NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having any dealings with any of the persons or firms mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, 1916, No. 3. A List consolidating all previous Lists was published on the 22nd December, 1916 (The Consolidating List No. 15a), which, together with Lists No. 16 and 17 of the 5th and 19th January, 1917, respectively, and the List herewith annexed, contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address in the same country, all dealings in that country with such person or firm are prohibited, even in cases where one only of the addresses is specifically mentioned.

*NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November, 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes without the necessity of referring the matter abroad. The Department is, however, prepared on application to enquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by tele-

graph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making enquiries would specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed on the day of issue, to His Majesty's representatives in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

Admiralty, 31st January, 1917.

The KING has been graciously pleased to approve of the posthumous grant of the Victoria Cross to the undermentioned officers in recognition of their conspicuous gallantry in an attempt to re-provision the force besieged in Kut-el-Amara:—

Lieutenant Humphry Osbaldeston Brooke Firman, R.N.

Lieutenant-Commander Charles Henry Cowley, R.N.V.R.

The General Officer Commanding, Indian Expeditionary Force "D," reported on this attempt in the following words:—

"At 8 p.m. on April 24th, 1916, with a crew from the Royal Navy under Lieutenant Firman, R.N., assisted by Lieutenant-Commander Cowley, R.N.V.R., the 'Julnar,' carrying 270 tons of supplies, left Falahiyah in an attempt to reach Kut.

"Her departure was covered by all Artillery and machine gun fire that could be brought to bear, in the hope of distracting the enemy's attention. She was, however, discovered and shelled on her passage up the river. At 1 a.m. on the 25th General Townshend reported that she had not arrived, and that at midnight a burst of heavy firing had been heard at Magasis, some 8½ miles from Kut by river,

which had suddenly ceased. There could be but little doubt that the enterprise had failed, and the next day the Air Service reported the 'Julnar' in the hands of the Turks at Magasis.

"The leaders of this brave attempt, Lieutenant H. O. B. Firman, R.N., and his assistant—Lieutenant-Commander C. H. Cowley, R.N.V.R.—the latter of whom throughout the campaign in Mesopotamia performed magnificent service in command of the 'Mejidieh'—have been reported by the Turks to have been killed; the remainder of the gallant crew, including five wounded, are prisoners of war.

"Knowing well the chances against them, all the gallant officers and men who manned the 'Julnar' for the occasion were volunteers. I trust that the services in this connection of Lieutenant H. O. B. Firman, R.N., and Lieutenant-Commander C. H. Cowley, R.N.V.R., his assistant, both of whom were unfortunately killed, may be recognised by the posthumous grant of some suitable honour."

(ii.) Landing in the Roach may be permitted only at Paglesham Hard and permits

are to be exhibited to the Military Patrol stationed there.

(c) Local craft used for business purposes are subject to the foregoing restrictions, but may in certain instances be allowed in prohibited areas, if permission in writing has been previously obtained from the Naval or Military Authorities.

(j) All pleasure craft of any description are prohibited from being under weigh between the hours of sunset and sunrise.

5. (a) Pulling boats are allowed within the prohibited area in Sub-Section 3, par. (c), provided they obtain a licence in accordance with Sub-Section 4, pars. (e) (f) and also comply with Sub-Section 4, pars. (h), (i), (j), and that no such boats proceed more than one mile from the shore. In the area between Margate Coast Guard Station and the North Foreland they must keep within half a mile from the shore.

(b) Pulling boats are forbidden to go alongside or communicate with any vessel lying off the shore.

(c) No pleasure pulling boats are allowed in the Medway to the Eastward of Rochester Bridge, nor are any allowed in the area specified in Sub-Section 3, par. (d).

6. The use of the Swin and Wallet Channels by sailing barges and small trading vessels engaged in coastwise traffic along the Essex coast is permitted, subject to compliance with the following restrictions:—

(a) Each vessel must obtain from the Customs a special clearance card, which is to be kept available for inspection by the Patrol Officers, on demand.

(b) A red ensign is to be displayed while navigating the Middle Deep and Swin Channel.

(c) No vessel may be under way after dark, except as provided for hereinafter.

(d) When at anchor in the Wallet, Ray Sand, and Whitaker Channels, or in the Rivers Colne, Blackwater, and Crouch, all lights are to be screened so that they will not show outboard.

(e) No vessel may anchor in the River Crouch in the area bounded by lines drawn in a 0° (N. 14° E. Mag.) and a 180° (S. 14° W. Mag.) direction, through Burnham

Coastguard Station and Holliwell point; or in the River Blackwater in the areas bounded by a line drawn in a 0° (N. 14° E. Mag.) and a 180° (S. 14° W. Mag.) direction, through Ramsey Stone to the opposite shore, and a line drawn through the Tollesbury and Mersea Oyster Fishery Company's Beacon on Thurslet Spit and the same Company's Beacon on the south side of the river.

(f) To enable vessels to save their tides they will be permitted to navigate the Rivers Colne, Blackwater, and Crouch at night above the following places:—

River Roach above Quay Reach.

River Crouch above Burnham Coast Guard Station.

River Blackwater above Ramsey Island Stone.

River Colne above Brightlingsea Creek.

They are to anchor immediately, should they be ordered to do so by the Naval or Military Authorities.

(g) Vessels are to carry out all instructions received from the Naval Officers in command of vessels patrolling these Channels and Rivers.

(h) No vessels are to enter or pass through the defended area in the Middle Deep and Swin Channels until they have been boarded and examined by the vessels stationed there for that purpose. Permission is given, subject to preliminary boarding and examination, for sailing vessels, if they so desire, to pass to the eastward of the Maplin light-house, but under no circumstances may they pass to the eastward of any of the conical buoys in the defended area.

(Note.—The Examination Officers will board South-bound vessels in the vicinity of the Whitaker Spit. Those leaving the Thames and Medway will be boarded near the Mouse Light-Vessel.)

The Boarding Officers will give Masters of vessels instructions as to the course they are to steer when passing through the defended area.

(i) Vessels reaching the entrance to the defended area within one hour of sunset will not be allowed to pass through till daylight.

7. All vessels, other than those of British Nationality or those of the Allied Nations, are prohibited from entering the Medway and Swale rivers.

All Neutral Aliens are prohibited from entering the Medway and Swale rivers in British vessels, and this applies to Aliens carried in British ships or barges as passengers or part of crew; the limits of the prohibited area are defined as from the Outer Bar buoy in the River Medway to Rochester bridge, and the whole of the River Swale from the light on Queenborough spit to Columbine spit buoy. Attention is drawn to the necessity of shipowners and charterers satisfying themselves that no Neutral Aliens are on board vessels sent to the Rivers Medway and Swale.

Variation.— 14° W.

NORTH SEA.

Caution with regard to Dangerous Area.

Caution.

In view of the unrestricted warfare carried on by Germany at sea by means of mines and submarines, not only against the Allied Powers, but also against Neutral shipping, and the fact that merchant ships are constantly sunk without regard to the ultimate safety of their crews, H.M. Government give notice that on and after the 7th February, 1917, the under-mentioned area in the North Sea will be rendered dangerous to all shipping by operations against the enemy, and it should therefore be avoided.

Dangerous Area.

The area comprising all the waters, except Netherlands and Danish territorial waters, lying to the southward and eastward of a line commencing four miles from the coast of Jutland in lat. 56° 00' N., long. 8° 00' E., and passing through the following positions—lat. 56° 00' N., long. 6° 00' E., and lat. 54° 45' N., long. 4° 30' E., thence to a position in lat. 53° 27' N., long. 5° 00' E., seven miles from the coast of Holland.

To meet the needs of Netherlands coastal traffic, which cannot strictly confine itself to territorial waters owing to navigational difficulties, a safe passage will be left southward of a line joining the following points:—

Lat. 53° 27' N., long. 5° 00' E.

„ 53° 31½' N., „ 5° 30' E.

ROGER B. LAWRENCE, Registrar.

SIMPSON, NORTH and CO., 1, Water-street, Liverpool, Plaintiff's Solicitors.

PURSUANT to an Order of the Chancery Division of the High Court of Justice, England, dated 17th February, 1913, in an action in the Matter of the estate of MARY FRANCES BACKHOUSE, deceased, Cutler v. Sturt, 1913, B. 151, the following inquiry was (inter alia) directed:—(2) "An inquiry who were the persons entitled by virtue of or according to the Statute of Distributions or otherwise to the testatrix's estate living at the time of her death, and whether any of them are since dead, and, if so, who are their respective legal personal representatives." Now all persons claiming to be interested under the said inquiry are, personally or by their Solicitors, on or before the 15th day of May, 1917, to come in and prove their claims at the Chambers of Mr. Justice Eve and Mr. Justice Peterson (Room 696), at the Royal Courts of Justice, Strand, London, England, or in default thereof they will be peremptorily excluded from the benefit of this order. Tuesday, the 22nd day of May, 1917, at 12 o'clock noon, at the said Chambers, is appointed for hearing and adjudicating upon such claims.

NOTE.—The testatrix Mary Frances Backhouse was never married, and died 17th August, 1912, at Tunbridge Wells. Her parents were Thomas Backhouse and Sarah (formerly Wilkinson), his Wife, who were married at Milton, Gravesend, in 1823, and afterwards lived at Islington, London. It is alleged they had only two other children, namely, Emily Sarah, born in 1827, and Ann Eliza, born in 1829 and died 1843.

Mary Wilkinson (maternal Grandmother of testatrix) died 14th March, 1844, aged 87, at Brunswick-place, Balls Pond, Middlesex.

Henry Wilkinson (died 1863) and William Wilkinson (died 1875) were Uncles of testatrix.

The testatrix was the Great-Granddaughter of Jacob Backhouse the Elder (who died 1786, at Carlisle), and his Wife Hannah (formerly Losh). They had (amongst others) the following children:—(1) Jacob Backhouse the Younger, (2) Robert Backhouse, the paternal Grandfather of the testatrix, and (3) Edward Backhouse.

Jacob Backhouse the Younger married Margaret Hetherington in 1779, at Carlisle, and had (amongst others) the following children:—(1) Jane, who married Isaac Robinson in 1802, at Carlisle, and (2) Rebecca, who married John Thompson in 1817, at Clitheroe, Lancashire, and had amongst other children:—(a) Elizabeth, who married James Grime and died 14th June, 1913, at Philadelphia, Pa., U.S.A., and (b) Emelia, born 4th January, 1835, who is alleged to have died in infancy.

Robert Backhouse, the paternal Grandfather of testatrix, was married three times. Thomas Backhouse, the Father of testatrix, was his child by his first Wife (Sarah, formerly Coats), whom he married in 1786, at St. Bride's, in the city of London. There is evidence that she was a widow at the date of marriage. No evidence has been adduced as to her former marriage or her parents and family. Robert Backhouse's third Wife was Sarah Butler, who was living in 1831. He had by her a son, Robert James, baptized 1806 at St. Pancras, Middlesex. It is known that he was living in 1829, but not whether he had any issue.

Edward Backhouse, the Son of Jacob Backhouse the Elder, married Dorothy Lambert, and is alleged to have had a child named Hannah baptized in 1794 at Carlisle. It is not known whether she married or whether she had any issue.

The representatives of Elizabeth Grime allege that she was the only person entitled under the above Statute to the testatrix's estate living at the death of the testatrix.

All the above places are, except where otherwise stated, in England.—Dated 30th day of January, 1917.
