FRIDAY, 12 JANUARY, 1917.

At the Court at *Buckingham Palace*, the 10th day of *January*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm (Consolidation) Regulations, 1914") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the fol-

lowing amendments be made in the said regulations:—

1. The following regulations shall be substituted for Regulations 2f to 2j inclusive:—

"2f.—(1) The Food Controller may make orders regulating, or giving directions with respect to the production, manufacture, treatment, use, consumption, transport, storage, distribution, supply, sale or purchase of, or other dealing in or measures to be taken in relation to, any article (including orders as to maximum and minimum price) where it appears to him necessary or expedient to make any such order for the purpose of encouraging or maintaining the food supply of the country, and making such provisions as to entry, inspection, or otherwise as appear to him necessary or expedient for the purpose of his duties.

"(2) The Food Controller may by order require all or any persons owning or having power to sell or dispose of any article, or any stocks thereof, to place at the disposal of the Controller the article, or the whole or any part of the stocks thereof, as may be directed by the Controller, on such terms as he may direct, and to deliver to the Controller or to any person or persons named by him the article or stocks in such quantities and at such times as

the Controller may require, where it appears to him necessary or expedient to make any such order for the purpose of encouraging or maintaining the food supply of the country.

"Such compensation shall be paid for any article or stock so requisitioned as shall, in default of agreement, be determined by the arbitration of a single arbitrator appointed in manner provided by the order; but in determining the amount of the compensation the arbitrator shall have regard to the cost of production of the article and to the allowance of a reasonable profit, without necessarily taking into consideration the market price of the article at the time.

"(3) Any order under this regulation may be made either so as to apply generally, or so as to apply to any special locality, or so as to apply to any special supplies of any article or to any special producer, manufacturer, dealer, or person, and any such order may direct that all contracts, or any class of contracts, or any special contract, affected by the order shall be abrogated or remain in force notwithstanding anything in the order, but subject to any exceptions or modifications for which provision may be made by the order.

"(4) The Food Controller shall, as respects any article to which his powers extend, have the same power as the Board of Trade have of giving directions, pending the issue of a proclamation or the making of an Order of or in Council, with respect to the export of the article.

"(5) If any person acts in contravention of or fails to comply with any provision of any order made under this regulation, or aids or abets any other person, whether or not such other person is in the United Kingdom, in doing anything which, if done in the United Kingdom, would be a contravention of any such provision, such person shall be guilty of a summary offence against these regulations, and if such person is a company, every director and officer of the company shall also be guilty of a summary offence against these regulations, unless he proves that the contravention took place without his knowledge or consent.

"2G.—(1) The Food Controller may apply the provisions of this regulation to any article where he is of opinion that it is necessary or expedient to do so for the purpose of his powers or duties; and if the provisions of this regulation are so applied to any article, every person owning or having power to sell or dispose of the article, or concerned in the manufacture or production of the article, shall, subject to any exceptions or limitations contained in the order, make a return to the Food Controller giving such information in such form and within such time as may be specified in the order applying those provisions:—

(a) as to the stocks of the article held by him or consigned to him or under order to him; and

(b) as to any contracts for the supply to, or by, him of the article or any contracts for, or in connection with, the production or manufacture of the article, or the dealing therein; and

(c) as to the prices paid by him or received by him for or in respect of the article; and

(d) as to the cost of production of the article, and the names and addresses of the

persons by whom the article has been supplied to him or to whom the article has been supplied by him; and

(e) as to any other matters specified in the order applying the provisions of this regulation with respect to which the Food Controller may desire information for the purpose of any of his powers and duties.

"(2) For the purpose of testing the accuracy of any return made to the Food Controller under this regulation, or of obtaining information in case of a failure to make a return, any officer of the Food Controller authorised in that behalf by the Food Controller may enter any premises belonging to or in the occupation of the person making or who has failed to make the return, or on which he has reason to believe that any articles to which the provisions of this regulation are applied are kept stored, manufactured, or produced, and may carry out such inspections and examinations (including the inspection and examination of books) as the officer may consider necessary for testing the accuracy of the return or for obtaining any such information.

"(3) If any person—

(a) refuses or without lawful excuse neglects to make a return as required by this regulation to the best of his knowledge and belief, or makes or causes to be made a false return; or

(b) obstructs or impedes an officer of the Food Controller in the exercise of any of his powers under this regulation; or

(c) refuses to answer or gives a false answer to any question, or refuses to produce any books or documents, required for obtaining the information to be furnished in pursuance of this regulation;

that person shall be guilty of a summary offence against these regulations.

"(4) No individual return or part of a return made under this regulation, and no information as to any person or his business obtained under this regulation, shall without lawful authority be published or disclosed except for the purposes of a prosecution under this regulation; and if any person acts in contravention of this provision he shall be guilty of a summary offence against these regulations.

"2H.—(1) If the Food Controller in any special case is of opinion that, before exercising any of his powers under these regulations in relation to any article, it is expedient to hold an inquiry with respect to that article in any locality, the Food Controller may appoint such persons as he thinks fit to hold an inquiry as respects that article and report to the Food Controller on such points as the Food Controller may direct.

"(2) Any persons so appointed shall have power to take evidence on oath and to administer an oath for the purpose.

"2J.—(1) The Food Controller may make arrangements with any other Government Department for the exercise by that Department on behalf of the Food Controller of the powers of the Food Controller under the regulations numbered 2F, 2G, and 2H with respect to any particular article, and in such case the Department and the officers thereof shall, as respects that article, have and exercise the same powers as are by those regulations conferred on the Food Controller and the officers of the Food

Controller, and the Local Government Board (or as respects Scotland the Secretary for Scotland, and as respects Ireland the Local Government Board for Ireland) may, by arrangement with the Food Controller, confer and impose on any local authorities and their officers any powers and duties in connection with the enforcement of the said regulations numbered 2F and 2G.

“(2) Nothing in the regulations numbered 2G and 2H shall prevent the exercise by the Food Controller of any of his powers in relation to any article under these regulations or otherwise, without having obtained or endeavoured to obtain returns under Regulation 2G or having held an inquiry under Regulation 2H.

“(3) Any order of the Food Controller under the said regulations numbered 2F and 2G may be revoked or varied as occasion requires.

“(4) It is hereby declared that in the regulations numbered 2F, 2G, 2H, and 2J, the expression “article” includes animals, live or dead; but this provision shall not be construed so as to limit the general interpretation of that expression.

“2J.—(1) The Board of Trade shall have the like powers as are given to the Food Controller under Articles 2F to 2J inclusive as respects any article of commerce to which the powers of the Food Controller under those regulations do not extend, where it appears to the Board necessary or expedient to exercise any of those powers for the purpose of encouraging or maintaining the supply of any such article which is required by the public or by any section of the public, and those regulations shall apply accordingly.

“(2) Any order made by the Board of Trade under Regulations 2F or 2G before the first day of January nineteen hundred and seventeen shall continue in force and have effect as though it had been made by the Food Controller under these regulations, and as if the Food Controller was substituted therein for the Board of Trade.”

2. The following sub-section shall be added at the end of Regulation 2L—

“(8) This regulation shall apply to Ireland, subject to the following modifications:—

(i) The Department of Agriculture and Technical Instruction for Ireland shall be substituted for the Board of Agriculture and Fisheries;

(ii) Subsections (4) and (7) and the references to common land shall not apply;

(iii) The following paragraph shall be inserted in Subsection (1) after paragraph (a):—

“(aa) without any consent, if the land is comprised in a holding to which Regulation 2F applies, and it appears to the Department that the occupier has not before the twenty-fifth day of March nineteen hundred and seventeen, taken the necessary steps to comply with the requirements of that regulation or is not after that date proceeding in compliance with those requirements; and”

(iv.) Where the poor rate is made in respect of a half rent under Section sixty-three

of the Poor Relief (Ireland) Act, 1838, instead of upon the occupier of the land, the land shall not on that account be deemed to be unoccupied.”

3. After Regulation 2L the following regulations shall be inserted:—

“2M.—(1) Where the Board of Agriculture and Fisheries, after such consultation with the Food Controller as may be arranged, are of opinion that, with a view to maintaining the food supply of the country, it is expedient that they should exercise the powers given to them under this regulation, the Board may—

(a) enter on and take possession of any land which in their opinion is not being so cultivated as to increase, as far as practicable, the food supply of the country, and, after entry thereon, do all things necessary or desirable for the cultivation of the land or for adapting it for cultivation; and for such purposes enter on and take possession of any buildings on the land or convenient for such purposes; and

(b) take possession of any machinery or implements of husbandry or farm produce or stock on the land, or which, in the opinion of the Board, are required for its cultivation; and

(c) provide housing accommodation for persons employed for any such purposes by taking possession of any land or unoccupied premises; and

(d) utilise any water supply or motive power for any such purposes; and

(e) by notice served on the occupier of any land require him to cultivate the land in accordance with such requirements as the Board may think necessary or desirable for maintaining the food supply of the country and may prescribe in the notice.

“(2) An occupier of land may, with a view to maintaining the food supply of the country, submit to the Board a scheme for the cultivation of the land in a manner not consistent with the contract of tenancy of the land, and the Board, if satisfied that the adoption of the scheme is necessary or desirable for the maintenance of the food supply, may direct that the land shall be cultivated in accordance with the scheme, subject to any modification which the Board may think fit to make therein.

“(3) An occupier of land on whom a notice is served or to whom a direction is given by the Board under the preceding provisions who negligently or wilfully fails to cultivate the land therein referred to in accordance with the requirements of the notice or direction, shall be guilty of a summary offence against these regulations.

“(4) If the Board at any time withdraw from possession of any land of which possession has been taken under this regulation, they may recover from the person then entitled to resume occupation of the land such amount as represents the value to him of all acts of cultivation or adaptation for cultivation executed by the Board; such amount to be determined, in default of agreement, by a single arbitrator under and in accordance with the provisions of the Second Schedule to the Agricultural Holdings Act, 1908.

“(5) Any person authorised by the Board in that behalf may, for the purposes of this

regulation and upon production if so required of his authority, enter on and inspect any land or building and inspect any machinery, implements of husbandry, farm stock or produce thereon.

"(6) The Board may with respect to any land or land in any district authorise any person or anybody constituted by the Board for the purpose to exercise on behalf of the Board any of the powers of the Board under this regulation and prescribe the procedure of any such body, and the authentication of any notice or other instrument issued by any body or person so authorised.

"(7) The powers conferred on the Board by this regulation shall be in addition to and not in derogation of any other powers of the Board.

"(8) In this regulation the expression 'cultivation' includes use for grazing and the expression 'cultivate' has a corresponding meaning.

"(9) This regulation shall apply to Scotland, with the substitution of the Board of Agriculture for Scotland for the Board of Agriculture and Fisheries, of arbiter for arbitrator, and of the Agricultural Holdings (Scotland) Act, 1908, for the Agricultural Holdings Act, 1908.

"2x. If any person without lawful authority enters or remains on land of which a Government department or any body or person authorised by a Government department is in possession under the powers conferred by Regulation 2L or Regulation 2M, and on which notice of this provision is conspicuously displayed, or damages any crops growing on any such land, he shall be guilty of a summary offence against these regulations.

"20. With a view to maintaining the stock of pigs in the country, any local authority by whom a byelaw has been made which is for the time being in force prohibiting, restricting, or regulating the keeping of pigs may grant permission, either generally or in particular cases, to keep pigs, notwithstanding or contrary to any provisions of any such byelaw; subject, however, to the observance of any directions of the local authority in the interests of public health.

"2p. (1) Subject to the provisions of this regulation, it shall be the duty of every occupier of arable land in Ireland to cultivate in the year nineteen hundred and seventeen so much of the arable land held by him, and hereinafter called the 'holding,' as is specified in that behalf in this regulation, and if he fails or neglects to do so, he shall be guilty of a summary offence against these regulations.

"(2) The portion of the holding to be cultivated pursuant to this regulation shall be as follows:—

(a) If no part of the holding was cultivated in the year nineteen hundred and sixteen, a portion equivalent in extent to one-tenth of the area of the holding;

(b) If any part of the holding was cultivated in the year nineteen hundred and sixteen, a portion equivalent in extent to the part so cultivated and to one-tenth of the area of the holding in addition: provided that the occupier shall not be required by virtue of this provision to cultivate more than one-half of the area of the holding.

"(3) This regulation shall not apply to—

(a) any holding of less than ten acres in extent; or

(b) any holding or class of holdings as to which not later than the twenty-fifth day of March nineteen hundred and seventeen it shall be declared in writing by the Department of Agriculture and Technical Instruction for Ireland that the cultivation of the holding or class of holdings would be of less service for the production of food than the use of the holding or class of holdings in some other manner in which the same is being used or proposed to be used.

"(4) Land under a first or second year's crop of rye-grass shall be deemed to be cultivated, and cultivation by any person under a conacre letting made by the occupier shall be deemed to be cultivation by the occupier.

"(5) This regulation shall have effect notwithstanding any covenant, agreement, condition, or provision as to the user of a holding whether contained in any lease or other instrument affecting the holding or in any verbal contract of tenancy or implied by law, and no such covenant, agreement, condition, or provision shall operate so as to penalise, impede, or interfere with such cultivation as is required by this regulation.

"(6) Any person duly authorised by the Department of Agriculture and Technical Instruction for Ireland in that behalf shall have power to enter on and inspect any land for the purpose of ascertaining whether the requirements of this regulation are being or have been complied with.

"(7) For the purpose of this regulation 'arable' means cultivated or capable of being cultivated; and 'occupier' means the person rated or liable to be rated to the poor rate, and in the case of a holding of which the half rent is rated means the actual occupier although not liable to be rated.

"2q. The Board of Agriculture for Scotland may, with the consent of the Secretary for Scotland, take or authorise such action in Scotland, whether by killing the deer or otherwise, as may, in their opinion, be necessary with a view to preventing or reducing injury to crops or wastage of pasturage caused by deer."

4. The following regulation shall be inserted after Regulation 25B:—

"25c. It shall not be lawful without the permission of the Admiralty to hoist on any flagstaff or otherwise conspicuously display the white ensign or the blue ensign whether with or without any distinguishing mark, or any flag so closely resembling the same as to be calculated to deceive, and if any flag is hoisted or displayed in contravention of this regulation the person having control of the flagstaff, vessel, or premises on which the flag is hoisted or displayed shall be guilty of an offence against these regulations."

5. The following regulation shall be substituted for Regulation 35A:—

"35A. The Admiralty or Army Council or the Minister of Munitions, after consultation with a Secretary of State, may make rules for the purpose of securing the safety—

(a) of any factory, store, magazine, wharf, or other premises, or any vessel,

vehicle, receptacle, or place, in or upon which any ammunition or explosive substance or any highly inflammable substance required for the production thereof is manufactured, treated, produced, handled, carried, stored, or deposited, or where the same may at any time be; and

(b) of any person in or in the vicinity of any such premises, vessel, vehicle, receptacle, or place;

and in particular rules prohibiting, except as may be otherwise provided under or in pursuance of the rules, any person whilst in or in the vicinity of such premises, vessel, vehicle, receptacle, or place from smoking, or having in his possession any match or apparatus of any kind for producing a light, or any tobacco, cigar, cigarette, pipe, or contrivance for smoking.

"Any person who fails to comply with any such rule shall be guilty of a summary offence against these regulations."

6. The following regulation shall be inserted after Regulation 39c:—

"39d. A person shall not, without permission in writing from the Board of Trade, directly or indirectly, and whether on his own behalf or on behalf of or in conjunction with any other person, enter into or offer to enter into any agreement, or any negotiations with a view to an agreement—

(a) for the charter (whether by time or voyage) of any ship, which is not a British ship, or otherwise for the use of any such ship for the carriage of goods exceeding one thousand tons in weight to or from any port in His Majesty's dominions or in the territory of any of His Majesty's allies; or

(b) for the purchase of any goods exceeding one thousand tons in weight from abroad on terms which include freight as well as cost.

"If any person acts in contravention of this regulation, or if, where any permission of the Board of Trade has been granted under this regulation subject to any conditions, the person to whom it was granted fails to comply with any such condition, he shall be guilty of an offence against these regulations.

"This regulation shall have effect as from the twelfth day of January, nineteen hundred and seventeen."

7. The following regulation shall be substituted for Regulation 41A:—

(a) He shall revise each Statement as often as may be necessary to maintain its accuracy.

(b) He shall keep Statement No. I. and Statement No. II. constantly posted up in some conspicuous place on the premises at which the persons included in the Statement are employed, or, if such persons are not employed at or about any premises, then on the employer's premises.

At the Court at *Buckingham Palace*, the 10th day of *January*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS, on the 11th day of March, 1915, an Order was issued by His Majesty in Council directing that all ships which sailed from their ports of departure after the 1st day of March, 1915, might be required to discharge in a British or Allied port goods which were of enemy origin or of enemy destination or which were enemy property:

And whereas such Order in Council was consequent upon certain Orders issued by the German Government purporting to declare, in violation of the usages of war, the waters surrounding the United Kingdom a military area, in which all British and Allied merchant vessels would be destroyed, irrespective of the lives of passengers and crew, and in which neutral shipping would be exposed to similar danger, in view of the uncertainties of naval warfare:

And whereas the sinking of British, Allied, and neutral merchant ships, irrespective of the lives of passengers and crews, and in violation of the usages of war, has not been confined to the waters surrounding the United Kingdom, but has taken place in a large portion of the area of naval operations:

And whereas such illegal acts have been committed not only by German warships but by warships flying the flag of each of the enemy countries:

And whereas on account of the extension of the scope of the illegal operations carried out under the said German Orders, and in retaliation therefor, vessels have been required under the provisions of the Order in Council aforementioned to discharge in a British or Allied port goods which were of enemy origin or of enemy destination or which were enemy property, irrespective of the enemy country from or to which such goods were going or of the enemy country in which was domiciled the person whose property they were:

And whereas doubts have arisen as to whether the term "enemy" in articles 3 and 4 of the said Order in Council includes enemy countries other than Germany:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. In articles 3 and 4 of the said Order in Council of the 11th March, 1915, aforementioned, the terms "enemy destination" and "enemy origin" shall be deemed to apply and shall apply to goods destined for or originating in any enemy country, and the term "enemy property" shall be deemed to apply and shall apply to goods belonging to any person domiciled in any enemy country.

2. Effect shall be given to this Order in the application of the said Order in Council of the 11th March, 1915, to goods which previous to the date of this Order have been discharged at a British or Allied port, being goods of destination or origin or property which was enemy though not German, and all such goods shall be detained and dealt with in all respects as is provided in the said Order in Council of the 11th March, 1915.

PRESENT.

The KING's Most Excellent Majesty in Council.

WHEREAS under the New Ministries and Secretaries Act, 1916, provision is made, amongst other things, for the transfer to the Minister of Labour of the powers and duties of the Board of Trade under the enactments mentioned in the Schedule to that Act:

And whereas it is further provided by the said Act that where any powers and duties are transferred by virtue of the Act the transfer is to take effect as from a date to be fixed by Order of His Majesty in Council, and that different dates may be fixed for different powers and duties:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

(1) The transfer to the Minister of Labour by virtue of the New Ministries and Secretaries Act, 1916, of the powers and duties of the Board of Trade under the enactments mentioned in the Schedule to that Act shall take effect as from the 10th day of January, 1917.

(2) This Order may be cited as the Ministry of Labour (Transfer of Powers) Order, 1917.

J. C. Ledlie.

At the Court at *Buckingham Palace*, the 10th day of *January*, 1917.

PRESENT,

The KING's Most Excellent Majesty.

Lord Privy Seal.

Lord Rhondda.

Sir Maurice de Bunsen.

Sir Frederick Ponsonby.

WHEREAS by "The Colonial Prisoners Removal Act, 1869," it was (amongst other things) enacted that any two Colonies might, with the sanction of an Order of His Majesty in Council, agree for the removal of any prisoners under sentence or order of transportation, imprisonment, or penal servitude, from one of such Colonies to the other for the purpose of their undergoing in such other Colony the whole or any part of their punishment, and for the return of such prisoners to the former Colony at the expiration of their punishment, or at such other period as might be agreed upon, upon such terms and subject to such conditions as might seem good to the said Colonies, and that the sanction of the Order of His Majesty in Council might be obtained in the case of a Colony having a Legislative Body on an address of such Body to His Majesty, and in the case of any Colony not having a Legislative Body on an address of the Governor of such Colony, and that the Agreement of any one Colony with another should for the purposes of the said Act be testified by a writing under the hand of the Governor of such Colony:

And whereas by an Order of His Majesty The King in Council, bearing date the 12th day of August, 1915, His Majesty, by virtue and in exercise of the powers in that behalf by the Foreign Jurisdiction Acts, 1890 and 1913, or otherwise in His Majesty vested, was pleased, by and with the advice of His Privy Council, to order that the Colonial Prisoners Removal Act, 1869, should, from the date of the said Order, apply to the Territory of Weihaiwei, as though that Territory were, within the meaning of the said Act, a Colony not having a Legislative Body:

And whereas an Agreement, bearing date the 29th day of July, 1916, was made by and between Our Trusty and Well-beloved Sir Francis Henry May, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George, Our Governor and Commander-in-Chief in and over Our Colony of Hong Kong and its Dependencies, and Our Trusty and Well-beloved Sir James Haldane Stewart Lockhart, Knight Commander of Our Most Distinguished Order of Saint Michael and Saint George, Commissioner of the Territory of Weihaiwei on behalf of the Colony and Territory of which they were respectively Governor and Commissioner as aforesaid, respecting the removal of prisoners from Weihaiwei to Hong Kong upon certain terms and subject to certain conditions therein set forth, of which Agreement a copy is contained in the Schedule to this Order annexed:

And whereas the said Agreement was duly testified by writing under the hand of the said Governor and Commissioner respectively:

At the Court at *Buckingham Palace*, the 10th day of *January*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39,

and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 14th day of December, in the year 1916, in the words and figures following, that is to say:—

“We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure (hereinafter called “the said Benefice”) of Horsted Keynes, in the County of Sussex, and in the Diocese of Chichester:

“Whereas the Advowson or perpetual right of Patronage of and presentation to the said Benefice of Horsted Keynes is vested for an estate in fee simple, in possession, free from incumbrances, in the Reverend Frank Partridge, of the Diocesan Church House, Brighton, in the said County of Sussex, Clerk in Holy Orders:

“And whereas the said Frank Partridge is desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Horsted Keynes, now vested in him as aforesaid, should be transferred to and be vested in the Right Reverend Charles John, now Bishop of Chichester, and his Successors in the same Bishopric:

“And whereas the said Charles John, Bishop of Chichester, is willing to accept such transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the Diocese which, by the Acts in the hereinbefore-mentioned Act recited, or by some or one of them, is made necessary, he, the said Charles John, Bishop of Chichester, has executed this Scheme as hereinafter mentioned:

“And whereas the transfer of the Patronage of the said Benefice of Horsted Keynes, which is hereinbefore mentioned, and hereinafter recommended and proposed, will, in our opinion, tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson, so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say in the Parish of Horsted Keynes:

“Now, therefore, with the consent of the said Frank Partridge, (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said Charles John, Bishop of Chichester, (in testimony whereof he has signed this Scheme, and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in

Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Horsted Keynes, now vested in him, the said Frank Partridge, as aforesaid, shall be transferred to the said Charles John, Bishop of Chichester, and his Successors in the same Bishopric, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by, the said Charles John, Bishop of Chichester, and his Successors in the same Bishopric for ever.

“And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament.”

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Chichester.

At the Court at *Buckingham Palace*, the 10th day of *January*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 14th day of December, in the year 1916, in the words and figures following, that is to say:—

"And whereas the said Hastings Burton Middleton is desirous that the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Winterbourne Saint Martin, now vested in him as aforesaid, should be transferred to and be vested in the Right Reverend Frederic Wallis, now Archdeacon of Sherborne, and his Successors in the same Archdeaconry:

"And whereas the said Frederic Wallis, Archdeacon of Sherborne, is willing to accept such transfer, and in token of such his willingness has executed this Scheme as hereinafter mentioned:

"And whereas the Right Reverend Frederic Edward, now Bishop of Salisbury, has given to the same transfer that consent of the Bishop of the Diocese which by the Acts in the hereinbefore-mentioned Act recited, or by some or one of them, is made necessary, and in token of the same consent has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefice of Winterbourne Saint Martin, which is hereinbefore mentioned, and hereinafter recommended and proposed, will, in our opinion, tend to make better provision for the Cure of Souls in the Parish or District in or in respect of which the right of Patronage or Advowson, so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say, in the Parish of Winterbourne Saint Martin:

"Now, therefore, with the consent of the said Hastings Burton Middleton, (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said Frederic Wallis, Archdeacon of Sherborne, (in testimony whereof he has signed and sealed this Scheme), and with the consent of the said Frederic Edward, Bishop of Salisbury, (in testimony whereof he has signed this Scheme, and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to the said Benefice of Winterbourne Saint Martin, now vested in him the said Hastings Burton Middleton as aforesaid, shall be transferred to the said Frederic Wallis, Archdeacon of Sherborne, and his Successors in the same Archdeaconry, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by, the said Frederic Wallis, Archdeacon of Sherborne, and his Successors in the same Archdeaconry for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further

or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

The Stocks are investments authorised by "The Trustee Act, 1893," and Trustees may invest therein, notwithstanding that the price may at the time of investment exceed the redemption value of £100 Per Cent.

The Governor and Company of the Bank of England are authorised to receive applications for the above Loans, which will take the form of Stock or Bonds to Bearer at the option of Subscribers; Stock may be inscribed as transferable in the Stock Transfer Books, or may be registered as transferable by Deed.

Applications, which may be for either Loan, must be for sums which are multiples of Fifty Pounds, and may be for either

- (1) "Fully-paid Allotments," or
- (2) "Instalment Allotments."

They will be received at the Bank of England Loans Office, 5 and 6, Lombard Street, London, E.C., and may be forwarded either direct, or through the medium of any Banker or Stockbroker in the United Kingdom.

British Government Treasury Bills will be accepted under discount at 5 per cent. per Annum, and War Expenditure Certificates will be accepted under discount at 5½ per cent. per Annum, in both cases as from the 16th February, 1917, in lieu of cash, in payment for "Fully-paid Allotments," provided that the entire proceeds of the Bills and Certificates are so applied.

If not previously redeemed, the Loans will be repaid at par as follows:—

- £5 per cent. War Loan, 1929-1947, on the 1st June, 1947;
- £4 per cent. War Loan, 1929-1942, on the 15th October, 1942;

but His Majesty's Government reserve to themselves the right to redeem the Loans, or either of them, at par at any time on or after the undermentioned dates, on giving three calendar months' notice in the London Gazette;

- £5 per cent. War Loan, 1929-1947, at any time on or after the 1st June, 1929;

£4 per cent. War Loan, 1929-1942, at any time on or after the 15th October, 1929.

Both Capital and Interest will be a charge on the Consolidated Fund of the United Kingdom.

As soon as the necessary statutory authority has been obtained, arrangements will be made for the acceptance by the Commissioners of Inland Revenue of Stock and Bonds of these Loans at their respective issue prices, with due allowance for any unpaid interest accrued thereon, in satisfaction of amounts due on account of death duties, provided such Stock and Bonds have formed part of the Estate of the deceased for a period of not less than six months immediately preceding the date of death.

For the purpose of providing against depreciation in the market prices of the Loans the Treasury undertake to set aside monthly a sum equal to one-eighth of 1 per cent. of the amount of each Loan to form a fund to be used for purchasing Stock or Bonds of either Loan for cancellation whenever the market price falls below the issue price. Whenever the unexpended balance of such fund reaches £10,000,000 the monthly payments will for the time being be suspended, but they will be resumed as soon as the unexpended balance falls below £10,000,000.

Dividends on inscribed and registered Stock of the £5 per cent. War Loan, 1929-1947, will be paid without deduction of Income Tax, but the income derived from such dividends will be assessable to Income Tax in the hands of the recipients at the rates of tax appropriate to their respective incomes.

Dividends on the £4 per cent. Loan will be exempt from liability to assessment to British Income Tax other than Super-Tax. For the purposes of Super-Tax and in computing total

income for the purposes of Exemption, Abatement, reduced rate of Income Tax on earned or unearned income, etc., the income derived from such dividends will be treated as if the amount received represented the net income after deduction of Income Tax at the full normal rate. There will, however, be no title to repayment of Income Tax in respect of such untaxed dividends.

Stock and Bonds of these Loans and the Dividends payable from time to time in respect thereof, will be exempt from all British taxation, present or future, if it is shown in the manner directed by the Treasury that they are in the beneficial ownership of a person who is neither domiciled nor ordinarily resident in the United Kingdom of Great Britain and Ireland. Further, the dividends payable from time to time in respect of Stock and Bonds of these Loans will be exempt from British Income Tax, present or future, if it is shown in the manner directed by the Treasury that the Stock or Bonds are in the beneficial ownership of a person who is not ordinarily resident in the United Kingdom of Great Britain and Ireland, without regard to the question of domicile. Where a Bond belongs to a holder entitled to exemption under these provisions the relative coupons will be paid without deduction for Income Tax or other taxes, if accompanied by a declaration of ownership in such form as may be required by the Treasury.

The Books of the Loans will be kept at the Bank of England and at the Bank of Ireland. Dividends on Stock will be paid by Warrant, which will be sent by post; dividends on Bonds will be paid by Coupon.

Stock will be convertible into Bonds to Bearer at any time by means of transfer; and Bonds to Bearer will be exchangeable for Stock without payment of any fee.

Powers of Attorney for the transfer of inscribed Stock, and Deeds for the transfer of registered Stock, will be free of Stamp Duty.

"Fully-paid Allotments" will be issued in one or other of the following forms as applicants may direct:—

1. "Certificate of Inscription" of Stock transferable in the Stock Transfer Books.
2. "Register Certificate" of Stock transferable by Deed.
3. "Bond Certificate(s)" exchangeable in due course for Bond(s) to Bearer.

"Instalment Allotments" will be issued in the form of "Allotment Letters," which may either be retained until they are fully-paid, or may be exchanged for Scrip Certificates to Bearer.

The Instalments payable in respect of "Instalment Allotments" may be paid in full on or after the 2nd March, 1917, under discount at the rate of 4 per cent. per annum. Where payment in full is made between two instalment dates discount will be calculated as from the instalment date next succeeding the date of such full payment. In case of default in the payment of any instalment by its proper date the deposit and any instalments previously paid will be liable to forfeiture. Arrangements have been made whereby holders of Allotment Letters will be able to make further payments, without additional charge, at Offices of the principal Banks throughout the United Kingdom.

Dividends due 15th April, 1917, and 1st June, 1917, in respect of Allotment Letters,

Bond Certificates, and Scrip Certificates will be paid by Coupon.

Allotment Letters and Scrip Certificates, if paid in full, may be exchanged for Stock on or after the following dates, viz.:—

£5 per cent. War Loan, 1929-1947, on or after the 2nd May, 1917;

£4 per cent. War Loan, 1929-1942, on or after the 13th March, 1917;

or they may be retained to be exchanged for Bonds to Bearer as soon as these can be prepared.

Stock will be transferable in any sums which are multiples of a penny; Bonds to Bearer will be issued in denominations of £50, £100, £200, £500, £1,000, and £5,000.
