treasury.

Every application must specify whether the Bonds applied for are to be repayable on the 5th October, 1919, or on the 5th October, 1921. Two Forms of Application must be used where Bonds of each maturity are required.

Applications for Bonds, which must in every case be accompanied by payment of the full amount payable in respect of the Bonds applied for, may be lodged by hand at the Bank of England, Threadneedle Street, E.C., on any business day between the hours of 10 a.m. and 2 p.m. (Saturdays between 10 a.m. and 12 noon); or they may be forwarded to the Bank through the post. Where payment is made otherwise than in cash or Banker's draft on the Bank of England, the amount of the first interest payment in respect of the relative Bonds will be calculated as from the date on which the proceeds of the payment are actually received by the Bank.

In all cases in which the Bank are asked to forward Bonds by post, the Bonds will be de-

spatched by Registered Post at the risk of the Applicant, who must himself effect any insurance that may be desired.

Bonds of this issue (Ex the first Coupon, which will be for interest in respect of a broken period) may be lodged for registration in the books of the Bank of England on payment of a fee of one shilling per Bond. Applicants who intend to register their holdings forthwith should notify the fact on the Form of Application, in which case they will not be required to take delivery of the actual Bonds.

Bonds may be registered in either of the following forms, viz.:—

1. Registered 5 per Cent. Exchequer Bonds, 1919 or 1921, Transferable in the Bank Transfer Books;

2. Registered 5 per Cent. Exchequer Bonds, 1919 or 1921, Transferable by Deed.

Holdings of Registered Bonds, which will be transferable in any sums which are multiples of £5, may be re-converted at any time in whole or in part (in multiples of £100) into Bonds to Bearer with Coupons attached, such re-conversion being effected by means of a transfer executed under the provisions ordinarily applying to the transfer of Government Stocks.

In case of registration the first Coupon, for interest in respect of the broken period, will be detached before Bonds are registered. Such Coupons may, however, be left in the custody of the Bank, in which case a cheque for the amount of the interest payable will be forwarded when due to the Holder, or, in the case of a joint holding, to the first Holder, in whose name the Bonds are originally registered. Subsequent dividends on registered holdings will be paid by warrants, which will be transmitted by post.

Subject to the necessary statutory authority (for which application is being made to Parliament) the dividends on registered Bonds of this issue and on registered Bonds issued under the prospectus dated 16th December, 1915, will be paid without deduction of Income Tax. The income derived from such dividends will be assessable to Income Tax in the hands of the recipients at the rates of tax appropriate to their respective incomes.

Applications must be made upon the printed forms which may be obtained, together with copies of this Prospectus, at the Bank of England; at the Bank of Ireland; of Messrs. Mullens, Marshall and Co., 13, George Street, Mansion House, E.C.; and at any Bank, Money Order Office, or Stock Exchange in the United Kingdom.

(2) The proceedings shall be in summary form in accordance with the terms of Decree No. 3 of the 29th May, 1907, and the judge, should he not be in Lisbon, should conclude the case within the 24 hours stipulated in Art. 10 of the same decree.

(3) There shall be neither costs nor stamps in these proceedings.

Art. 36.—The State shall be represented before the Prize Courts by the Public Ministry, and the interested party, should he be an enemy or an assignee of one, by the agent appointed to take charge of the cargo, when the case relates to merchandise, or by a lawyer appointed by the judge when the case relates to a ship.

ORDER OF THE BOARD OF AGRICULTURE AND FISHERIES.

(DATED 26TH MAY 1916.)

CORNWALL (EPIZOOTIC ABORTION)
ORDER OF 1916.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Acts, 1894 to 1914, and of every other power enabling them in this behalf, do order, and it is hereby ordered, as follows:

Limitation of Scope of Order.

1. This Order shall not apply to a premature calving resulting from accident or some other definite cause other than epizootic abortion.

Notice of Premature Calving and Isolation pending Inquiry.

2.—(1.) Every person having in his possession or under his charge a cow which has calved prematurely shall with all practical speed give notice of the fact to a constable of the police force for the police area in which the cow is.

(2.) The constable receiving such notice shall

forthwith give information of the receipt by him of the notice to an Inspector of the Local Authority, who shall forthwith report the same to the Local Authority.

(3.) The cow and its calf (if any) shall be kept separate by the owner or person in charge thereof from any bull or cow (other than a calf) pending the inquiry by the Local Authority as to the existence of epizootic abortion.

(4.) The membranes, discharges and other matter liable to cause infection, and the calf, if born dead, shall be destroyed by the owner or person in charge of the cow as soon as possible by burning or burial in lime, but not until such samples as are required for the purpose of the prescribed veterinary inquiry have been taken by the officer employed by the Local Authority to carry out such inquiry. Such matter shall, as far as practicable, be removed from contact with cows by the owner or person in charge of the cow.

Inquiry by Local Authority as to existence of Epizootic Abortion.

3.—(1.) The Local Authority on receiving information of a premature calving shall forthwith cause inquiry to be instituted, with the assistance and advice of a Veterinary Inspector or of a veterinary practitioner qualified according to the Act of 1894 to be a Veterinary Inspector, to ascertain whether it was caused by epizootic abortion.

(2.) The owner and occupier of any premises on which there is a cow which has calved prematurely shall give all reasonable facilities for the inquiry by the Local Authority under this Article.

Isolation of Diseased Animals by Notice served by Inspector of Local Authority.

4.—(1.) The Local Authority, unless satisfied by an inquiry under the preceding Article that the premature calving was not caused by epizootic abortion, shall forthwith cause a Notice (in the Form set forth in the Schedule to this Order or to the like effect) to be served by an Inspector of the Local Authority on the owner or person in charge of the cow affected requiring that the cow and its calf (if any) be detained on or in the premises specified in the Notice, and after the service of such Notice it shall not be lawful for any person, until the expiration of two calendar months from the date of the calving, or the previous withdrawal of the Notice by an Inspector of the Local Authority—

- (i.) to move the cow or its calf, or permit either to stray, from or out of such premises, except as hereinafter provided; or
- (ii.) to remove from or out of such premises any dung, fodder, litter, or other thing that has been in contact with the cow, without the written permission of an Inspector of the Local Authority.

(2.) The owner or person in charge of the cow or calf shall from time to time, as often as occasion may require, or as an Inspector of the Local Authority may direct, cleanse and disinfect such internal and external parts of the cow as have been in contact with infectious

membranes, discharges or other matter, and also cleanse and disinfect the calf.

(3.) An Inspector of the Local Authority, if satisfied that the movement of a cow or its calf to which a Notice applies to some other place of detention is expedient for purposes of isolation or other necessary purpose, may by Licence authorise such movement, and the cow or its calf may thereupon be so moved, subject to the directions of the Inspector, by the nearest available route and without unnecessary delay, to such place of detention, and thereupon the Notice shall have effect as if such place of detention were therein specified.

(4.) A cow or its calf detained under a Notice under this Order may be moved from or out of the place of detention specified in the Notice to a slaughterhouse, if accompanied by a Movement Licence authorising such movement granted by an Inspector of the Local Authority of the District in which the premises are situate from which the cow or calf is to be moved. On arrival at the slaughterhouse the cow or calf shall be there detained until it is slaughtered.

(5.) Every Licence granted under this Article shall be delivered up at, or sent by post to, the nearest police station in the same District by the person in charge of the cow or calf at the time of completing the movement authorised by the Licence.

(6.) An Inspector shall with all practicable speed send copies of any Notice or Licence issued by him under this Article to the Local Authority, and to the police officer in charge of the nearest police station of the District. Where the place of destination is in another District the Inspector shall also send a copy of the Licence to the Local Authority of that District.

(7.) A calf placed with a cow shall, for the purpose of this Article, be treated as its calf.

Provision in case of Second Case of Premature Calving.

5. Where a premature calving of a cow takes place on any farm or premises on which a cow has aborted from epizootic abortion within three calendar months, the Local Authority may cause a Notice in respect of the subsequent premature calving to be served under the preceding Article without the necessity of the veterinary inquiry hereinbefore prescribed, unless at or immediately after their receipt of the information of premature calving they are furnished by the owner or person in charge of the cow with a veterinary certificate to the effect that the premature calving was not caused by epizootic abortion.

Cleansing, Disinfection and other Precautions.

6. The occupier of any premises on which there is a cow the movement of which is restricted by this Order shall take such steps as an Inspector of the Local Authority may direct to prevent its dung, urine or discharges coming in contact with cows or heifers in-calf on premises in other occupation.

Granting of Movement Licences.

7. A Movement Licence granted under this Order shall not be available if granted by the

owner of the cow or calf to be moved, or by his agent, or by the consignee of the cow or calf, or by the occupier of the farm or premises or slaughterhouse from or to which the cow or calf is to be moved, or by any individual member of an Executive Committee or Sub-Committee of a Local Authority.

Withdrawal of Notices of Isolation.

8. A Notice of Isolation may be withdrawn by a Notice to that effect signed by an Inspector of the Local Authority acting under the direction of the Local Authority, served on the owner or person in charge of the cow.

Extension of certain Sections of Diseases of Animals Act, 1894.

9. Epizootic abortion of cows shall be a disease for the purposes of this Order and of the following sections of the Act of 1894 (namely):

Section forty-three (*Police*);

Section forty-four (*General Administrative Provisions*);

and also for the purposes of all other sections of the said Act containing provisions relative to or consequent on the provisions of those sections and this Order, including such sections as relate to offences and legal proceedings.

**ADMIRALTY
NOTICE TO MARINERS.**

No. 565 of the year 1916.

**SCOTLAND, EAST COAST AND ORKNEY
ISLANDS.**

Pilotage and Traffic Regulations, &c.

- *Former Notice.*—No. 267 of 1916; hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

Pilotage is compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations and will be conducted into and out of port in groups.

I. FIRTH OF FORTH.

Section [A].

1. All incoming merchant vessels are only permitted to enter the Firth of Forth when they have sufficient daylight to enable them to reach Inchkeith before the close of "official day," which is notified in the Public Traffic Regulations for the Firth of Forth.

2. Vessels must pass between the Isle of May and Anstruther Wester, thence they must steer a course so as to pass two miles south of Elie ness, and thence direct for Kinghorn ness.

3. Vessels are warned that, after having entered the Firth of Forth, they must on no account pass to the southward of a line joining the north point of the Isle of May and Kinghorn ness, until in the longitude of 3° West, when course may be shaped for the centre of North channel.

4. On approaching Inchkeith, the pilot vessel in the North channel is to be closed and a pilot embarked.

5. Merchant vessels approaching the Firth of Forth from the southward are permitted to keep close to the shore until Barns ness is reached, when course should be shaped for the Isle of May, so as to pass between the Isle of May and Anstruther Wester.

6. No merchant or fishing vessel is permitted to enter the Firth of Forth between the Isle of May and the south shore of the Forth.

7. Merchant vessels approaching the Firth of Forth during the hours of darkness are to maintain a steady course and speed, and are to so arrange their speed that they shall not reach the Isle of May before daylight, and thus will avoid having to reduce speed or stop in the vicinity of the Isle of May, where they may render themselves liable to be fired upon by shore batteries or patrol vessels.

8. No merchant vessel is permitted to be at an anchorage, during "official night," west of a line drawn from Barns ness to North Carr rock, and east of Inchkeith, unless such vessel has been granted permission by the King's Harbour Master, Rosyth, or unless such vessel is directed to anchor by the orders of a naval patrol vessel.

9. The above orders apply to vessels proceeding to *any* port in the Firth of Forth, whether to the eastward of Inchkeith or not.

10. Outward bound vessels must steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., thence shape course to pass 2 miles south of Elie ness and between Anstruther Wester and the Isle of May.

Section [B].

1. Until further notice no merchant vessel is permitted to be under way in the Firth of Forth to the westward of Inchkeith during the hours of "official night."

2. No merchant vessel is permitted to enter or leave the docks at Leith or Granton during the hours of "official night."

3. No light on board any merchant vessel in the Firth of Forth is to be visible from outboard during the hours of "official night," other than regulation riding lights, which are provided for in paragraph 5 below.

All scuttles and skylights are to be effectively screened, or cabin lights kept extinguished.

4. No merchant vessel whilst lying at anchor to the westward of Inchkeith shall exhibit riding lights except as provided for in paragraph 5 below. Every such vessel shall, however, keep trimmed and screened—ready for exhibiting—the regulation riding lights, and such lights shall be quickly accessible when required.

5. Riding lights are only to be shown by merchant vessels anchored west of Inchkeith when the night signal for "Port Open" (three white lights vertical) is shown by the Examination vessel in Leith roads.

The Examination vessel will only show this signal on occasions when it is considered necessary by the Deputy Examining Officer.

6. Merchant vessels at anchor to the westward of Inchkeith are to keep a smart look out, and when the night signal for "Port Open" is shown by the Examination vessel in Leith roads, are to immediately display the regulation riding lights of a ship at anchor.

7. Merchant vessels berthed in Leith and Granton docks and harbours are prohibited from having any lights visible from outboard during the hours of "official night," unless such vessel is actually engaged in working cargo. All such lights are to be screened from overhead and from seaward when possible.

II. MORAY FIRTH.

1. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead. Outgoing vessels are to discharge their pilots at one or the other of these places.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Findhorn and Tarbet ness without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under way between sunset and sunrise in the waters contained between a line drawn from Tarbet ness to Findhorn, and a line drawn from Fort George to Chanonry point.

III. SCAPA FLOW.

1. All entrances are dangerous and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow. Vessels ordered to Kirkwall should proceed direct to that port.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night.

6. Passage through Cantick sound is entirely prohibited.
