The Minister of Munitions, in exercise of the powers conferred upon him by the Defence of the Realm Regulations and of all other powers enabling him, hereby orders as follows:—

*1. This Order shall take effect as on and from the 17th October, 1917.

2. For the purposes of this Order the maximum prices for Compound Fertilisers shall be as follows:—

(a) In the case of sales for delivery free on rail, cart, barge or ship at maker's works, the basis price for Compound Fertilisers of the description sold or purchased to be arrived at as provided in Clause 6 of this Order with the addition of a charge for mixing or compounding, bags and bagging, not exceeding 22s. 6d. per ton.

(b) In the case of sales for delivery elsewhere than at maker's works the maximum prices authorised under paragraph (a) with the following additions, namely:—

(i) In the case of sales for delivery ex vendor's store or shop or ex warehouse, the following extra distribution charges according to the quantity of Fertiliser included in the sale, namely:—

Quantity sold.	Additional price authorised.
4 tons and over	5/- per ton.
1 ton and over, but less than 4 tons	10/- „
2 cwts. and over, but less than 1 ton	1/- per cwt.
1 cwt. and over, but less than 2 cwts.	1/6 „
Less than 1 cwt.	2/- „

(ii) In the case of sales for delivery ex railway goods yard or public wharf, an extra distribution charge at the rate of 2s. 6d. per ton of Fertiliser included in the sale.

(iii) In the case of all sales for delivery elsewhere than at maker's works all costs of transport of the Fertiliser from maker's works to place of delivery, any cartage or haulage to be charged at local rates.

3. On sales of two tons and upwards by makers to Agricultural Merchants and Dealers or to Co-operative Companies and Societies incorporated or registered under the Industrial and Provident Societies Acts or any other Act the maximum prices fixed by clause 2 of this Order shall be reduced by a discount or allowance to the purchaser, such discount to be 5s.

per ton where the maximum price of the Fertiliser (after deduction of such discount) is less than £6 per ton, and 7s. 6d. per ton where the maximum price (after deduction of a 5s. discount) is £6 per ton or upwards.

4. The maximum prices fixed by this Order are net prompt cash prices for Compound Fertiliser in maker's or vendor's bags or other packages. Where credit is given to the purchaser a reasonable extra charge may be made, provided that the discount allowed for net prompt cash is quoted on the invoice, and is such as to bring the net prompt cash price within the maximum authorised. If purchaser's bags or other packages are used a reasonable allowance shall be made. Where one ton or upwards of Fertiliser is sold for delivery in bags containing not more than 1 cwt. each an extra charge of 5s. per ton may be made beyond the maximum price which would otherwise have been authorised.

5. The maximum prices fixed by the foregoing provisions of this Order are for sales of Fertilisers for delivery during December, 1917. In the case of sales of Fertilisers for delivery during other months, the maximum prices are in each case to be reduced or increased 1s. per ton per month, according as the month for delivery precedes or is subsequent to December, 1917, but with a maximum increase of 5s. per ton, e.g., the maximum prices for sales for October, 1917, delivery will be 2s. less per ton, while the maximum prices for sales for May and June, 1918, delivery will be 5s. more per ton than the maximum prices fixed as above for sales for December, 1917, deliveries.

6. For the purpose of Clauses 2 and 7 of this Order the basis price for any Compound Fertiliser shall be the aggregate value of the Nitrogen Phosphates and Potash contained in the Fertiliser when valued at the respective unit rates specified in the First Schedule hereto, and distinguishing in the case of Nitrogen between the two classes of Nitrogen, and in the case of Phosphates between the different descriptions of Phosphates, also specified in the First Schedule. In arriving at such basis price nothing shall be allowed or added for the value of any constituents other than Nitrogen, Phosphates and Potash contained in the Fertiliser.

7. As on and from the date on which this Order takes effect no person shall sell any Compound Fertiliser without giving to the purchaser on or before or as soon as possible after delivery an invoice stating—

(a) The percentage contained in such Compound Fertiliser of each of the following constituents contained therein, namely: (i.) Class I. Nitrogen, (ii.) Class II. Nitrogen, (iii.) Water soluble Phosphate, (iv.) Citric soluble Phosphate, (v.) Insoluble Phosphate, and (vi.) Soluble Potash, all as more particularly defined in the First Schedule hereto (such percentages to be stated accurately in the case of each constituent within the limits of error specified in the Second Schedule hereto);

(b) The maximum unit rates authorised to be charged for each of such constituents as specified in the First Schedule hereto;

(c) The basis price for such fertiliser, in which may, however, be included any charge made for credit;

(d) All additions made to such basis price in arriving at the actual price charged for

* NOTE.—This is to be the day following the date of publication of the Order.

such fertiliser (including the maker's charge, not exceeding 22s. 6d. per ton, for mixing and compounding, bags and bagging); and

(e) The price charged for the fertiliser, and where such price includes an extra charge for credit, the discount allowed for net prompt cash.

8. The foregoing provisions of this Order shall not apply to any sale of Compound Fertiliser for export from the United Kingdom, nor to any sale of any quantity of Compound Fertiliser not exceeding 28 lbs., nor to any sale of Compound Fertiliser in quantities exceeding 28 lbs. where such Fertiliser is sold for horticultural purposes packed in special bags, tins, boxes or cartons, each branded or marked with the maker's or vendor's name and address, and the words "Horticultural Fertiliser," and containing not more than 28 lbs. But save as aforesaid no person shall as on and from the date on which this Order takes effect sell or purchase or offer to sell or purchase any Compound Fertiliser at a price exceeding that prescribed by this Order as the maximum price (having regard to quantity, composition, packages, date for and terms of delivery) for such sale. Provided that no person shall be liable to conviction for:—

(a) Selling a Compound Fertiliser at a price in excess of the maximum price prescribed by this Order if the invoice given to the purchaser, as required by Clause 7 of this Order, states accurately within the limits of error allowed by that clause the percentages of the different constituents therein referred to contained in the Fertiliser sold, and the price charged and stated on such invoice does not exceed the correct maximum price on the basis that the percentages stated in such invoice are correct, or

(b) Purchasing any Compound Fertiliser at a price exceeding the maximum price, unless the price agreed to be paid by him is to his knowledge in excess of the maximum price authorized for such purchase.

9. All persons engaged in producing, making, selling, distributing or storing Compound Fertilisers shall make such returns with regard to their businesses, and shall verify the same in such manner (including production of their books to any accredited representatives of the Minister of Munitions) as shall from time to time be required by or under the authority of the Minister of Munitions.

of any one or more of them has been increased or reduced by artificial mixing, but shall not include any substance containing in the natural state two or all of the said constituents, or any Fertiliser made by dissolving or treating any such natural substance without any such artificial mixing as aforesaid.

Maker shall mean a Mixer or Compounder of Compound Fertilisers.

11. The provisions of this Order shall not apply to a sale by a maker to a consumer of two or more Fertilisers or substances neither of which is by itself a Compound Fertiliser as above defined, notwithstanding that it is one of the terms of the purchase that the Fertilisers or substances purchased are to be artificially mixed or compounded by the maker before delivery, provided that an invoice is given to the consumer on or before or as soon as possible after delivery which states the quantity and price of each of the Fertilisers or substances included in the mixture or compound as delivered, and the charge made for mixing or compounding, bags and bagging.

12. Nothing contained in this Order shall be held to vary or supersede any of the provisions of the Act or any Regulations made thereunder or to exempt any person from compliance with any of the provisions or requirements of such Act or Regulations applicable to sales or purchases of Compound Fertilisers.

Note.—All applications in reference to this Order should be addressed to the Director of Acid Supplies, Ministry of Munitions, Department of Explosives Supply, Storey's Gate Westminster, S.W. 1, and marked "Fertilisers."

ARMY COUNCIL ORDER.

SURPLUS LEATHER.

In pursuance of the powers conferred upon them by the Defence of the Realm Regulations, the Army Council hereby order as follows:—

Where any manufacturer of boots or shoes has obtained delivery of any leather in pursuance of a guarantee by such manufacturer that he has an order from the Director of Navy Contracts or the Director of Army Contracts or the Director of Raw Materials, or the Minister of Munitions for certain goods, and where any surplus of such leather remains after the performance of such contract, the said surplus of leather shall not, without a permit issued by or on behalf of the Director of Raw Materials, be sold, removed or put into manufacture for any purpose other than the production of Naval or Military boots, or of any other articles approved by or on behalf of the Director of Raw Materials.

By Order of the Army Council.

*R. H. Brade.**Civil Service Commission,*

October 16, 1917.

The Civil Service Commissioners hereby give notice that with the approval of the Lords Commissioners of H.M. Treasury the following Regulation is substituted for the existing Regulation Number 8 in the Regulations respecting Boy Clerks registered for temporary employment in Public Departments dated 15th September, 1916, and published in the London Gazette of the same date:—

8. Boy Clerks will usually be engaged and paid by the week of 39 hours, viz.:—7 hours a day on Mondays, Tuesdays, Wednesdays,

Thursdays, and Fridays, and 4 hours on Saturdays; and they will be paid 15s. per week during the first year of their service. After a year of approved service, an increase of pay to 16s. a week may be allowed; after two years of approved service, an increase of pay to 17s. a week may be allowed.

In any case of absence without pay a Boy Clerk's increment shall be postponed one day for every day of such absence—absence without pay equally with the interval between two successive engagements not being reckoned as service for any purpose contemplated by the Regulations.

Boy Clerks may also be engaged and paid by the hour at the rate of 4½d. per hour during their first year of service; and at the rate of 5d. per hour thereafter. Any Boy Clerks who may be required to attend for more than 7½ hours on Monday, Tuesday, Wednesday, Thursday, or Friday, or more than 4½ hours on Saturday, will be paid at the rate of 6d. per hour for the overtime attendance in excess of the normal attendance for such day. But in no case must overtime attendance exceed 6 hours in any one week. They may also be paid by the piece at such rates as may be fixed by the Civil Service Commissioners, with the approval of the Lords Commissioners of the Treasury.

The Civil Service Commissioners further give notice that an Open Competitive Examination of Candidates for registration as Temporary Boy Clerks will be held in London, Edinburgh, Dublin, Cardiff, Leeds, Liverpool, Plymouth, Portsmouth, Belfast, and Cork, commencing on the 2nd January, 1918, under the Regulations dated the 15th September, 1916, and published in the London Gazette of the same date, as amended by the foregoing Notice.

The number to be registered will depend partly on the requirements of the service, and partly on the number of candidates who may show sufficient proficiency; but it is not likely to be less than 203, if so many shall be found competent, that is to say, 200 for service in London and 3 for service in Dublin.

No candidate will be admitted to the Examination from whom the Secretary, Civil Service Commission, has not received, on or before the 29th November, an application, on a prescribed form, which may be obtained from the Secretary at once.
