Enemy Proclamations of 25 June, and 10
November, 1915, all Proclamations relating to
Trading with the Enemy apply to all persons
or bodies of persons of enemy nationality,
resident or carrying on business in Persia,

sequently it is an offence to trade with any
person or body of persons of enemy nationality,
resident or carrying on business in Persia,
Morocco or Portuguese East Africa, even
though such person or body of persons is not
included by name in the above list, and the
omission of the name of any such person or

authority or licence to trade with such person
or body of persons.

NOTE (2).—Where a firm named in the List
has more than one branch in the same country,
all branches in that country are held to be in-
cluded in the List, even in cases where no

but firms in the United Kingdom with
branches abroad are advised to furnish such
branches with copies of the Statutory List.

The Foreign Trade Department is prepared,
on application, to inquire of His Majesty's
Representatives abroad for the names of sub-
stitutes for any firm on the Statutory List.
When the applicant wishes this done by tele-
graph he must undertake to pay the cost of the
telegraphic correspondence.

Pilotage and Traffic Regulations, &c.

Former Notice.—No. 565 of 1916; hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

Pilotage is compulsory at the following ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations and will be conducted into and out of port in groups.

I. FIRTH OF FORTH.

Section [A].

1. All incoming merchant vessels are only permitted to enter the Firth of Forth when they have sufficient daylight to enable them to reach Inchkeith before the close of "official day," which is notified in the Public Traffic Regulations for the Firth of Forth.

2. A light-and-whistle-buoy has been established in lat. 56° 09' 00" N., long. 2° 51' 00" W. The buoy is painted green, and exhibits an *occulting white light every twelve seconds*, thus:—

| | |
|----------|----------|
| Light, | eclipse. |
| 10 secs. | 2 secs. |

3. All incoming and outward bound merchant vessels are to pass within half a mile of, and to the southward of, the light-and-whistle-buoy mentioned in paragraph 2.

4. Incoming vessels must pass between the Isle of May and Anstruther Wester, thence they must steer a course so as to pass within half a mile of, and to the southward of, the light-and-whistle-buoy mentioned in paragraph 2, and thence direct for Kinghorn ness.

5. Vessels are warned that, after having entered the Firth of Forth, they must on no

account pass to the southward of a line joining the north point of the Isle of May and Kinghorn ness, until in the longitude of 3° West, when course may be shaped for the centre of North channel.

6. On approaching Inchkeith, the pilot vessel in the North channel is to be closed and a pilot embarked.

7. Merchant vessels approaching the Firth of Forth from the southward are permitted to keep close to the shore until Barns ness is reached, when course should be shaped for the Isle of May, so as to pass between the Isle of May and Anstruther Wester.

8. No merchant or fishing vessel is permitted to enter the Firth of Forth between the Isle of May and the south shore of the Forth.

9. Merchant vessels approaching the Firth of Forth during the hours of darkness are to maintain a steady course and speed, and are to so arrange their speed that they shall not reach the Isle of May before daylight and thus will avoid having to reduce speed or stop in the vicinity of the Isle of May, where they may render themselves liable to be fired upon by shore batteries or patrol vessels.

10. No merchant vessel is permitted to be at an anchorage, during "official night," west of a line drawn from Barns ness to North Carr rock, and east of Inchkeith, unless such vessel has been granted permission by the King's Harbour Master, Rosyth, or unless such vessel is directed to anchor by the orders of a naval patrol vessel.

11. The above orders apply to vessels proceeding to *any* port in the Firth of Forth, whether to the eastward of Inchkeith or not.

12. Outward bound vessels must steer to pass the longitude of 3° W. in latitude 56° 06' 30" N., thence shape course to pass within half a mile of, and to the southward of, the light-and-whistle-buoy mentioned in paragraph 2, and thence between Anstruther Wester and the Isle of May.

Section [B].

1. Until further notice no merchant vessel is permitted to be under way in the Firth of Forth to the westward of Inchkeith during the hours of "official night."

2. No merchant vessel is permitted to enter or leave the docks at Leith or Granton during the hours of "official night."

3. No light on board any merchant vessel in the Firth of Forth is to be visible from outboard during the hours of "official night," other than regulation riding lights, which are provided for in paragraph 5 below.

All scuttles and skylights are to be effectively screened, or cabin lights kept extinguished.

4. No merchant vessel whilst lying at anchor to the westward of Inchkeith shall exhibit riding lights except as provided for in paragraph 5 below. Every such vessel shall, however, keep trimmed and screened—ready for exhibiting—the regulation riding lights, and such lights shall be quickly accessible when required.

5. Riding lights are only to be shown by merchant vessels anchored west of Inchkeith when the night signal for "Port Open" (three white lights vertical) is shown by the Examination vessel in Leith roads.

The Examination vessel will only show this signal on occasions when it is considered necessary by the Deputy Examining Officer.

6. Merchant vessels at anchor to the westward of Inchkeith are to keep a smart look out, and when the night signal for "Port Open" is shown by the Examination vessel in Leith roads, are to immediately display the regulation riding lights of a ship at anchor.

7. Merchant vessels berthed in Leith and Granton docks and harbours are prohibited from having any lights visible from outboard during the hours of "official night," unless such vessel is actually engaged in working cargo. All such lights are to be screened from overhead and from seaward when possible.

II. MORAY FIRTH.

1. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burchhead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Findhorn and Tarbet ness without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under way between sunset and sunrise in the waters contained between a line drawn from Tarbet ness to Findhorn, and a line drawn from Fort George to Chanoury point.

III. SCAPA FLOW.

1. All entrances are dangerous, and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow. Vessels ordered to Kirkwall should proceed direct to that port.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night.

6. Passage through Cantick sound is entirely prohibited.

Note.

This Notice is a repetition of Notice No. 565 of 1916, with additions and amendments to Section [A] of Part I.
