NOTE (1).—All persons or firms resident, carrying on business or being in the United Kingdom are prohibited from having, with any person or firm mentioned in this List, or in any List issued under the Trading with the Enemy (Statutory List) Proclamation, any dealings other than such as are expressly authorised by paragraph 5 of the Proclama-

tion. A List (The Consolidated List No. 51A) consolidating all previous Lists, revised to date, and including the amendments in the Schedule annexed hereto, is issued concurrently with this Order. This Consolidated List contains all the names which up to this date are included in the Statutory List.

Additions to and variations in these Lists will be published at intervals approximately of two weeks.

The Lists are published in the London Gazette and reproduced in the Board of Trade Journal, and separate copies of all Lists may be obtained at a small cost from the Superintendent of Publications, His Majesty's Stationery Office, Imperial House, Kingsway, W.C.

NOTE (2).—Where a person or firm mentioned in the List has more than one address in the country, or group of countries under which the name of the person or firm appears, all dealings in that country, or in any country in the group, with such person or firm are prohibited, even in cases where one only of the addresses or one only of the countries is specifically mentioned.

NOTE (3).—Trading is prohibited under the Trading with the Enemy Proclamations of 25th June and 10th November, 1915, with any person or firm of enemy nationality resident or carrying on business in China, Siam, Persia, Morocco, Liberia or Portuguese East Africa. Persons or firms in the United Kingdom are therefore prohibited from trading with any person or firm of enemy nationality in any of those countries, even though such person or firm is not mentioned by name in the Statutory List.

NOTE (4).—In order to minimise as far as possible any inconvenience which may be caused to British traders by the dislocation of export trade owing to the inclusion in the Statutory List of a former connection, the Foreign Trade Department is collecting and classifying the names of non-enemy firms who may be able to act as substitutes for firms mentioned in the Statutory List. A considerable amount of information is already available at the Foreign Trade Department, and it is in many cases possible to suggest the names of satisfactory substitutes for *individual firms on the Lists*, without the necessity of referring the matter abroad. The Department is, however, prepared on application to enquire of His Majesty's Representatives abroad for the names of suitable substitutes. When the applicant wishes this done by telegraph he is required to undertake to pay the cost of telegraphic correspondence. It would greatly facilitate the work of the Foreign Trade Department if applicants in making enquiries would specify the particular trade or trades for which substitutes are required. *General enquiries for new connections abroad should be addressed to The Comptroller General, Department of Overseas Trade (Development and Intelligence), 73, Basinghall Street, London, E.C.2.*

NOTE (5).—The Statutory List for each country is telegraphed, on the day of issue, to His Majesty's Representative in that country, who is instructed to notify accordingly British Consular Officers, to whom persons abroad should apply for information as to names on the List. Persons and firms in the United Kingdom with agencies or branches abroad would, however, be well advised to furnish

such agencies or branches with issues of the List as they appear. The names on the Lists for all countries in Central or South America are also notified to His Majesty's Ambassador at Washington, who transmits them to H.M. Consul-General at New York and to other centres in the United States likely to be interested.

NOTE (6).—It is not unusual for firms in Holland and the Netherland East Indies to be registered under names commencing with descriptive terms, such as "Handel Maatschappij" (Trading Company) or "Naamlooze Venootschap" (Limited Liability Company). In such cases it has been found more convenient to publish the firm under its proper name followed by the general descriptive term "Handel Maatschappij" or "Naamlooze Venootschap" (N.V.) as in the case of an English company. For instance, Handel Maatschappij van den Berg & Company, and Naamlooze Venootschap de Komeet v/h Dumonceau Frères will be found under "Berg" and "Komeet" respectively, and not under "Handel" or "Naamlooze."

Interest payable half-yearly on the 1st April and 1st October.

First Dividend payable 1st October, 1918.

PRICE OF ISSUE £100 PER CENT.
PAYABLE ON APPLICATION.

The Governor and Company of the Bank of England are authorized by the Lords Commissioners of His Majesty's Treasury to receive on the 2nd April, 1918, and thereafter until further notice, applications for the above Bonds. Applications may be lodged at any Office of the Banks hereafter mentioned.

The Principal and Interest of the Bonds are chargeable on the Consolidated Fund of the United Kingdom.

Bonds of this issue, and the interest payable from time to time in respect thereof, will be exempt from all British taxation, present or future, if it is shown in the manner directed by the Treasury that they are in the beneficial ownership of a person who is neither domiciled nor ordinarily resident in the United Kingdom of Great Britain and Ireland.

Further, the interest payable from time to time in respect of £5 per cent. Bonds of this issue will be exempt from British Income Tax; present or future, if it is shown in the manner directed by the Treasury that the Bonds are in the beneficial ownership of a person who is not ordinarily resident in the United Kingdom of Great Britain and Ireland, without regard to the question of domicile. Where such a Bond is in the beneficial ownership of a person entitled to exemption under these provisions the relative Coupons will be paid without deduction for Income Tax or other taxes, if accompanied by a declaration of ownership in such form as may be required by the Treasury.

Interest on the £4 per cent. Bonds will be exempt from liability to assessment to British Income Tax other than Super-Tax. For the purposes of Super-Tax and in computing total income for the purposes of Exemption, Abatement, reduced rate of Income Tax on earned or unearned income, &c., the income derived from such interest will be treated as if the amount received represented the net income after deduction of Income Tax at the full normal rate. There will, however, be no title to repayment of Income Tax in respect of such untaxed interest.

Bonds of this issue will be accepted at their nominal value, with due allowance for any unpaid interest thereon, by the Commissioners of Inland Revenue in satisfaction of amounts due on account of Death Duties, Excess Profits Duty or Munitions Exchequer Payments; provided, in the case of Death Duties, that such Bonds have formed part of the Estate of the deceased continuously up to the date of death from the date of the original subscription or for a period of not less than six months immediately preceding the date of death, and, in the case of Excess Profits Duty or Munitions Exchequer Payments, that they have been held continuously by the firm, company or other person, liable for such Duty or Payment, since the date of the original subscription or for a period of not less than six months before such Duty or Payment becomes due and payable.

Holders of £5 per cent. Bonds of this issue may convert their holdings within 14 days after any half-yearly interest date (viz., 1st April and 1st October), and as on such interest date, into £5 per cent. War Loan, 1929-1947, at the rate of £100 £5 per cent. War Loan, 1929-1947, for each £95 nominal value (excluding any redemption premium) of £5 per cent. National War Bonds surrendered; and holders of £4 per cent. Bonds of this issue may convert their holdings at the same times, and in like manner, into £4 per cent. War Loan, 1929-1942 ("Income Tax Compounded") at the rate of £100 £4 per cent. War Loan, 1929-1942, for each £100 nominal value of £4 per cent. National War Bonds surrendered.

The first dividend on a holding of £5 per cent. War Loan, 1929-1947, or of £4 per cent. War Loan, 1929-1942, issued in lieu of National War Bonds converted, will represent interest from the date of conversion to the next suc-

ceeding interest date of the Loan into which the Bonds have been converted.

In the event of future issues (other than issues made abroad or issues of Exchequer Bonds, Treasury Bills, or similar short dated Securities), being made by His Majesty's Government, for the purpose of carrying on the War, Bonds of this issue will be accepted at par as the equivalent of cash for the purpose of subscriptions to such issues, and an allowance will be made for any interest accrued on Bonds so accepted.

The Bonds will be issued in denominations of £50, £100, £200, £500, £1,000 and £5,000, and the interest thereon will be payable half-yearly by Coupon, the first Coupon on each Bond representing interest from the date on which application is lodged and payment made for the Bond at any office of one of the Banks hereafter mentioned.

Bonds of this issue may be registered free of cost in the Books of the Bank of England, or of the Bank of Ireland, as

1. "Transferable in the Bank Transfer Books," or

2. "Transferable by Deed."

Allotments may be obtained in Registered Form or in Bonds to Bearer at the option of the applicant.

Holdings of Registered Bonds, which will be transferable in any sums which are multiples of a penny, may be re-converted at any time, in whole or in part (in multiples of £50), into Bonds to Bearer with Coupons attached.

Dividends on Registered £5 per cent. Bonds of this issue will be paid without deduction of Income Tax, but the income derived from such dividends will be assessable to Income Tax in the hands of the recipients at the rates of tax appropriate to their respective incomes. Dividend Warrants will be transmitted by post.

Applications for Bonds, which must in every case be accompanied by payment of the full amount payable in respect of the Bonds applied for, may be lodged at any office of the following Banks at any time at which such offices are open for business, viz. :—

4. Holders of Bonds purchased through the Post Office who are resident abroad will have the same privilege as regards exemption from British Taxation as holders of Bonds purchased through the Bank of England.

5. Bonds of this issue will be accepted at their nominal value, with due allowance for

any unpaid Interest thereon, by the Commissioners of Inland Revenue in satisfaction of amounts due on account of Death Duties, Excess Profits Duty, or Munitions Exchequer Payments; provided, in the case of Death Duties, that such Bonds have formed part of the Estate of the deceased continuously up to the date of death from the date of the original subscription or for a period of not less than six months immediately preceding the date of death, and, in the case of Excess Profits Duty or Munitions Exchequer Payments, that they have been held continuously by the firm, company, or other person, liable for such Duty or Payment, since the date of the original subscription or for a period of not less than six months before such Duty or Payment becomes due and payable.

6. Applications for Bonds, together with the full amount payable, may be lodged on or after Tuesday, 2nd April, at any Money Order Office in the United Kingdom and at those Banks which act as agents for the Postmaster-General.

Persons who desire to apply War Savings Certificates or Savings Bank deposits in payment of applications for the Bonds can do so at the time of application.

7. Every applicant will be supplied at the time of payment with a War Bond Book in which the amount of the purchase will be recorded. If Bearer Bonds are applied for, they will, when prepared, be issued in exchange for the Book. If Registered Bonds are applied for, applicants will retain the War Bond Book and will not be required to take delivery of the actual Bonds. Any further purchases which they may make from time to time will be recorded in the Book. A confirmation of each transaction will be sent by the Controller of the Post Office Savings Bank.

8. Dividends on Registered Bonds will be paid either by warrant or credit to a Savings Bank Account without deduction of Income Tax. Persons liable to Income Tax must include such Dividends in their own Returns of Income.

9. Income Tax will be deducted from all coupons on Bearer Bonds held by persons ordinarily resident in the United Kingdom of Great Britain and Ireland.

10. Holders of Bonds of this issue may convert their holdings within 14 days after any half-yearly interest date (viz., 1st April and 1st October), and as on such interest date, into £5 per cent. War Loan 1929—1947 at the rate of £100 £5 per cent. War Loan 1929—1947 for each £95 nominal value (excluding any redemption premium) of £5 per cent. National War Bonds surrendered.

The first dividend on a holding issued in lieu of National War Bonds converted will represent interest from the date of conversion to the next succeeding interest date of the £5 per cent. War Loan 1929—1947.

11. In the event of future issues (other than issues made abroad or issues of Exchequer Bonds, Treasury Bills, or similar short dated Securities) being made by His Majesty's Government for the purpose of carrying on the War, Bonds of this issue will be accepted at par as the equivalent of cash for the purpose of subscriptions to such issues, and an allowance will be made for any interest accrued on Bonds so accepted.

12. If the holder of Registered or Bearer Bonds of the Post Office Issues so desires, the

Bonds will be sold on his behalf by the Post Office and the proceeds (less commission) will be paid to him in cash. Registered Bonds may be converted at any time into Bearer Bonds with coupons attached.

13. Conversion of holdings on the Post Office Register of

- £4 10s. per cent. War Loan, 1925—1945.
- £5 per cent. Exchequer Bonds, 1919.
- £5 per cent. Exchequer Bonds, 1920.
- £5 per cent. Exchequer Bonds, 1921.
- £6 per cent. Exchequer Bonds, 1920.

Holders of the above issues may, in pursuance of the options granted in the several Prospectuses relating thereto, convert their holdings, in whole or in part, into

£5 per cent. National War Bonds repayable 1st April, 1925,

or

£5 per cent. National War Bonds repayable 1st April, 1928,

at any time during the continuance of the issue of such Bonds under this Prospectus.

Holders who convert will receive an allotment at the rate of £100 National War Bonds for each £100 £4 10s. per cent. War Loan or Exchequer Bonds converted.

National War Bonds issued in exchange for converted holdings will carry interest from the dates on which the relative requests for conversion have been lodged with the Controller of the Post Office Savings Bank, London, W. 14. A separate dividend will be paid for interest, if any, accrued to date of conversion on a converted holding. Where a request for conversion of a holding in any issue is lodged after the balance of such issue has been struck for the preparation of a dividend, and before the date on which the said dividend is due, such conversion will be effected on the latter date.

N.B.—Stock registered in the Books of the Bank of England or the Bank of Ireland and Bonds issued by the Bank of England or the Bank of Ireland will not be convertible at the Post Office.

14. The £4 per cent. National War Bonds (Income Tax compounded) announced in the Bank of England Prospectus of 28th March, 1918, will not be issued by the Post Office. Any holder of the Post Office issues of the convertible Stocks and Bonds mentioned in paragraph 13 above who may wish to convert into that issue should apply by letter to the Controller of the Post Office Savings Bank, London, W. 14.

15. Printed Forms of Application and copies of this Prospectus may be obtained at any Money Order Office in the United Kingdom, and at those Banks which act as agents for the Postmaster-General.

ADMIRALTY NOTICE TO MARINERS.

No. 448 of the year 1918.

ENGLISH CHANNEL, NORTH SEA SOUTHERN PORTION, WITH RIVERS THAMES AND MEDWAY AND APPROACHES.

Pilotage and Traffic Regulations.

Former Notice.—No. 1313 of 1917; hereby cancelled.

Mariners are hereby warned that, under the Defence of the Realm (Consolidation) Regulations, 1914, the following Regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

1. ENGLISH CHANNEL AND NORTH SEA SOUTHERN PORTION—PILOTAGE REGULATIONS.

1. All ships (other than British ships when trading coastwise or to or from the Channel islands, or to or from the Port of Brest, or any French Channel Port north and east of Brest, or any Netherlands Continental Port, and not carrying passengers) whilst bound from, and whilst navigating in the waters from, the Downs Pilot Station to Gravesend or *vice versa*, must be conducted by Pilots licensed by the London Trinity House.

2. All ships (other than British ships when trading coastwise or to or from the Channel islands, or to or from the Port of Brest, or any French Channel Port north and east of Brest, or any Netherlands Continental Port, and not carrying passengers) whilst bound from and whilst navigating in the waters from, Gravesend to Great Yarmouth or *vice versa*, must be con-

ducted by Pilots licensed by the London Trinity House.

3. Clauses 1 and 2 above do not apply to British ships whilst navigating in the waters between the Downs Pilot Station and Gravesend, or between Gravesend and Great Yarmouth or between Great Yarmouth and the Downs Pilot Station, provided that they do not make use of any port in the London Pilotage District within these limits.

4. All ships (other than British ships of less than 3,500 tons gross tonnage, when trading coastwise or to or from the Channel islands, or to or from the Port of Brest or any French Channel Port north and east of Brest, or any Netherlands Continental Port, and not carrying passengers) whilst navigating in the waters from Gravesend to London Bridge or *vice versa*, must be conducted by Pilots licensed by the London Trinity House.

5. All ships (other than British ships) whilst navigating in the waters between the Downs Pilot Station and Great Yarmouth and *vice versa*, and between those places and the Sunk light-vessel, or any intermediate pilot station that may hereafter be established, and *vice versa*, must be conducted by Pilots licensed by the London Trinity House.

6. The Trinity House Pilot Station at Dungeness having been discontinued, pilotage is therefore not compulsory between the Downs Pilot Station and Dungeness, except for ships bound into or out of the Harbours of Dover and Folkestone.

7. Trinity House Pilot Stations have been established at the undermentioned places, and merchant vessels not under compulsion of pilotage are very strongly advised to take pilots:—

(a) The Downs, where ships proceeding north can obtain Pilots capable of piloting as far as Great Yarmouth, and also pilots for the River Thames, and for Folkestone and Dover harbours. The Pilot Steamers attached to the Downs Station will cruise in the vicinity of a position two miles south-east of Deal Pier.

(b) Great Yarmouth, where ships from the North Sea bound for the River Thames or the English Channel can obtain Pilots capable of piloting as far as the Downs.

The Pilot Steamer attached to the Great Yarmouth Station will cruise in the vicinity of St. Nicholas light-vessel.

(c) The Sunk Light-Vessel, where ships trading with Netherlands Ports, but *no others*, can obtain Pilots for the River Thames and the Downs.

The Sunk Pilot Steamer will be on her station and available for shipping and landing Pilots between the following hours (G.M.T.):—

From the date hereof until the 31st March, 1918, between 6.30 a.m. and 7 p.m. only.

From the 1st April until the 30th April, 1918, between 6 a.m. and 7 p.m. only.

From the 1st May, 1918, until further notice, between 5 a.m. and 7 p.m. only.

(d) Pilots can also be obtained at London for the Downs and Great Yarmouth (including the River Thames and approaches).

Note.—The Pilots referred to in this Notice are the pilots licensed by the London Trinity House and no others.

II. RIVERS THAMES AND MEDWAY, ETC.—TRAFFIC REGULATIONS.

1. All traffic into and out of the River Thames must pass through the Edinburgh Channels, or through the Black Deep south of the Knock John and Knob Light-Buoys, and through the Oaze Deep until further notice.

No vessels are to remain under way in the above-mentioned Channels between a line drawn from London Stone to No. 3 Sea Reach Light-Buoy and thence to Canvey Point on the west, and the Sunk Head Buoy or a line joining the positions of the South Long Sand and East Shingles Buoys, on the east, from one hour after sunset until one hour before sunrise.

Vessels at anchor within these limits must not exhibit any lights from one hour after sunset until one hour before sunrise.

No merchant or other private vessel is to be at anchor in the Black Deep, and the Main Channel of the Thames, to the Southward of a line joining a position in lat. $51^{\circ} 39' N.$, long. $1^{\circ} 23' E.$, D3 Buoy, a position in lat. $51^{\circ} 33' 08'' N.$, long. $1^{\circ} 13' 03'' E.$, Knob Light-Buoy, a position in lat. $51^{\circ} 31' 45'' N.$, long. $1^{\circ} 04' 48'' E.$, South Shoebury Light-Buoy, a position in lat. $51^{\circ} 29' 15'' N.$, long. $0^{\circ} 49' 45'' E.$, and Nos. 1, 2 and 3 Sea Reach Buoys, except when obliged to anchor on account of fog.

No vessel is to anchor in the Black Deep between the parallel of lat. $51^{\circ} 39' N.$, and the Sunk Light-Vessel, without special orders, except such South-bound vessels as are unable to proceed further south owing to darkness or thick weather; vessels anchoring under such circumstances are only to anchor to the westward of a line joining positions in lat. $51^{\circ} 45' 00'' N.$, long. $1^{\circ} 30' 15'' E.$, lat. $51^{\circ} 42' 00'' N.$, long. $1^{\circ} 27' 20'' E.$, and lat. $51^{\circ} 39' N.$, long. $1^{\circ} 23' E.$, and well clear of the fairway.

All other Channels are closed to navigation.

The Nore Examination Anchorage is reserved for vessels under examination before entry into the Medway, and also for vessels on Government service which have left the Medway and are awaiting orders as to route, &c.

In view of certain difficulty having been experienced in bringing Mercantile traffic into harbour in cases of emergency, a look-out is always to be placed during the dark hours when anchored in the channels or approaches to the Mouth of the Thames in which the exhibition of lights is prohibited. The look-out should always be ready to exhibit a white light at short notice.

2. Coasting vessels are not to be under way nor exhibit any lights in the East Swin or Wallet between sunset and sunrise.

3. No merchant vessel is to be in the following area in the approaches to the River Thames, from one hour after sunset to half an hour before sunrise:—

The area is bounded on the north by the parallel of lat. $51^{\circ} 33' N.$

The area is bounded on the east by the meridian of long. $1^{\circ} 35' E.$

The area is bounded on the south by the parallel of lat. $51^{\circ} 16' N.$

The area is bounded on the west by the meridian of long. $1^{\circ} 24' E.$

Any merchant vessel contravening the foregoing regulation will run the gravest risk of being sunk.

4. The use of the Swin and Wallet Channels by sailing barges and small trading vessels engaged in coastwise traffic along the Essex coast is permitted, subject to compliance with the following restrictions:—

(i) Each vessel must obtain from the Customs a special clearance card, which is to be kept available for inspection by the Patrol Officers, on demand.

(ii) A red ensign is to be displayed while navigating the Middle Deep and Swin Channel.

(iii) No vessel may be under way after dark, except as provided for hereafter.

(iv) When at anchor in the Wallet, Ray Sand, and Whitaker Channels, or in the Rivers Colne, Blackwater, and Crouch, all lights are to be screened so that they will not show outboard.

(v) No vessels may anchor in the River Crouch in the area bounded by lines drawn in a 0° (*N. $1\frac{1}{2}^{\circ}$ E. Mag.*) and a 180° (*S. $1\frac{1}{2}^{\circ}$ W. Mag.*) direction, through Burnham Coastguard Station and Holliwell point; or in the River Blackwater in the areas bounded by a line drawn in a 0° (*N. $1\frac{1}{2}^{\circ}$ E. Mag.*) and a 180° (*S. $1\frac{1}{2}^{\circ}$ W. Mag.*) direction, through Ramsey Stone to the opposite shore, and a line drawn through the Tollesbury and Mersea Oyster Fishery Company's Beacon on Thurslet Spit and the same Company's Beacon on the south side of the river.

(vi) To enable vessels to save their tides they will be permitted to navigate the Rivers Colne, Blackwater, and Crouch at night above the following places:—

River Roach above Quay Reach.

River Crouch above Burnham Coastguard Station.

River Blackwater above Ramsey Island Stone.

River Colne above Brightlingsea Creek.

They are to anchor immediately, should they be ordered to do so by the Naval or Military Authorities.

(vii) Vessels are to carry out all instructions received from the Naval Officers in command of vessels patrolling these Channels and Rivers.

(viii) No vessels are to enter or pass through the defended area in the Middle Deep and Swin Channels until they have been boarded and examined by the vessels stationed there for that purpose. Permission is given, subject to preliminary boarding and examination, for sailing vessels, if they so desire, to pass to the eastward of the Maplin Lighthouse, but under no circumstances may they pass to the eastward of any of the conical buoys in the defended area.

(*Note.—The Examination Officers will board South-bound vessels in the vicinity of the Whitaker Spit. Those leaving the Thames and Medway will be boarded near the Mouse Light-Vessel.*)

The Boarding Officers will give Masters of vessels instructions as to the course they are to steer when passing through the defended area.

(ix) Vessels reaching the entrance to the defended area within one hour of sunset will not be allowed to pass through till daylight.

5. All vessels, other than those of British Nationality or those of the Allied Nations, are prohibited from entering the Medway and Swale rivers.

All Neutral Aliens are prohibited from entering the Medway and Swale rivers in British vessels, and this applies to Aliens carried in British ships or barges as passengers or part of crew; the limits of the prohibited area are defined as from the Outer Bar Buoy in the River Medway to Rochester bridge, and the whole of the River Swale from the light on Queenborough spit to Columbine spit Buoy. Attention is drawn to the necessity of shipowners and charterers satisfying themselves that no Neutral Aliens are on board vessels sent to the Rivers Medway and Swale.

Variation.— 14° W.

ADMIRALTY NOTICE TO MARINERS.

No. 452 of the year 1918.

ENGLAND, SOUTH COAST.

(1) FALMOUTH HARBOUR APPROACH
—TRAFFIC REGULATIONS.*Former Notices.*—Nos. 88, 151 and 317 of 1918.

All vessels bound to or from Falmouth harbour must pass between the two light-buoys situated at a distance of about 3 miles south-westward from St. Anthony point lighthouse as shown on charts, and maintain a course 0° (*N. 17° E. Mag.*) and 180° (*S. 17° W. Mag.*), respectively, for a distance of a quarter of a mile from the light-buoys.

Any instructions given by the patrol vessels should be strictly observed. Vessels proceeding eastward must obtain instructions as to the route to be followed before attempting to leave the anchorage.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway. Vessels entering Falmouth harbour must close the Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels approaching Falmouth in foggy weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 30 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-bound vessels may approach within half a mile of the gateway.

During the hours of darkness all vessels entering or leaving Falmouth harbour must exhibit their side-lights.

(2) PENZANCE BAY—TRAFFIC REGULATIONS.

All vessels bound to or from Penzance bay must pass between the two light-buoys situated at a distance of about $1\frac{1}{2}$ miles south-eastward from St. Paul church, north-westward of Mousehole, as shown on charts, and maintain a course 0° (*N. 17° E. Mag.*) and 180° (*S. 17° W. Mag.*), respectively, for a distance of a quarter of a mile from the light-buoys.

Vessels approaching from the eastward must keep to the southward of the parallel of lat. $50^{\circ} 02' N.$, until reaching a position about 3 miles southward of the gateway, which should then be steered for.

Any instructions given by the patrol vessels should be strictly observed.

Inward-bound vessels will have priority over outward-bound vessels in respect of passage through the gateway.

Vessels entering Penzance bay must close the

Drifter, stationed about half a mile to the southward of the two light-buoys defining the gateway.

This Drifter regulates inward-bound and outward-bound traffic. When no signals are exhibited by day or night by this Drifter, inward-bound traffic may proceed to pass through the gateway.

To indicate that the gateway is clear for outward-bound vessels, the Drifter will display by day a black shape and by night two horizontal white lights.

During fog three long blasts on the steam whistle, repeated at intervals of five minutes, will indicate that the gateway is clear for outward-bound traffic.

Vessels making Mounts bay in foggy weather should be careful to sound the regulation fog-signal and to proceed with great caution when within a depth of 25 fathoms at all states of the tide.

When the gateway is clear for inward-bound traffic, no outward-bound vessel may approach within half a mile of the gateway; and when the signals indicate that outward-bound traffic may pass through the gateway, no inward-bound vessel may approach within half a mile of the gateway.

During the hours of darkness, all vessels entering or leaving Penzance bay must exhibit their side-lights.

Before attempting to leave Penzance bay, outward-bound vessels must obtain instructions as to the route to be followed.

ADMIRALTY NOTICE TO MARINERS.

No. 453 of the year 1918.

ENGLAND, SOUTH-EAST COAST.

*Dover Channel—Traffic Regulations.**Former Notices.*—Nos. 152 and 318 of 1918.

1. Two light-vessels and four light-buoys have been established to mark a gateway in the Dover channel off Folkestone, as shown on the charts.

2. Shipping is hereby warned that the *only* passage for traffic proceeding between the Downs and Dungeness is between the North-East and South-East gate light-buoys and then between North and South Folkestone gate light-vessels shown on the chart, and between North-West and South-West gate light-buoys and *vice versa*, and that Article 25 of the Collision Regulations must be complied with, that is to say, East-bound traffic must keep to the Southern side of the passage and West-bound traffic must keep to the Northern side. Ships disregarding this warning will do so at their own peril.

3. *Caution.*—Mariners are warned to exercise great caution when approaching the ships' passage between the Folkestone gate light-vessels, as the tidal streams may at times set

obliquely across the passage. Both light-vessels should be given as wide a berth as the width of the passage and compliance with Article 25 of the Collision Regulations permit.

4. The latest route information and route instructions are to be obtained from the examination vessels off Calais and Boulogne, or in the Downs or from Patrol vessels westward of Folkestone gate or in the vicinity of Cape Gris Nez. Any deviation from these instructions may entail the destruction of the vessel.

5. No vessel is to anchor or to fish in the following area:—

The area is bounded by lines joining the following points:—

- (a) Admiralty pier light-house, Dover.
- (b) Les Quenocs buoy No. 4.
- (c) Cape Gris Nez lighthouse.
- (d) The light-buoy at the north-east end of the Bassure de Baas in lat. $50^{\circ} 48\frac{1}{2}'$ N., long. $1^{\circ} 33'$ E.
- (e) The light-buoy at the south-west end of Le Colbart in lat. $50^{\circ} 49\frac{1}{2}'$ N., long. $1^{\circ} 15\frac{1}{2}'$ E.
- (f) Sandgate castle.

6. British Merchant vessels approaching the Straits of Dover are to hoist their number in the International Code.

7. *Caution.*—Mariners are warned that light-buoys which are not shown on the chart may be met with between the parallels of lat. $51^{\circ} 04'$ N. and $51^{\circ} 20'$ N.

A gateway, 500 feet in width, has also been established at the entrance to South channel. This gateway is marked on its western side by a light-buoy situated about $6\frac{3}{4}$ cables south-eastward from Stone on Kingscross point as shown on chart.

All vessels bound for Lamlash must approach by the Northern channel, and maintain a course 244° (S. 82° W. *Mag.*) for a distance of a quarter of a mile on either side of the light-buoy, which should be left on the starboard hand at a distance not exceeding 75 yards.

Vessels must not attempt to enter by the Southern channel unless they have been definitely ordered by their route instructions or a Clyde Patrol vessel to do so, when they must maintain a course 329° (N. 13° W. *Mag.*) for

a distance of a quarter of a mile on either side of the light-buoy, which should be left on the port hand at a distance not exceeding 75 yards.

When using the Northern channel, inward-bound vessels will be given priority over those outward bound.

Vessels entering are not to approach the gateway at a speed exceeding 10 knots.

Vessels entering are to close the drifter, which will be lying off the gateway, for instructions. Any instructions which may be given by Patrol vessels in the outer reaches of the Clyde must also be strictly observed.

The drifter regulates the traffic both inward and outward bound as follows:—

To indicate that the gateway is clear for inward-bound traffic, she will display at both yard-arms:

By day—Two black balls hoisted vertically.

By night—One red light.

To indicate that the gateway is clear for outward-bound traffic, she will display at both yard-arms:

By day—One black cone, point up.

By night—One green light.

During fog or thick weather, she will sound three long blasts on her steam whistle at intervals of five minutes to indicate that the gateway is clear for outward-bound traffic.

There will be no sound signal for inward-bound traffic.

No vessel, either inward or outward bound, is to approach within half a mile of the gateway unless the drifter is displaying the traffic signal in her favour.

In foggy or thick weather, vessels approaching are to sound the regulation fog-signals, and proceed with great caution.

All vessels entering Lamlash by night are to burn side-lights.

Vessels entering during the night may anchor to the northward of this line until the morning.

Before attempting to leave Lamlash, all vessels must obtain instructions as to the route to be followed.
