NOTE (1).—All persons or firms resident,  
 carrying on business or being in the United  
 Kingdom are prohibited from having, with any  
 person or firm mentioned in this List, or in any  
 List issued under the Trading with the Enemy  
 (Statutory List) Proclamation, 1916, No. 3,  
 any dealings other than such as are expressly  
 authorised by paragraph 5 of the Proclamation.  
 A List consolidating all previous Lists was  
 published on the 22nd June, 1917 (The Con-  
 solidating List, No. 29A), which together with  
 Lists No. 30 and 31 of the 6th and 20th July,  
 1917, respectively, and the List herewith an-  
 nexed contains all the names which up to this  
 date are included in the Statutory List.

Additions to and variations in these Lists  
 will be published at intervals approximately of  
 two weeks.

The Lists are published in the London  
 Gazette and reproduced in the Board of Trade  
 Journal, and separate copies of all Lists may  
 be obtained at a small cost from the Superin-  
 tendent of Publications, His Majesty's Sta-  
 tionery Office, Imperial House, Kingsway,  
 W.C.

†NOTE (2).—Where a person or firm men-  
 tioned in the List has more than one address  
 in the country, or group of countries under  
 which the name of the person or firm appears,  
 all dealings in that country, or in any country  
 in the group, with such person or firm are pro-  
 hibited, even in cases where one only of the  
 addresses or one only of the countries is speci-  
 fically mentioned.

NOTE (3).—Trading is prohibited under the  
 Trading with the Enemy Proclamation of 25th  
 June, and 10th November, 1915, with any per-  
 son or firm of enemy nationality resident or  
 carrying on business in China, Siam, Persia,  
 Morocco, Liberia or Portuguese East Africa.  
 Persons or firms in the United Kingdom are  
 therefore prohibited from trading with any  
 person or firm of enemy nationality in any of  
 those countries, even though such person or  
 firm is not mentioned by name in the Statutory  
 List.

NOTE (4).—In order to minimise as far as  
 possible any inconvenience which may be  
 caused to British traders by the dislocation of  
 export trade owing to the inclusion in the  
 Statutory List of a former connection, the  
 Foreign Trade Department is collecting and  
 classifying the names of non-enemy firms who  
 may be able to act as substitutes for firms men-  
 tioned in the Statutory List. A considerable  
 amount of information is already available at  
 the Foreign Trade Department, and it is in  
 many cases possible to suggest the names of  
 satisfactory substitutes without the necessity of  
 referring the matter abroad. The Department  
 is, however, prepared on application to enquire  
 of His Majesty's Representatives abroad for  
 the names of suitable substitutes. When the  
 applicant wishes this done by telegraph he is  
 required to undertake to pay the cost of tele-  
 graphic correspondence. It would greatly faci-  
 litate the work of the Foreign Trade Depart-  
 ment if applicants in making enquiries would

specify the particular trade or trades for which substitutes are required.

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish such agencies or branches with issues of the List as they appear. The Lists for all countries in Central or South America are also telegraphed to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

\*NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name followed by the general descriptive term "Handel Maatschappij" or "Naamlooze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company, and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."

*Decree (No. 5246), July 13, 1917.*

[TRANSLATION.]

Taking into consideration the representations made to me by the Ministers of all the Departments, with the view of simplifying in certain cases the procedure for the delivery of goods found on board requisitioned vessels; availing myself of the authorisation granted by the Laws No. 373 of September 2, 1915, and No. 491 of March 12, 1916: I hereby, on the advice of the Council of Ministers, decree as follows:—

ARTICLE III.

An extension is hereby granted to the 31st of August, 1917, of the period for the presentation of all claims or documents relative to goods of the same origin.

§1. At the termination of this extended period no claim or document will be admitted, and all proceedings pending will follow their legal course.

Provided always, that the sum specified in the second column of the said First Schedule shall be taken and received by the several Incumbents to whom the same are hereby made respectively payable in substitution for and not as additional to any grants which Instruments, heretofore sealed by us, have purported to charge permanently on the caputular revenues of Manchester other than by way of relief to our common fund under the thirteenth section of the Act firstly hereinbefore recited. Provided also that every sum specified in the fourth column of the said First Schedule shall be payable only on the production to us, on or after the said first day of May now next ensuing of a certificate under the hand of the Bishop of Manchester that the Incumbent has complied with the Bishop's requirements as to residence. Provided also that every sum specified in the fifth column of the said First Schedule shall be payable only upon the production to us, on or after each of the four above-mentioned days, of a certificate under the hand of the Bishop of Manchester that with his licence or permission an Assistant Curate has been employed within the parish during the quarter of the year then ended, and that such Assistant Curate is in receipt of a stipend after a rate of not less than one hundred and twenty pounds per annum. Provided lastly, that of the sums specified in the second column of the said Second Schedule proportionate parts only shall be payable in the event of the pensions now charged on the said benefices respectively in favour of retired Incumbents ceasing or being reduced before the first day of May next ensuing.

In witness whereof, we have hereunto set our common seal, this twenty-sixth day of July, in the year one thousand nine hundred and seventeen.

All vessels bound to or from Falmouth harbour must pass between the above light-buoys and maintain a course  $0^{\circ}$  (N.  $17^{\circ}$  E. Mag.) and  $180^{\circ}$  (S.  $17^{\circ}$  W. Mag.), respectively, for a distance of a quarter of a mile from the light-buoys.

Vessels approaching from the eastward, after passing the meridian of Penare head, must keep to the southward of the parallel of lat.  $50^{\circ} 03'$  N. before attempting to pass through the gateway.

Any instructions given by the patrol vessels should be strictly observed. Vessels proceeding eastward must obtain instructions as to the route to be followed before attempting to leave the anchorage.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway. Vessels entering Falmouth harbour must close the Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels approaching Falmouth in foggy

weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 30 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-bound vessels may approach within half a mile of the gateway.

During the hours of darkness all vessels entering or leaving Falmouth harbour must exhibit their side-lights.

(2) *Penzance Bay—Light-Buoys established; Traffic Regulations.*

Two light-buoys have been established to mark a gateway in the approach to Penzance bay, as follows:—

(a) *Eastern light-buoy:*

*Position.*—At a distance of  $14\frac{1}{2}$  cables,  $103^{\circ}$  (*S.  $60^{\circ}$  E. Mag.*), from St. Paul church. Lat.  $50^{\circ} 05' N.$ , long.  $5^{\circ} 30\frac{1}{2}' W.$

*Description.*—A conical light-buoy, painted red, exhibiting a *flashing green light every five seconds.*

(b) *Western light-buoy:*

*Position.*—At a distance of approximately 600 feet,  $270^{\circ}$  (*N.  $73^{\circ}$  W. Mag.*), from the eastern light-buoy (a).

*Description.*—A can light-buoy, painted in red and white chequers, exhibiting an *occulting red light every ten seconds.*

All vessels bound to or from Penzance bay must pass between the above light-buoys and maintain a course  $0^{\circ}$  (*N.  $17^{\circ}$  E. Mag.*) and  $180^{\circ}$  (*S.  $17^{\circ}$  W. Mag.*), respectively, for a distance of a quarter of a mile from the light-buoys.

Vessels approaching from the eastward must keep to the southward of the parallel of lat.  $50^{\circ} 02' N.$ , until reaching a position about 3 miles southward of the gateway, which should then be steered for. Any instructions given by the patrol vessels should be strictly observed.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway. Vessels entering Penzance bay must close the Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels making Mounts bay in foggy weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 25 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-

bound vessel may approach within half a mile of the gateway.

During the hours of darkness, all vessels entering or leaving Penzance bay must exhibit their side-lights.

Before attempting to leave Penzance bay, outward-bound vessels must obtain instructions as to the route to be followed.
