PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS under Sub-section (4) of Section 2 of the Courts (Emergency Powers) Act, 1914, His Majesty has power, by Order in Council, to provide, amongst other things, that that Act shall have effect subject to such limitations as may be contained in the Order:

And whereas by an Order in Council dated 17th day of September, 1914, it was ordered

And whereas it is desirable that the said Act shall have effect subject to the further limitation hereinafter set out:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, as follows:—

1. The Courts (Emergency Powers) Act, 1914, shall have effect subject to the following limitation, that is to say, that Sub-section (1) of Section 1 thereof shall not apply to any right or power conferred by Statute upon any Dock, Port, Warehouse, Wharf, or Harbour Authority, or upon any Railway or Canal Company, Warehouseman, or Wharfinger, to enforce by sale a lien or charge upon or claim in respect of goods in their or his custody unless the owner of or a person interested in the goods serves on the Authority, Company, Warehouseman, or Wharfinger, within five days after notice has been given that it is intended to sell such goods, notice in writing that he objects to such sale thereof without an Order of the Court on the ground that he is unable to make any payment secured by such lien charge or claim by reason of circumstances attributable directly or indirectly to the present War; provided that when the goods are articles of food or of a perishable nature the said Sub-section shall not apply to such right or power as aforesaid whether a notice of objection has been given or not.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS the Ecclesiastical Commissioners for England have, in pursuance of the Act of the 33rd and 34th years of

Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, duly prepared, and laid before His Majesty in Council, a Scheme, bearing date the 14th day of February, 1918, in the words and figures following, that is to say:—

"We, the Ecclesiastical Commissioners for England, in pursuance of the Act of the 33rd and 34th years of Her late Majesty Queen Victoria, Chapter 39, and of the Acts therein mentioned, that is to say, the Act of the 3rd and 4th years of Her said late Majesty, Chapter 113, the Act of the 4th and 5th years of Her said late Majesty, Chapter 39, and the Act of the 31st and 32nd years of Her said late Majesty, Chapter 114, have prepared, and now humbly lay before Your Majesty in Council, the following Scheme for effecting a transfer of the ownership of the Advowson or perpetual right of Patronage of and presentation to the Church and Cure (hereinafter called 'the said Benefice') of Caundle Purse, and the Church and Cure (hereinafter called 'the said Benefice') of Caundle Stourton, both in the County of Dorset, and in the Diocese of Salisbury:

"Whereas by an Order in Council dated the 13th day of June, 1917, and published in the London Gazette on the 15th day of June, 1917, it is provided that the said Benefice of Caundle Purse and the said Benefice of Caundle Stourton shall be united into one Benefice:

"And whereas the Advowson or perpetual right of Patronage of and presentation to each of the said Benefices of Caundle Purse and Caundle Stourton or (as the case may be) of the said United Benefice is vested for an estate in fee simple, in possession, in Sir Henry Hugh Arthur Hoare, of Stourhead, in the County of Wilts, Baronet, subject to certain charges in favour of his wife, Dame Alda Annie Hoare, but otherwise free from incumbrances:

"And whereas the said Sir Henry Hugh Arthur Hoare is desirous that the whole Advowson or perpetual right of Patronage of and presentation to each of the said Benefices of Caundle Purse and Caundle Stourton, or of the said United Benefice, now vested in him as aforesaid, should be transferred to and be vested in the Right Reverend Frederic Edward, now Bishop of Salisbury, and his Successors in the same Bishopric, and the said Dame Alda Annie Hoare has agreed to concur in these presents for the purpose of enabling the said Advowson to be transferred as aforesaid, freed and released from the said charges:

"And whereas the said Frederic Edward, Bishop of Salisbury, is willing to accept such transfer, and in token of such his willingness, and also in token that the same transfer has that consent of the Bishop of the Diocese which by the Acts in the hereinbefore mentioned Act recited, or by some or one of them, is made necessary, he, the said Frederic Edward, Bishop of Salisbury, has executed this Scheme as hereinafter mentioned:

"And whereas the transfer of the Patronage of the said Benefices of Caundle Purse and Caundle Stourton, or of the said United Benefice, which is hereinbefore mentioned, and hereinafter recommended and proposed, will, in our opinion, tend to make better provision for the Cure of Souls in the Parishes or Districts

in or in respect of which the right of Patronage or Advowson, so recommended and proposed to be transferred as aforesaid, arises or exists, that is to say in the Parishes of Caundle Purse and Caundle Stourton :

"Now, therefore, with the consent of the said Sir Henry Hugh Arthur Hoare (in testimony whereof he has signed and sealed this Scheme) and with the consent of the said Dame Alda Annie Hoare (in testimony whereof she has signed and sealed this Scheme) and with the consent of the said Frederic Edward, Bishop of Salisbury, (in testimony whereof he has signed this Scheme, and sealed the same with his Episcopal Seal), we, the said Ecclesiastical Commissioners for England, humbly recommend and propose that upon and from the day of the date of the publication in the London Gazette of any Order of Your Majesty in Council ratifying this Scheme, and without any conveyance or assurance in the law other than such duly gazetted Order, the whole Advowson or perpetual right of Patronage of and presentation to each of the said Benefices of Caundle Purse and Caundle Stourton, or (as the case may be) of the said United Benefice, now vested in him, the said Sir Henry Hugh Arthur Hoare as aforesaid, shall be transferred to the said Frederic Edward, Bishop of Salisbury, and his Successors in the same Bishopric, and shall thereupon and thenceforth become and be absolutely vested in, and shall and may from time to time be exercised by, the said Frederic Edward, Bishop of Salisbury, and his Successors in the same Bishopric for ever.

"And we further recommend and propose that nothing herein contained shall prevent us from recommending and proposing any further or other measures relating to the matters aforesaid, or any of them, in accordance with the provisions of the said Acts, or of any of them, or of any other Act of Parliament."

And whereas the said Scheme has been approved by His Majesty in Council :

Now, therefore, His Majesty, by and with the advice of His said Council, is pleased hereby to ratify the said Scheme, and to order and direct that the same and every part thereof shall be effectual in law immediately from and after the time when this Order shall have been duly published in the London Gazette pursuant to the said Acts.

And His Majesty, by and with the like advice, is pleased hereby to direct that this Order be forthwith registered by the Registrar of the said Diocese of Salisbury.

"We, therefore, humbly pray that Your Majesty will be graciously pleased to take the premises into Your Royal Consideration, and to make such Order with respect thereto as to Your Majesty, in Your Royal Wisdom, shall seem meet.

"THE SCHEDULE TO WHICH THE FOREGOING REPRESENTATION HAS REFERENCE.

And whereas the said Representation has been approved by His Majesty in Council:

Whitehall, March 6, 1918.

The KING has been pleased to award the Albert Medal to Flight Lieutenant Victor Albert Watson, R.N., and the Albert Medal in Gold to Air-Mechanic, 1st Grade, Harold Victor Robinson and Boy Mechanic Eric Edward Steere, in recognition of their heroic conduct in the following circumstances:—

On the occasion of an accident to one of His Majesty's Airships, which resulted in a fire breaking out on board her, Flight Lieutenant Watson, who was the senior Officer on the spot, immediately rushed up to the car of the airship under the impression that one of the crew was still in it, although he was well aware that there were heavy bombs attached to the airship which it was impossible to remove owing to the nearness of the fire, and which were almost certain to explode at any moment on account of the heat. Having satisfied himself that there was in fact no one in the car, he turned away to render assistance elsewhere, and at that moment one of the bombs exploded, a portion of it shattering Lieutenant Watson's right arm at the elbow. The arm had to be amputated almost immediately.

Air Mechanic H. V. Robinson and Boy Mechanic E. E. Steere, on the occasion of an accident to one of His Majesty's airships which caused a fire to break out on board her, approached the burning airship without hesitation, extricated the pilot and two members of the crew, all of whom were seriously injured, and then unclipped the bombs from the burning car and carried them out of reach of the fire. As the bombs were surrounded by flames, and were so hot that they scorched the men's hands as they carried them, they must have expected the bombs to explode.

Whitehall, March 7, 1918.

ADMIRALTY NOTICE TO MARINERS.

No. 319 of the year 1918.

SCOTLAND, NORTH-EAST COAST,
WITH ORKNEY AND SHETLAND ISLES.

Former Notices.—Nos. 762, 888, 1024, 1129 and 1248 of 1917; Nos. 9 and 153 of 1918.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regula-

2, from half an hour after sunset to half an hour before sunrise, unless at anchor. No vessel, however, is to anchor:—

(a) Anywhere along the coast between Tarbet Ness and North Sutor, except within one mile radius of Balintore;

(b) Anywhere off the south shore of the Moray firth between the meridians of Port Gordon and Burchhead, except within three-quarters of a mile of the low-water mark;

tions, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty, and are now in force:—

(1) *Pentland and Moray Firths—Restriction of Traffic; Pilotage Regulations.*

The following regulations have been made with a view to safeguarding the interests of shipping in the Pentland and Moray firths:—

I.—RESTRICTION OF TRAFFIC.

1. No vessel, either British, Allied or Neutral, is to be in the shaded area on the accompanying portion of Admiralty Chart No.

(c) Outside a distance of one mile of the coast in any other portion of the shaded area.

2. Vessels proceeding to ports in the Moray firth should therefore endeavour to enter the firth in time to reach their destinations not later than half-an-hour after sunset. Should they not reach their destinations by that time they are to anchor, weather permitting, subject to the restrictions given in clause 1.

3. Any vessel contravening the foregoing regulations will run the gravest risk of being sunk.

Caution.—Neutral or Allied vessels are par-

ticularly warned that the passage through the Pentland firth presents very grave risks to a Westbound vessel and are strongly advised not to take it.

II.—PILOTAGE REGULATIONS.

1. Pilotage is compulsory at the ports of Cromarty and Inverness for all vessels (including fishing vessels) which have a draught of over eight feet, and it is highly dangerous for any vessel to enter or leave without a pilot. Fishing and other small vessels having a draught of over eight feet are to assemble at the Pilotage stations, and will be conducted into and out of port in groups.

Vessels bound for Cromarty and Inverness will be led through the defences from a position off Tarbet ness by a pilot boat. They should follow directly astern of her.

Local arrangements for leading vessels through the defences will be made for vessels leaving Cromarty or Inverness.

2. It is dangerous for any vessel to be under way to the south-westward of a line joining Tarbet ness and Findhorn without a pilot.

3. No vessels of any description other than H.M. Ships and Auxiliaries are to be under way between sunset and sunrise in the waters contained between a line drawn from Tarbet ness to Findhorn, and a line drawn from Fort George to Chanonry point.

(2) Orkney Isles—Traffic Regulations.

I.—SCAPA FLOW AND APPROACHES.

1. All entrances are dangerous, and entry is absolutely prohibited by any of them except as provided in succeeding paragraphs.

2. Examination services have been established in the entrances to Hoxa and Hoy sounds; vessels directed to enter must communicate with the Examination vessel and follow the instructions received from her very carefully.

3. No vessel is permitted to approach the entrance to Hoxa sound within a radius of 5 miles under any circumstances whatever, except when actually ordered to Scapa flow.

4. The only vessels permitted to enter Hoy sound from the westward are those ordered to Stromness.

5. Vessels are not permitted to enter Hoxa or Hoy sounds by night or in thick weather.

6. Passage through Cantick sound is entirely prohibited.

II.—PORT OF KIRK WALL AND APPROACHES.

1. The port of Kirkwall shall comprise all enclosed waters of the Wide Firth and Kirkwall bay to westward of Thieves holm.

2. Merchant vessels shall obey all orders given them by the Admiralty Port Officer as regards anchoring or shifting position.

3. No vessel other than H.M. Ships shall enter or leave the Port of Kirkwall during hours of darkness, *i.e.*, between half an hour after sunset and half an hour before sunrise, except in special circumstances with special permission from the Admiralty Port Officer.

4. During foggy and thick weather, traffic in and out of the port is stopped, and no vessel shall approach the boom from either direction.

5. No vessel other than H.M. Ships or boat shall move in the harbour during hours of darkness as aforesaid. And no boat other than those belonging to H.M. Ships shall approach

the shore or go alongside any pier in the Port of Kirkwall.

6. All vessels other than H.M. Ships entering or leaving the Port of Kirkwall shall be piloted in and out by a Pilot drifter, and are prohibited from entering or leaving harbour unless so piloted, save and except only (1) in the case of such British vessels as have a written exemption therefrom, issued by the Admiralty Port Officer, (2) when a liner is entering the harbour, the Pilot may at his discretion, when circumstances of tide and sea render it advisable, direct such liner to enter the harbour without being piloted, provided always that the gate is open for incoming traffic.

7. Vessels, when cleared, shall wait for the Pilot vessel to conduct them out of port, or proceed as directed by the Naval Authorities.

8. Drifters engaged on pilot duty will fly the pilot flag (white and red, horizontal).

9. Incoming and outgoing traffic will be regulated by signals hoisted at the yardarm of the Boom trawler and repeated at the Hellier holm lighthouse.

10. Traffic signals are to be strictly obeyed, and no vessel shall approach the entrance against the signal.

11. The following Traffic signals will be displayed at the Boom and at Hellier holm:—

Gate "Open for Incoming Traffic":

By day—Two balls, vertical.

By night—A red light.

Gate "Open for Outgoing Traffic":

By day.—A cone, point upwards.

By night—A green light.

Gate Closed: By day—Three balls at Hellier holm.

By night—Three red lights at Hellier holm.

12. Vessels entering will, as a rule, be given priority over those leaving.

13. All outgoing vessels shall pass round the Turning buoy (red and white striped, spherical) moored approximately 285° (*N. 56^{\circ}* *W. Mag.*), one mile from the entrance.

14. Incoming vessels will not pass round the Turning buoy, but will shape course as requisite for the anchorage on entering.

15. No outgoing vessel shall pass the Turning buoy unless the signal for outgoing traffic is up. If the signal is against it, such vessel shall stop and wait in the neighbourhood of the Turning buoy.

16. No incoming vessel shall pass Hellier holm unless the signal for incoming traffic is up at Hellier holm. If the signal is against it, such vessel shall wait in Shapinsay sound.

17. Incoming and outgoing vessels shall not pass through the gate simultaneously. If, through any misunderstanding, an outgoing and incoming ship are approaching the gate simultaneously, then the outgoing ship shall give way, and shall turn round, and return to the Turning buoy and there wait till such time as the entrance is clear.

18. As a rule only one ship will be conducted out at a time, but under exceptional circumstances, in the event of two ships being conducted out, then the pilot will give instructions as to which ship is to go first, and the rear ship shall then keep a full half mile directly astern, and is on no account to close or overhaul or attempt to pass the ship ahead.

19. *Caution.*—Caution is necessary when approaching the boom, as the tidal stream does not set fairly through the opening, and attains

considerable velocity especially on the ebb or west-going stream, which sets in a north-westerly direction.

Variation.—19° W.

(3) *Shetland Isles—Traffic of Neutral Vessels Prohibited.*

No vessel other than those of British Nationality or those of the Allied Nations, except vessels calling for the purpose of Examination, shall enter any ports or harbours in, or anchor off any part of, the coasts of the Shetland Isles until further notice.

Note.—Special traffic regulations for the Port of Lerwick and approaches will be found in Admiralty Notice to Mariners No. 767 of 1917.

Note.

This Notice is a re-publication of the former Notices quoted above.

ADMIRALTY

NOTICE TO MARINERS.

No. 333 of the year 1918.

ENGLAND AND WALES, SOUTH AND WEST COASTS.

Portland Bill to Bardsey Island—Traffic Regulations.

Former Notice.—No. 35 of 1918; hereby cancelled.

Notice is hereby given that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

I.—REGULATIONS RESPECTING SMALL CRAFT AND AMATEUR FISHING.

The following regulations are to apply to all small craft (exclusive of bonâ-fide commercial fishing boats, sailing under fishing permits) from Portland Bill on the east to Bardsey Island on the west.

2. Discretionary power is granted to Divisional Coast Watching Officers to grant exemptions in cases where it can be shown that exceptional hardship to individuals, or interference

with recognised means of communication across estuaries, &c., would be caused by a strict interpretation of the regulations.

3. The following regulations with regard to pleasure permits are now in force:—

(i) No fisherman, boatman or waterman under 60 years of age may be granted a permit. Fishermen, boatmen or watermen over 60 years of age may receive a permit for one pleasure or waterman's boat (which may be let out on hire), provided that the boat has not been granted a fishing or amateur permit.

(ii) Persons, other than fishermen, boatmen or watermen, who own boats may receive permits on the strict understanding that no professional fisherman, boatman or waterman under the age of 60 is employed either on shore or at sea in connection with such craft. Any infringement of this rule will lead to the immediate withdrawal of the permit.

Boats thus licensed are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, *i.e.*, between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

Applications for permits should be made to the Divisional Coast Watching Officer through the Station Officer of the nearest Coast Guard station. No boat or vessel may be used without a permit. Permits must always be carried while under way, and may be withdrawn at any time at the discretion of the Officer by whom they were issued.

4. Through the above-mentioned channel, and with the concurrence of the Fishery Authorities, British born amateurs desirous of fishing for food may obtain amateur permits, subject to the following provisions:—

(a) The crew of the boat—and if desired an alternative crew for each—shall be named on the permit, which shall be signed by each of those persons, and no person other than those named may be at sea in the boat. The permit must always be carried in the boat while under way.

(b) Boats sailing under amateur permits shall not carry as members of their crew bonâ-fide fishermen holding, or qualified to hold, fishing permits.

(c) Amateurs and visitors who propose to hire boats for periods of not less than one week, and whose credentials are satisfactory, may obtain amateur permits in the same manner as amateur boatowners. The period of such permits together with the holder's home address, shall be stated on it, and it shall be given up to the Station Officer at the end of that period.

(d) Subject to local modifications, boats sailing under amateur permits may proceed to a distance of not more than 3 nautical miles in any direction from their port or estuary, and may be under way from one hour before dawn till two hours after sunset. They are not to put to sea during fog, and if

caught out by fog, are to return to port. In no case may the holders of amateur permits fish or be at sea in contravention of fishing regulations or orders. Special local regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

(e) Amateurs returning to port later than half an hour after sunset are to report forthwith at the Coast Guard station, or otherwise, as directed.

(f) A return of fish caught is to be made after each trip, to the Station Officer or other designated person, or forms provided by and in the manner laid down by, the Fishery Authorities.

(g) With the sanction of the Naval and Military Authorities, amateurs may form an approved local Food Fishing Association, the Secretary of which may then perform the duties of a Station Officer under these regulations in respect of recommending members for permits, checking boats ashore, and taking returns of fish landed.

(h) The right is reserved by the Fishery Authorities to direct the manner in which fish caught under amateur permits shall be disposed of.

5. Amateur permits may be endorsed, suspended or withdrawn by the Naval or Fishery Authorities, by whom, acting in conjunction, the provisions as to fishing may be modified locally.

6. Questions relative to permits should be referred to the Divisional Coast Watching Officer through the Station Officer; questions in regard to fishing or to the formation of Local Food Fishing Associations, to the Inspector of Fisheries for the area. The conditions under which amateurs may ship as working hands in bona-fide fishing boats can also be obtained from the Inspector of Fisheries.

7. Excursion traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers, and by written permission of the Commander-in-Chief, Plymouth. Such permission may be obtained through the Divisional Coast Watching Officer, and will only be given provided that—

(a) The entire trip is within the harbour.

(b) The boat or vessel is not under weigh at night, i.e., between half an hour after sunset and half an hour before sunrise, or during fog.

(c) One person is responsible for the party, and

(d) The permission is applicable only to the trip specified.

8. Regular ferry boats may obtain special permission from the Divisional Coast Watching Officer, to run to a specified hour according to circumstances.

9. Oil, motor spirit, petrol, or other goods may not be shipped on board craft of any description, whether coasting or foreign, either as stores for the equipment or navigation of the vessel, or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915. Sailing vessels may not have on board a quantity of petrol, motor spirit, benzine,

paraffin, petroleum, or other similar substances, exceeding 4 gallons.

II.—REGULATIONS WITH REGARD TO COMMERCIAL FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats from Portland Bill on the east to Bardsey Island on the west (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer are allowed to be at sea day and night, except as stated below.

3. The laying of nets, or of crab or any other pots, trawling, drifting, fishing with longlines or anchoring is prohibited, by day and by night except as stated in the succeeding paragraphs, within the area bounded:—

On the North: By a line joining the following points, viz.:—The Longships — the Runnelstone — a point one mile 164° (*South Mag.*) from Lizard head—a point half a mile 164° (*South Mag.*) from Black head—a point 2 miles 164° (*South Mag.*) from Dodman point—Rame head—Mewstone buoy—a point one mile 164° (*South Mag.*) from Bolt head—a point one mile 164° (*South Mag.*) from Prawle point—a point one mile 119° (*S. 45° E. Mag.*) from Start point—Skerries bell-buoy—and Berry head.

On the South: By a line from Wolf rock to a position in lat. $49^{\circ} 46' N.$, long. $5^{\circ} 12' W.$ —thence to a position in lat. $50^{\circ} 06' N.$, long. $4^{\circ} 16' W.$ —thence to a position in lat. $50^{\circ} 05' N.$, long. $3^{\circ} 29' W.$

On the East: By the meridian of long. $3^{\circ} 29' W.$

On the West: By a line joining the Longships and Wolf rock.

4. Between the meridians of Portland bill and Start point all fishing is prohibited at a distance of more than 5 miles from the coast, unless the fishing vessels are with one of the two organised fishing fleets working from the Port of Brixham.

Fishing vessels from other ports between Portland bill and Start point wishing to fish at a distance of more than 5 miles from the coast may be granted special permission to do so on application to the Inspector of Fisheries for the South-western Area, such vessels will then be strictly subject to the conditions laid down in paragraph 7 below.

Fishermen are warned that they are responsible that their nets do not drift into any area in which fishing or drifting nets are prohibited. Any fishing gear found in prohibited areas will be confiscated pending inquiry.

5. *Mount's Bay.*—All fishing is prohibited to the southward of a line drawn from the Runnelstone to a position 4 miles 164° (*South Mag.*) from St. Michael's Mount Tower, and thence to a position one mile 164° (*South Mag.*) from the Lizard.

6. Anchoring for the purpose of hand-lining and fishing with longlines may take place within a circular area with a radius of $2\frac{1}{2}$ miles around the Eddystone.

7. Special permission may be granted to vessels fishing out of Brixham, Plymouth, Looe, Polperro, Mevagissey, Newlyn and Mousehole, and such other fishing ports as may be hereafter determined, to engage in certain forms of fishing from time to time within speci-

fied portions of the prohibited area. This permission may be obtained only from the Inspector of Fisheries for the South Western Area, through the Port Fishery Officer of the port concerned, to whom application should be made in the first place.

It must be clearly understood that this concession will be at once withdrawn unless the terms of the permission as regards (i) locality, (ii) nature of fishing authorised, and (iii) dates and times, are strictly complied with in every respect.

When such permission is granted, one boat in each fleet is to act as picket or Commodore boat, and is to carry a copy of the orders under which the fleet is sailing; this copy to be produced for inspection whenever required by any of H.M. ships or Patrol vessels.

8. *Whitsand Bay.*—

(a) No fishing at night is to take place east of a line drawn 231° (*S. 67^{\circ}* *W. Mag.*) from Rame head, and no boat is to cross this line at a distance of less than 10 miles from the Breakwater light during the hours of "official night."

(b) Except on Sundays, no night fishing is to take place within three miles of the coast between Tregantle and Portwrinkle up to the hour of 12 midnight, or such later hour as may be ordered.

9. *Bigbury Bay.*—During the herring season drifting for herring may take place at night in Bigbury bay (inshore of prohibited area) to the eastward of the meridian of Revelstoke point.

10. By night no vessel is allowed to fish or to be within 10 miles of the entrance of any defended port, except as may be provided for in the special local regulations of such defended port. The defended ports comprise Portland, Plymouth, Falmouth, Cardiff and Barry, Swansea, and Milford Haven.

11. Charts of the above areas may be inspected by fishermen at the offices of the Collectors of Fishery Statistics at Brixham, Plymouth and Newlyn.

12. *Warning — Mines.* — Fishermen are warned to give mine-sweepers a wide berth, and to exercise the greatest caution when fishing. In particular, a sharp look-out for mines should be kept when hauling gear. Extreme care is necessary in cases where torpedoes, mines, shells or bombs are found in trawl or other nets, as they may still be dangerous after being in the water a long time. (See also General Notices and General Warnings contained in the "Green Book," issued by the Marine Department, Board of Trade.)

13. The fishing permit, made out to the skipper actually in charge and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any officer or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat, or of a skipper taking charge of a boat not specified on his permit, a new permit must be obtained, or the necessary alterations made on the old permit. No alterations to permits will be recognised unless signed and dated by the Permit Issuer.

14. Oil, motor-spirit, petrol, or other goods may not be shipped on board fishing craft of any description, either as stores for the equipment or navigation of the vessel or as merchan-

dise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915.

Sailing vessels may not have on board a quantity of petrol, motor-spirit, benzine, paraffin, petroleum or similar substances, exceeding four gallons.

Notes.

Fishing vessels are only to include bona-fide professional fishing craft, manned by bona-fide fishermen: Doubtful cases for fishing permits are to be referred to the nearest Divisional Coast Watching Officer.

Amateurs and pleasure craft out fishing are to be regarded as coming under section I of this notice, and must comply with the Regulations contained therein.

Fishing vessels, having a fishing permit and desiring to carry passengers, *i.e.*, persons other than their bona-fide crew, must obtain separate permits in accordance with Section I of this notice, and when such passengers are on board, the vessel will become strictly subject to the regulations therein laid down. In the event of non-compliance, both permits may be withdrawn by the Divisional Coast Watching Officer or Fishery Officer concerned.

Fishery Officer means an officer of the Board of Agriculture and Fisheries, or of the Local Sea Fisheries Committee within whose district the fishing port in question lies, or other person duly appointed to issue fishing permits.

Permits may be withdrawn, suspended or endorsed at the discretion of the Divisional Coast Watching Officer or of a Fishery Officer.

Availability of permits.—South-Western Area fishing permits are available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area should, in order to avoid delay, notify their arrival and departure to the Local Fishery Officer or Permit Issuer.

Visiting boats from ports outside the South-Western Area must before fishing in this area, obtain from the local Permit Issuer a South-Western Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the Local Fishery Officer;

otherwise they will be detained in port until their credentials have been verified. In all cases visiting boats must give up their South-Western Area fishing permits on leaving the South-Western Area.

Charts of the restricted areas off the Devon coast can be seen by Fishermen at the Harbour Master's Office, Brixham, the Fish Inspector's Office, Plymouth Barbican, and the Fishery Collector's Office, Newlyn Harbour.

Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the Local Fishery Officer, or to the Inspector of Fisheries attached to the area.

III.—PLYMOUTH.

No vessels other than those of British Nationality or those of the Allied Nations are permitted to enter the Port of Plymouth until further notice.

PART I.—ENTRANCE TO THE PORT.

Notification of Time of Arrival.

1. Shipowners and shipping agents will facilitate the entry of their vessels by giving previous notice of the probable time of arrival to the King's Harbour Master for Plymouth, Longroom, Stonehouse (Telegraphic address: Tidal, Plymouth), with particulars of appearance, etc., so that they may be readily identified.

Instructions for Ships Approaching the Port.

2. All ships may be brought in at night as well as by day. This does not apply to fishing vessels and small craft, as they cannot be allowed to enter at night.

Endeavour will be made to bring vessels in from sea during a fog even though movements inside the port are prohibited (*see* paragraph 11). If, however, the fog is so dense as to make this dangerous, the vessel must wait in the outer examination anchorage (Cawsand bay) or at sea until it lifts sufficiently.

When once ships are anchored they are not to move under any circumstances without previously obtaining permission from the King's Harbour Master for Plymouth.

Vessels of every description, including fishing vessels and small craft, are forbidden to enter or leave the port by the eastern entrance. They may only do so by the western entrance.

The Devil's Bridge is entirely closed.

All orders and instructions given by the Examining Officers are to be implicitly obeyed, otherwise ships will be liable to be fired upon.

Distinguishing Signals of Examination Steamers.

3. The Examining Steamer will be found in the neighbourhood of Penlee point, and will *by day* be distinguished by the Examination Flag (white and red horizontal surrounded by blue border), and will fly the Blue Ensign.

By night the Examination Steamer will be distinguished by three white lights.

Signals Indicating Port Closed.

4. The following signals will be employed to indicate that the Port is closed:—

By Day.—Three red balls hoisted vertically by the Examination Steamer and at the flagstaff on Breakwater fort.

By Night.—Three red lights, six feet apart, hoisted vertically by the Examination Steamers, and at the flagstaff on Breakwater fort.

In this case the Examination Vessel will not lead ships in further than Cawsand bay, where they must anchor or remain at sea.

Vessels must on no account proceed further in than Cawsand bay unless met by the Examination Steamer and led in or given the special signal to proceed into the sound.

Ships Anchored in Cawsand Bay.

5. Vessels are not to attempt to leave the anchorage under any circumstances, or to communicate with other vessels, or with the shore, without previously obtaining permission from the Chief Examining Officer.

Fishing Vessels and Small Craft.

6. Fishing vessels, barges, boats, yachts, and small private vessels of any kind are only to

enter the port by day and should approach the western entrance only, where the patrol boats will give them instructions as to proceeding into harbour.

If obliged to shelter at night from stress of weather or other cause, Shipowners, Masters, and Local Agents are advised to direct their vessels to proceed to a sheltered anchorage in the vicinity, such as Salcombe, The Yealm, Looe or Fowey, until daylight.

Lights or Ships.

7. The normal condition in regard to lights of ships at anchor in the sound, Cawsand bay, Cattewater, or Hamoaze at night is that no lights whatever are to show from the outside. When, however, during dark hours, a vessel is under way, anchor lights are to be exposed until the vessel is anchored; or, in the case of ships leaving, until they are clear of the breakwater, when lights are again to be obscured. It is expected that masters of vessels and others concerned will see that this order, which is given for their own protection, is carried out; any infringement of it will entail more stringent measures being taken.

Anchor lights, bow and masthead steaming lights, and other lights, are to be as prescribed in Part 5 of Admiralty Notice to Mariners No. 235 of 1918.

Pilotage.

8. Pilotage is compulsory for all vessels in the whole of the waters comprising Plymouth Sound, Hamoaze, Cattewater and Sutton pool, inside a line joining Penlee point on the west through the Shagstone to the coast on the East, as far as Laira bridge to the eastward and Saltash bridge to the westward, with the following exceptions:—

(a) Ships belonging to His Majesty;

(b) Pleasure yachts and sailing boats under 30 feet in length on the water line and under 10 feet draught;

(c) Fishing vessels;

(d) Sailing vessels trading coastwise of less than 75 tons net register;

(e) Ships of less than 50 tons gross tonnage not carrying passengers;

(f) Motor barges and boats habitually used exclusively within the limits of the Port of Plymouth;

(g) Steam tug boats registered at the Port of Plymouth.

NOTE.—This order does not apply to ships changing moorings unless the shift entails going through or into the channel.

If necessary, the Examining Officer will place a licensed local Pilot on board all incoming merchant vessels, or they will be led in by one of the Examination Vessels which have licensed Pilots on board.

All vessels proceeding from the Cattewater or Sutton pool to Plymouth sound and *vice versa* are to pass between the Mallard shoal and Mount Batten breakwater.

PART II.—MOVEMENTS WITHIN THE PORT.

9. The movements of all merchant ships, fishing vessels, or boats of any kind, are subject to the direction of the King's Harbour Master, Plymouth, for the Sound, and the King's Harbour Master, Devonport, for the Hamoaze, whose orders are to be immediately obeyed.

Disobedience of such orders will render vessels liable to be fired upon.

Pilotage.

10. Pilotage is compulsory under the same conditions as stated in paragraph 8 above.

Night and During Fog.

11. During the hours of official night, or during fog, no merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to be under way in the sound and adjacent waters, except with special permission, which should be obtained from the King's Harbour Master for Plymouth, at Longroom, Stonehouse.

During the hours of official night no vessel, barge, or boat of any kind, will be allowed to be under way in the Hamoaze or creeks and coves adjoining, including the Lynher river and the Tamar river above Saltash as far as a line joining Skinham and Warren points, except with special permission, which should be obtained from the King's Harbour Master, Devonport, at His Majesty's Dockyard, Devonport.

All traffic within the port is absolutely prohibited during a state of fog.

Approach to Government Vessels and Establishments.

12. No merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to approach any Government ship, vessel, lighter, or other Government craft, or any Government Dockyard or Establishment, without special permission.

Subject to the above, merchant shipping may move as usual within the Ports of Plymouth and Devonport, taking care to keep clear of any of His Majesty's ships which are being navigated in the Ports. (See paragraphs 22 and 23, Part IV. of this Section.)

Patrol of Internal Waterways and Approaches of the Port.

13. The internal waterways of the port, as well as the approaches thereto, will be patrolled by Naval patrol boats, or other Government vessels. Captains and Masters of merchant ships, and persons in charge of fishing vessels or boats of any kind, are hereby warned to observe any orders which may be given by the Naval patrols. Merchant ships, fishing vessels, and boats, will be subject to inspection and search, and will be liable to be fired upon in the event of disobedience to the orders given them by the patrols.

Regulation Lights to be shown at Night.

14. All vessels, barges, or boats, that have received permission to be under way, must display the regulation lights at night. (See also paragraph 7.)

Caution as to Anchoring.

15. When anchoring, care must be taken to be well clear of the fairway.

Prohibited Areas.

16. No vessel, boat, or craft of any kind, is at any time allowed within the following areas:—

The Eastern Channel.—The area defined as follows:—On the north by the line of Torpedo range targets; on the west by the line joining Breakwater fort with Shagstone beacon; and on the south by a line joining Shagstone beacon with Reny rocks.

The Bridge.—The area defined as follows:—On the north by a line joining Ravensness point to Drake's island north-west buoy; on the east by a line joining Drake's island north-west buoy to Melampus light-buoy; and on the south by a line joining Melampus light-buoy to Fort Picklecombe pier.

No fishing boat or sailing vessel engaged in coast trade shall be admitted into Cawsand bay during the night, or be allowed to lie at anchor there during the night. No fishing boat or sailing vessel engaged in coast trade shall approach Cawsand bay so late in the evening as to make it impossible for them to enter the Cattewater before dark.

Fishing is now permitted by night in Whitsand bay, subject to the following regulations:—

(a) No fishing at night is to take place east of a line drawn in a 231° (*S. 67^{\circ} W. Mag.*) direction from Rame head, and no boat is to cross this line at a distance of less than ten miles from the Breakwater light during the hours of official night.

(b) Except on Sundays, no night fishing is to take place within three miles of the Coast between Tregantle and Portwrinkle up to the hour of 12 midnight, or such later hour as may be ordered.

The above regulations are to be strictly complied with and any infringement of them will entail severe penalties.

Paragraph 3 of Section II. of this Notice is modified to the extent stated above as regards the defended Port of Plymouth.

No yacht, &c., or pleasure boat may proceed to the westward of a line joining the east end of Drake's island and the west side of the entrance to Millbay docks, nor may they proceed more than two miles outside the breakwater.

With the above exceptions, yachts, &c., and pleasure boats, may cruise in the waters of the sound as laid down in the Public Traffic Regulations. All persons going afloat in charge of yachts or boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the notices that have been published from time to time in the public press defining prohibited areas.

Special notice is drawn to the following points in the regulations:—

No yacht or boat may be under way after dark; there can, therefore, be no traffic after dark between yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East channel, no craft is to approach anywhere near the East channel buoys, as such action would be likely to draw the fire of the forts.

All Excursion Steamer Traffic is Prohibited in the Sound.

Note.—Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer base harbour, must obtain permission to leave for that purpose.

A limited number of moorings for yachts may be laid in the following places and nowhere else:—

On West Hoe—on application to King's Harbour Master, Plymouth; in the Cattewater above Turnchapel—on application to the Harbour Master of Cattewater.

Hamoaze.—Within the limits in the Harbour of Devonport mentioned in paragraph (4)

below, all small craft, motor boats, steam boats, pulling boats, punts, etc., are to be moored in one of the following areas, viz.:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an approved position), where they will remain under Police supervision, and only be allowed out on the production of a permit. (See paragraph (4) below.)

(2) With the exception of steam or motor ferry boats which have obtained special permits, no craft of any description is to be under way during the hours of Official Night, *i.e.*, between the sunset gun and daylight gun fired from the Boom Defence Vessel "Mariner." Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

(3) During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

(4) All traffic is prohibited in the waters of the Harbour of Devonport within the following limits, viz.:—Between lines joining Skinham and Warren points in the Tamar river, and the Boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook lake, and all the creeks and coves adjoining, subject to the following provisions:—

During daylight, i.e., outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose. These permits to be obtained for steam-motor, or other self-propelled craft, from the King's Harbour Master, Devonport, and for sailing or pulling craft from the Superintendent of Dockyard Police; such permits to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits.

No permits will be Granted for Use of Pleasure Craft within the Limits Defined.

(5) With the undermentioned exception at ** the following areas are prohibited to all craft of every description:—

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, south of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

** With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, and for sailing and pulling craft conveying market produce or provisions and coal, at the discretion of the King's Harbour Master, Devonport.
