## A PROCLAMATION

PROHIBITING UNDER SECTION 1 OF "THE EXPORTATION OF ARMS ACT, 1900," AND SECTION 1 OF "THE CUSTOMS (EXPORTATION RESTRICTION) ACT, 1914," THE EXPORTATION FROM THE UNITED KINGDOM OF CERTAIN ARTICLES TO SWEDEN, NORWAY, DENMARK, AND THE NETHERLANDS.

GEORGE R.I.

WHEREAS by Section 1 of "The Exportation of Arms Act, 1900," it is enacted that We may by Proclamation prohibit the exportation of all or any of the following articles, namely, arms, ammunition, military and naval stores, and any article which We shall judge capable of being converted into or made useful in increasing the quantity of arms, ammunition, or military or naval stores, to any country or place therein named whenever We shall judge such prohibition to be expedient in order to prevent such arms, ammunition, military or naval stores, being used against Our subjects or forces or against any forces engaged

or which may be engaged in military or naval operations in co-operation with Our forces:

And whereas by Section 1 of "The Customs (Exportation Restriction) Act, 1914," it is enacted that Section 1 of "The Exportation of Arms Act, 1900," shall have effect whilst a state of war in which We are engaged exists as if, in addition to the articles therein mentioned, there were included all other articles of every description:

And whereas by virtue of a Proclamation dated the 18th August, 1916, made in pursuance of the said Exportation of Arms Act, 1900, as amended by the Customs (Exportation Restriction) Act, 1914, all articles whatsoever other than those excepted by the said Proclamation are now prohibited to be exported to the Kingdom of Sweden:

And whereas by virtue of a Proclamation dated the 10th May, 1917, made in pursuance of the said Acts, and by subsequent Orders of Council issued under the authority of the later Act, certain goods are now prohibited to be exported to, *inter alia*, the Kingdoms of Norway, Denmark, and the Netherlands:

And whereas We have deemed it expedient to revoke the said Proclamation dated the 18th

August, 1916, and to prohibit the exportation to Sweden, Norway, Denmark, and the Netherlands, of all articles whatsoever other than those hereinafter excepted:

Now, therefore, We have thought fit, by and with the advice of Our Privy Council, to issue this Our Royal Proclamation, declaring, and it is hereby declared, that the above-mentioned Proclamation dated the 18th August, 1916, be, and the same is hereby, revoked as from the 8th day of October, 1917, and that the exportation of the following articles be prohibited on and after that date to all ports and destinations in Sweden, Norway, Denmark, and the Netherlands, viz.:—

All articles which are not by virtue of any Proclamation for the time being in force made under Section 8 of the Customs and Inland Revenue Act, 1879, as amended by any Act, or under the Exportation of Arms Act, 1900, as amended by any Act, prohibited to be exported to Sweden, Norway, Denmark, and the Netherlands, except:—

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915, and other enactments:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner hereinafter appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following amendments be made in the said regulations:—

1. At the end of Regulation 2A the following sub-section shall be inserted:—

"(2) If as respects any area in which the work of manufacturing, producing, repairing, storing or transporting war material is being carried on, the Minister of Munitions

is of opinion that the ejection from their dwellings of workmen employed in that work is calculated to impede, delay, or restrict that work, he may by order declare the area to be a special area for the purpose of this regulation.

"Whilst the order remains in force no person shall, without the consent of the Minister of Munitions, take, or cause to be taken, any proceedings for the purpose of obtaining an order or decree for the recovery of possession of, or for the ejection of a tenant of, any dwelling house or other premises situate in the special area, being a house or premises in which any workman so employed is living, so long as the tenant continues duly to pay the rent and to observe the other conditions of the tenancy, other than any condition for the delivery up of possession.

"If any person acts in contravention of this regulation he shall be guilty of a summary offence against these regulations."

2. Regulation 30 shall be amended by the insertion therein after the words "imposed by the order" of the words "or, where any such permit as aforesaid is granted subject to any conditions, fails to comply with those conditions."

3. Regulation 39 shall be amended by the insertion after the words "payment of pilots" of the following paragraph:—

"The power of the Army Council under this regulation to make orders providing for pilotage being compulsory may, as respects vessels within the limits of any defended port in the United Kingdom, be exercised by the competent military authority or any pilotage authority duly authorised by him in writing."

4. After Regulation 39cc the following regulation shall be inserted:—

"39ccc. If it appears to the Shipping Controller that for the purpose of preventing congestion of traffic it is desirable to provide further storage accommodation at any port or harbour in the United Kingdom, the Shipping Controller or any person duly authorised by him in that behalf may take possession of such buildings or other property as the Shipping Controller may think necessary for the purpose of providing the requisite accommodation."

5. Regulation 45 shall be amended by the insertion of the following new paragraph after paragraph (b):—

"or  
 "(2) Uses or has in his possession or under his control without the authority of the Government Department or Authority concerned any die, seal, or stamp, of, or belonging to, or used, made, or provided by, any Government Department or by any diplomatic, naval, or military, authority appointed by or acting under the authority of His Majesty or appointed by or acting under the authority of the Government of any Allied State, or counterfeits any such die, seal, or stamp, or uses or has in his possession or under his control without lawful authority or excuse any such counterfeited die, seal, or stamp."

PRESENT,

The KING's Most Excellent Majesty in Council.

**W**HEREAS by Section 80 of the Merchant Shipping Act, 1906, power is given to His Majesty, by Order in Council, to make Regulations as to the manner in which Government Ships may be registered as British Ships under the Merchant Shipping Acts:

And whereas by the said Section it is provided that those Acts shall, subject to any exceptions or modifications which may be made by Order in Council, either generally or as respects any special class of such Ships, apply to such Ships when registered in accordance with such Regulations:

And whereas the provisions of Section 1 of the Rules Publication Act, 1893, have been complied with:

Now, therefore, His Majesty, by virtue of the powers in this behalf by the said Act, or otherwise, in Him vested, is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the following Regulations shall have effect as regards any Government Ships in the service of the Shipping Controller:—

1. An application for registry of a Government Ship in the service of the Shipping Controller shall be made in writing under the hand of the Secretary to the Ministry of Shipping. Such application shall contain the following particulars:—

(1) A statement of the name and description of the Ship.

(2) A statement of the time when, and place where, the Ship was built; or, if the Ship was foreign built, and the time and place of building are unknown, a statement to that effect, and of her foreign name.

(3) A statement of the nature of the title to the said Ship, whether by original construction by or for the Shipping Controller, or by purchase, capture, condemnation, or otherwise, and a list of the documents of title, if any, in case she was not originally constructed by or for the Shipping Controller.

(4) A statement of the name of the Master.

2. The Registrar, on receiving such application in respect of a Government Ship in the service of the Shipping Controller, shall:—

(1) enter the Ship in the Register Book as belonging to "His Majesty, represented by the Shipping Controller," and shall also enter therein:—

(2) the name of the port to which she belongs:

(3) the particulars stated in the application for registration:

(4) the details comprised in the Surveyor's Certificate.

3. On the registry of a Government Ship in the service of the Shipping Controller the Registrar shall retain in his possession the Surveyor's Certificate and the application for registry, and any documents of title mentioned in such application.

4. Upon the transfer of a registered Government Ship in the service of the Shipping Controller by Bill of Sale the Shipping Controller shall be the transferor, and the Bill of Sale

shall be in Form A in the proper form prescribed under the Principal Act, omitting the covenant therein contained. Any such Bill of Sale shall be signed by the Secretary to the Ministry of Shipping on behalf of the Shipping Controller.

5. The application for a Certificate of Sale referred to in Sections 39 to 42 and Sections 44 to 46 of the Principal Act, may be made in respect of a Government Ship in the service of the Shipping Controller by the Secretary to the Ministry of Shipping on his behalf.

6. The person to whom the management of any Government Ship in the service of the Shipping Controller is entrusted by the Shipping Controller shall be registered as provided by Section 59 (2) of the Principal Act.

7. Government Ships in the service of the Shipping Controller registered in pursuance of the provisions of this Order in Council are hereby excluded from the category of Ships belonging to His Majesty within the meaning of Sections 557 to 564 of the Principal Act.

8. Where any Section of the Merchant Shipping Acts which, by virtue of the Merchant Shipping Act, 1906, and this Order in Council, is applicable to Government Ships in the service of the Shipping Controller imposes any duty or liability or confers any right or power upon or contemplates any act being performed by the owner of a Ship such duty, liability, right or power shall, subject always to the other provisions of this Order in Council, be carried out, borne, or exercised by the Shipping Controller on behalf of His Majesty.

9. In this Order in Council the term Merchant Shipping Acts shall mean and include any of the Merchant Shipping Acts, any provision of which is by virtue of the Merchant Shipping Act, 1906, and this Order, applicable to Government Ships.

10. Section 1 and Sections 8 to 12 of the Merchant Shipping Act, 1894, shall not apply to Government Ships in the service of the Shipping Controller registered in pursuance of the provisions of this Order in Council. Provided always that no provision of the Merchant Shipping Acts which, according to a reasonable construction, would not apply in the case of Government Ships in the service of the Shipping Controller shall be deemed to apply to such Ships by reason only that its application is not hereby expressly excluded.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

*Whitehall, 1st October, 1917.*

His Majesty the KING has been graciously pleased to award the Edward Medal to William Fish, a Chargemen at the Cramlington Colliery, under the following circumstances:—

On the 19th of January, 1917, a heavy fall of roof occurred at the Hartford Mine, Northumberland, at a spot where two men were working, instantly killing one man and injuring and pinning down the other. Fish at once set to work to release the injured man, although there was constant danger of a further fall by which he himself might be killed or injured. After more than half an hour's work he succeeded in his attempt.

There can be little doubt that, but for Fish's gallant action, the injured man would have died.

Also to Daniel Foulds, James Haddon, William Heathcote, James Short and Alfred Smith, under the following circumstances:—

On the 28th November, 1916, at about 12.30 a.m., a heavy fall of roof occurred at the Pye Hill Colliery, Nottinghamshire, by which three men were buried. Foulds, Haddon, Heathcote, Short and Smith quickly arrived, and attempted to rescue the buried men by digging out the fallen roof and setting props as they progressed. The roof was still extremely dangerous and stones were constantly falling. Three times heavy falls occurred breaking the props which had been set up, but, on each of these occasions, the rescuers were fortunate in having sufficient warning to enable them to

escape. They remained at work for seven hours until all three buried men were reached and taken out; unfortunately all were found to be dead.

During the entire period the rescuers were in continuous danger of serious injury or death from a further sudden fall.
