\* NOTE (1).—Under the Trading with the Enemy Proclamations of 25 June and 10 November, 1915, all Proclamations relating to Trading with the Enemy apply to all persons or bodies of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa, and consequently it is an offence to trade with any person or body of persons of enemy nationality, resident or carrying on business in Liberia, Persia, Morocco or Portuguese East Africa, even though such person or body of persons is not included by name in the above List, and the omission of the name of any such person or body of persons from such List is not an authority or licence to trade with such person or body of persons.

NOTE (2).—Where a firm named in the List has more than one branch in the same country, all branches in that country are held to be included in the List even in cases where no address, or of several addresses one only is specifically mentioned.

NOTE (3).—The List for each country is sent by telegraph to His Majesty's Representative in that country, who will notify British Consular Officers, to whom persons abroad should apply for information as to names on the List; but firms in the United Kingdom with branches abroad are advised to furnish such branches with copies of the Statutory List. The Lists for all countries in Central and South America are also telegraphed to His Majesty's Ambassador at Washington.

The Foreign Trade Department is prepared on application to inquire of His Majesty's Representatives abroad for the names of substitutes for any firm on the Statutory List. When the applicant wishes this done by telegraph he must undertake to pay the cost of

the telegraphic correspondence. A considerable amount of information is, however, already available at the Foreign Trade Department, and it is hoped that it may be possible in many cases to suggest the names of satisfactory substitutes in response to inquiries, without the necessity of referring the matter abroad. It would greatly facilitate

the work of this Department if applicants in making inquiries would specify the particular trade, or trades, for which substitutes are required.

NOTE (4).—Issued concurrently with this Order is a Consolidating List, No. 5A, revised to date and including the amendments in the Schedule annexed hereto.

At the Council Chamber, *Whitehall*, the 22nd day of *December*, 1916.

By the Lords of His Majesty's Most Honourable Privy Council.

**W**HEREAS by virtue and in exercise of the powers conferred on Him by section one of the Exportation of Arms Act, 1900, as extended by section one of the Customs (Exportation Restriction) Act, 1914, and section one of the Customs (Exportation Restriction) Act, 1915, His Majesty was pleased to issue a Proclamation dated the 25th day of June, 1915, declaring that the exportation of the articles mentioned in the second column of the Schedule to that Proclamation is prohibited to the country named in the first column of the said Schedule unless those articles are consigned to the persons referred to in the third column of the said Schedule:

And whereas by section two of the Customs (Exportation Restriction) Act, 1914, any Proclamation made under section one of the Exportation of Arms Act, 1900, may be varied or added to whilst a state of war exists by an Order made by the Lords of the Council on the recommendation of the Board of Trade:

And whereas by an Order of Council dated the 7th day of October, 1915, the said Proclamation of the 25th day of June, 1915, was amended by the substitution of a new Schedule for the Schedule to that Proclamation:

And whereas there was this day read at the Board a recommendation from the Board of Trade to the following effect:—

That the Proclamation dated the 25th day of June, 1915, as amended, should be further amended by the substitution for the Schedule to that Proclamation, as amended, of the following Schedule:—

##### (2) *River Tyne Boom Defence—Entrance Signals and Traffic Regulations.*

The following signals will be displayed to indicate that the Boom is *Open to Traffic*.—

By Day ... 2 Black Balls, vertical.

By Night ... 2 White Lights, vertical.

The above signals will be hoisted on board H.M.S. *Satellite* and at the following Distant Signal Stations:—

(a) For Incoming Traffic.—At the Light-house on the end of the North Arm of the Breakwater.

(b) For Outgoing Traffic.—At Ballast Hill. Shipping at Dunstan and Tyne Docks should ascertain by telephone from H.M.S. *Satellite* whether they can proceed down river. A telephone for this purpose is kept at the Staith Master's Office, Dunstan, and at the Dock Master's Office, Tyne Docks. The absence of these signals will denote that the Boom is *Closed to Traffic*.

Vessels entering or leaving the Tyne, after passing the Pier Heads when bound inwards, and after passing Hay Hole Point when bound outwards, are to so regulate their speed that until the line of the Boom is passed they shall not come within a distance of 200 yards from their stem to the stern of the next vessel ahead proceeding in the same direction. Whilst navigating between Hay Hole Point and the

Pier Heads, no vessel should attempt to overhaul and pass ahead of another vessel proceeding in the same direction.

When crossing the line of the Boom, all vessels are to preserve a mid-channel course as far as is consistent with safe navigation. Vessels of 25 feet draught and above are to stop their engines when crossing the line of the Boom at or about the time of low water.

Incoming and outgoing vessels must not cross the line of the Boom at the same time. Vessels proceeding against the tidal stream must so regulate their speed that any vessels proceeding with the tide shall first pass the obstruction.

No vessel is to anchor in the area bounded as follows:—On the West by a line drawn from the south-west corner of Dockway Square to the east end of Salmons Quay, and on the East by a line drawn from Prior's Stone to the Volunteer Life Brigade House, provided only that a vessel proceeding to the oil jetty at South Shields may let go her anchor, if necessary, within the line of moorings off the said jetty; such vessels, however, are not to anchor to the eastward of a line drawn from Lloyd's Hailing and Signal Station to the Lifeboat House and slip on Commissioner's wharves.

With the above exceptions, the Rules and Regulations for the Navigation of the Tyne are to be adhered to.

*Note.*—This Notice is a re-publication of sections (2) and (3) of the former Notice.

Note.—The Pilots referred to in this Notice are the Pilots licensed by the London Trinity House and no others.

## II.—RIVERS THAMES AND MEDWAY, &c.—TRAFFIC REGULATIONS.

1. All traffic into and out of the River Thames must pass through the Edinburgh Channels, or through the Black Deep south of the Knock John and Knob Light-Buoys, and through the Oaze Deep, until further notice.

No vessels are to remain under way in the above-mentioned Channels between a line drawn from London Stone to No. 3 Sea Reach Light-Buoy and thence to Canvey Point on the west, and the Sunk Head Buoy or a line joining the positions of the South Long Sand and East Shingles Buoys, on the east, from one hour after sunset until one hour before sunrise.

Anchorage for merchant or private vessels is also prohibited in the West Swin, and in the area enclosed on the east by a line joining North Knob and Knob Light-Buoys, on the west by a line joining South Shoebury Light-buoy and Nore Light-Vessel, and on the north by a line joining North Knob and South Shoebury Light-buoys.

All other Channels are closed to navigation.

The Nore Examination Anchorage is reserved for vessels under examination before entry into the Medway, and also for vessels on Government service which have left the Medway and are awaiting orders as to route, &c.

2. Coasting vessels are not to be under way nor exhibit any lights in the East Swin or Wallet between sunset and sunrise.

3. (a) Cruising of yachts and pleasure craft is prohibited in the Thames Estuary, rivers Thames, Colne, Blackwater, Medway, and adjoining creeks so far as the tide flows.

(b) The Estuary of the Thames mentioned above in paragraph (a) is to be considered to include the north coast of Kent from North Foreland to Sheerness, and the coast of Essex from Shoeburyness to the Naze.

4. (a) The cruising of yachts and other pleasure craft under sail, steam, or otherwise mechanically driven, and under oars, in the

Crouch and Roach rivers will be permitted under the following restrictions.

(b) Cruising is permitted in the Crouch west of a line drawn in a  $0^{\circ}$  (*N.  $14^{\circ}$  E. Mag.*) and a  $180^{\circ}$  (*S.  $14^{\circ}$  W. Mag.*) direction through Nass Point. Cruising is also permitted in the Roach as far as Paglesham Hard, but owners of yachts are to intimate their intention to proceed up the Roach to the Coast Guard, Burnham, before leaving, and report their return.

(i.) No yachts may anchor in the Crouch between Burnham Coast Guard Station and Nass point.

(ii.) Landing in the Roach may be permitted only at Paglesham Hard and permits are to be exhibited to the Military Patrol stationed there.

(c) Local craft used for business purposes are subject to the foregoing regulations, but may in certain instances be allowed in prohibited areas, if permission in writing has been previously obtained from the Naval or Military Authorities.

(d) All pleasure craft of any description are prohibited from being under weigh between the hours of 4 p.m. and 8 a.m.

(e) Pleasure craft using the area mentioned in paragraph (b) in which cruising is permitted, must obtain a licence from the local Police.

(f) If more than one craft is used, a separate licence is required for each.

(g) The name must be marked legibly on every craft. All open, half-decked and other craft must have the number and distinguishing letter of the licence clearly painted on each side of the bow.

(h) The licence must be carried in the craft, and is to be available for inspection.

(i) Boats licensed for hire may be taken out by British subjects other than those in whose names the licences are made out, provided that they be returned to the licensees by 4 p.m. on the day of hire. The licence for the boat must be carried by the person hiring it.

(j) Owners of boats anchored within sight of Burnham Coastguard Station may go on board their boats up to 10.0 p.m., provided that a permit to do this has been obtained from the Senior Naval Officer, Brightlingsea, and provided also that the boat remains at anchor.

5. The use of the Swin and Wallet Channels by sailing barges and small trading vessels engaged in coastwise traffic along the Essex coast is permitted, subject to compliance with the following restrictions:—

(a) Each vessel must obtain from the Customs a special clearance card, which is to be kept available for inspection by the Patrol Officers, on demand.

(b) A red ensign is to be displayed while navigating the Middle Deep and Swin Channel.

(c) No vessel may be under way after dark, except as provided for hereinafter.

(d) When at anchor in the Wallet, Ray Sand, and Whitaker Channels, or in the Rivers Colne, Blackwater, and Crouch, all lights are to be screened so that they will not show outboard.

(e) No vessel may anchor in the River Crouch in the area indicated in Section II, Sub-section 4, paragraph b (i.); or in the River Blackwater in the areas bounded by a line drawn in a  $0^{\circ}$  (*N.  $14^{\circ}$  E. Mag.*) and a

180° (*S. 14° W. Mag.*) direction, through Ramsey Stone to the opposite shore, and a line drawn through the Tollesbury and Mersea Oyster Fishery Company's Beacon on Thurstlet Spit and the same Company's Beacon on the south side of the river, and extended to the north and south shores of the River.

(f) To enable vessels to save their tides they will be permitted to navigate the Rivers Colne, Blackwater, and Crouch at night above the following places:—

River Roach above Quay Reach.

River Crouch above Burnham Coast Guard Station.

River Blackwater above Ramsey Island Stone.

River Colne above Brightlingsea Creek.

They are to anchor immediately, should they be ordered to do so by the Naval or Military Authorities.

(g) Vessels are to carry out all instructions received from the Naval Officers in command of vessels patrolling these Channels and Rivers.

(h) No vessels are to enter or pass through the defended area in the Middle Deep and Swin Channels until they have been boarded and examined by the vessels stationed there for that purpose.

(Note.—*The Examination Officers will board South-bound vessels in the vicinity of the Whitaker Spit. Those leaving the Thames and Medway will be boarded near the Mouse Light-Vessel.*)

The Boarding Officers will give Masters of vessels instructions as to the course they are to steer when passing through the defended area.

(i) Vessels reaching the entrance to the defended area within one hour of sunset will not be allowed to pass through till daylight.

6. All vessels, other than those of British Nationality or those of the Allied Nations, are prohibited from entering the Medway and Swale rivers.

All Neutral Aliens are prohibited from entering the Medway and Swale rivers in British vessels, and this applies to Aliens carried in British ships or barges as passengers or part of crew; the limits of the prohibited area are defined as from the Outer Bar buoy in the River Medway to Rochester bridge, and the whole of the River Swale from the light on Queenborough spit to Columbine spit buoy. Attention is drawn to the necessity of ship-owners and charterers satisfying themselves that no Neutral Aliens are on board vessels sent to the Rivers Medway and Swale.
