WALSALL CORPORATION ACT, 1914.

Whereas by section 1 of the Special Acts (Extension of Time) Act, 1915, it is provided that where the time within which a duty is to be performed or a power may be exercised under any Special Act is limited, an application may be made to the appropriate Government Department for an order under the said Act extending that time, but only in cases where the time is due to expire within twelve months of the date of the application; provided that, without prejudice to the making of any further order, no time shall be extended under any such order for more than a year:

Mag.*) direction, through Ramsey Stone to the opposite shore, and a line drawn through the Tollesbury and Mersea Oyster Fishery Company's Beacon on Thurslet Spit and the same Company's Beacon on the south side of the river.

(f) To enable vessels to save their tides they will be permitted to navigate the Rivers Colne, Blackwater, and Crouch at night above the following places:—

River Roach above Quay Reach.

River Crouch above Burnham Coastguard Station.

River Blackwater above Ramsey Island Stone.

River Colne above Brightlingsea Creek.

They are to anchor immediately, should they be ordered to do so by the Naval or Military Authorities.

(g) Vessels are to carry out all instructions received from the Naval Officers in command of vessels patrolling these Channels and Rivers.

(h) No vessels are to enter or pass through the defended area in the Middle Deep and Swin Channels until they have been boarded and examined by the vessels stationed there for that purpose. Permission is given, subject to preliminary boarding and examination, for sailing vessels, if they so desire, to pass to the eastward of the Maplin lighthouse, but under no circumstances may they pass to the eastward of any of the conical buoys in the defended area.

(Note.—*The Examination Officers will board South-bound vessels in the vicinity of the Whitaker Spit. Those leaving the Thames and Medway will be boarded near the Mouse Light-Vessel.*)

The Boarding Officers will give Masters of vessels instructions as to the course they are to steer when passing through the defended area.

(i) Vessels reaching the entrance to the defended area within one hour of sunset will not be allowed to pass through till daylight.

8. All vessels, other than those of British Nationality or those of the Allied Nations, are prohibited from entering the Medway and Swale rivers.

All Neutral Aliens are prohibited from entering the Medway and Swale rivers in British vessels, and this applies to Aliens carried in British ships or barges as passengers or part of crew; the limits of the prohibited area are defined as from the Outer Bar buoy in the River Medway to Rochester bridge, and the whole of the River Swale from the light on Queenborough spit to Columbine spit buoy. Attention is drawn to the necessity of shipowners and charterers satisfying themselves that no Neutral Aliens are on board vessels sent to the Rivers Medway and Swale.

Variation.— 14° W.
