At the Court at *Buckingham Palace*, the 18th day of *May*, 1918.

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order in Council, dated the twenty-eighth day of November, nineteen hundred and fourteen, His Majesty was pleased to make regulations (called the "Defence of the Realm Regulations") under the Defence of the Realm Consolidation Act, 1914, for securing the public safety and the defence of the realm:

And whereas the said Act has been amended by the Defence of the Realm (Amendment) Act, 1915, the Defence of the Realm (Amendment) (No. 2) Act, 1915, and the Munitions of War Act, 1915, and other enactments:

And whereas the said regulations have been amended by various subsequent Orders in Council:

And whereas it is expedient further to amend the said regulations in manner herein-after appearing:

Now, therefore, His Majesty is pleased, by and with the advice of His Privy Council, to order, and it is hereby ordered, that the follow-

ing amendments be made in the said regulations:—

1. After Regulation 7BBB the following regulation shall be inserted:—

"7BC. If in the case of any tramway undertaking carried on under statutory powers by a local authority it appears to the Board of Trade that it is necessary for the successful prosecution of the war that the undertaking should be carried on in an efficient manner, but that owing to circumstances arising out of the war it cannot be so carried on without either charging tolls, fares, and charges in excess of those which the local authority is authorised in any year to charge or without applying in aid of a deficiency in any year in the revenue of the undertaking local rates or funds which are not applicable to that purpose, the Board of Trade may by order authorise the local authority to charge the local rates or funds with any such deficiency and to defray the deficiency thereout to such extent and subject to such conditions as may be specified in the order and may by such order modify any provision in any local Act regulating the undertaking to such extent and during such period as appears to the Board necessary for the purpose aforesaid, or for the purpose of

relieving the local authority from the obligation of making allowances for renewals or depreciation."

2. After Regulation 30E the following regulation shall be inserted:—

"30EE.—(1) No person shall after the twenty-seventh day of May, nineteen hundred and eighteen, have or retain at any time in his possession or under his control silver coins current in the United Kingdom of a value exceeding that of the amount of silver coinage reasonably required by him at that time for the purposes of the personal expenditure of himself and his family and of his trade or business (if any); and if any person acts in contravention of this regulation he shall be guilty of an offence against these regulations.

"In any proceedings for contravention of this regulation the burden of showing what amount of silver coinage is reasonably required for the purposes aforesaid shall rest upon the person charged.

"(2) Any person who sells or purchases, or offers to sell or purchase, any coin current in the United Kingdom for an amount exceeding the face value of the coin, or accepts or offers to accept any such coin in payment of a debt or otherwise for an amount exceeding its face value, shall be guilty of an offence against these regulations."

3. In Regulation 35B for the words "or of any aircraft" there shall be substituted the words "or any aircraft."

4. Regulation 41B shall be amended by the insertion after the word "country" of the words "or Finland," and after the words "Act, 1915," of the words "or of any person resident in Finland."

The foregoing amendments of Regulation 41B shall be deemed to have had effect from the fifteenth day of April, nineteen hundred and eighteen.

Provided that no person shall be liable to a penalty by reason of any contravention of or failure to comply with the provisions of the said regulation as so amended committed or occurring before the eighteenth day of May, nineteen hundred and eighteen, unless he would have been so liable if the said regulation had not been so amended.

The KING has been pleased to award the Decoration of the Albert Medal to John George Stanners, Deckhand, R.N.R., O.N. 17562 D.A., and to Rupert Walter Bugg, Leading Deckhand, R.N.R., O.N. 5046 S.D., in recognition of their gallantry in the following circumstances:—

On the 29th December, 1917, some cotton waste, which had been stored in a wooden cupboard in the Magazine of H.M. Motor Launch No. 289, caught fire from an unknown cause. On the fire being discovered by the smell of burning and by the issue of smoke from the Magazine hatch, when opened, Deckhand Stanners, without hesitation, went down into the Magazine and brought up a quantity of the burning waste.

Leading Deckhand Bugg, who was in Motor Launch No. 285, alongside No. 289, smelt something burning, and on observing Deckhand Stanners coming up from the Magazine with burning material, immediately went down and extinguished the remainder of the ignited cotton waste.

The promptitude of action and the high courage shown by these men in the face of very grave danger averted a serious fire, and in all probability saved both Motor Launches and the lives of those on board.
