**ORDER OF THE AIR COUNCIL FOR  
TRANSFERRING AND ATTACHING  
OFFICERS AND MEN TO THE AIR  
FORCE.**

Whereas His Majesty, in pursuance of the powers conferred on Him by the Air Force (Constitution) Act, 1917, has decided to raise and maintain an Air Force, and has given to the Air Council directions to do all such things as may be necessary for that purpose:

And whereas it is enacted by sub-section (1) of section three of the said Act that any officer, warrant officer, petty officer, non-commissioned officer, or man of any of His Majesty's Naval or Military Forces, may, with his consent and subject to the approval of the Admiralty or Army Council (as the case may be), be transferred by the Air Council to the Air Force, or attached by the Air Council to the Air Force

for the period of the present war or for a period not exceeding four years:

And whereas it is enacted by proviso (a) to the said sub-section that "any officer, warrant officer, petty officer, non-commissioned officer, or man, who at such date as may be fixed by Order in Council belongs or is attached to the Royal Naval Air Service, the Royal Flying Corps, or any unit of the naval or military forces engaged in defence against air craft which is designated by the Admiralty or Army Council for the purpose, may be so transferred or attached without his consent, but if any person so transferred or attached, within three months from the time when he receives notice of such transfer or attachment or such longer period as in any particular case the Air Council may allow, gives notice to his commanding officer that he does not desire to be so transferred or attached, the transfer or attachment shall be annulled without prejudice to the validity of anything which may have been done in the meanwhile:—"

And whereas His Majesty by Order in Council made on the 22nd day of March, 1918, fixed the first day of April, 1918, as the date for the purpose of the said proviso (a):

Now, therefore, the Air Council, in pursuance of the powers conferred on them by the said Act and with the consent of the Admiralty and Army Council, hereby order as follows:—

1. The officers mentioned in Part I of the Schedule to this Order shall by virtue of this Order become attached to the Air Force. The period for which those officers will be so attached shall be the period of the present war or four years, whichever may be the longer, unless in the case of any officer, before the expiration of such period, the Air Council arrange with the Admiralty or Army Council, as the case may be, for his return to the naval or military service.

Provided that in the case of an officer who was attached to the Royal Naval Air Service or the Royal Flying Corps the period for which he is attached to the Air Force shall in no case exceed such period as will complete the period for which he was attached to the Royal Naval Air Service or the Royal Flying Corps.

2. The officers, warrant officers, petty officers, non-commissioned officers and men mentioned in Part II of the Schedule to this Order shall by virtue of this Order be transferred to the Air Force.

3. This Order shall take effect on the first day of April, 1918.

4. Any person transferred or attached to the Air Force by virtue of this Order may within three months from the time when he receives notice of such transfer or attachment give notice to his Commanding Officer that he does not desire to be so transferred or attached, and in that case the transfer or attachment will be annulled without prejudice to the validity of anything which may have been done in the meanwhile.

#### PROPOSAL TO FIX MINIMUM RATES OF WAGES FOR NORTHAMPTONSHIRE.

The Agricultural Wages Board (England and Wales) duly established and constituted under Section 5 (1) of the above Act, and the Regulations made by the Board of Agriculture and Fisheries dated the 8th November, 1917, having had regard to the provisions of subsection (6) and (7) of the said section, hereby give notice, as required by Section 5 (4) of the above Act, that they propose to fix the following minimum rates of wages for workmen employed in agriculture for time-work in the area comprising the administrative counties of Northampton and Soke of Peterborough and the county borough of Northampton, that is to say:—

I. The wages payable for employment in summer (as hereinafter defined) of male workmen in agriculture of 18 years of age and over shall be not less than wages at the minimum rate of 30s. for 54 hours (exclusive of meal times).

II. The wages payable for employment in winter (as hereinafter defined) of male workmen in agriculture of 18 years of age and over shall be not less than wages at the minimum rate of 30s. for 48 hours (exclusive of meal times).

III. The above minimum rates shall apply to all male workmen of 18 years of age and upwards while employed in agriculture within the meaning of Section 17 (1) of the above Act, in the area specified, whether employed in agriculture during the whole or part only of their time.

IV. For the purpose of the above minimum rates employment in summer shall be deemed to be employment during the period commencing on the first Monday in March and terminating on the last Sunday in October; and employment in winter shall be deemed to be employment during the rest of the year.

The Agricultural Wages Board, as required by Section 5 (4) of the above Act, will consider any objections to the above minimum rates which may be lodged with them within one month from the date of this Notice. All

objections should be in writing, and should be addressed to the Secretary, The Agricultural Wages Board (England and Wales), 80, Pall Mall, London, S.W. 1. The objections should state precisely, and so far as possible with reasons, what is objected to.

Dated this second day of April, 1918.

Signed by order of the Wages Board,

*F. Popplewell,*

Secretary.

Agricultural Wages Board  
(England and Wales).

80, Pall Mall,

London, S.W. 1.

The above Notice is a *Proposal* to fix minimum rates, and no minimum rates can be fixed by the Wages Board before the expiration of one month from the date of this Notice.

The Agricultural Wages Board will in due course proceed to fix differential rates for overtime, and to define for the purposes of such differential rates the employment which is to be treated as overtime employment. Before doing so, however, they will give due notice, as required by the Act, of the differential rates which they propose to fix, and of any Order defining the employment which is to be treated as overtime employment, and they propose to provide in such notice in regard to the area of the Northamptonshire District Wages Committee that where the contract of employment of a workman does not provide that the working hours on one day in the week (not being a Sunday) shall be limited to 6½ hours or less, a differential rate for overtime shall apply in lieu of the minimum rates set out above. Until, however, differential rates for overtime have been fixed by the Wages Board, the above minimum rates will apply to all employment of workers as specified above.
