Admiralty, 14th July, 1916.

The Lords Commissioners of the Admiralty have received with much satisfaction from the officers in charge of the Auxiliary Patrol areas at home and abroad reports on the services performed by the officers and men serving under their orders during the period 1st January, 1915, to 31st January, 1916. These reports show that the officers and men serving in Armed Yachts, Trawlers and Drifters of the Auxiliary Patrol during the period in question have carried out their duties under extremely arduous and hazardous conditions of weather and exposure to enemy attack and mines with marked zeal, gallantry and success.
