A PROCLAMATION

FOR PROHIBITING THE IMPORTATION INTO THE UNITED KINGDOM OF ALL FOREIGN COINS OTHER THAN GOLD AND SILVER COINS.

GEORGE R.I.

**W**HEREAS by Section two of the Customs Amendment Act, 1886, We are empowered from time to time to make, and when made to revoke, a Proclamation prohibiting the importation into Our United Kingdom of such coins coined in a foreign country as are in that behalf specified in such Proclamation:

And whereas by Our Proclamation, made the thirtieth day of March, One thousand nine hundred and seventeen, We did prohibit, subject as therein provided, the importation into Our United Kingdom of all coins coined in any foreign country other than gold or silver coins:

And whereas it is expedient that Our said Proclamation should be revoked, and that the importation into the United Kingdom of such coins coined in a foreign country as are hereinafter specified should be prohibited:

Now, therefore, We, by and with the advice of Our Privy Council, in pursuance of the said Act and of all other powers enabling Us in that behalf, do hereby proclaim, direct and ordain as follows:—

*Almeric FitzRoy.*

At the Court at *Buckingham Palace*, the 14th day of *January*, 1919.

PRESENT,

The KING's Most Excellent Majesty in Council

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 2nd day of *January*, 1919, in the words following, viz.:—

"Whereas by Section 3 of the Naval and Marine Pay and Pensions Act, 1865, it is enacted, *inter alia*, that all pay, pensions, or other allowances in the nature thereof, payable in respect of services in Your Majesty's Naval or Marine Force to a person being, or having been, an Officer, Seaman, or Marine therein, shall be paid in such manner, and subject to such restrictions, conditions, and provisions, as are, from time to time, directed by Order in Council:

"And whereas the Regulations for the Government of Your Majesty's Fleet provide that an Officer, who receives a wound or injury which is not equivalent or nearly equivalent to the loss of a limb or the use of a limb, may receive a gratuity of such sum as we may think fit, provided that it does not amount to one year's full pay of his rank:

"And whereas Army Officers who sustain wounds or injuries which are very severe, but not nearly equivalent to the loss of a limb, may receive, in addition to a gratuity, temporary pensions at half the rates of pension allowed for the loss of a limb, and we consider that provision for the payment of similar pensions should be made in the case of Naval Officers, whose wounds or injuries are of the same description:

"We beg leave humbly to recommend that Your Majesty may be graciously pleased, by Your Order in Council, to approve of such cases being dealt with under the following Regulation:—

"Officers and Warrant Officers on the Permanent, Supplementary, or Temporary Lists of the Navy and Reserves, who have sustained in action injuries which are very severe, but which are not equivalent or nearly equivalent to the loss of a limb or the use of a limb, to be eligible to receive, at the discretion of the Admiralty, in addition to the authorized gratuity, temporary pensions at half the rates laid down for the loss of a limb, such pensions to commence after the expiration of the period for which a gratuity has been awarded, and to be renewable from year to year, provided the effects of the injury continue to be very severe and likely to be permanent. If the temporary pension is renewed for 5 years, and the bodily disability continues, the pension may, at the discretion of the Admiralty, be converted into a permanent pension:

"The above Regulation to take effect as from the fourth day of *August*, 1914:

"The Lords Commissioners of Your Majesty's Treasury have signified their concurrence in this proposal."

His Majesty, having taken the said Memorial into consideration, was pleased, by and with the advice of His Privy Council, to approve of what is therein proposed.

And the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

*Almeric FitzRoy.*

## ADMIRALTY NOTICE TO MARINERS.

No. 74 of the year 1919.

## ENGLAND AND WALES, SOUTH AND WEST COASTS.

*Portland Bill to Bardsey Island—Traffic Regulations.**Former Notice.*—No. 1354 of 1918; hereby cancelled.

Notice is hereby given that under the Defence of the Realm (Consolidation) Regulations, 1914, the following regulations have been made by the Lords Commissioners of the Admiralty and are now in force:—

### I.—REGULATIONS RESPECTING SMALL CRAFT AND AMATEUR FISHING.

The following regulations are to apply to all small craft (exclusive of bona-fide commercial fishing boats, sailing under fishing permits) from Portland Bill on the east to Bardsey Island on the west.

2. Discretionary power is granted to Divisional Coast Watching Officers to grant exemptions in cases where it can be shown that exceptional hardship to individuals, or interference with recognised means of communication across estuaries, etc., would be caused by a strict interpretation of the regulations.

3. The following regulations with regard to pleasure permits are now in force:—

(i) No fisherman, boatman or waterman under 60 years of age may be granted a permit. Fishermen, boatmen or watermen over 60 years of age may receive a permit for *one* pleasure or waterman's boat (which may be let out on hire), provided that the boat has not been granted a fishing or amateur permit.

(ii) Persons, other than fishermen, boatmen or watermen, who own boats may receive permits on the strict understanding that no professional fisherman, boatman or waterman under the age of 60 is employed either on shore or at sea in connection with such craft. Any infringement of this rule will lead to the immediate withdrawal of the permit.

Boats thus licensed are to comply strictly with the following navigational directions:—

(a) They are not to be under way at night, i.e., between half an hour after sunset and half an hour before sunrise, or during fog, but are to remain at their moorings. If caught out by fog they are to return to the shore at once.

(b) Subject to any special exceptions that have been or may hereafter be made, they are not to proceed to a distance of more than three miles in any direction from the port, creek or river to which they belong.

Applications for permits should be made to the Divisional Coast Watching Officer through the Station Officer of the nearest Coast Guard station. No boat or vessel may be used without a permit. Permits must always be carried while under way, and may be withdrawn at any time at the discretion of the Officer by whom they were issued.

4. Through the above-mentioned channel, and with the concurrence of the Fishery Authorities, British born amateurs desirous of fishing for food may obtain amateur permits, subject to the following provisions:—

(a) The crew of the boat—and if desired an alternative crew for each—shall be named on the permit, which shall be signed

by each of those persons, and no person other than those named may be at sea in the boat. The permit must always be carried in the boat while under way.

(b) Boats sailing under amateur permits shall not carry as members of their crew bona-fide fishermen holding, or qualified to hold, fishing permits.

(c) Amateurs and visitors who propose to hire boats for periods of not less than one week, and whose credentials are satisfactory, may obtain amateur permits in the same manner as amateur boatowners. The period of such permits, together with the holder's home address, shall be stated on it, and it shall be given up to the Station Officer at the end of that period.

(d) Subject to local modification, boats sailing under amateur permits may proceed to a distance of not more than 3 nautical miles in any direction from their port or estuary, and may be under way from one hour before dawn till two hours after sunset. They are not to put to sea during fog, and if caught out by fog, are to return to port. In no case may the holders of amateur permits fish or be at sea in contravention of fishing regulations or orders. Special local regulations are in force for defended areas and ports, comprising Portland, Plymouth, Falmouth, Milford Haven, Cardiff and Barry, and Swansea.

(e) Amateurs returning to port later than half an hour after sunset are to report forthwith at the Coast Guard station, or otherwise, as directed.

(f) A return of fish caught is to be made after each trip, to the Station Officer or other designated person, on forms provided by, and in the manner laid down by, the Fishery Authorities.

(g) With the sanction of the Naval and Military Authorities, amateurs may form an approved local Food Fishing Association, the Secretary of which may then perform the duties of a Station Officer under these regulations in respect of recommending members for permits, checking boats ashore, and taking returns of fish landed.

(h) The right is reserved by the Fishery Authorities to direct the manner in which fish caught under amateur permits shall be disposed of.

5. Amateur permits may be endorsed, suspended or withdrawn by the Naval or Fishery Authorities, by whom, acting in conjunction, the provisions as to fishing may be modified locally.

6. Questions relative to permits should be referred to the Divisional Coast Watching Officer through the Station Officer; questions in regard to fishing or to the formation of Local Food Fishing Associations, to the Inspector of Fisheries for the area. The conditions under which amateurs may ship as working hands in bona-fide fishing boats can also be obtained from the Inspector of Fisheries.

7. Excursion traffic, defined as advertised trips wholly or chiefly for the pleasure of the passengers, is allowed only within ports, creeks or rivers, and by written permission of the Commander-in-Chief, Plymouth. Such permission may be obtained through the Divisional Coast Watching Officer, and will only be given provided that—

(a) The entire trip is within the harbour.

(b) The boat or vessel is not under way at

night, i.e., between half an hour after sunset and half an hour before sunrise, or during fog.

(c) One person is responsible for the party, and

(d) The permission is applicable only to the trip specified.

8. Regular ferry boats may obtain special permission from the Divisional Coast Watching Officer, to run to a specified hour according to circumstances.

9. Oil, motor spirit, petrol, or other goods may not be shipped on board craft of any description, whether coasting or foreign, either as stores for the equipment or navigation of the vessel, or as merchandise, except at places which are under the supervision of a Customs Officer. Such goods must be properly pre-entered before shipment, and a clearance must be obtained from the Customs Officials in accordance with the Customs War Powers Act, 1915. Sailing vessels may not have on board a quantity of petrol, motor spirit, benzine, paraffin, petroleum, or other similar substances, exceeding 4 gallons.

## II.—REGULATIONS WITH REGARD TO COMMERCIAL FISHERMEN.

The following Regulations are to be complied with by all fishing vessels and boats on the coast of England and Wales from Portland Bill westwards to Bardsey island (hereinafter referred to as the South-Western Area).

2. Fishing vessels authorised by fishing permits signed by the local Fishery Officer, are allowed to be at sea day and night, except as stated below in paragraphs 3, 4 and 5.

3. (i.) By day and night, the laying of nets, or of crab or any other pots, trawling, longlining, drifting, or anchoring is prohibited within the area bounded:

*On the North:* By a line joining the following places and points, viz.:—The Longships—the Runnelstone—a point 4 miles 164° (*South Mag.*) from St. Michael's Mount tower—a point one mile 164° (*South Mag.*) from Lizard head—a point half a mile 164° (*South Mag.*) from Black head—a point 2 miles 164° (*South Mag.*) from Dodman point—Rame head—Mewstone buoy—a point one mile 164° (*South Mag.*) from Bolt head—a point one mile 164° (*South Mag.*) from Prawle point—a point one mile 119° (*S. 45° E. Mag.*) from Start point—Skerries bell-buoy—and Berry head—and the parallel of lat. 50° 30' N.

*On the South:* By a line from Wolf rock to a position in lat. 49° 46' N., long. 5° 12' W.—thence to a position in lat. 50° 06' N., long. 4° 16' W.—thence to a position in lat. 50° 05' N., long. 3° 22' W.

*On the East:* By the meridian of long. 3° 22' W.

*On the West:* By a line joining the Longships and Wolf rock.

(ii.) The above prohibition does not apply to vessels sailing across the prohibited area, or whiffing with handlines without anchoring.

(iii.) Anchoring for the purpose of handlining, and fishing with longlines, is permitted within 2½ miles of the Eddystone.

4. By day and night, between the meridians of Portland Bill and Start Point, fishing is prohibited at a distance of more than 5 miles from shore, unless fishing vessels are sailing under Port Fishery Orders.

5. Local regulations are in force as follows:

(i.) *Defended Ports and Areas.* By night, no vessel is allowed to fish or to be within 10 miles of the entrance to any defended port, except as may be provided for in the special local regulations of that port. The defended ports comprise Portland, Plymouth, Falmouth, Cardiff and Barry, Swansea, and Milford Haven. Special local regulations are also in force in Tor Bay and Mount's Bay, and at St. Ives.

(ii.) *Port Fishery Orders* are in force at Brixham, Plymouth, Newlyn and Mousehole, St. Ives, Padstow, Swansea, and Milford Haven. Vessels fishing out of those ports, and out of such other ports as may be placed under Port Fishery Orders, are to fish in organised fleets under the orders of the Port Fishery Officer.

(iii.) *Fishing in Prohibited Areas:*

(a) Special permission has been, and may from time to time be, granted by Port Fishery Orders for vessels fishing out of certain ports to engage in specified forms of fishing within specified portions of the prohibited areas defined in paragraphs 3 and 4 above. This permission can be obtained only from the Inspector of Fisheries for the S.W. Area, through the Port Fishery Officer of the port concerned, to whom application should be made in the first place.

(b) Orders permitting fishing within the prohibited areas are to be strictly complied with in every respect. One boat with each fleet is to act as picket or Commodore boat, and is to carry a copy of the order under which the fleet is fishing; this copy is to be produced for inspection whenever required by any of H.M. ships or patrol vessels.

(iv.) *Whitsand Bay.* Night fishing is permitted in Whitsand Bay inshore of the northern line of the prohibited area, as defined in paragraph 3 (i.) above, provided that:

(a) During the hours of "official night" no vessel, approaching Plymouth, may cross to the eastward of a line drawn 231° (*S. 67° W. Mag.*) from Rame Head; and

(b) Except on Sundays, no boat may approach within three miles of the coast between Tregantle and Portwrinkle up to the hour of 12.0 midnight, or such later hour as may be ordered.

6. A new issue of fishing permits was recently made throughout the S.W. Area, fishing skippers being required to exchange their old permits for blue permits of the new issue by the 31st August, 1918.

7. The fishing permit, made out to the skipper actually in charge, and for the boat in question, must at all times be carried by a fishing vessel at sea, and it must be produced on demand to any Naval or Fishery Officer, or other authorised person. Failure to comply with this regulation will render the offender liable to prosecution.

In the case of a new skipper taking charge of a boat, or of a skipper taking charge of a boat not specified on his permit, a new permit must be obtained. No alterations on permits will be recognised, whether made by the Permit Issuer or not.

8. The shipment of oil, motor spirit, petrol,

and other goods in fishing vessels is subject to the Customs Regulations for the time being.

9. Admiralty Orders for British fishing vessels are in all cases to be obeyed: See the current Notices to Fishermen (the "Green Book") issued free to fishermen at Mercantile Marine and Customs Offices.

#### Notes.

1. Fishing vessels are only to include bona-fide commercial fishing craft, manned by bona-fide professional fishermen.

2. Amateur fishermen and pleasure craft out fishing are not to be regarded as coming under this section of the Notice, except that areas prohibited to fishing vessels are also prohibited to amateur fishing boats and pleasure craft. These latter must comply with the current regulations as to amateur fishing boats and pleasure craft, and must obtain their amateur fishing permits, or pleasure permits, as the case may be, through the nearest Coastguard Station Officer.

3. Passengers. Fishing vessels having a fishing permit, and desiring to carry passengers—i.e., persons other than their bona-fide crew—must obtain separate pleasure permits, and when such passengers are aboard they will be strictly subject to the pleasure craft regulations for the time being. In the event of non-compliance, both the boats' permits may be withdrawn by the Naval or Fishery Authorities. The conditions under which fishing skippers may ship non-fishermen hands to make up their crew, or may take out wounded soldiers and sailors in uniform, or may give passages to members of their own families, can be obtained on inquiry of the Permit Issuer.

4. Fishery Officer means an officer of the Board of Agriculture and Fisheries, a Port Fishery Officer, or other person duly appointed to issue fishing permits.

5. Permits may be withdrawn, suspended, or endorsed at the discretion of the Naval Authorities or of a Fishery Officer.

6. Availability of Permits. A S.W. Area fishing permit is available over the whole area, when and where fishing is permitted by these regulations, but boats moving from port to port within the area must notify their arrival and departure to the local Fishery Officers of those ports.

7. Visiting boats from ports outside the S.W. Area must, before fishing in this area, obtain from the local Permit Issuer a S.W. Area fishing permit, either—

(a) In exchange for their former permit (re-exchanging on departure), or,

(b) By previous application through the local Fishery Officer of their home port; otherwise they will be detained in port while their credentials are being verified. In all cases, visiting boats must give up their S.W. Area fishing permits on leaving the S.W. Area, and must notify the local Fishery Officers when they move from port to port within the area.

8. Charts of prohibited areas and of areas affected by Port Fishery Orders can be seen by fishermen on application to Port Fishery Officers.

9. Complaints on the part of the fishing community, and questions of doubt, should be referred in the first instance to the local Fishery Officer, or direct to the Inspector of Fisheries attached to the area.

### III.—PLYMOUTH.

No vessels other than those of British Nationality or those of the Allied Nations are permitted to enter the Port of Plymouth until further notice.

#### PART I.—ENTRANCE TO THE PORT.

##### Notification of Time of Arrival.

1. Shipowners and shipping agents will facilitate the entry of their vessels by giving previous notice of the probable time of arrival to the King's Harbour Master for Plymouth, Longroom, Stonehouse (Telegraphic address: Tidal, Plymouth), with particulars of appearance, etc., so that they may be readily identified.

##### Instructions for Ships Approaching the Port.

2. All ships may be brought in at night as well as by day. This does not apply to fishing vessels and small craft, as they cannot be allowed to enter at night.

Endeavour will be made to bring vessels in from sea during a fog even though movements inside the port are prohibited (see paragraph 11). If, however, the fog is so dense as to make this dangerous, the vessel must wait in the outer examination anchorage (Cawsand bay) or at sea until it lifts sufficiently.

When once ships are anchored they are not to move under any circumstances without previously obtaining permission from the King's Harbour Master for Plymouth.

Vessels of every description, including fishing vessels and small craft, are forbidden to enter or leave the port by the eastern entrance. They may only do so by the western entrance.

The Devil's Bridge is entirely closed.

All orders and instructions given by the Examining Officers are to be implicitly obeyed, otherwise ships will be liable to be fired upon.

##### Distinguishing Signals of Examination Steamers.

3. The Examining Steamer will be found in the neighbourhood of Penlee point, and will *by day* be distinguished by the Examination Flag (white and red horizontal surrounded by blue border), and will fly the Blue Ensign.

*By night* the Examination Steamer will be distinguished by three white lights.

##### Signals Indicating Port Closed.

4. The following signals will be employed to indicate that the Port is closed:—

*By Day*.—Three red balls hoisted vertically by the Examination Steamer and at the flagstaff on Breakwater fort.

*By Night*.—Three red lights, six feet apart, hoisted vertically by the Examination Steamer, and at the flagstaff on Breakwater fort.

In this case the Examination Vessel will not lead ships in further than Cawsand bay, where they must anchor or remain at sea.

Vessels must on no account proceed further in than Cawsand bay unless met by the Examination Steamer and led in or given the special signal to proceed into the sound.

##### Ships Anchored in Cawsand Bay.

5. Vessels are not to attempt to leave the anchorage under any circumstances, or to communicate with other vessels, or with the shore, without previously obtaining permission from the Chief Examining Officer.

## Fishing Vessels and Small Craft.

6. Fishing vessels, barges, boats, yachts, and small private vessels of any kind are only to enter the port by day and should approach the western entrance only, where the patrol boats will give them instructions as to proceeding into harbour.

If obliged to shelter at night from stress of weather or other cause, Shipowners, Masters, and Local Agents are advised to direct their vessels to proceed to a sheltered anchorage in the vicinity, such as Salcombe, The Yealm, Looe or Fowey, until daylight.

7. \_\_\_\_\_

## Pilotage.

8. Pilotage is compulsory for all vessels in the whole of the waters comprising Plymouth Sound, Hamoaze, Cattewater and Sutton pool, inside a line joining Penlee point on the west through the Shagstone to the coast on the East, as far as Laira bridge to the eastward and Saltash bridge to the westward, with the following exceptions:—

- (a) Ships belonging to His Majesty and Allied Men-of-War;
- (b) Pleasure yachts and sailing boats under 30 feet in length on the water line and under 10 feet draught;
- (c) Fishing vessels;
- (d) Sailing vessels trading coastwise of less than 75 tons net register;
- (e) Ships of less than 50 tons gross tonnage not carrying passengers;
- (f) Motor barges and boats habitually used exclusively within the limits of the Port of Plymouth;
- (g) Steam tug boats registered at the Port of Plymouth.

NOTE.—This order does not apply to ships changing moorings unless the shift entails going through or into the channel.

If necessary, the Examining Officer will place a licensed local Pilot on board all incoming merchant vessels, or they will be led in by one of the Examination Vessels which have licensed Pilots on board.

All vessels proceeding from the Cattewater or Sutton pool to Plymouth sound and *vice versa* are to pass between the Mallard shoal and Mount Batten breakwater.

## PART II.—MOVEMENTS WITHIN THE PORT.

9. The movements of all merchant ships, fishing vessels, or boats of any kind, are subject to the direction of the King's Harbour Master, Plymouth, for the Sound, and the King's Harbour Master, Devonport, for the Hamoaze, whose orders are to be immediately obeyed.

Disobedience of such orders will render vessels liable to be fired upon.

## Pilotage.

10. Pilotage is compulsory under the same conditions as stated in paragraph 8 above.

## Night and During Fog.

11. During the hours of official night, or during fog, no merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to be under way in the Sound and adjacent waters, except with special permission, which should be obtained from the King's Harbour Master for Plymouth, at Longroom, Stonehouse.

During the hours of official night no vessel, barge, or boat of any kind, will be allowed to be under way in the Hamoaze or creeks and coves adjoining, including the Lynher river and the Tamar river above Saltash as far as a line joining Skinham and Warren points, except with special permission, which should be obtained from the King's Harbour Master, for Devonport, at His Majesty's Dockyard, Devonport.

All traffic within the port is absolutely prohibited during a state of fog.

## Approach to Government Vessels and Establishments.

12. No merchant vessels (including fishing craft, barges, boats, yachts, or private vessels of any kind) will be allowed to approach any Government ship, vessel, lighter, or other Government craft, or any Government Dockyard or Establishment, without special permission.

Subject to the above, merchant shipping may move as usual within the Ports of Plymouth and Devonport, taking care to keep clear of any of His Majesty's ships which are being navigated in the Ports (*See* paragraph 22, Part IV of this Section).

## Patrol of Internal Waterways and Approaches of the Port.

13. The internal waterways of the port, as well as the approaches thereto, will be patrolled by Naval patrol boats, or other Government vessels. Captains and Masters of merchant ships, and persons in charge of fishing vessels or boats of any kind, are hereby warned to observe any orders which may be given by the Naval patrols. Merchant ships, fishing vessels, and boats will be subject to inspection and search, and will be liable to be fired upon in the event of disobedience to the orders given them by the patrols.

## Regulation Lights to be shown at Night.

14. All vessels, barges, or boats, that have received permission to be under way, must display the regulations lights at night. (*See* also paragraph 7.)

## Caution as to Anchoring.

15. When anchoring, care must be taken to be well clear of the fairway.

## Prohibited Areas.

16. No vessel, boat, or craft of any kind, is at any time allowed within the following areas:—

*The Eastern Channel.*—The area defined as follows:—On the north by the line of Torpedo range targets; on the west by the line joining Breakwater fort with Shagstone beacon; and on the south by a line joining Shagstone beacon with Reny rocks.

*The Bridge.*—The area defined as follows:—On the north by a line joining Ravenness point to Drake's island north-west buoy; on the east by a line joining Drake's island north-west buoy to Melampus light-buoy; and on the south by a line joining Melampus light-buoy to Fort Picklecombe pier.

*Mount Batten Breakwater.*—All small craft are warned they should not approach within 200 yards of Mount Batten Breakwater, it being necessary to keep this area clear for sea-planes going out and returning.

No fishing boat or sailing vessel engaged in coast trade shall be admitted into Cawsand bay during the night, or be allowed to lie at anchor there during the night. No fishing boat or sailing vessel engaged in coast trade shall approach Cawsand bay so late in the evening as to make it impossible for them to enter the Cattewater before dark.

Fishing is now permitted by night in Whitsand bay, subject to the following regulations:—

(a) No fishing at night is to take place east of a line drawn in a  $231^{\circ}$  (S.  $67^{\circ}$  W. Mag.) direction from Rame head, and no boat is to cross this line at a distance of less than ten miles from the Breakwater light during the hours of official night.

(b) Except on Sundays, no night fishing is to take place within three miles of the Coast between Tregantle and Portwrinkle up to the hour of 12 midnight, or such later hour as may be ordered.

The above regulations are to be strictly complied with and any infringement of them will entail severe penalties.

Paragraph 3 of Section II. of this Notice is modified to the extent stated above as regards the defended Port of Plymouth.

No yacht, &c., or pleasure boat may proceed to the westward of a line joining the west end of West Hoe Terrace, the Asia and Melampus light-buoys, nor may they proceed more than two miles outside the breakwater.

With the above exceptions, yachts, &c., and pleasure boats, may cruise in the waters of the Sound as laid down in the Public Traffic Regulations. All persons going afloat in charge of yachts or boats are to make themselves thoroughly acquainted with these orders, the Public Traffic Regulations, and the notices that have been published from time to time in the public press defining prohibited areas.

Special notice is drawn to the following points in the regulations:—

No yacht or boat may be under way after dark; there can, therefore, be no traffic after dark between yachts at their moorings and the shore.

Although it is only laid down that no craft may leave or enter by the East channel, no craft is to approach anywhere near the East channel buoys, as such action would be likely to draw the fire of the forts.

All Excursion Steamer Traffic is Prohibited in the Sound.

*Note.*—Yachts that are only fitting out at Plymouth, and that may wish to proceed to their Summer base harbour, must obtain permission to leave for that purpose.

A limited number of moorings for yachts may be laid in the following places and nowhere else:—

On West Hoe—on application to King's Harbour Master, Plymouth; in the Cattewater above Turnchapel—on application to the Harbour Master of Cattewater.

*Hamoaze.*—Within the limits in the Harbour of Devonport mentioned in paragraph (4) below, all small craft, motor boats, steam boats, pulling boats, punts, &c., are to be moored in one of the following areas, *viz.*:—Saltash, Pottery quay, North corner, Mutton cove, Cremyll hard, Torpoint, Stonehouse creek (or be hauled up and secured above highwater mark in an

approved position), where they will remain under Police supervision, and only be allowed out on the production of a permit. (See paragraph (4) below.)

(2) With the exception of steam or motor ferry boats which have obtained special permits, no craft of any description is to be under way during the hours of official night. Any craft under way between these times may be fired on by the Naval patrol boats or H.M. ships in harbour without notice.

(3) During fog or thick weather, no craft of any description is to be under way, with the exception of the Chain Ferry bridges at Torpoint and Saltash.

(4) All traffic is prohibited in the waters of the Harbour of Devonport within the following limits, *viz.*:—Between lines joining Skinham and Warren points in the Tamar river, and the Boom at Devil's point, including the Lynher river as far as St. Germans, Millbrook lake, and all the creeks and coves adjoining, subject to the following provisions:—

*During daylight, i.e.,* outside the hours of official night, all craft of any description engaged by their owners in the prosecution of their business, or used by them as a means of obtaining their livelihood, may be permitted to be under way within the above limits on obtaining a permit for the purpose. These permits to be obtained for steam, motor, or other self-propelled craft from the King's Harbour Master, Devonport, and for sailing or pulling craft from the Superintendent of Dockyard Police; such permits to be produced when called for by the person in charge of any patrol boat, police boat, or boat of H.M. ships.

Persons owning craft of any description which they may wish to use for pleasure purposes will be allowed to remove the same to approved places outside the above limits.

No Permits will be Granted for Use of Pleasure Craft within the Limits Defined.

(5) With the undermentioned exception at \*\* the following areas are prohibited to all craft of every description:—

Coombe bay, Kiln bay, Wilcove lake, Thanckes lake, south of Gravesend point to Pound at Torpoint, St. John's lake, Millbrook lake (inside a line from Palmer point to Little Southdown).

\*\* With regard to Millbrook lake inside the line specified, special permits will be given to steam or motor ferry craft, for public traffic only, and for sailing and pulling craft conveying market produce or provisions and coal, at the discretion of the King's Harbour Master, Devonport.

(6) No craft of any description is to approach or is to communicate with any of H.M. establishments or ships without having permission and calling the attention of the guard before they close. Craft disobeying this order may be fired on without notice.

(7) The foregoing provisions do not apply to any of H.M. craft or boats, or to vessels in Government employ.

(8) No excursion steamers will be permitted in the Hamoaze between the boom at Devil's point and Saltash pier. Subject to special arrangements, facilities will be granted during the summer months only for excursions in the Rivers Tamar and Tavy above Saltash, permits for which must be obtained by the owners of Excursion Steamers from the King's Harbour Master, Devonport.

**Special Warning to Boatmen and those who Hire Out Yachts or Boats.**

Great care must be taken that yachts and boats are only hired out to persons who are thoroughly acquainted with these regulations, as any infringement of the orders will, amongst other things, lead to the detention of the offending yacht or boat.

**PART III.—VESSELS LEAVING THE PORT.**  
**Prohibition.**

17. No fishing vessels, barges, boats, yachts, or private vessels of any kind, are permitted to leave the Dockyard Port of Plymouth during the hours of official night or during fog.

Vessels in the Hamoaze must obtain such permission from the King's Harbour Master, Devonport, at his office in the Dockyard; those at berths in the waters of the sound, Cawsand bay, Cattewater, Sutton pool, or Millbay docks, must obtain permission from the King's Harbour Master, Plymouth, at Longroom, Stonehouse.

It is also necessary for ships to obtain permission from the Collector of Customs, at the Barbican, Plymouth.

gating with or against the tide, is to attempt to pass a man-of-war in the "Narrows" when she is flying the "O" flag at the fore truck.

Vessels are required not to pass other vessels in the gateway of the boom, and a vessel navigating against the tide should ease her engines and wait until any other vessel going with the tide has passed clear.

The following signals are hoisted at Mount Wise, Longroom, and South dockyard signal station:—

**Signal and Signification.**
