At the Court at *Buckingham Palace*, the 18th day of *August*, 1916.

PRESENT,

The KING'S Most Excellent Majesty.

Lord President.
Viscount Allendale.
Lord Wimborne.
Lord Carnock.

WHEREAS by the First Section of the Marriage of British Subjects (Facilities) Act, 1915, it is (amongst other things) enacted as follows:—

“Where His Majesty is satisfied that the law in force in any part of His Majesty's Dominions outside the United Kingdom makes due provision for the publication of banns or for the giving of notice in respect of marriages between British Subjects intended to be solemnized or contracted in the United Kingdom, and for the recognition of certificates for marriage issued by superintendent registrars in England, and of certificates for marriage issued by registrars, and certificates of proclamation of banns, in Scotland, and of certificates for marriage issued by registrars in Ireland, as sufficient notice in respect of marriages between British Subjects intended to be solemnized or contracted in that part of His Majesty's Dominions, His Majesty may, by Order in Council, declare that this Section shall apply to that part of His Dominions, and in such case—

(a) Where a marriage is intended to be solemnized or contracted in the United Kingdom between a British Subject resident in England, Scotland, or Ireland, and a British Subject resident in that part of His Majesty's Dominions, a certificate of notice of marriage issued in accordance with such law shall in England have the same effect as a certificate for marriage issued by a superintendent registrar, and in Scotland and Ireland have the same effect as a certificate for marriage issued by a registrar in Scotland and Ireland respectively; and

(b) Where a marriage is intended to be solemnized or contracted in that part of His Majesty's Dominions between a British Subject resident in that part and a British Subject resident in England, Scotland, or Ireland, a certificate for marriage may be issued in England by a superintendent registrar, or in Scotland or Ireland by a registrar, in the like manner as if the marriage was to be solemnized or contracted under circumstances requiring the issue of such a certificate, and as if both such British Subjects

were resident in England, Scotland, or Ireland, as the case may be:—

And whereas His Majesty is satisfied that due provision is made in respect of all the matters referred to in the hereinbefore recited Section of the said Act by the law in force in the parts of His Majesty's Dominions outside the United Kingdom hereinafter mentioned:

Now, therefore, His Majesty, by virtue and in exercise of the powers by the above-recited Act in His Majesty vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

The First Section of the Marriage of British Subjects (Facilities) Act, 1915, shall apply to the parts of His Majesty's Dominions outside the United Kingdom hereunder mentioned:—

Newfoundland,
Victoria.

And the Right Honourable Andrew Bonar Law, one of His Majesty's Principal Secretaries of State, is to give the necessary directions herein accordingly.

Almeric FitzRoy.

At the Court at *Buckingham Palace*, the 18th day of *August*, 1916.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 9th day of March, in the year 1916, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure, (herein-after called 'the said Benefice'), of Lenton, (formerly called Lavington), in the County of Lincoln, and in the Diocese of Lincoln:

"Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Lenton is vested for an estate in fee simple, in possession, free from incumbrances, in the Venerable George Wynne Jeurwine, of the Archdeaconry, in the City of Lincoln, Archdeacon of Lincoln, in his private capacity:

"And whereas the said George Wynne Jeurwine is desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Lenton, now vested in him as aforesaid, should be transferred to and be vested in the Dean and Chapter of the Cathedral Church of Lincoln, (herein-after called 'the said Dean and Chapter'), and their Successors:

"And whereas the said Dean and Chapter are willing to accept such transfer, and in token of such their willingness have executed this Scheme as herein-after mentioned:

"And whereas the Right Reverend Edward Lee, now Bishop of Lincoln, as Bishop of the Diocese in which the said Benefice is situate, is consenting to this Scheme, and in token of such his consent, which is required by the Acts in the herein-before mentioned Act recited, or by some or one of them, has executed this Scheme as herein-after mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Lenton, which is herein-before mentioned, and herein-after recommended and proposed, will in our opinion tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson, so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say in the Parish of Lenton:

"Now, therefore, with the consent of the said George Wynne Jeurwine, (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said Edward Lee, Bishop of Lincoln, (in testimony whereof he has signed this Scheme, and sealed the same with his Episcopal Seal), and with the consent of the said Dean and Chapter, (in testimony whereof they have caused their Common or Capitular Seal to be affixed to this Scheme), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Lenton, now vested in him the said George Wynne Jeurwine as aforesaid, shall be transferred to the said Dean and Chapter, and their Successors, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by, the said Dean and Chapter, and their Successors, for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Lincoln.

Almeric FitzRoy.

(3) *River Tyne Boom Defence—Entrance Signals and Traffic Regulations.*

The following signals will be displayed to indicate that the Boom is *Open to Traffic*:—

By day, 2 Black Balls, vertical.

By night, 2 White Lights, vertical.

The above signals will be hoisted on board H.M.S. *Satellite* and at the following Distant Signal Stations:—

(a) For Incoming Traffic.—At the Light-house on the end of the North Arm of the Breakwater.

(b) For Outgoing Traffic.—At Ballast Hill. Shipping at Dunstan and Tyne Docks should ascertain by telephone from H.M.S. *Satellite* whether they can proceed down river. A telephone for this purpose is kept at the Staith Master's Office, Dunstan, and at the Dock Master's Office, Tyne Docks.

The absence of these signals will denote that the Boom is *Closed to Traffic*.

Vessels entering or leaving the Tyne, after passing the Pier Heads when bound inwards, and after passing Hay Hole Point when bound outwards, are to so regulate their speed that until the line of the Boom is passed they shall not come within a distance of 200 yards from their stem to the stern of the next vessel ahead proceeding in the same direction. Whilst navigating between Hay Hole Point and the Pier Heads, no vessel should attempt to overhaul and pass ahead of another vessel proceeding in the same direction.

When crossing the line of the Boom, all vessels are to preserve a mid-channel course as far as is consistent with safe navigation. Vessels of 25 feet draught and above are to stop their engines when crossing the line of the Boom at or about the time of low water.

Incoming and outgoing vessels must not cross the line of the Boom at the same time. Vessels proceeding against the tidal stream must so regulate their speed that any vessels proceeding with the tide shall first pass the obstruction.

No vessel is to anchor in the area bounded as follows:—On the West by a line drawn from the south-west corner of Dockwray Square to the east end of Salmons Quay, and on the East by a line drawn from Prior's Stone to the Volunteer Life Brigade House, provided only that a vessel proceeding to the oil jetty at South Shields may let go her anchor, if necessary, within the line of moorings off the said jetty; such vessels, however, are not to anchor to the eastward of a line drawn from Lloyd's Hailing and Signal Station to the Lifeboat House and slip on Commissioner's wharves.

With the above exceptions, the Rules and Regulations for the Navigation of the Tyne are to be adhered to.

Note.—This Notice is a revision of No. 816 of 1916.

Caution.

This Admiralty Notice to Mariners is issued under the provisions of the Defence of the Realm (Consolidation) Regulations, 1914, and failure to comply strictly with the directions contained in it will constitute an offence against those Regulations.

Any person found guilty of such an offence is liable to severe penalties both of imprisonment and fine.

Any person aiding or abetting the commission of such an offence is himself guilty of an offence against the Regulations.

Attention is also drawn to the fact that any infringement of the directions contained in this Admiralty Notice to Mariners is liable to result in the detention of the ship or vessel.

Amateur boat owners, or amateurs hiring boats for specified periods, must similarly obtain permits, and will be regarded, for the period of the permit and for the purpose of these Regulations, as the owners.

Permits may be withdrawn at any time at the discretion of the officer by whom they were issued. They must always be carried while under way, and may be regarded as being issued for the boat or vessel and not for the person using the boat or vessel, the owner being held responsible at all times for any infringement of the regulations contained in this Notice. A distinguishing number or letter, corresponding with that on the permit, must be painted on each bow of the boat or vessel.

3. Navigational Directions.—Boats or vessels subject to this Notice are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog, they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

It must be further understood that no special protection can be afforded them.

SPECIAL REGULATIONS.

4. Small Rowing or Sailing Boats may be let out on hire to parties for whom the owners are prepared to be responsible, and while so hired shall be strictly subject to these Regulations. Great care must therefore be taken that they are only hired out to persons who are thoroughly acquainted with these regulations, as any infringement of the orders will, among other penalties, lead to the detention of the offending boat.

5. Power-driven Boats not exceeding 24-feet in length or a carrying capacity of 12 passengers may be let out on hire on the same conditions as small rowing and sailing boats, but with the further restriction that, while so hired, they shall in no circumstances be under way outside the port, creek or river to which they belong.

6. Excursion Traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports; creeks or rivers and by written permission of the Commander-in-Chief, Plymouth, which may be obtained through the District Coast Watching Officer. Such permission will only be given subject to compliance with the regulations in paragraph (3) (a) above, and provided that:—

(a) The entire trip is within the harbour,
(b) One person is responsible for the party, and

(c) The permission is applicable only to the trip specified.

7. Regular Ferry Boats may obtain special permission from the District Coast Watching Officer to run up to a specified hour according to circumstances.

8. Yachts and Pleasure Craft may obtain permission from the Commander-in-Chief, Plymouth, through the District Coast Watching Officer to proceed from their fitting-out port to their summer base port.

9. Special Local Regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

10. Oil, Motor-Spirit, Petrol, or other goods may not be shipped on board craft of any description, whether coasting or foreign, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding 4 gallons.

II.—REGULATIONS WITH REGARD TO FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats from Portland Bill on the east to Bardsey Island on the west (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer, are allowed to be at sea day and night, except as stated below in paragraph 3.

3. (i) *By Day and Night* the laying of nets or of crab or any other pots, trawling, fishing or anchoring is forbidden on the south-east coast of Devon from Sharkham point to the Mewstone, and thence to Skerries bell-buoy, within an area bounded—

On the North: By a straight line five miles in length, in a direction 85° (S. 79° E. Mag.) from Sharkham point.

On the South: By a straight line six miles in length, in a direction 111° (S. 53° E. Mag.) from Skerries bell-buoy.

On the East: By a straight line joining the eastern extremities of the north and south boundaries.

(ii) *By Night* no fishing vessel is allowed to fish or to be—

(a) Within the above area.

(b) On the south-east coast of Devon to the westward of a line drawn from the Skerries bell-buoy to a point two miles 85° (S. 79° E. Mag.) from Start point.

(c) Within ten miles of the entrance to any defended port (see paragraph 4).

4. Special local regulations are in force in certain defended ports and areas, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

5. A new issue of fishing permits will be made throughout the South-Western Area, and fishing skippers will be required to exchange their old permits for permits of the new issue on or before 1st June 1916.

6. The fishing permit, made out to the skipper actually in charge, and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any officer or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat or of a skipper taking charge of a boat not specified on his permit, a new permit must be obtained, or the necessary

alterations made on the old permit. No alterations to permits will be recognised unless signed and dated by the Permit Issuer.

7. Oil, motor-spirit, petrol or other goods may not be shipped on board fishing craft of any description, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding four gallons.

Variation.— 16° W.

Notes.

1. Fishing vessels are only to include bona-fide professional fishing craft, manned by bona-fide fishermen. Doubtful cases for fishing permits are to be referred to the nearest Divisional Coast Watching Officer.

2. Amateurs and pleasure craft out fishing are to be regarded as coming under section I. of this notice, and must comply with the Regulations contained therein.

3. Fishing vessels, having a fishing permit and desiring to carry passengers, i.e., persons other than their bona-fide crew, must obtain separate permits in accordance with section I. of this notice, and when such passengers are on board, the vessels will become strictly subject to the regulations therein laid down. In the event of non-compliance, both permits may be withdrawn by the Divisional Coast Watching Officer or Fishery Officer concerned.

4. Fishery Officer means an officer of the Board of Agriculture and Fisheries, or of the Local Sea Fisheries Committee within whose district the fishing port in question lies, or other person duly appointed to issue fishing permits.

5. Permits may be withdrawn, suspended, or endorsed at the discretion of the Divisional Coast Watching Officer, or of a Fishery Officer.

6. Availability of permits.—South-Western Area fishing permits are available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area should, in order to avoid delay, notify their arrival and departure to the Local Fishery Officer or Permit Issuer.

7. Visiting boats from ports outside the South-Western Area must, before fishing in this area, obtain from the local Permit Issuer a South-Western Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the Local Fishery Officer,

otherwise they will be detained in port until their credentials have been verified. In all cases visiting boats must give up their South-Western Area fishing permits on leaving the South-Western Area.

8. Charts of the restricted areas off the Devon coast can be seen by fishermen at the Harbour Master's office, Brixham, the Fish

Inspector's office, Plymouth Barbican, and the Fishery Collector's office, Newlyn Harbour.

9. Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the Local Fishery Officer, or to the Inspector of Fisheries attached to the area.

III.—PLYMOUTH SOUND AND HAMOAZE.

(a) PLYMOUTH SOUND:

1. Pilotage is compulsory for all vessels _____ in the whole of the waters comprising Plymouth sound, Hamoaze, Cattewater and Sutton Pool, inside a line joining Redding point with Rams Cliff point beacons as far as Laira bridge to the eastward and Saltash bridge to the westward, with the following exceptions:—

- (i.) Ships belonging to His Majesty;
- (ii.) Pleasure yachts and sailing boats under 30 ft. in length on the water line and under 10 ft. draught;
- (iii.) Fishing vessels;
- (iv.) Sailing vessels trading coastwise of less than 75 tons net register;
- (v.) Ships of less than 50 tons gross tonnage not carrying passengers;
- (vi.) Motor barges and boats habitually used exclusively within the limits of the Port of Plymouth;
- (vii.) Steam tug boats registered at the Port of Plymouth.

NOTE.—The above order does not apply to ships changing moorings unless the shift entails going through or into the channel.

All vessels proceeding from the Cattewater or Sutton Pool to Plymouth Sound, and *vice versa*, are to pass between the Mallard Shoal and Mount Batten breakwater.

2. A limited number of moorings for yachts may be laid in the following places and nowhere else:—

On West Hoe, on application to King's Harbour Master, Sound: in the Cattewater, above Turnchapel, on application to the Harbour Master of Cattewater.

Yachts, &c., and pleasure boats may cruise in the waters of the Sound as laid down in the Public Traffic Regulations with the following exceptions:—

(i.) Eastern Channel: All craft of every description are prohibited from entering the area defined as follows:—

On the north by the line of Torpedo range targets; on the west by the line joining Breakwater fort with Shagstone beacon; and on the south by a line joining Shagstone beacon with Reny rocks.

(ii.) The Bridge: All craft of every description are prohibited from entering the area defined as follows:—

On the north by a line joining Raveness point to Drake's island North-west buoy; on the east by a line joining Drake's island North-west buoy to Melampus light-buoy; and on the south by a line joining Melampus light-buoy to Fort Picklecombe pier.

(iii.) No yacht, &c., or pleasure boat may proceed to the westward of a line joining the east end of Drake's island and the west side of the entrance to Millbay docks, nor may they proceed more than two miles outside the breakwater.

All persons going afloat in charge of yachts or boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the Notices that have been published from time to time in the Public Press defining prohibited areas.

Special notice is drawn to the following points in the Regulations:—

No yacht or boat may be under way after dark; there can, therefore, be no traffic after dark between yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East Channel, no craft is to approach anywhere near the East Channel buoys, as such action would be likely to draw the fire of the forts.

All excursion steamer traffic is prohibited in the Sound.

Note.

Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer Base harbour, must obtain permission to leave for that purpose.

(b) HAMOAZE:

1. Within the limits in the Harbour of Hamoaze mentioned in paragraph 4 below, all small craft, motor boats, steamboats, pulling boats, punts, &c., are to be moored in one of the following areas, viz.:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an approved position), where they will remain under police supervision, and only be allowed out on the production of a permit. (See paragraph 4 below.)

2. With the exception of steam ferry boats, which have obtained special permits, no craft of any description is to be under way during the hours of official night, *i.e.*, between the sunset gun and daylight gun fired from H.M.S. "Impregnable." Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

3. During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

4. All traffic is prohibited in the waters of the Harbour of Hamoaze within the following limits, viz.:—Between lines joining Skinham and Warren points in the Tamar river, and the boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, *i.e.*, outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose from the Superintendent of Dockyard Police; such permit to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to

approved places outside the above limits. No permits will be granted for use of pleasure craft within the limits defined.

5. With the undermentioned exception at (i), the following areas are prohibited to all craft of every description:

Combe bay, Kiln bay, Wilcove lake, Thanckes lake, South of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

(i) With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, at the discretion of the King's Harbour Master of Hamoaze.

6. No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

7. The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

8. No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of excursion steamers from the King's Harbour Master of Hamoaze.

Special Warning to Boatmen and those who Hire out Yachts or Boats.

Great care must be taken that yachts and boats are only hired out to persons who are thoroughly acquainted with these Regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending yacht or boat.

IV. CHANNEL SOUTHWARD OF
BREAKSEA LIGHT-VESSEL
PROHIBITED.

The passage of vessels through the channel southward of the Breaksea light-vessel is entirely prohibited.

Vessels contravening this regulation are liable to be fired upon.
