With reference to the notification which was published in the *London Gazette* of May 30 last a translation is appended of the Portuguese Decree No. 2565 of August 14, 1916, relating to procedure in the Portuguese Prize Courts:—

(TRANSLATION.)

Decree No. 2565 (August 14, 1916).

Article I.—The form of procedure in the Prize Courts shall be the summary form laid down in Decree No. 3 of the 29th of May, 1907, with the modifications set forth in the following Articles:—

Article 2.—In the Statement of Claim the Plaintiff shall ask that the Defendant be served with notice to produce, at the Registrar's Office, within the fixed period of five days, a Statement of Defence, setting forth his whole defence.

Sub-Clause 1.—With regard to Article 36 of the Decree No. 2350 of the 20th of April, 1916, the Action shall be laid against the Depository-Administrator, or the Advocate, and, at the same time, his appointment and a summons for him to appear shall be applied for.

Sub-Clause 2.—When it is necessary to do so, the Judge shall at once proceed to make such appointment, and, in the same Order, shall order the summons to be issued. Service of this summons must be effected within forty-eight hours.

Article 3.—If the hearing of witnesses shall have been applied for, then during the three days following the filing of the Statement of Defence, or such further period as may be granted for the purpose, not more than three witnesses put forward by each party shall be heard, no interlocutory proceeding or other delay being admitted; and, on the day next following, the Judge shall deliver Provisional Judgment. Notice of this Judgment shall be served within twenty-four hours, or it may be made public at a sitting of the Court, and thenceforth shall be of full effect and validity.

Article 4.—Upon the termination of the above mentioned proceedings the case shall be allotted according to its class to a Registrar of the Court. The Plaintiff may then reply to the Statement of Defence already filed: this reply must be filed and the other proceedings set forth in the 5th and following Articles of Decree No. 3 of the 29th of May, 1907, shall be completed within 5 days of service of notice on publication of the Provisional Judgment.

Sole Sub-Clause.—Should there have been no Statement of Defence, or if it is declared to be of no avail, the Provisional Judgment shall become final.

Article 5.—From the final Judgment, delivered in Prize Proceedings, an Appeal will always lie direct to the Supremo Tribunal de Justiça (the Supreme Court of Justice), where cognisance will be taken of the nullities alleged, and of Interlocutory Appeals which may be pending, no other Appeal being allowed.

Article 6.—The Surveys of vessels, made by the Technical Committees, which are treated of in Article 29* of Decree No. 2350, are sufficient proof both for the Provisional and the Final Judgments.

Article 7.—Judgments upholding a capture, whether provisional or final, shall be communicated direct by the Judges delivering them to the Ministry for Foreign Affairs in view of the possible bearing thereon of Article 2 of the 12th Hague Convention of October, 1907, approved by the Decree of February 24, 1911.

Article 8.—The Legal Representative of the State shall always intervene as the principal party in Prize Proceedings, without prejudice to any other legitimately interested person being a co-Plaintiff therein.

Article 9.—There shall be no Vacation Terms in the proceedings treated of by this Decree.

Article 10.—This Decree shall come into force immediately, and all provisions which are antagonistic are revoked.

The Ministers of all the Departments will thus take cognisance of it, and cause it to be carried out.

In pursuance of the powers conferred upon them by the Defence of the Realm (Consolidation) Regulations 1914, the Army Council hereby order as follows:—

1. No person shall sell or purchase or enter into any transaction or negotiation in relation to the sale or purchase of any wool clipped from sheep in the season of 1916 (hereinafter referred to as fleece wool) or of any wool pulled from the skins of sheep or lambs which have been slaughtered in Ireland in the season 1916 (hereinafter referred to as skin wool) to or from any person who is prohibited by this Order from purchasing or selling the same, unless such person is authorised under any other general permit or by any special permit from the Army Council to purchase or sell same.

2. The following persons, unless holding a special permit from the Army Council for the purpose, shall not purchase or sell or enter into any transaction or negotiation in relation to the purchase or sale of any fleece wool as aforesaid, that is to say:—

(a) Any person carrying on the business of manufacturer of woollen, worsted, or hosiery goods in any textile factory.

(b) Any person in respect of whom any general or special permit has been revoked by the Army Council on the grounds that he has failed to comply with the conditions thereof.

3. No person who has not been in the habit of purchasing raw wool grown on sheep in Ireland shall unless holding a special permit from the Army Council, purchase or enter into transactions or negotiations for the purchase of fleece wool.

4. No person shall make or take delivery of any fleece wool or skin wool as aforesaid or of wool grown on sheep in Ireland before January 1st, 1916, or of skins of sheep or lambs which shall have been slaughtered in Ireland after November 28th, 1916, for shipment from Ireland except under a special permit issued under the authority of the Army Council.

5. No person shall sell or purchase or enter into any transaction or negotiation in relation to the sale or purchase of any fleece wool as aforesaid otherwise than in accordance with the following conditions:—

(a) The price payable to the farmer for his wool shall be in accordance with the

schedule of prices for the various kinds of Irish wool set out in the schedule hereto annexed, and all persons authorised to purchase under this general permit or under any special permit shall pay to the farmer the fair value of his wool calculated on the basis of the prices set out in the said schedule.

(b) The price for washed wool set out in the said schedule shall be paid only for well-washed wool, in good condition, and the price for unwashed wool shall be paid only for unwashed wool in good light condition and the usual deduction shall be made for wool of inferior condition.

(c) For all cast, stained, matted or otherwise faulty fleeces an allowance of one pound in weight per fleece shall be deducted in estimating the price payable to the farmer. For odd fleeces, unwashed, an allowance of two pounds should be made.

(d) No person shall mix with or wind in any fleeces of the 1916 clip any broken or dead wool, locks, daggings, or other matter whatsoever.

(e) The price payable to the farmer for broken or dead wool, locks, daggings, and other classes of wool not specified in the said schedule, shall be calculated on the basis of the price for washed or unwashed fleece wools in good condition set out in the said schedule.
