EAST SUSSEX AND KENT (FOOT-AND-MOUTH DISEASE) ORDER OF 1918.

The Board of Agriculture and Fisheries, by virtue and in exercise of the powers vested in them under the Diseases of Animals Act, 1894 to 1914, and of every other power enabling them in this behalf, do order, and it is hereby ordered as follows:—

Movement into, out of, or within Scheduled District.

1.—(1.) No cattle, sheep, goats or swine shall be landed in or moved into or out of the District described in the Schedule to this Order, hereinafter referred to as the Scheduled District, or be moved along, over, or across, or be allowed by the owner or person in charge thereof to stray upon a highway or thoroughfare within the Scheduled District; provided that nothing in this Order shall be deemed to apply to the movement of animals into or out of the Scheduled District where they are moved through such District by railway from a place outside such District to another place outside such District, without unnecessary delay, and without the animals being untrucked within such District except for the purposes of feeding or watering the animals within the railway station premises where such untrucking takes place.

(2.) If any farm (except any detached part) is partly within and partly without the Scheduled District, the whole shall be deemed to be within the Scheduled District.
