### ADMIRALTY NOTICE TO MARINERS.

No. 721 of the year 1916.

#### ENGLAND AND WALES, SOUTH AND WEST COASTS.

##### *Portland Bill to Bardsey Island—Traffic Regulations.*

*Former Notice.*—No. 504 of 1916; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

#### I.—REGULATIONS RESPECTING SMALL CRAFT.

##### GENERAL REGULATIONS.

The following Regulations are to be complied with until further notice by all small steam, motor, sailing and pulling boats and vessels, including pleasure craft of all descriptions (but excluding bona-fide fishing craft which are specially provided for under Section II of this Notice), from Portland Bill on the east to Bardsey Island on the west.

2. Permits.—The owners of all such boats or vessels are to supply lists of all their boats and vessels which they may place afloat, and must obtain for each boat or vessel a permit from the Divisional Coast Watching Officer through the Station Officer of the nearest Coastguard Station. No boat or vessel is permitted to be used without a permit.

Amateur boat owners, or amateurs hiring boats for specified periods, must similarly obtain permits, and will be regarded, for the period of the permit and for the purpose of these Regulations, as the owners.

Permits may be withdrawn at any time at the discretion of the officer by whom they were issued. They must always be carried while under way, and may be regarded as being issued for the boat or vessel and not for the person using the boat or vessel, the owner being held responsible at all times for any infringement of the regulations contained in this

Notice. A distinguishing number or letter, corresponding with that on the permit, must be painted on each bow of the boat or vessel.

3. Navigational Directions.—Boats or vessels subject to this Notice are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, i.e., between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog, they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

It must be further understood that no special protection can be afforded them.

##### SPECIAL REGULATIONS.

4. Small Rowing or Sailing Boats may be let out on hire to parties for whom the owners are prepared to be responsible, and while so hired shall be strictly subject to these Regulations. Great care must therefore be taken that they are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, among other penalties, lead to the detention of the offending boat.

5. Power-driven Boats not exceeding 24-feet in length or a carrying capacity of 12 passengers may be let out on hire on the same conditions as small rowing and sailing boats, but with the further restriction that, while so hired, they shall in no circumstances be under way outside the port, creek or river to which they belong.

6. Excursion Traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers and by written permission of the Commander-in-Chief, Plymouth, which may be obtained through the District Coast Watching Officer. Such permission will only be given subject to compliance with the regulations in paragraph (3) (a) above, and provided that:—

(a) The entire trip is within the harbour.

(b) One person is responsible for the party, and

(c) The permission is applicable only to the trip specified.

7. Regular Ferry Boats may obtain special permission from the District Coast Watching Officer to run up to a specified hour according to circumstances.

8. Yachts and Pleasure Craft may obtain permission from the Commander-in-Chief, Plymouth, through the District Coast Watching Officer to proceed from their fitting-out port to their summer base port.

9. Special Local Regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

10. Oil, Motor-Spirit, Petrol, or other goods may not be shipped on board craft of any description, whether coasting or foreign, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding 4 gallons.

## II.—REGULATIONS WITH REGARD TO FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats from Portland Bill on the east to Bardsey Island on the west (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer, are allowed to be at sea day and night, except as stated below in paragraph 3.

3. (i) *By Day and Night* the laying of nets or of crab or any other pots, trawling, fishing or anchoring is forbidden on the south-east coast of Devon from Sharkham point to the Mewstone, and thence to Skerries bell-buoy, within an area bounded—

*On the North:* By a straight line five miles in length, in a direction  $85^{\circ}$  (S.  $79^{\circ}$  E. Mag.) from Sharkham point.

*On the South:* By a straight line six miles in length, in a direction  $111^{\circ}$  (S.  $53^{\circ}$  E. Mag.) from Skerries bell-buoy.

*On the East:* By a straight line joining the eastern extremities of the north and south boundaries.

(ii) *By Night* no fishing vessel is allowed to fish or to be—

(a) Within the above area.

(b) On the south-east coast of Devon to the westward of a line drawn from the Skerries bell-buoy to a point two miles  $85^{\circ}$  (S.  $79^{\circ}$  E. Mag.) from Start point.

(c) Within ten miles of the entrance to any defended port (see paragraph 4).

4. Special local regulations are in force in certain defended ports and areas, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

5. A new issue of fishing permits will be made throughout the South-Western Area, and fishing skippers will be required to exchange

their old permits for permits of the new issue on or before 1st June 1916.

6. The fishing permit, made out to the skipper actually in charge, and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any officer or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat, or of a skipper taking charge of a boat not specified on his permit, a new permit must be obtained, or the necessary alterations made on the old permit. No alterations to permits will be recognised unless signed and dated by the Permit Issuer.

7. Oil, motor-spirit, petrol, or other goods may not be shipped on board fishing craft of any description, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding four gallons.

*Variation.*— $16^{\circ}$  W.

### Notes.

1. Fishing vessels are only to include bona-fide professional fishing craft, manned by bona-fide fishermen. Doubtful cases for fishing permits are to be referred to the nearest Divisional Coast Watching Officer.

2. Amateurs and pleasure craft out fishing are to be regarded as coming under section I. of this notice, and must comply with the Regulations contained therein.

3. Fishing vessels, having a fishing permit and desiring to carry passengers, i.e., persons other than their bona-fide crew, must obtain separate permits in accordance with section I. of this notice, and when such passengers are on board, the vessels will become strictly subject to the regulations therein laid down. In the event of non-compliance, both permits may be withdrawn by the Divisional Coast Watching Officer or Fishery Officer concerned.

4. Fishery Officer means an officer of the Board of Agriculture and Fisheries, or of the Local Sea Fisheries Committee within whose district the fishing port in question lies, or other person duly appointed to issue fishing permits.

5. Permits may be withdrawn, suspended or endorsed at the discretion of the Divisional Coast Watching Officer, or of a Fishery Officer.

6. Availability of permits.—South-Western Area fishing permits are available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area should, in order to avoid delay, notify their arrival and departure to the Local Fishery Officer or Permit Issuer.

7. Visiting boats from ports outside the South-western Area must, before fishing in this area, obtain from the local Permit Issuer a South-western Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the Local Fishery Officer,

otherwise they will be detained in port until

their credentials have been verified. In all cases visiting boats must give up their South-Western Area fishing permits on leaving the South-Western Area.

8. Charts of the restricted areas off the Devon coast can be seen by Fishermen at the Harbour Master's office, Brixham, the Fish Inspector's office, Plymouth Barbican, and the Fishery Collector's office, Newlyn Harbour.

9. Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the Local Fishery Officer, or to the Inspector of Fisheries attached to the area.

### III.—PLYMOUTH SOUND AND HAMOAZE.

#### (a) PLYMOUTH SOUND:

1. Pilotage is compulsory for all vessels (excepting fishing craft and coasting sailing vessels of less than 75 tons net register) in the whole of the waters comprising Plymouth sound, Hamoaze, Cattewater and Sutton Pool, inside a line joining Redding point with Rams Cliff point beacons at far as Laira bridge to the eastward and Saltash bridge to the westward.

All vessels proceeding from the Cattewater or Sutton Pool to Plymouth Sound, and *vice versa*, are to pass between the Mallard Shoal and Mount Batten breakwater.

2. A limited number of moorings for yachts may be laid in the following places and nowhere else:

On West Hoe, on application to King's Harbour Master, Sound; in the Cattewater, above Turnchapel, on application to the Harbour Master of Cattewater.

Yachts, &c., and pleasure boats may cruise in the waters of the Sound as laid down in the Public Traffic Regulations with the following exceptions:

(i.) Eastern Channel: All craft of every description are prohibited from entering the area defined as follows:—

On the north by the line of Torpedo range targets; on the west by the line joining Breakwater fort with Shagstone beacon; and on the south by a line joining Shagstone beacon with Reny rocks.

(iii.) No yacht, &c., or pleasure boat may proceed to the westward of a line joining the east end of Drake's island and the west side of the entrance to Millbay docks, nor may they proceed more than two miles outside the breakwater.

All persons going afloat in charge of yachts or boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the Notices that have been published from time to time in the Public Press defining prohibited areas.

Special notice is drawn to the following points in the Regulations:—

No yacht or boat may be under way after dark; there can, therefore, be no traffic after

dark between yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East Channel, no craft is to approach anywhere near the East Channel buoys, as such action would be likely to draw the fire of the forts.

*All excursion steamer traffic is prohibited in the Sound.*

#### Note.

Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer Base harbour, must obtain permission to leave for that purpose.

#### (b) HAMOAZE:

1. Within the limits in the Harbour of Hamoaze mentioned in paragraph 4 below, all small craft, motor boats, steamboats, pulling boats, punts, &c., are to be moored in one of the following areas, viz.:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an approved position), where they will remain under police supervision, and only be allowed out on the production of a permit. (See paragraph 4 below.)

2. With the exception of steam ferry boats, which have obtained special permits, no craft of any description is to be under way during the hours of official night, i.e., between the sunset gun and daylight gun fired from H.M.S. "Impregnable." Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

3. During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

4. All traffic is prohibited in the waters of the Harbour of Hamoaze within the following limits, viz.:—Between lines joining Skinham and Warren points in the Tamar river, and the boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, i.e., outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose from the Superintendent of Dockyard Police; such permit to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits. No permits will be granted for use of pleasure craft within the limits defined.

5. With the undermentioned exception at (i), the following areas are prohibited to all craft of every description:

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, South of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

(i) With regard to Millbrook lake inside

the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, at the discretion of the King's Harbour Master of Hamoaze.

6. No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

7. The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

8. No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of excursion steamers from the King's Harbour Master of Hamoaze.

*Special Warning to Boatmen and those who Hire out Yachts or Boats.*

Great care must be taken that yachts and boats are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending yacht or boat.

**IV. CHANNEL SOUTHWARD OF  
BREAKSEA LIGHT-VESSEL  
PROHIBITED.**

The passage of vessels through the channel southward of the Breaksea light-vessel is entirely prohibited.

Vessels contravening this regulation are liable to be fired upon.

*Note.*
