That no such transfer shall affect the rights or interests of any persons to whom any pension shall have been already granted under the provisions of this Statute, but no such person shall thereafter receive any sum by way of pension under this Statute, which shall, together with any pension granted to him under such University Statute, exceed the pension which he would otherwise receive under this Statute; and

(ii.) That the Warden and Fellows shall be satisfied that the provisions of the scheme established by the University are not less favourable to any Professor to whom this Statute relates than the provisions of any Pensions Scheme of the Warden and Fellows existing at the date of such transfer."

Now, we, the said Warden and College, in pursuance of the provisions of the said Universities of Oxford and Cambridge Act, 1877, do hereby submit the aforesaid alterations and additions made by us in the Statutes governing our said College to the King's Most Excellent Majesty in Council, and humbly pray that the same may be approved and confirmed.

In witness whereof we have hereunto set our Common Seal this 13th day of July, 1916.

A STATUTE to alter the Statutes framed by the Commissioners appointed under the "Universities of Oxford and Cambridge Act, 1877," in relation to Clare College, in the University of Cambridge, such amending Statute being duly made at a General Meeting of the Governing Body of the said College specially summoned for the purpose, and held on the 14th day of July, 1916, and passed at the said General Meeting by the unanimous votes of the persons present and voting, and now submitted for the approval of His Majesty The King in Council.

We, the Master and Fellows of the said College, in exercise of the powers given to us by the 54th Section of the said Act, do hereby alter the Statutes framed by the said Commissioners in manner following, that is to say:—

By adding to Statute 29 the following paragraph:—

"If the Master shall at any time resign his

office, provided that he was before his admission to the Mastership a Fellow of the College and had become entitled to hold a Fellowship for life, he shall at once, without re-election or re-admission, enter into a Fellowship if one be then vacant, and his emoluments, conditions of tenure and seniority in the order of Fellows shall be regulated by the same provisions as if he had held his Fellowship continuously from the date of his admission thereto. If at the time of his resignation no Fellowship be vacant, he shall at once become a supernumerary Fellow, and shall subsequently be entitled, without re-election or re-admission, to enter into the first vacant Fellowship upon the above mentioned conditions as to emoluments, tenure and seniority." -

Given under our Common Seal on the
