DEFENCE OF THE REALM REGULATIONS.

DARKENING SHIP—NAVIGATION AND ANCHOR LIGHTS.

In exercise of the powers conferred upon them by the Defence of the Realm Regulations, and all other powers thereunto enabling them,

the Lords Commissioners of the Admiralty hereby make the following Order:—

(a) In areas in which submarines and/or raiders are likely to be met, which areas are defined in war instructions for British merchant ships or within such limits as may be defined by officers responsible for the issue of route instructions at home or abroad, and

(b) In areas other than those above mentioned, whenever information is received by war warnings, or otherwise, that submarines and/or raiders are operating.

(1) Vessels are to be carefully darkened from sunset to sunrise. No light of any description shall be exposed in any vessel so as to be visible outboard or to reflect upwards, other than navigation lights at such times and in such circumstances as they are authorized to be shewn by this Order, and lights which are necessary for signalling purposes.

Any Naval Officer whom the Senior Naval Officer of the Port may appoint for the purpose, may board any vessel entering the port to inspect the means provided for the screening and shading of lights as this Order requires. The Master of such vessel shall give facilities for such inspection and shall, if the Inspecting Officer so requires, sign a certificate to the effect that adequate means of screening lights are provided on board.

(2) *Navigation lights* must be dimmed to a visibility not exceeding two miles.

Subject to any directions given under paragraph 8 hereof, they are only to be exhibited (a) for avoiding collision, in which case they are to be extinguished as soon as the danger of collision is past; (b) when exceptional circumstances make their use absolutely necessary.

They must be so arranged that they can be instantly shewn when required to be exhibited.

(3) *Masthead lights.* No masthead light of a brilliancy exceeding $2\frac{1}{2}$ candle power at its source is to be exhibited. Dioptric lenses and reflectors are to be removed from the lanterns and lights are to be shaded with plain opal glass.

One masthead light only is to be used, and this light is never to be used unless the Master considers it absolutely necessary.

The use of masthead lights is to be discontinued until provision has been made for their being reduced in accordance with this Order.

(4) *Side lights.* No side light of a brilliancy exceeding eight candle power at its source shall be exhibited. Dioptric lenses and reflectors are to be removed from the lanterns and the lights are to be shaded with plain coloured glass.

Ships with electric lamps are to carry five candle power bulbs for use when specially ordered.

Oil side lamps are only to be exhibited if electric lights are not available.

(5) *Stern lights.* No stern light of a brilliancy exceeding $2\frac{1}{2}$ candle power at its source shall be exhibited. Dioptric lenses and reflectors are to be removed from the lanterns and lights are to be shaded with plain opal glass.

Stern lights are to be electric where electric light is installed and are to be controlled from the bridge.

In vessels where electric light is not installed, an oil lamp or electric torch of equivalent brilliancy may be substituted.

Stern lights are not to be exhibited when navigation lights are ordered to be shewn unless stern lights are definitely mentioned in the order.

Stern lights are only to be exhibited (a) for the purpose of avoiding a collision, in which case they are to be extinguished as soon as the danger of collision is passed, or (b) in accordance with any directions given under paragraph 8 hereof.

Vessels in convoy when ordered to exhibit a stern light are to have such light screened so as to shew not more than three points from the right astern on each quarter.

(6) *Dimmers.* In ships fitted with dimmers, bulbs of a higher candle power may be used, but lights are not to be shewn of a brilliancy exceeding that stated in this Order, except in special circumstances, such as imminent danger of collision, thick weather, or while navigating in and entering or leaving any harbour, such ships are to be supplied with bulbs of the prescribed candle power, which are to be inserted and used in the lamps should the dimmers fail from any cause.

(7) *Anchor lights.* The visibility of anchor lights is not to exceed one mile.

No electrically lit lanterns are to be used as anchor lights, except in vessels carrying volatile oil or spirits in bulk.

All anchor lanterns are to be fitted with overhead screens, so arranged as to cut off the light at an angle of between 20 and 25 degrees above the horizontal.

NOTE.—Specimen screens can be viewed at the Board of Trade Surveyors' Offices at Leith, North Shields, Hull, Plymouth, Cardiff, Liverpool, Glasgow and Dublin.

(8.) Notwithstanding the foregoing provisions of this Order, the Senior Naval Officer or Naval Officer in Charge at any port of the United Kingdom may give instructions either general or special for the shewing of such navigation, anchor or other lights in waters within his jurisdiction, as he may consider necessary for the safety of shipping in such waters.

In waters other than those last mentioned, the Senior Naval Officer present on board any of H.M. ships or any Naval Officer appointed for the purpose may give directions either general or special for the exhibition of any lights he may require to be shewn.

(9) The owner of every vessel shall provide for fitting and maintaining on board the vessel the equipment of lights prescribed hereby, including adequate means of controlling, shading and screening navigation and anchor lights and all other lights on board which require to be screened to enable the vessel to be thoroughly darkened, and if any owner fails so to provide, he shall be guilty of an offence against the Defence of the Realm Regulations.

The Master, Officer, member of the crew, passenger or any other person on board any vessel who is affected by any of the provisions of this Order and fails to comply therewith shall likewise be guilty of an offence.

(10) This Order shall apply to vessels of every description other than H.M. ships or hospital ships, except that it shall not apply to a vessel not being a British vessel where the non-compliance with this Order takes place on the high seas outside the territorial waters adjacent to the United Kingdom.

The Admiralty Orders of May 22, 1917, January 16th, 1918, and February 15th, 1918, are hereby cancelled.

Given under our hands this 23rd day of May, 1918.
