At the Court at *Buckingham Palace*, the 30th day of *March*, 1917.

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS there was this day read at the Board a Memorial from the Right Honourable George Nicoll Barnes, Minister of Pensions, dated the 28th day of March, 1917, in the words following, viz.:—

“Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, wages, pensions, bounty money, grants, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Forces to a person being or having been an officer, seaman, or marine, or to the widow or any relative of a deceased officer, seaman, or marine, shall be paid in such manner and subject to such restrictions, conditions and provisions as are from time to time directed by Order in Council:

“And whereas under Section 2, subsection (1) of the Ministry of Pensions Act, 1916, it is enacted, *inter alia*, that there shall be

transferred to the Ministry of Pensions the powers and duties of the Admiralty with respect to pensions and grants to persons who have served as officers or men and to their widows, children, and other dependants, other than service pensions, as far as such pensions and grants are payable out of monies provided by Parliament and not provided exclusively for the purpose of Greenwich Hospital, and that Your Majesty may, by Your Order in Council, make such adaptations in the enactments relating to such powers and duties as aforesaid as may be necessary to make them exercisable by the Minister of Pensions and his officers, and may fix the time or times as from which the several powers and duties are to be transferred to him:

“And whereas I am of opinion that it is desirable in certain respects to amend the conditions under which pensions and grants have hitherto been awarded to certain seamen and marines disabled in consequence of service during the present war, and to the widows, children, other relatives, and dependants of such seamen and marines, whose deaths have been due to or have occurred during service in the present war, and, further, to amend the

scales or rates of pension provided under the said Orders:

"I beg leave humbly to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the grant of pensions, allowances, and gratuities to the persons on the scales and subject to the conditions prescribed in the Regulations annexed hereto, with effect from the first weekly pay day after the 1st day of April, 1917, without prejudice, however, to the validity of anything which may have been done by the Lords Commissioners of the Admiralty under Your Majesty's previous Orders in Council relating to grants to such persons, and, further, to empower me to make or revise grants under the said previous Orders in respect of any claims which may have arisen between the outbreak of the war and the above date. Provided always, that if more favourable to the seaman or marine, the pension, allowance, or gratuity payable under existing regulations shall be granted, and no grant to a sailor or marine or to the family or dependants of a sailor or marine shall be reassessed to their disadvantage.

"The Lords Commissioners of Your Majesty's Treasury have signified Their concurrence in these proposals."

His Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed. And the Right Honourable George Nicoll Barnes, Minister of Pensions, is to give the necessary directions herein accordingly.

*Almeric FitzRoy.*

#### REGULATIONS FOR PENSIONS OF BRITISH SEAMEN AND MARINES, THEIR WIDOWS, RELATIVES AND DEPENDANTS.

##### PART I.—SEAMEN AND MARINES.

1.—(1) A seaman or marine discharged as medically unfit for further service, such unfitness being certified as either attributable to or aggravated by naval or military service in consequence of the present war and not being due to the serious negligence or misconduct of the discharged man, may, if he is disabled in any of the manners set forth in the First Schedule to these Regulations be granted a minimum pension at the weekly rates therein shown as corresponding to the degree of his disablement. In the case of injuries not shown therein, and in the case of disease, the pension may be assessed at the degree in the schedule which is held most closely to represent the disablement corresponding to the injury or disease.

Men in possession of good conduct badges or medal, and men who have completed time for long-service pension with very good characters throughout their service, shall receive the same addition to their pension in respect thereof as under existing Regulations. Chief Petty Officers, Petty Officers and Leading Rates of the Royal Navy shall also receive the same additions in respect of petty time as under existing Regulations. Non-Commissioned Officers of the Royal Marines shall receive the additions laid down in the existing regulations for long service pensions in respect of service above the rank of private.

A further addition will be made to the pension in respect of service at the following rates:—

	Weekly. s. d.
Men of 6 years' service and under 12 years' ...	1 0
Men of 12 years' service and under 18 years' ...	2 0
Men of 18 years' service and under 21 years' ...	3 0
Men of 21 years' service and under 25 years' ...	4 0
Men of 25 years' service and over ...	5 0

The pension granted to a seaman or marine who held paid acting rank at the time he was wounded, injured or removed from duty in consequence of disablement may be at the rate appropriate to that rank.

2.—(1) A disabled man pensioned under Article I. of these Regulations may be granted during the continuance of the pension a further allowance for each child under the age of 16 at such proportion of the following weekly rates as corresponds to the degree of disablement at which the man is assessed for pension:

	s. d.
For a first child ...	5 0.
For a second child ...	4 2
For a third child ...	3 4
For each child after the third	2 6

(2) The allowance may (subject to the continuance of the pension) be granted or continued beyond the age of 16 in the case of apprentices receiving not more than nominal wages, or of children being educated at secondary schools, technical institutes or universities, and may be granted or continued between the ages of 16 and 21 in the case of a child incapable through mental or physical infirmity of earning a living, provided the infirmity existed before the child attained the age of 16.

(3) In any case in which, in the opinion of the Minister of Pensions, it may become necessary to secure the proper care of a child on behalf of which an allowance is payable, the allowance instead of being paid to the parent may be administered under such conditions as the Minister of Pensions may determine.

(4) In the event of a parent being wholly or partially relieved of the charge of any child by its maintenance in the Army or Navy, or in any institution wholly or mainly supported from public funds, the allowance granted on account of that child may be reduced by the extent of that relief.

3.—(1) Any disabled man pensioned under Article 1 of these Regulations who makes application and shows that the minimum pension with children's allowances (if any) which he has been granted, together with the average earnings (if any) of which he remains capable, are less than his pre-war earnings, may be granted temporarily or permanently in lieu of the minimum pension and children's allowances, a pension which, together with the average earnings (if any) of which he is judged capable, shall not exceed his pre-war earnings up to a maximum of 50s. a week, plus half of any pre-war earnings between 50s. and 100s. per week.

4.—Half the pension and allowances (if any) awarded under the preceding articles may be subject to the condition that the disabled man shall undergo medical treatment in or at a sanatorium, hospital, convalescent home or otherwise, for any period during which it may be certified that such treatment is necessary in his interests.

5.—(1) In the case of a man whose disablement has not reached its final condition a pension may be temporarily granted at the rate appropriate to his temporary disablement, and the grant shall be reviewed from time to time until a permanent assessment can be made.

(2) When a permanent pension has been granted it shall not be altered on account of any change in the man's earning capacity, whether resulting from training or other cause; neither shall it be subject to review except—

(a) When a man whose pension is assessed under Article 1 of these Regulations claims that there has been a substantial increase in the extent of the disablement due to the original cause.

(b) When a man whose pension is assessed under Articles 1 and 2 of these Regulations shows that it would be more advantageous to him to be assessed under Article 3.

6.—(1) In any case where it is certified that a disabled man should, in consequence of his disablement, undergo any special course of medical treatment, or be treated in or at a sanatorium, hospital, convalescent home, asylum or other institution, or where it is decided that he should receive training in a technical institution or otherwise, and he is deemed unable in consequence to provide for his own support and that of his family, there may be granted to or in respect of him, in lieu of any pension awarded to him, under the preceding Articles of these Regulations for the period during which he is undergoing such treatment or training, and subject to such conditions as the Minister of Pensions may determine either—

(a) an allowance of an amount not less than that corresponding to the highest degree of disablement as shown in the First Schedule to these Regulations, and in the case of a man whose treatment or training necessitates the man living away from home, a further allowance which will secure to his wife and children or to a dependant supported by him up to the time when his treatment or training commences, an amount not less than the pensions and allowances to which, if eligible, they would have been entitled under Part II. of these Regulations; or

(b) an allowance equal to the maximum pension which would be payable to him under Article 3 of these Regulations if he were without earning capacity, whichever is the greater.

(2) A deduction of such an amount and under such conditions as the Minister of Pensions may determine, may be made from any allowance granted under subsection 1 of this Article, on account of the cost of the disabled man's maintenance in an institution.

(3) Any charges, fees, or expenses in respect of the treatment or training of a disabled man

that are not otherwise provided for may be paid under such conditions as the Minister of Pensions may determine.

(4) At the termination of any period of training as is provided for in this Article, there may be granted to the disabled man an amount equal to the sum of 5s. for each week of the period during which he has been undergoing training.

(5) In any case where it is certified that a disabled man should, in consequence of his disablement, undergo medical treatment in circumstances which do not render him unable to provide for his own support and that of his family, but require him to absent himself from his work on one or more occasions in a week, there may be granted to him, in addition to any pension awarded to him under the preceding Articles of these Regulations, an allowance not exceeding 10s. a week for the time he is required so to absent himself, the allowance to be subject to such conditions as the Minister of Pensions may determine.

(6a) In addition to any pension awarded under the foregoing articles there may be granted, under such conditions as the Minister of Pensions may determine, to or on behalf of a man disabled in the highest degree, an allowance not exceeding 20s. a week in any case where the constant attendance of a second person is necessary.

7.—(1) In any case where the degree of disablement is assessed at less than 20 per cent., or where it is considered more in the interests of the man, a gratuity or temporary allowance may be granted in place of any pension and children's allowances. The grant will be subject to such conditions as the Minister of Pensions may determine, and its amount will not exceed £200 and will depend on the extent of the disablement and on the other circumstances of the case.

(2) A seaman or marine discharged as medically unfit for further service, such unfitness being neither attributable to nor aggravated by naval or military service, and not being due to the serious negligence or misconduct of the discharged man, may be granted a gratuity or temporary allowance. The grant will be subject to such conditions as the Minister of Pensions may determine. In exceptional circumstances it may amount to a sum not exceeding £150, and generally it will depend on the extent to which the man is incapacitated, on the length and character of his service, and on the other circumstances of the case.

8.—(1) A seaman or marine discharged as medically unfit for further service may be granted a temporary allowance of 14s. a week for any period that may elapse between the date of his discharge and the announcement of a decision as to the award of pension or gratuity in his case. Arrears of this allowance will not be granted for more than a fortnight before an intimation of the discharge is received by the Ministry or, if there has been no such intimation, before the date of any application that may be made to the Ministry for an allowance or for a pension.

(2) This temporary allowance will be deducted from any pension for the corresponding period in so far as the pension for that period may be sufficient to meet it, but no deduction

on account of the temporary allowance exceeding the rate of pension will be made from any subsequent issues of pension and no deduction will be made from any gratuity.

9. If a man after discharge from the Navy or Marines is certified to be disabled owing to—

- (a) wounds or injuries received in the performance of naval or military duty in consequence of the present war; or
- (b) disease, certified as contracted or commencing while on active service, or as having been aggravated by active service in consequence of the present war.

such disablement not having been caused or aggravated by the man's serious negligence or misconduct, he may be granted a pension as if he had been discharged as medically unfit for further service upon the date from which his claim is established.

## PART II.—WIDOWS AND DEPENDANTS.

10.—(1) Pensions to the widows, children, and dependants of deceased seamen or marines, for which provision is made in the following articles, shall not be claimed as a right, but shall be given as a reward of service, and no pension shall be granted or continued to a widow or dependant who, in the opinion of the Minister of Pensions, is unworthy of the public bounty, and it shall be in the power of the Minister of Pensions to terminate or suspend any pension that may have been granted to such persons or to provide for its administration under such conditions as he may determine, and his decision in any case shall be final.

(2) It shall be within the power of the Minister of Pensions to deduct from any sum paid by way of pension or allowance under this part of these Regulations the cost of any benefit which it may hereafter be decided to substitute for part of the pension or allowance, provided that no deduction made under this subsection shall be at a greater rate than one penny for each full half-crown of the pension or allowance.

11. The widow of a seaman or marine who in consequence of the present war either (a) is killed while in the performance of naval or military duty, or (b) dies as a result of wounds or injuries received in the performance of such duty within seven years of receiving such wounds or injuries, or (c) dies of disease, certified as contracted or commencing while on duty, or as having been aggravated by such duty, within seven years of his removal therefrom on account of such disease, may, provided the man's death has not been caused by his serious negligence or misconduct, be granted a minimum pension in respect of his death at the following weekly rates:—

	Weekly. s. d.
Marine Warrant Officer, Class I. ... ..	21 3
Marine Warrant Officer, Class II. ... ..	18 9
Chief Petty Officers, Colour and Staff Sergeants of Marines ... ..	17 6
First-class Petty Officers, (O.S.), Petty Officers (N.S.), and Sergeants of Marines ... ..	16 3

Weekly.  
s. d.

Second-class Petty Officers, Leading Rates and Corporals of Marines ... 15 0

All naval ratings below those described above and Marines below Corporal ... 13 9

The pension granted to the widow of a seaman or marine who held paid acting rank at the time he was killed or was removed from duty owing to wounds, injuries or disease from which he subsequently died, may be at the rate appropriate to that rank.

12. A widow pensioned under Article 11 of these Regulations may be granted a further allowance at the following weekly rates for each child under the age of 16 maintained by her:—

	s. d.
For a first child ... ..	5 0
For a second child ... ..	4 2
For a third child ... ..	3 4
For each child after the third ... ..	2 6

The provisions for the grant or continuation of this allowance beyond the age of 16, for its administration to secure the proper maintenance of the child, and for its reduction to the extent to which the parent is relieved of the charge of the child shall be as set forth in subsections (2), (3), and (4) of Article 2 of these Regulations.

13. Any widow pensioned under the conditions set forth in Article 11 of these Regulations, who makes application and shows that she was married to the seaman or marine before the commencement of the war or before the date of his enlistment, whichever was the later, and that the minimum pension, with children's allowances (if any) which she has been granted under the two preceding articles, is less than one-half of any alternative pension that might have been awarded to the deceased seaman or marine under Article 3 of these Regulations had he survived, and been incapable of supplementing that pension by earnings, may be granted, in lieu of a minimum pension and children's allowances, a pension which shall not exceed one-half of the alternative pension of the deceased man.

14. In addition to any pension and children's allowances awarded under the foregoing three articles there may be granted, under such conditions as the Minister of Pensions may determine:—

(1) To any widow a gratuity not exceeding £3 to meet expenses consequent on or caused by the death of the seaman or marine.

(2) To any widow pensioned under Article 11 of these Regulations, an addition of 1s. 3d. a week to the pension granted under that Article when she reaches the age of 45.

(3) To any widow an allowance not exceeding 12s. 6d. per week for a period not ordinarily exceeding 13 weeks whilst she is undergoing any course of instruction which, in the opinion of the Minister of Pensions, will be advantageous to her. Where an allowance is granted under this subsection any fees for training, for which provision is not otherwise made, may be paid subject to such conditions as the Minister of Pensions may determine.

15. The widow of a seaman or marine who during the present war has died from wounds, injuries, or disease, neither attributable to naval or military service nor certified as aggravated by such service, but not due to the serious negligence or misconduct of the deceased man, may be granted a temporary pension of 15s. a week for the period of the war and for 12 months afterwards.

16. Any pension granted to the widow of a seaman or marine under these Regulations shall cease on her re-marriage, and she may then be given a gratuity equal to one year of her minimum pension under Article 11, subject to such conditions as to payment as the Minister of Pensions may determine. Allowances for children under Article 12 may be paid after re-marriage.

17. The widow of a man who has been in receipt of a disablement pension of not less than 10s. a week, but whose death does not entitle her to a pension under Article 11 of these Regulations, may, provided she was living with the man at the time of his death, receive a pension of not more than one half of the pension of the deceased, and in no case at a higher rate than provided for under that Article, this grant to be subject to such conditions as the Minister of Pensions may determine and to cease on re-marriage.

18. The child of a seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may be awarded a pension of—

(1) 7s. a week where the child is or becomes motherless, or is not or ceases to be under the control of its mother. In the event of two or more children being maintained by one person, the amount will be reduced to 6s. for each of the children after the first.

(2) 5s. a week where an affiliation order was in force on account of a child at the time of the death of the seaman or marine, or in the case of a child of a woman who was not married to or supported by the man, where there is satisfactory proof that he was its father.

This pension may continue in either case while the child is under the age of 16, and beyond that age in the circumstances set forth in subsection (2) of Article 2 of these Regulations, and shall be administered subject to such conditions as the Minister of Pensions may determine.

19. The separated wife of any seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may, provided the marriage took place at a time entitling a widow to a pension, be granted a pension equal to the amount due to her under a separation order or voluntarily paid by her husband, or both, up to a maximum of 10s. a week, and allowances for her children, if maintained by her, as in Article 12 of these Regulations. Allowances for children as in that Article may also be granted to the separated wife of a seaman or marine who did not contribute to her support.

20. Any woman who has lived as his wife with a seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may, if she had been wholly or

substantially dependent on that man and had been drawing a separation allowance as for a wife, or was eligible for such allowance, be granted a pension as follows:—

(1) If and for so long as she has children of the seaman or marine in her charge, 10s. a week and allowances for the children as in Article 12 of this Our Warrant.

(2) If she has no children of the seaman or marine, or has ceased to have them in her charge (otherwise than from their being removed from her control on account of her misconduct), 10s. a week for the period of the war and 12 months afterwards, or for 12 months after ceasing to have any child of the deceased man in her charge, whichever be the later date, and for any subsequent period during which, from infirmity or age, she is wholly or partly incapable of supporting herself.

21.—(1) The parent (or parents) of a seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may, if the parent (or parents) was (or were) wholly or partially dependent on the man, be granted a pension within the limit of pre-war dependence, and not exceeding 15s. a week, or at the discretion of the Minister of Pensions a grant as in Article 22 (2) of these Regulations.

(2) The parent (or parents) of a seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may, if the parent (or parents) is (or are) at any time wholly or partly incapable of self-support from infirmity or age, be granted a pension not exceeding 15s. a week:—

(a) If the man at the commencement of the war was serving or had served not less than one year as an apprentice in any recognised trade; or

(b) If the man for the purpose of qualifying for any profession or employment had, after the age of 16, attended regularly any school, college, university, or hospital, or had been articulated in accordance with the recognised practice of any profession, provided that the amount of a pension in this case should not exceed 5s. for each completed year of the man's attendance or articles.

(3) A pension under the foregoing subsections of this Article may be granted on account of each son who has died in the circumstances set forth in Article 11, but the total of the pensions so granted shall not exceed 15s. a week.

The pension or pensions will be the same whether both parents are concerned or there is only one parent.

(4) The mother of a seaman or marine who has died in the circumstances set forth in Article 11 of these Regulations may, if by reason of the death of the man's father during the war she becomes at any time wholly or partly incapable of self-support from infirmity or age, be granted a pension not exceeding 15s. a week.

22.—(1) Any dependant of a seaman or marine who has died in the circumstances set forth in Article 11, not coming under Articles 18, 19, 20, or 21 of these Regulations, but in respect of whom separation allowance has been paid, or who was eligible for such allowance,

may, provided he or she is wholly or partially incapable of self-support and in pecuniary need, be granted a pension of 5s. a week or the amount of pre-war dependence, so long as the incapacity continues. If it ceases, a terminal gratuity may be given not exceeding the amount of 26 weeks' pension, or the balance of such gratuity as might have been issued under the following subsection, if there had been no incapacity, whichever is the greater.

(2) Any dependant of a seaman or marine who has died in the circumstances set forth in Article 11, not including a woman who has lived with a seaman or marine as his wife, may, if not entitled to a pension under the preceding Articles, receive a grant by way of gratuity or weekly payment, not exceeding in all a year's pay of the deceased, or a year's allowance at the rate at which separation allowance and allotment were last paid or payable, to be awarded at the discretion of the Minister of Pensions.

23. Any pension granted to the separated wife or to a female dependant of a seaman or marine under Articles 19, 20, 21, and 22 of these Regulations shall cease on her marriage or re-marriage, and she may then be given a gratuity not exceeding 26 weeks of that pension subject to such conditions as the Minister of Pensions may determine. Allowances for children under Articles 19 and 20 may be paid after marriage or re-marriage.

### PART III.—GENERAL PROVISIONS.

24. In these Regulations, unless the context otherwise requires—

(1) "Seaman or marine" means any seaman or marine, including Chief Petty or Petty Officer and Warrant Officer and Non-Commissioned Officer of the Royal Marines, except a Royal Marine Gunner, who has served or been in receipt of naval or marine pay as such during some period of the present war, and shall extend to men belonging to the Naval and Marine Reserves, as well as to a seaman or marine specially enlisted or deemed to be specially enlisted for the purpose of the present war and transferred forthwith to the Reserve, provided that he shall have been called into actual service and have served and been in receipt of naval or marine pay as such during some period of the present war, but shall not include any seaman or marine of the Royal Indian Marine, of Dominion, Colonial, or Protectorate Forces, whether raised for local or general service.

(2) "Widow" means the widow of any seaman or marine as defined above, but shall not include a widow whose marriage took place after the end of the war, or after the man's discharge, or, if during his service, after the receipt of the wound or injury which caused his death, or after removal from duty on account of the contraction (if contracted during the war) or aggravation of the disease which caused his death, or a widow who was separated from her husband at the time of his death.

(3) "Child" means the child of any seaman or marine as defined above, born before or within nine months after the man's discharge, and may include any child regularly

maintained by him at the commencement of the war or at the date of his enlistment, whichever was the later, but shall not include the child of a wife or widow who was married to the seaman or marine after the end of the war, or after his discharge, or after the receipt of the wound or injury which caused his death, or after removal from duty on account of the contraction (if contracted during the war) or the aggravation of the disease which caused his death.

(4) "Parent" includes a grandparent or other person who has been in the place of a parent to a seaman or marine, and has wholly supported him for not less than one year at some time before the commencement of the war.

(5) "Dependant" means any person (other than a widow or child as defined above) who is found as a fact to have been wholly or in part dependent upon a seaman or marine for a reasonable period immediately before the commencement of the war, or before enlistment if subsequent to the commencement of the war. "Dependant" means so dependent as aforesaid.

(6) "Pre-war earnings" means the average weekly earnings of a seaman or marine during the twelve months preceding the commencement of the war and, so far as regards a man who was in employment before the war, shall be computed generally in the same manner as for the purposes of the Workmen's Compensation Act, 1906. In the case of a man in a trade, business or profession, the average profits of the last three years preceding the commencement of the war shall be taken.

In the calculation of the pension payable to or on account of a seaman or marine, who at the commencement of the war was serving and had served not less than one year as an apprentice in any recognised trade, the standard rate of wages of that trade in the district at the time of the commencement of the war may be substituted for pre-war earnings, provided enlistment took place before the age of 26.

In the calculation of the pension payable to or on account of a seaman or marine, who for the purpose of qualifying for any profession or employment had, after the age of 16, attended regularly any school, college, university or hospital, or had been articled in accordance with the recognised practice of any profession, an amount equivalent to what would have been the man's minimum pension for the highest degree of disablement, with an addition of 5s. for each completed year of such attendance or "articles" before the age of 23, may be substituted for pre-war earnings, up to a maximum of 50s. a week, provided enlistment took place before the age of 26.

(7) "Pre-war Dependence" means the amount, expressed as a weekly or annual sum, representing the value of the support afforded to, or of benefits conferred upon, a dependant by a seaman or marine for a reasonable period immediately preceding the commencement of the war (or entry into service or enlistment, if subsequent to the

commencement of the war), exclusive, however, of any increase thereof due to circumstances arising out of the war, in the case of entry into service or enlistment subsequent to the commencement of the war, and shall include the following:—

- (a) Amount regularly contributed by the man if he received no material benefits in return therefor.
- (b) Amount regularly contributed by the man in excess of expenditure incurred on his account.
- (c) Money value of any benefit conferred upon the dependant by the man.
- (8) "Certified" means, in respect of any medical certification, certified by a medical officer or Board of Medical Officers appointed for the purpose by the Board of Admiralty or by the Minister of Pensions.
- (9) "Service" in the third paragraph of

Article 1 of these Regulations shall mean any service which counts for long service pension or any mobilised service.

25. Any provisions at present obtaining in the King's Regulations and Admiralty Instructions, or in any Orders in Council relating to the pensions or grants to disabled seamen or marines, or to the pensions, allowances, and gratuities to the widows, children, relatives and other dependants of deceased seamen and marines, shall remain in force, except in so far as they are modified by this or any subsequent Orders in Council, and by the substitution, so far as these pensions and grants are concerned, of the Minister of Pensions for the Lords Commissioners of the Admiralty.

26. Nothing in these Regulations shall be held to affect the existing Orders in Council or Regulations in regard to Service Pensions or other grants, the administration of which continues to be vested in the Board of Admiralty.

PRESENT,

The KING's Most Excellent Majesty in Council

**W**HEREAS the Ecclesiastical Commissioners for England have, in pursuance of an Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 22nd day of March, in the year 1917, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 6th and 7th years of Her late Majesty Queen Victoria, Chapter 37, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for authorizing the sale and disposal of certain property in the Parish of East Adderbury, in the County of Oxford, now vested in us:

"Whereas under and by virtue of an Indenture bearing date the 5th day of October, 1914, and made between Alice Baker, of No. 36, Dandy Row, Darwen, in the County of Lancaster, Spinster, of the one part, and us, the Ecclesiastical Commissioners for England, of the other part, certain lands together with a wharf situate in the Parish of East Adderbury aforesaid, shown by the *pink colour* on the Plan drawn on the said Indenture, and particularly described in the Schedule annexed thereto, became with their appurtenances and are now vested in us:

"And whereas the said lands and wharf are not subject to any outstanding beneficial lease or grant, but are now in our possession, but on account of their situation are now unsuitable or inconvenient to be held or applied for the purposes for which estates vested in us are applicable under the Acts by which our proceedings are governed:

"And whereas with a view to the advantageous appropriation of the same, or of the proceeds thereof, for the ultimate improvement of our Common Fund, it is expedient that the said lands and wharf, or such part or parts thereof as we shall at any time and from time to time think fit, should be sold or disposed of, and accordingly that we should be empowered to sell or dispose of our interest in such lands and wharf, or in any part or parts thereof, in such manner as shall appear to us advisable:

"Now, therefore, we humbly recommend and propose that we may be authorized and empowered by instrument or instruments in writing, duly executed according to law, from time to time to sell or dispose of and duly to convey, according to the provisions of the said Act, all or any of the said lands and wharf, so vested in us as aforesaid, with their appurtenances, and all our estate, right, title, and interest therein, or in any part or parts thereof, unto and to the use of any person or persons desirous or willing to purchase the same, and his or their heirs, executors, administrators, or assigns, or otherwise as he or they shall direct or appoint, and for such consideration as shall upon due calculation and inquiry appear to us to be just and reasonable, it being our intention to invest the proceeds of such sale from time to time as occasion may arise

in the purchase of other lands, tithes, rent-charges, tenements, or hereditaments, or of some estate or interest therein, convenient to be held by us for the purposes of the Acts by which our proceedings are governed as aforesaid, and in the meantime to invest the said proceeds in some Government or Parliamentary Stock or other Public Securities in England.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Act, or of any other Act of Parliament.

"All which we humbly recommend and propose to Your Majesty in Council."

And whereas the said Scheme has been approved by His Majesty in Council:

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Act.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the Diocese of Oxford.

2. Coasting vessels are not to be under way nor exhibit any lights in the East Swin or Wallet between sunset and sunrise.

(e) The River Medway East of Rochester Bridge.

Note.—For the purposes of this Order the Estuary of the Thames is to be considered to include the north coast of Kent from North

4.—(a) The cruising of yachts and other pleasure craft under sail, steam, or otherwise mechanically driven, and under oars, in those portions of the Estuary of the Thames and the rivers Thames and Medway outside the areas specified in Section 3, and also in the rivers Crouch and Roach, will be permitted under the following restrictions:—

(b) Cruising is permitted in the Crouch west of a line drawn in a  $0^{\circ}$  (*N.  $14^{\circ}$  E. Mag.*) and a  $180^{\circ}$  (*S.  $14^{\circ}$  W. Mag.*) direction through Nass Point. Cruising is also permitted in the Roach as far as Paglesham Hard, but owners of yachts are to intimate their intention to proceed up the Roach to the Coast Guard, Burnham, before leaving, and report their return.

(i.) No yachts may anchor in the Crouch between Burnham Coast Guard Station and Nass point.

(ii.) Landing in the Roach may be permitted only at Paglesham Hard, and permits are to be exhibited to the Military Patrol stationed there.

(c) Local craft used for business purposes are subject to the foregoing restrictions, but may in certain instances be allowed in prohibited areas, if permission in writing has been previously obtained from the Naval or Military Authorities.

(d) Owners of boats anchored within sight of Burnham Coastguard Station may go on board their boats up to 10.0 p.m., provided that a permit to do this has been obtained from the Senior Naval Officer, Brightlingsea, and provided also that the boat remains at anchor.

(e) Pleasure craft using the areas mentioned in paragraph (b) of this Sub-Section or the waters to the west of the line mentioned in Sub-section 3, paragraph (c), must obtain a licence from the local Police.

(f) If more than one craft is used, a separate licence is required for each.

(i) Boats licensed for hire may be taken out by British subjects other than those in whose names the licences are made out, provided that they be returned to the licensees by sunset on the day of hire. The licence for the boat must be carried by the person hiring it.

(j) All pleasure craft of any description are prohibited from being under weigh between the hours of sunset and sunrise.

5.—(a) Pulling boats are allowed within the prohibited area in Sub-Section 3, par. (c), provided they obtain a licence in accordance with Sub-Section 4, pars. (e) (f), and also comply with Sub-Section 4, pars. (h), (i), (j), and that no such boats proceed more than one mile from the shore. In the area between Margate Coast Guard Station and the North Foreland they must keep within half a mile from the shore.

(b) Pulling boats are forbidden to go alongside or communicate with any vessel lying off the shore.

(c) No pleasure pulling boats are allowed in the Medway to the Eastward of Rochester Bridge, nor are any allowed in the area specified in Sub-Section 3, par. (d).

(b) A red ensign is to be displayed while navigating the Middle Deep and Swin Channel.

(c) No vessel may be under way after dark, except as provided for hereinafter.

(d) When at anchor in the Wallet, Ray Sand, and Whitaker Channels, or in the Rivers Colne, Blackwater, and Crouch, all lights are to be screened so that they will not show outboard.

(e) No vessel may anchor in the River Crouch in the area bounded by lines drawn in a  $0^{\circ}$  (*N.  $14^{\circ}$  E. Mag.*) and a  $180^{\circ}$  (*S.  $14^{\circ}$  W. Mag.*) direction, through Burnham Coastguard Station and Holliswell point; or in the River Blackwater in the areas bounded by a line in a  $0^{\circ}$  (*N.  $14^{\circ}$  E. Mag.*) and a  $180^{\circ}$  (*S.  $14^{\circ}$  W. Mag.*) direction, through Ramsey Stone to the opposite shore, and a line drawn through the Tollesbury and Mersea Oyster Fishery Company's Beacon on Thurslet Spit and the same Company's Beacon on the south side of the river.

(f) To enable vessels to save their tides they will be permitted to navigate the Rivers Colne, Blackwater, and Crouch at night above the following places:—

River Roach above Quay Reach.

River Crouch above Burnham Coast Guard Station.

River Blackwater above Ramsey Island Stone.

River Colne above Brightlingsea Creek.

They are to anchor immediately, should they be ordered to do so by the Naval or Military Authorities.

(g) Vessels are to carry out all instructions received from the Naval Officers in command of vessels patrolling these Channels and Rivers.

(h) No vessels are to enter or pass through the defended area in the Middle Deep and Swin Channels until they have been boarded and examined by the vessels stationed there for that purpose. Permission is given, subject to preliminary boarding and examination, for sailing vessels, if they so desire, to pass to the eastward of the Maplin light-house, but under no circumstances may they pass to the eastward of any of the conical buoys in the defended area.

(Note.—The Examination Officers will board South-bound vessels in the vicinity of the Whitaker Spit. Those leaving the Thames and Medway will be boarded near the Mouse Light-Vessel.)

The Boarding Officers will give Masters of vessels instructions as to the course they are to steer when passing through the defended area.

(i) Vessels reaching the entrance to the defended area within one hour of sunset will not be allowed to pass through till daylight.

7. All vessels, other than those of British Nationality or those of the Allied Nations, are prohibited from entering the Medway and Swale rivers.

All Neutral Aliens are prohibited from entering the Medway and Swale rivers in British vessels, and this applies to Aliens carried in British ships or barges as passengers or part of crew; the limits of the prohibited area are defined as from the Outer Bar buoy in the River Medway to Rochester Bridge, and the whole of the River Swale from the light on Queenborough spit to Columbine spit buoy. Attention is drawn to the necessity of ship-owners and charterers satisfying themselves that no Neutral Aliens are on board vessels sent to the Rivers Medway and Swale.
