BOARD OF TRADE ANNOUNCEMENT.

LICENCES FOR THE IMPORTATION INTO FRANCE AND ALGERIA OF GOODS THE IMPORT OF WHICH INTO THOSE COUNTRIES IS PROHIBITED.

In agreement with the British Government, the French Government has set up at King's House, Kingsway, London, W.C., a special office for the issue of licences for the importation into France and Algeria of goods of *British* production or manufacture which are included in the list of articles prohibited to be imported into those countries.

The following procedure has been laid down for the working of this service:—

The application for a licence must be drawn up strictly in accordance with the annexed form, and must include a certificate to the effect that the place of production or manufacture of the goods is situated within the British Empire, that is to say, either in the United Kingdom or in a British Dominion, Colony or Protectorate. This certificate (which is to be inserted on the form of application itself) must be signed on behalf of the Chamber of Commerce of the district or town in which the merchant concerned carries on his business.

The form should then be forwarded by the applicant to the Board of Trade, Gwydyr House, Whitehall, London, S.W., which Department, after examining the application, will "viser" the same and forward it to the French Office in London. On receipt of this document the French Office will, unless there are reasons to the contrary, issue an import licence, which will be dispatched in original to the actual consignee of the goods in France, and of which a copy will be addressed to the exporter in this country.

In order to prevent delays and difficulties, applicants for licences are specially recommended—

(1) to draw up their applications in as precise a form as possible as regards the number and description of the packages, the marks and numbers thereon, the description of the goods, and the quantities to be exported;

(2) to specify on the application, in a legible manner, the name and address of the consignee, and the port of discharge in France or Algeria; and to furnish the description of the goods in both French and English.

The French Office in London will not grant licences for the import into France or Algeria of diamonds, woods and metals, and those parts or accessories of automobiles of which the importation is prohibited. In these cases applications for import licences should be made by the consignee to the competent authorities in France.

* * * * *

FORM OF APPLICATION FOR LICENCE TO IMPORT INTO FRANCE OR ALGERIA.

I, the undersigned (here give name, business, and address), request that the importation into France (or Algeria) of the goods which are designated below, and which I declare to be of British* production or manufacture, may be allowed.

origin of the goods appended thereto, must be forwarded to the Board of Trade, Gwydyr House, Whitehall, London, S.W.

* For the purpose of these import licences, goods are regarded as "British" when the place of production or manufacture is situated either in the United Kingdom or in a British Dominion, Colony, or Protectorate.

And whereas by Section 4 of the above-mentioned National Insurance (Part II) (Munition Workers) Act, 1916, it is, amongst other things, provided that nothing in that Act shall affect any workman in an insured trade within the meaning of the principal Act in respect of his employment in that trade:

Now therefore, the Board of Trade, by virtue of the power of exclusion conferred upon them as hereinbefore recited and of every other power then hereunto enabling, do hereby order that the classes of munitions work specified in the Schedule hereto shall be excluded from the operation of Section 1 (1) of the National Insurance (Part II) (Munition Workers) Act, 1916.
