\* NOTE (1).—Under the Trading with the Enemy Proclamations of 25 June and 10 November, 1915, all Proclamations relating to Trading with the Enemy apply to all persons or bodies of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa, and consequently it is an offence to trade with any person or body of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa, even though such person or body of persons is not included by name in the above List, and the omission of the name of any such person or body of persons from such List is not an authority or licence to trade with such person or body of persons.

NOTE (2).—Where a firm named in the List has more than one branch in the same country, all branches in that country are held to be included in the List even in cases where no address, or of several addresses one only is specifically mentioned.

NOTE (3).—The List for each country is sent by telegraph to His Majesty's Representative in that country, who will notify British Consular Officers, to whom persons abroad should apply for information as to names on the List; but firms in the United Kingdom with branches

abroad are advised to furnish such branches with copies of the Statutory List. The Lists for all countries in Central and South America are also telegraphed to His Majesty's Ambassador at Washington.

The Foreign Trade Department is prepared on application to inquire of His Majesty's Representatives abroad for the names of substitutes for any firm on the Statutory List. When the applicant wishes this done by telegraph he must undertake to pay the cost of the telegraphic correspondence. A considerable amount of information is, however, already available at the Foreign Trade Department, and it is hoped that it may be possible in many cases to suggest the names of satisfactory substitutes in response to inquiries, without the necessity of referring the matter abroad. It would greatly facilitate the work of this Department if applicants in making inquiries would specify the particular trade, or trades, for which substitutes are required.

*Saving Provisions.*

6. Nothing in the foregoing provisions of this Order shall be deemed to prohibit, in cases where the same is otherwise lawful,

(a) The consumption of intoxicating liquor by any person in any licensed premises or club where he is residing; or

(b) The consumption of intoxicating liquor at a meal by any person in any licensed premises or club at any time within half an hour after the conclusion of the afternoon and evening hours during which the sale or supply of intoxicating liquor is permitted by this Order:

*Treating Prohibited.*

7. No person shall either by himself or by any servant or agent sell or supply any intoxicating liquor to any person in any licensed premises or in any club for consumption on the premises unless the same is ordered and paid for by the person so supplied; nor shall any person order or pay for or lend or advance money to pay for any intoxicating liquor wherewith any other person has been or is to be supplied for consumption on the premises; nor shall any person consume in any licensed premises or club any intoxicating liquor which any other person has ordered or paid for or agreed to pay for or lent or advanced money to pay for:

Provided always that if such intoxicating liquor is supplied or served for consumption at a meal supplied at the same time and is consumed at such meal the provisions of this regulation shall not be deemed to be contravened if the person who pays for such meal also pays for such intoxicating liquor.

For the purposes of this regulation consumption on the premises includes consumption of intoxicating liquor in or on any highway open ground or railway station adjoining or near to the licensed premises or club in which the liquor was sold or supplied; and any person consuming intoxicating liquor in or on any such highway open ground or railway station shall be deemed to consume the liquor in such licensed premises or club as the case may be.

*Credit Prohibited.*

8. No person shall—

(1) (a) Either by himself or by any servant or agent sell or supply in any licensed premises or club or dispatch therefrom any intoxicating liquor to be consumed either on or off the premises; or

Provided always that if the liquor is sold or supplied for consumption at a meal supplied at the same time and is consumed at such meal, this provision shall not be deemed to be contravened if the price of the liquor is paid together with the price of such meal and before the person partaking thereof quits the premises.

(2) Introduce or cause to be introduced into the area any intoxicating liquor unless it is paid for before it is so introduced.

*Long Pull Prohibited.*

9. No person shall either by himself or by any servant or agent in any licensed premises or club sell or supply to any person as the measure of intoxicating liquor for which he asks an amount exceeding that measure.

(c) In determining whether an offence has been committed under the Sale of Food and Drugs Acts by selling to the prejudice of the purchaser whisky, brandy, rum or gin not adulterated otherwise than by an admixture of water, it shall be a good defence to prove that such admixture has not reduced the spirit more than 50 degrees under proof.

(c) The expression "licensed premises" includes any premises or place where the sale of intoxicating liquor is carried on under a licence.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have

been made by the Lords Commissioners of the Admiralty, and are now in force:—

(1) *Pentland and Moray Firths—Restriction of Traffic; Pilotage Regulations.*

*Former Notice.*—No. 705 of 1916; hereby cancelled. No. 669 of 1916.

The following regulations have been made:

(b) Anywhere off the south shore of the Moray firth between the meridians of Port Gordon and Burchan Ness, except within three-quarters of a mile of the low water mark;

(c) Outside a distance of one mile of the coast in any other portion of the area indicated on the accompanying portion of chart No. 2.

2. Vessels proceeding to ports in the Moray

Pentland Firth presents very grave risks to a Westbound vessel, and are strongly advised not to take it.

II.—PILOTAGE REGULATIONS.

Pilotage is compulsory at the undermentioned ports for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave such ports without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at

the Pilotage stations, and will be conducted into and out of ports in groups.

1. All vessels bound to Cromarty or Inverness must call for a pilot at Wick or Burghead.

Outgoing vessels are to discharge their pilots at one or the other of these places.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Tarbet Ness and Findhorn without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under way between sunset and sunrise in the waters contained between a line drawn from Tarbet Ness to Findhorn, and a line drawn from Fort George to Chanonry point.

(2) *Scapa Flow—Traffic Regulations.*

1. All entrances are dangerous and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa Flow. Vessels ordered to Kirkwall should proceed direct to that port.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night or in thick weather.

6. Passage through Cantick sound is entirely prohibited.
