ADMIRALTY

NOTICE TO MARINERS.

No. 1085 of the year 1917.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Portland Bill to Bardsey Island—Traffic Regulations.

Former Notice.—No. 881 of 1917; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

I.—REGULATIONS RESPECTING SMALL CRAFT AND AMATEUR FISHING.

The following regulations are to apply to all small craft (exclusive of bona-fide commercial fishing boats, sailing under fishing permits) from Portland Bill on the east to Bardsey Island on the west.

2. Discretionary power is granted to Divisional Coast Watching Officers to grant exemptions in cases where it can be shown that exceptional hardship to individuals, or interference with recognised means of communication across estuaries, &c., would be caused by a strict interpretation of the regulations.

3. The following regulations with regard to pleasure permits are now in force:—

(i) No fisherman, boatman or waterman under 60 years of age may be granted a permit. Fishermen, boatmen or watermen over 60 years of age may receive a permit for one pleasure or waterman's boat (which may be let out on hire), provided that the boat has not been granted a fishing or amateur permit.

(ii) Persons, other than fishermen, boatmen or watermen, who own boats may receive permits on the strict understanding that no professional fisherman, boatman or waterman

under the age of 60 is employed either on shore or at sea in connection with such craft. Any infringement of this rule will lead to the immediate withdrawal of the permit.

Boats thus licensed are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog, they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

Applications for permits should be made to the Divisional Coast Watching Officer through the Station Officer of the nearest Coast Guard station. No boat or vessel may be used without a permit. Permits must always be carried while under way, and may be withdrawn at any time at the discretion of the Officer by whom they were issued.

4. Through the above-mentioned channel, and with the concurrence of the Fishery Authorities, British born amateurs desirous of fishing for food may obtain amateur permits, subject to the following provisions:—

(a) The crew of the boat—and if desired an alternative crew for each—shall be named on the permit, which shall be signed by each of those persons, and no person other than those named may be at sea in the boat. The permit must always be carried in the boat while under way.

(b) Boats sailing under amateur permits shall not carry as members of their crew bona-fide fishermen holding, or qualified to hold, fishing permits.

(c) Amateurs and visitors who propose to hire boats for periods of not less than one week, and whose credentials are satisfactory, may obtain amateur permits in the same manner as amateur boat-owners. The period of such permits together with the holder's home address, shall be stated on it, and it shall be given up to the Station Officer at the end of that period.

(d) Subject to local modifications, boats sailing under amateur permits may proceed to a distance of not more than 3 nautical miles in any direction from their port or estuary, and may be under way from one hour before dawn till two hours after sunset. They are not to put to sea during fog, and if caught out by fog, are to return to port. In no case may the holders of amateur permits fish or be at sea in contravention of fishing regulations or orders. Special local regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

(e) Amateurs returning to port later than half an hour after sunset are to report forthwith at the Coast Guard station, or otherwise, as directed.

(f) A return of fish caught is to be made after each trip, to the Station Officer or other designated person, on forms provided by, and in the manner laid down by, the Fishery Authorities.

(g) With the sanction of the Naval and Military Authorities, amateurs may form an approved local Food Fishing Association, the Secretary of which may then perform the duties of a Station Officer under these regulations in respect of recommending members for permits, checking boats ashore, and taking returns of fish landed.

(h) The right is reserved by the Fishery Authorities to direct the manner in which fish caught under amateur permits shall be disposed of.

5. Amateur permits may be endorsed, suspended or withdrawn by the Naval or Fishery Authorities, by whom, acting in conjunction, the provisions as to fishing may be modified locally.

6. Questions relative to permits should be referred to the Divisional Coast Watching Officer through the Station Officer; questions in regard to fishing or to the formation of Local Food Fishing Associations, to the Inspector of Fisheries for the area. The conditions under which amateurs may ship as working hands in bona-fide fishing boats can also be obtained from the Inspector of Fisheries.

7. Excursion traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers, and by written permission of the Commander-in-Chief, Plymouth. Such permission may be obtained through the Divisional Coast Watching Officer, and will only be given provided that—

(a) The entire trip is within the harbour.

(b) The boat or vessel is not under weigh at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog.

(c) One person is responsible for the party, and

(d) The permission is applicable only to the trip specified.

8. Regular ferry boats may obtain special permission from the Divisional Coast Watching Officer, to run to a specified hour according to circumstances.

9. Oil, motor spirit, petrol, or other goods may not be shipped on board craft of any description whether coasting or foreign, either as stores for the equipment or navigation of the vessel, or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915. Sailing vessels may not have on board a quantity of petrol, motor spirit, benzine, paraffin, petroleum, or other similar substances, exceeding 4 gallons.

II.—REGULATIONS WITH REGARD TO COMMERCIAL FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats from Portland Bill on the east to Bardsey Island on the west (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer, are allowed to be at sea day and night, except as stated below in paragraph 3.

3. The laying of nets, or of crab or any other pots, trawling, drifting or anchoring is pro-

hibited, by day and by night, within the area bounded:—

On the North: By a line joining the following points, viz.:—The Longships—the Runnelstone—a point one mile 164° (*South Mag.*) from Lizard head—a point half a mile 164° (*South Mag.*) from Black head—a point 2 miles 164° (*South Mag.*) from Dodman point—Rame head—Mewstone buoy—a point one mile 164° (*South Mag.*) from Bolt head—a point one mile 164° (*South Mag.*) from Prawle point—a point one mile 119° (*S. 45° E. Mag.*) from Start point—Skerries bell-buoy—and Berry head.

On the South: By a line from Wolf rock to a position in lat. $49^{\circ} 46' N.$, long. $5^{\circ} 12' W.$ —thence to a position in lat. $50^{\circ} 06' N.$, long. $4^{\circ} 16' W.$ —thence to a position in lat. $50^{\circ} 05' N.$, long. $3^{\circ} 29' W.$

On the East: By the meridian of long. $3^{\circ} 29' W.$

On the West: By a line joining the Longships and Wolf rock.

2. By night no vessel is allowed to fish or to be within 10 miles of the entrance of any defended port, except as may be provided for in the special local regulations of such defended port. The defended ports comprise Portland, Plymouth, Falmouth, Cardiff and Barry, Swansea, and Milford Haven.

3. Special local regulations are also in force in Mount's bay.

4. *Whitsand Bay.*

(a) No fishing at night is to take place east of a line drawn 231° (*S. 67° W. Mag.*) from Rame head, and no boat is to cross this line at a distance of less than 10 miles from the Breakwater light during the hours of "official night."

(b) Except on Sundays, no night fishing is to take place within three miles of the coast between Tregantle and Portwrinkle up to the hour of 12 midnight, or such later hour as may be ordered.

5. Charts of the above areas may be inspected by fishermen at the offices of the Collectors of Fishery Statistics at Brixham, Plymouth and Newlyn.

6. *Warning — Mines.* — Fishermen are warned to give mine-sweepers a wide berth, and to exercise the greatest caution when fishing. In particular, a sharp look-out for mines should be kept when hauling gear. Extreme care is necessary in cases where torpedoes, mines, shells or bombs are found in trawl or other nets, as they may still be dangerous after being in the water a long time. (See also General Notices and General Warnings contained in the "Green Book," issued by the Marine Department, Board of Trade.)

7. Special local regulations are in force in certain defended ports and areas, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

8. A new issue of fishing permits was made throughout the South-Western Area, from 1st June 1916.

9. The fishing permit, made out to the skipper actually in charge, and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any officer or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat, or of a skipper taking charge of a boat

not specified on his permit, a new permit must be obtained, or the necessary alterations made on the old permit. No alterations to permits will be recognised unless signed and dated by the Permit Issuer.

10. Oil, motor-spirit, petrol, or other goods may not be shipped on board fishing craft of any description, either as stores for the equipment or navigation of the vessel or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding four gallons.

Notes.

1. Fishing vessels are only to include bona-fide professional fishing craft, manned by bona-fide fishermen. Doubtful cases for fishing permits are to be referred to the nearest Divisional Coast Watching Officer.

2. Amateurs and pleasure craft out fishing are to be regarded as coming under section I. of this notice, and must comply with the Regulations contained therein.

3. Fishing vessels, having a fishing permit and desiring to carry passengers, *i.e.*, persons other than their bona-fide crew, must obtain separate permits in accordance with section I. of this notice, and when such passengers are on board, the vessel will become strictly subject to the regulations therein laid down. In the event of non-compliance, both permits may be withdrawn by the Divisional Coast Watching Officer or Fishery Officer concerned.

4. Fishery Officer means an officer of the Board of Agriculture and Fisheries, or of the Local Sea Fisheries Committee within whose district the fishing port in question lies, or other person duly appointed to issue fishing permits.

5. Permits may be withdrawn, suspended or endorsed at the discretion of the Divisional Coast Watching Officer or of a Fishery Officer.

6. Availability of permits.—South-Western Area fishing permits are available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area should, in order to avoid delay, notify their arrival and departure to the Local Fishery Officer or Permit Issuer.

7. Visiting boats from ports outside the South-Western Area must before fishing in this area, obtain from the local Permit Issuer a South-Western Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the Local Fishery Officer;

otherwise they will be detained in port until their credentials have been verified. In all cases visiting boats must give up their South-Western Area fishing permits on leaving the South-Western Area.

8. Charts of the restricted areas off the Devon coast can be seen by Fishermen at the Harbour Master's office, Brixham, the Fish Inspector's office, Plymouth Barbican, and the Fishery Collector's office, Newlyn Harbour.

9. Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the Local Fishery Officer, or to the Inspector of Fisheries attached to the area.

III.—PLYMOUTH.

No vessels other than those of British Nationality or those of the Allied Nations are permitted to enter the Port of Plymouth until further notice.

PART I.—ENTRANCE TO THE PORT.

Notification of Time of Arrival.

1. Shipowners and shipping agents will facilitate the entry of their vessels by giving previous notice of the probable time of arrival to the King's Harbour Master for Plymouth, Longroom, Stonehouse (Telegraphic address: Tidal, Plymouth), with particulars of appearance, &c., so that they may be readily identified.

Instructions for Ships Approaching the Port.

2. All ships may be brought in at night as well as by day. This does not apply to fishing vessels and small craft, as they cannot be allowed to enter at night.

Endeavour will be made to bring vessels in from sea during a fog even though movements inside the port are prohibited (*see* paragraph 11). If, however, the fog is so dense as to make this dangerous, the vessel must wait in the outer examination anchorage (Cawsand bay) or at sea until it lifts sufficiently.

When once ships are anchored they are not to move under any circumstances without previously obtaining permission from the King's Harbour Master for Plymouth.

Vessels of every description, including fishing vessels and small craft, are forbidden to enter or leave the port by the eastern entrance. They may only do so by the western entrance. The Devil's bridge is entirely closed.

All orders and instructions given by the Examining Officers are to be implicitly obeyed, otherwise ships will be liable to be fired upon.

Distinguishing Signals of Examination Steamers.

3. The Examination Steamer will be found in the neighbourhood of Penlee point, and will *by day* be distinguished by the Examination Flag (white and red horizontal surrounded by blue border), and will fly the Blue Ensign.

By night the Examination Steamer will be distinguished by three white lights.

Signals Indicating Port Closed.

4. The following signals will be employed to indicate that the Port is closed:—

By Day.—Three red balls hoisted vertically by the Examination Steamer and at the flagstaff on Breakwater fort.

By Night.—Three red lights, six feet apart, hoisted vertically by the Examination Steamers, and at the flagstaff on Breakwater fort.

In this case the Examination Vessel will not lead ships in further than Cawsand bay, where they must anchor or remain at sea.

Vessels must on no account proceed further in that Cawsand bay unless met by the Examination Steamer and led in or given the special signal to proceed into the sound.

Ships Anchored in Cawsand Bay.

5. Vessels are not to attempt to leave the anchorage under any circumstances, or to communicate with other vessels, or with the shore, without previously obtaining permission from the Chief Examining Officer.

Fishing Vessels and Small Craft.

6. Fishing vessels, barges, boats, yachts, and small private vessels of any kind are only to enter the port by day and should approach the western entrance only, where the patrol boats will give them instructions as to proceeding into harbour.

If obliged to shelter at night from stress of weather or other cause, Shipowners, Masters, and Local Agents are advised to direct their vessels to proceed to a sheltered anchorage in the vicinity, such as Salcombe, The Yealm, Looe or Fowey, until daylight.

Lights of Ships.

7. The normal condition in regard to lights of ships at anchor in the sound, Cawsand bay, Cattewater, or Hamoaze at night is that no lights whatever are to show from the outside. When, however, during dark hours, a vessel is under way, anchor lights are to be exposed until the vessel is anchored; or, in the case of ships leaving, until they are clear of the breakwater, when lights are again to be obscured. It is expected that masters of vessels and others concerned will see that this order, which is given for their own protection, is carried out; any infringement of it will entail more stringent measures being taken.

Anchor lights, bow and masthead steaming lights, and other lights, are to be as prescribed in Admiralty Notice to Mariners No. 581 of 1917.

Pilotage.

8. Pilotage is compulsory for all vessels in the whole of the waters comprising Plymouth Sound, Hamoaze, Cattewater and Sutton pool, inside a line joining Penlee point on the west through the Shagstone to the coast on the East, as far as Laira bridge to the eastward and Saltash bridge to the westward, with the following exceptions:—

- (a) Ships belonging to His Majesty;
- (b) Pleasure yachts and sailing boats under 30 feet in length on the water line and under 10 feet draught;
- (c) Fishing vessels;
- (d) Sailing vessels trading coastwise of less than 75 tons net register;
- (e) Ships of less than 50 tons gross tonnage not carrying passengers;
- (f) Motor barges and boats habitually used exclusively within the limits of the Port of Plymouth.
- (g) Steam tug boats registered at the Port of Plymouth.

NOTE.—This order does not apply to ships changing moorings unless the shift entails going through or into the channel.

If necessary, the Examining Officer will place a licensed local Pilot on board all incoming merchant vessels, or they will be led in by one of the Examination Vessels which have licensed Pilots on board.

All vessels proceeding from the Cattewater or Sutton pool to Plymouth sound and *vice versa* are to pass between the Mallard shoal and Mount Batten breakwater.

PART II.—MOVEMENTS WITHIN THE PORT.

9. The movements of all merchant ships, fishing vessels, or boats of any kind, are subject to the direction of the King's Harbour Master, Plymouth, for the Sound, and the King's Harbour Master, Devonport, for the Hamoaze, whose orders are to be immediately obeyed.

Disobedience of such orders will render vessels liable to be fired upon.

Pilotage.

10. Pilotage is compulsory under the same conditions as stated in paragraph 8 above.

Night and During Fog.

11. During the hours of official night, or during fog, no merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to be under way in the sound and adjacent waters, except with special permission, which should be obtained from the King's Harbour Master for Plymouth, at Longroom, Stonehouse.

During the hours of official night no vessel, barge, or boat of any kind will be allowed to be under way in the Hamoaze or creeks and coves adjoining, including the Lynher river and the Tamar river above Saltash as far as a line joining Skinham and Warren points, except with special permission, which should be obtained from the King's Harbour Master for Devonport, at His Majesty's Dockyard, Devonport.

All traffic within the port is absolutely prohibited during a state of fog.

Approach to Government Vessels and Establishments.

12. No merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to approach any Government ship, vessel, lighter, or other Government craft, or any Government Dockyard or Establishment, without special permission.

Subject to the above, merchant shipping may move as usual within the Ports of Plymouth and Devonport, taking care to keep clear of any of His Majesty's ships which are being navigated in the Ports. (See paragraphs 22 and 23.)

Patrol of Internal Waterways and Approaches of the Port.

13. The internal waterways of the port, as well as the approaches thereto, will be patrolled by Naval patrol boats, or other Government vessels. Captains and Masters of merchant ships, and persons in charge of fishing vessels or boats of any kind, are hereby warned to observe any orders which may be given by the Naval patrols. Merchant ships, fishing vessels, and boats will be subject to inspection and search, and will be liable to be fired upon in the event of disobedience to the orders given them by the patrols.

Regulation Lights to be shown at Night.

14. All vessels, barges, or boats that have received permission to be under way, must display the regulation lights at night. (See also paragraph 7.)

Caution as to Anchoring.

15. When anchoring, care must be taken to be well clear of the fairway.

No. 30343.

Prohibited Areas.

16. No vessel, boat, or craft of any kind is at any time allowed within the following areas:—

The Eastern Channel.—The area defined as follows:—On the north by the line of Torpedo range targets; on the west by the line joining Breakwater fort with Shagstone beacon; and on the south by a line joining Shagstone beacon with Reny rocks.

The Bridge.—The area defined as follows:—On the north by a line joining Raveness point to Drake's island north-west buoy; on the east by a line joining Drake's island north-west buoy to Melampus light-buoy; and on the south by a line joining Melampus light-buoy to Fort Picklecombe pier.

No fishing boat or sailing vessel engaged in coast trade shall be admitted into Cawsand bay during the night, or be allowed to lie at anchor there during the night. No fishing boat or sailing vessel engaged in coast trade shall approach Cawsand bay so late in the evening as to make it impossible for them to enter the Cattewater before dark.

Fishing is now permitted by night in Whit-sand bay, subject to the following regulations:—

(a) No fishing at night is to take place east of a line drawn in a 231° (S. 67° W. Mag.) direction from Rame head, and no boat is to cross this line at a distance of less than ten miles from the Breakwater light during the hours of official night.

(b) Except on Sundays, no night fishing is to take place within three miles of the Coast between Tregantle and Portwrinkle up to the hour of 12 midnight, or such later hour as may be ordered.

The above regulations are to be strictly complied with and any infringement of them will entail severe penalties.

Paragraph 3, clause (ii) (c) of section II. of this Notice is modified to the extent stated above as regards the defended Port of Plymouth.

No yacht, &c., or pleasure boat may proceed to the westward of a line joining the east end of Drake's island and the west side of the entrance to Millbay docks, nor may they proceed more than two miles outside the breakwater.

With the above exceptions, yachts, &c., and pleasure boats, may cruise in the waters of the sound as laid down in the Public Traffic Regulations. All persons going afloat in charge of yachts or boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the notices that have been published from time to time in the public press defining prohibited areas.

Special notice is drawn to the following points in the regulations:—

No yacht or boat may be under way after dark; there can, therefore, be no traffic after dark between yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East channel, no craft is to approach anywhere near the East channel buoys, as such action would be likely to draw the fire of the forts.

All Excursion Steamer Traffic is Prohibited in the Sound.

Note.—Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer base harbour, must obtain permission to leave for that purpose.

A limited number of moorings for yachts may be laid in the following places and nowhere else.

On West Hoe—on application to King's Harbour Master, Plymouth; in the Cattewater above Turnchapel—on application to the Harbour Master of Cattewater.

Hamoaze.—Within the limits in the Harbour of Devonport mentioned in paragraph (4) below, all small craft, motor boats, steam boats, pulling boats, punts, &c., are to be moored in one of the following areas, *viz.*:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above high-water mark in an approved position), where they will remain under Police supervision, and only be allowed out on the production of a permit. (*See* paragraph (4) below.)

(2) With the exception of steam or motor ferry boats which have obtained special permits, no craft of any description is to be under way during the hours of Official Night, *i.e.*, between the sunset gun and daylight gun fired from the Boom Defence Vessel "Mariner." Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

(3) During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

(4) All traffic is prohibited in the waters of the Harbour of Devonport within the following limits, *viz.*:—Between the lines joining Skinham and Warren points in the Tamar river, and the Boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, i.e., outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose. These permits to be obtained for steam, motor, or other self-propelled craft, from the King's Harbour Master, Devonport, and for sailing or pulling craft from the Superintendent of Dockyard Police; such permits to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits.

No permits will be Granted for Use of Pleasure Craft within the Limits defined.

(5) With the undermentioned exception at ** the following areas are prohibited to all craft of every description:—

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, south of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown),

** With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, and for sailing and pulling craft conveying market produce or provisions and coal, at the discretion of the King's Harbour Master, Devonport.

(6) No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

(7) The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

(8) No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of Excursion Steamers from the King's Harbour Master, Devonport.

Special Warning to Boatmen and those who Hire Out Yachts or Boats.

Great care must be taken that yachts and boats are only hired out to persons who are thoroughly acquainted with these regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending yacht or boat.

PART III.—VESSELS LEAVING THE PORT.

Prohibition.

17. No fishing vessels, barges, boats, yachts, or private vessels of any kind, are permitted to leave the Dockyard Port of Plymouth during the hours of official night or during fog.

18. Merchant vessels (including those engaged in the coastal trade) must on no account leave the Dockyard ports of Devonport and Plymouth without permission.

Vessels in the Hamoaze must obtain such permission from the King's Harbour Master, Devonport, at his office in the Dockyard; those at berths in the waters of the sound, Cawsand bay, Cattewater, Sutton pool, or Millbay docks, must obtain permission from the King's Harbour Master, Plymouth, at Longroom, Stonehouse.

It is also necessary for ships to obtain permission from the Collector of Customs, at the Barbican, Plymouth.

Fishing Vessels and Small Craft.

19. Fishing vessels, boats, and small craft generally may leave the Port during daylight without any formalities, but such craft are liable to inspection and search by the Naval patrol boats.

Pilotage.

20. Pilotage is compulsory under the same conditions as stated in paragraph 8 of Part I. above.

PART IV.—BOOM DEFENCE.

21. A boom defence is in position across the entrance to the Hamoaze and should be approached with caution.

The gate of the boom will always be closed during the hours of official night and during fog, and may be closed during the day.

The following signals will be displayed:—

By DAY.

When the Gate is open.—On each side of the gateway on the hulk to which the end of the gate is secured, the signals displayed by wreck-marking vessels, viz.:—Two black balls vertical on one yard-arm and one black ball on the opposite yard-arm. Vessels to pass on the side showing two balls.

When the Gate is closed.—On each side of the gateway of the boom a blue burgee.

This signal is also shown from Mount Wise signal station; Harbour Master's flagstaff, Longroom, Stonehouse; and South dockyard flagstaff.

By NIGHT.

The Gate is closed and no signals will be shown.

22. For the guidance of vessels entering or leaving the Hamoaze while the boom is open, the following signals will be hoisted on the gate of the boom to indicate when vessels are entering or leaving the Hamoaze:—

(1) Pilot Jack.—Large man-of-war entering or leaving the harbour.

(2) Cone, point down.—A vessel or vessels leaving the harbour.

(3) Cone, point up.—A vessel or vessels entering the harbour.

These signals will not be used for barges, steamboats, or small passenger steamers.

23. Vessels are warned to pay strict attention to Clause 9, Second Schedule of Order in Council, 14th October, 1915, Regulations for the Dockyard Ports of Plymouth and Devonport, and no merchant vessel, whether navigating with or against the tide, is to attempt to pass a man-of-war in the "Narrows" when she is flying the "O" Flag at the fore truck.

Vessels are required not to pass other vessels in the gateway of the boom, and a vessel navigating against the tide should ease her engines and wait until any other vessel going with the tide has passed clear.

The following signals are hoisted at Mount Wise, Longroom, and South dockyard signal station:—

Signal and Signification.

Ball over Red Burgee.—Large ships coming from sound to Hamoaze; all traffic outwards between Rubble bank and Melampus buoy is to cease while this signal is flying.

Red Burgee over Ball.—Large ships coming from Hamoaze to sound; all traffic inwards between Melampus buoy and Rubble bank is to cease while this signal is flying.

Ordinary Port Regulations.

24. The ordinary Regulations of the Port, except as affected by this Notice, are to be strictly adhered to.

IV. BRISTOL CHANNEL.

1.
